- (15,75) Purple Cat with Heart: A pixel art depiction of a purple cat-like creature with a small heart symbol floating above
- (40,75) Orange Dog/Cat: A pixel art depiction of an orange animal, resembling a dog or cat, facing right.

Day 2: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Your first NFT (more info at <https://github.com/isaacbernat/basepaint>)

(37,13) **BOT NOT RUGGED GMFER text:** Text referencing crypto/NFT culture, likely related to avoiding scams ("rugged") and

(16,16) **Furry/Anime character head:** A cute, stylized animal or character head common in online art communities.

(79,24) **Doge face:** Iconic internet meme featuring a Shiba Inu dog.

(52,60) **HIDDEN GM.FOLDER text:** Large text block, likely referencing computer file structures and crypto greetings ("GM").

(24,56) **Face with big mouth:** A stylized character or meme face with a prominent wide smile.

(32,79) **Wojak / Feels Guy variant:** A common meme character expressing emotion, part of the Wojak meme family.

(63,84) **Corgi dog:** Pixel art of a Corgi dog, a breed popular online.

(48,89) **OH ON CHAIN SUMMER text:** Text referencing crypto/NFT concepts ("On Chain") and likely the "DeFi Summer" theme.

(16,92) **Skull with Sunglasses:** Pixel art referencing the "Deal With It" internet meme, often associated with a cool or accepted attitude.

(48,24) **Creeper face:** Face of a Creeper, a well-known hostile mob from the game Minecraft.

(63,24) **Dancing Hotdog:** Pixel art depicting the dancing hotdog filter originating from Snapchat, a popular internet meme.

(40,32) **Face with square eyes:** A stylized pixel art face, potentially referencing aesthetics like Roblox or similar blocky characters.

(87,71) **Character head with closed eyes:** A pixel art character face with a calm or neutral expression.

(79,87) **Sad/Crying Cat:** A pixel art depiction of a sad or crying cat, a widely used meme format.

(95,87) **Another Sad Cat:** Another pixel art cat face, similar in style to the Sad/Crying Cat, possibly a variant or different expression.

(29,92) **Pepe the Frog:** Pixel art depicting Pepe the Frog, a controversial but ubiquitous internet meme character.

(40,92) **NIGHT FNF text:** Text likely referencing the rhythm game "Friday Night Funkin'".

(24,94) **Red Apple:** Simple pixel art of a red apple.

(29,16) **Small face top left:** A small, simple character face.

(32,40) **Small happy face under GMFER:** A small pixel art face expressing happiness.

(37,40) **Small face near OK PC left:** A small pixel art character face.

(71,40) **Pac-Man ghost:** Pixel art of a ghost from the classic arcade game Pac-Man.

(48,48) **OK PC text (left):** Text referring to "OK PC", potentially related to the PC Master Race meme or just a general phrase.

(87,56) **Diamond icon:** Icon representing a diamond, a symbol associated with the "diamond hands" concept in cryptocurrency.

(95,56) **Batman symbol:** The iconic Bat-Signal symbol from the Batman comic/TV/movie series.

(32,63) **Upside down face:** A small, simple face oriented upside down.

(95,73) **Group of 3 small faces:** A cluster of three small, simple pixel art faces.

(56,87) **Pikachu variant:** Pixel art of a character resembling Pikachu from the Pokémon series.

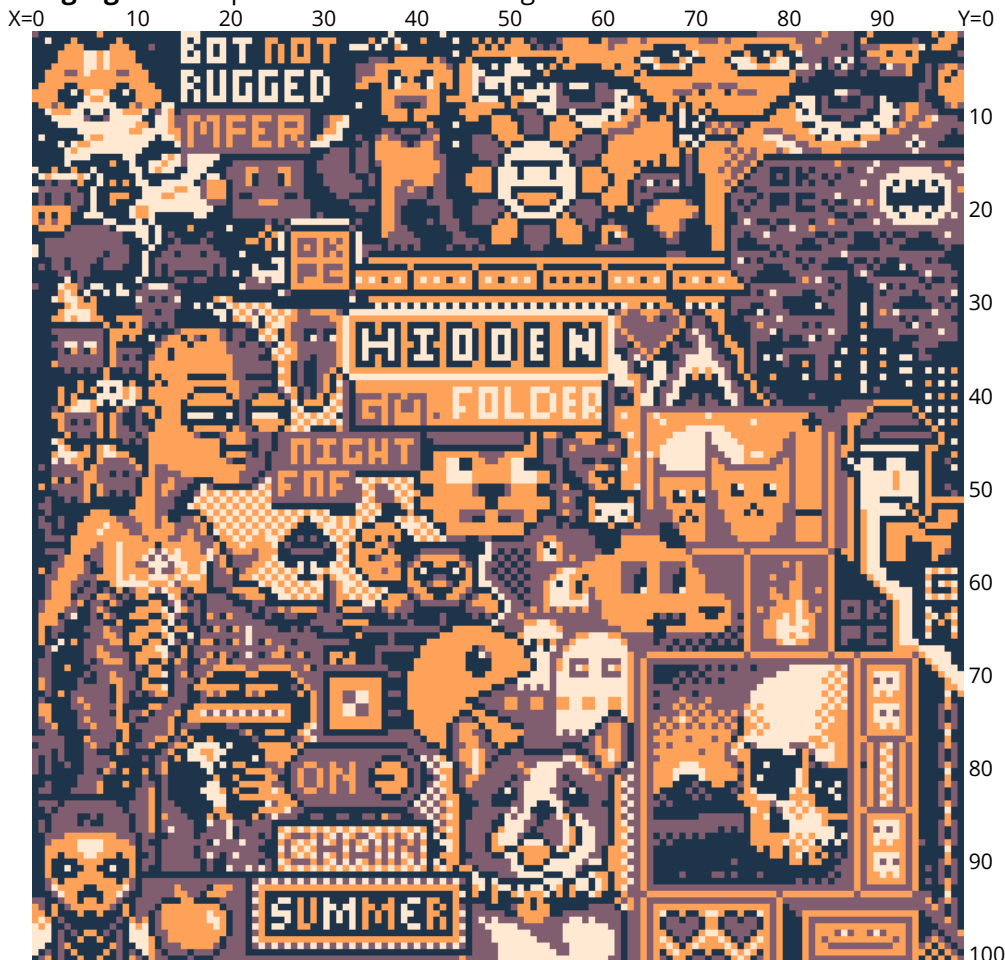

(97,87) **Fire icon:** Simple pixel art icon depicting fire.

(100,87) **OK PC text (right):** Another instance of the "OK PC" text.

(100,95) **Vertical text "GM GM GM":** Text repeating "GM" (Good Morning), a common greeting in the crypto/NFT community.

(95,100) **Ghost:** Simple pixel art depiction of a ghost.

(71,100) **Arrow pointing right:** A simple arrow icon indicating direction.

Day 3: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **CryptoPunks** (more info at <https://github.com/isaacbernat/basepaint>)

(50,30) **Large portrait with hat:** A prominent pixel art portrait of a person wearing a hat, potentially referencing a specific

(20,20) **Large portrait with glasses and beard:** A large pixel art portrait depicting a person with glasses and a beard, a co

(80,25) **Large face portrait:** A large pixel art depiction of a face, less distinct than the others but a significant element in th

(10,40) **GM text:** Pixel art text reading "GM", a common abbreviation for "Good Morning" used as a greeting meme in the c

(95,50) **Vertical text or shapes (likely 'BY RAG EOD'):** A vertical stack of shapes that appears to form text, likely the signa

(20,60) **Intricate geometric diamond pattern:** A large area filled with a complex repeating diamond-shaped geometric p

(35,70) **PUNK text:** Pixel art text reading "PUNK", a direct reference to CryptoPunks, the pioneering NFT collection.

(15,85) **Large detailed sphere:** A large, prominently placed pixel art sphere or circle with internal detail, possibly represen

(50,55) **Abstract character body shape:** An abstract pixel art shape located below the central large portrait, potentially re

(35,65) **Pair of identical faces:** Two small, identical pixel art faces positioned next to each other.

(60,65) **Gear or cogwheel symbol:** A pixel art symbol of a gear or cogwheel.

(50,75) **Diamond or rhombus symbol:** A simple pixel art diamond or rhombus shape.

(50,85) **Robot or cartoon character face:** A pixel art face of a simple character with a square head, large eyes, and a smil

(70,40) **Lemon fruit:** A small pixel art depiction of a lemon.

(90,40) **Pixel art fish:** A small pixel art depiction of a fish.

(55,45) **Simple teal face:** A small, simple pixel art face in teal color.

(10,48) **Simple round head character:** A small pixel art round head with simple facial features.

(15,50) **Bear or animal face:** A small pixel art face resembling a bear or other animal.

(70,55) **Simple yellow face:** A small, simple pixel art face in yellow color.

(75,65) **Cross symbol:** A simple pixel art cross shape.

(90,65) **Simple face with hat:** A small pixel art face wearing a hat or beanie.

(85,70) **Simple yellow face:** Another small, simple pixel art face in yellow color.

(95,75) **Simple animal face (dog or cat?):** A small pixel art face resembling a dog or cat near the edge.

(85,85) **Blocky yellow character figure:** A small, blocky pixel art character figure in yellow.

(75,90) **Small building or structure:** A small pixel art representation of a building or structure.

(90,95) **#3 text:** Pixel art text showing the number "#3".

Day 4: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **SimCity** (more info at <https://github.com/isaacbernat/basepaint>)

(75,10) **SIM CITY logo:** Game title and project theme.

(80,60) **Hand pointing down:** Common internet/UI symbol, often used in memes or interfaces.

(55,45) **Happy Face:** Looks like a simplified happy meme face (possibly Pepe variant or similar).

(20,65) **Wojak-like figure:** Recognizable internet meme character archetype, often used to represent emotions or reactions.

(80,45) **GM text:** Internet culture reference "Good Morning", common in crypto/NFT communities.

(80,55) **ALPHA text:** Internet culture reference "Alpha", referring to valuable information or opportunities.

(95,50) **Skyscraper:** A tall, slender building typical of city skylines.

(65,65) **Checkerboard pattern:** A distinct visual pattern used on a building facade or ground area.

(25,55) **Pyramid/Temple:** A distinctive architectural structure, possibly a SimCity landmark or Wonder.

(55,60) **Sad Face:** A smaller face, possibly representing a sad meme face (like Sad Wojak).

(25,45) **Large building Mid-left:** A prominent, albeit generic, building in the city landscape.

(95,95) **Small figure or number:** A small indistinct element, potentially a number like '4' or timestamp detail.

Day 5: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Outer Space (more info at <https://github.com/isaacbernat/basepaint>)

- (55,70) **Saturn:** A large brown and yellow planet with prominent rings.
- (35,25) **Pixel Face with Sunglasses:** A yellow face with brown sunglasses, resembling a meme face like "Deal With It".
- (85,35) **Don't Panic! text:** Text reading "Don't Panic!", a reference to Hitchhiker's Guide to the Galaxy.
- (55,45) **Earth 2:** A blue and brown planet with visible continents and clouds.
- (70,55) **Earth 1:** Another blue and brown planet with visible continents and clouds.
- (15,80) **Skeleton Alien:** A large alien figure depicted as a skeleton.
- (20,45) **NASA logo:** The word "NASA" spelled out in blocky text, referencing the space agency.
- (75,65) **Among Us character:** A blue figure from the popular game Among Us.
- (25,75) **Snail in space helmet:** A snail wearing a space helmet.
- (10,15) **Moon (Crescent):** A yellow crescent shape, a common celestial object.
- (80,15) **Space Invaders (group):** A group of pixelated alien creatures from the classic arcade game.
- (80,45) **DOGE text:** Text reading "DOGE", referencing the Dogecoin cryptocurrency and associated meme.
- (95,50) **Small Yellow Character:** A small yellow character with simple features, possibly an emoji or cartoon reference.
- (15,55) **Hand Thumbs Up:** A yellow hand with the thumb raised, a positive gesture.
- (25,60) **Robot:** A humanoid figure with blocky features, a typical robot design.
- (90,60) **Block Structure:** A brown and yellow blocky structure, potentially referencing Minecraft or general pixel art construction.
- (65,80) **Happy Face with Teeth:** A face with a wide smile showing teeth.
- (40,85) **UFO:** A classic flying saucer shape.
- (85,85) **All-seeing Eye:** An eye inside a triangle, a symbol associated with Illuminati/conspiracy theories.
- (5,35) **Cool S:** A stylized 'S' symbol often doodled, an internet meme.
- (55,95) **Small Blob Creature:** A small amorphous brown creature.
- (75,95) **Small Red Character:** A small red character, possibly another Among Us or similar game character.
- (95,95) **Small Mushroom:** A small red-capped mushroom, likely a reference to Super Mario Bros.

Day 6: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Super Mario** (more info at <https://github.com/isaacbernat/basepaint>)

(50,85) **Giant Bowser Head**: Large pixel art depiction of Bowser's head or mouth.

(25,10) **SUPER MARIO WORLD**: Text title from the game.

(60,10) **START GAME**: Text prompt from game menus.

(75,45) **GAME OVER**: Text displayed upon losing.

(10,40) **World Map Globe**: The map screen globe from Super Mario World.

(30,45) **Large Piranha Plant**: An oversized version of the pipe-dwelling enemy.

(18,20) **Mario riding Yoshi**: Mario mounted on his dinosaur friend.

(25,85) **Bowser Jr.**: Bowser's son and boss character.

(15,70) **Crying Luigi**: Luigi shown in a sad or tearful state, potentially referencing memes or his characterization.

(75,55) **Princess Peach**: The main damsel character.

(50,50) **Chain Chomp**: A spherical, barking enemy chained to a post.

(45,55) **Thwomp**: A large stone block that falls to crush players.

(85,50) **Boo**: A ghost enemy that becomes invisible when looked at.

(70,85) **Dry Bones**: An undead, reassembling Koopa Troopa.

(85,20) **Lakitu**: A Koopa riding a cloud, often throwing enemies.

(35,50) **Shy Guy**: A masked character from Super Mario World 2: Yoshi's Island and other titles.

(80,85) **Goomba**: A basic mushroom-shaped enemy.

(75,20) **Mario (Cape)**: Mario powered up with the Cape Feather.

(70,40) **Mario (Hammer)**: Mario powered up with the Hammer Bro Suit.

(90,20) **Mario in Kart**: Mario driving a vehicle from the Mario Kart series.

(65,65) **Mario (Cat)**: Mario powered up with the Super Bell.

(80,65) **Mario (Propeller)**: Mario powered up with the Propeller Mushroom.

(55,20) **Luigi and Mario**: The two main protagonists standing together.

(40,85) **Piranha Plant Pipe**: A Piranha Plant emerging from a warp pipe.

(50,35) **Super Mushroom**: A power-up that increases size.

(40,30) **Starman**: An item granting temporary invincibility.

(45,30) **Leaf**: The Super Leaf power-up for Raccoon Mario.

(75,35) **Question Block**: A yellow block containing items.

(50,35) **Brick Block**: A destructible or solid level block.

(45,20) **Yoshi Egg**: An egg that contains Yoshi.

(75,40) **Game Boy**: Nintendo's classic handheld gaming console.

(90,10) **1UP**: Text indicating an extra life earned.

(75,70) **2000**: Text or numbers likely representing a score.

(75,55) **Key and Door**: Level elements used to progress.

(60,50) **Koopa Troopa**: A turtle-like enemy.

(65,50) **Koopa Shell**: The shell of a Koopa Troopa used as a weapon.

(80,75) **Cheep Cheep**: A fish enemy.

(50,75) **Coins**: Gold coins collected for points or lives.

(35,70) **Pipe**: A green pipe used for travel or as an obstacle.

(90,85) **Flagpole/Goal Tape**: The end-of-level marker.

(30,80) **Hills**: Iconic green background hills from Super Mario Bros.

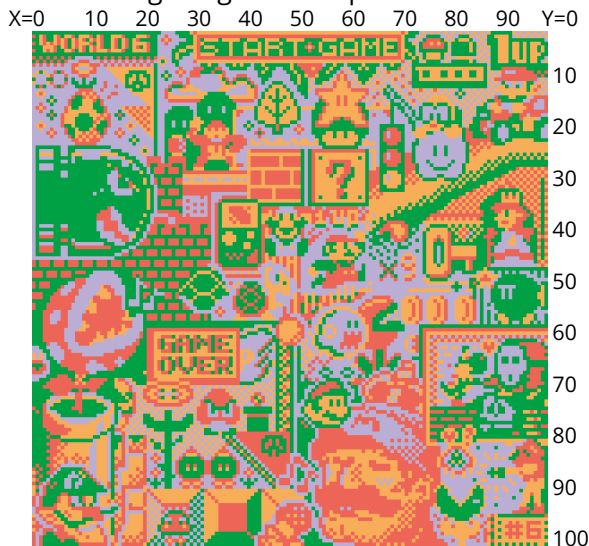

(55,30) **Tree/Bush**: Common background foliage.

(65,30) **Traffic Light**: A signal typically found in realistic or racing levels, included as a level element.

(50,25) **Castle**: A structure representing the end of a world or the final level.

(80,55) **TT**: Two letters, possibly initials or a tag.

(50,90) **Ground Blocks**: Generic blocks forming the ground or platforms.

Day 7: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Retro Sunset** (more info at <https://github.com/isaacbernat/basepaint>)

(58,59) **Ape face**: Prominent pixel art depiction of a monkey face, strongly resembling the Bored Ape Yacht Club style, a sig

(82,40) **Large portrait face**: A sizable pixel art portrait of a distinguished-looking face, possibly a historical figure from Jap

(72,80) **Skull figure with helmet and goggles**: A detailed pixel art rendering of a skull wearing a helmet and goggles, sugg

(20,65) **Bust statue**: A pixel art representation of a classical or historical bust sculpture.

(81,10) **PaintHub logo**: Text reading "PaintHub", likely the name associated with the basepaint.xyz project itself.

(17,20) **Traditional Japanese building**: Pixel art depicting a structure resembling a Japanese temple, pagoda, or traditional

(65,20) **Pac-Man Ghost**: A pixel art character resembling Blinky or another ghost from the classic Pac-Man video game.

(92,89) **Jukebox**: Pixel art depicting a retro style jukebox, symbolizing vintage culture and music.

(40,15) **Cassette tape**: Pixel art rendering of an audio cassette tape, a symbol of retro technology and the 1980s.

(25,80) **Question mark block**: An iconic item block with a question mark from the Super Mario Bros. video game series.

(40,55) **Framed picture/card**: A small framed pixel art image containing the number '1' and a shape, potentially a playing

(25,44) **Retro car**: Pixel art depicting a car, possibly styled after vehicles from the 1980s or science fiction (e.g., Delorean).

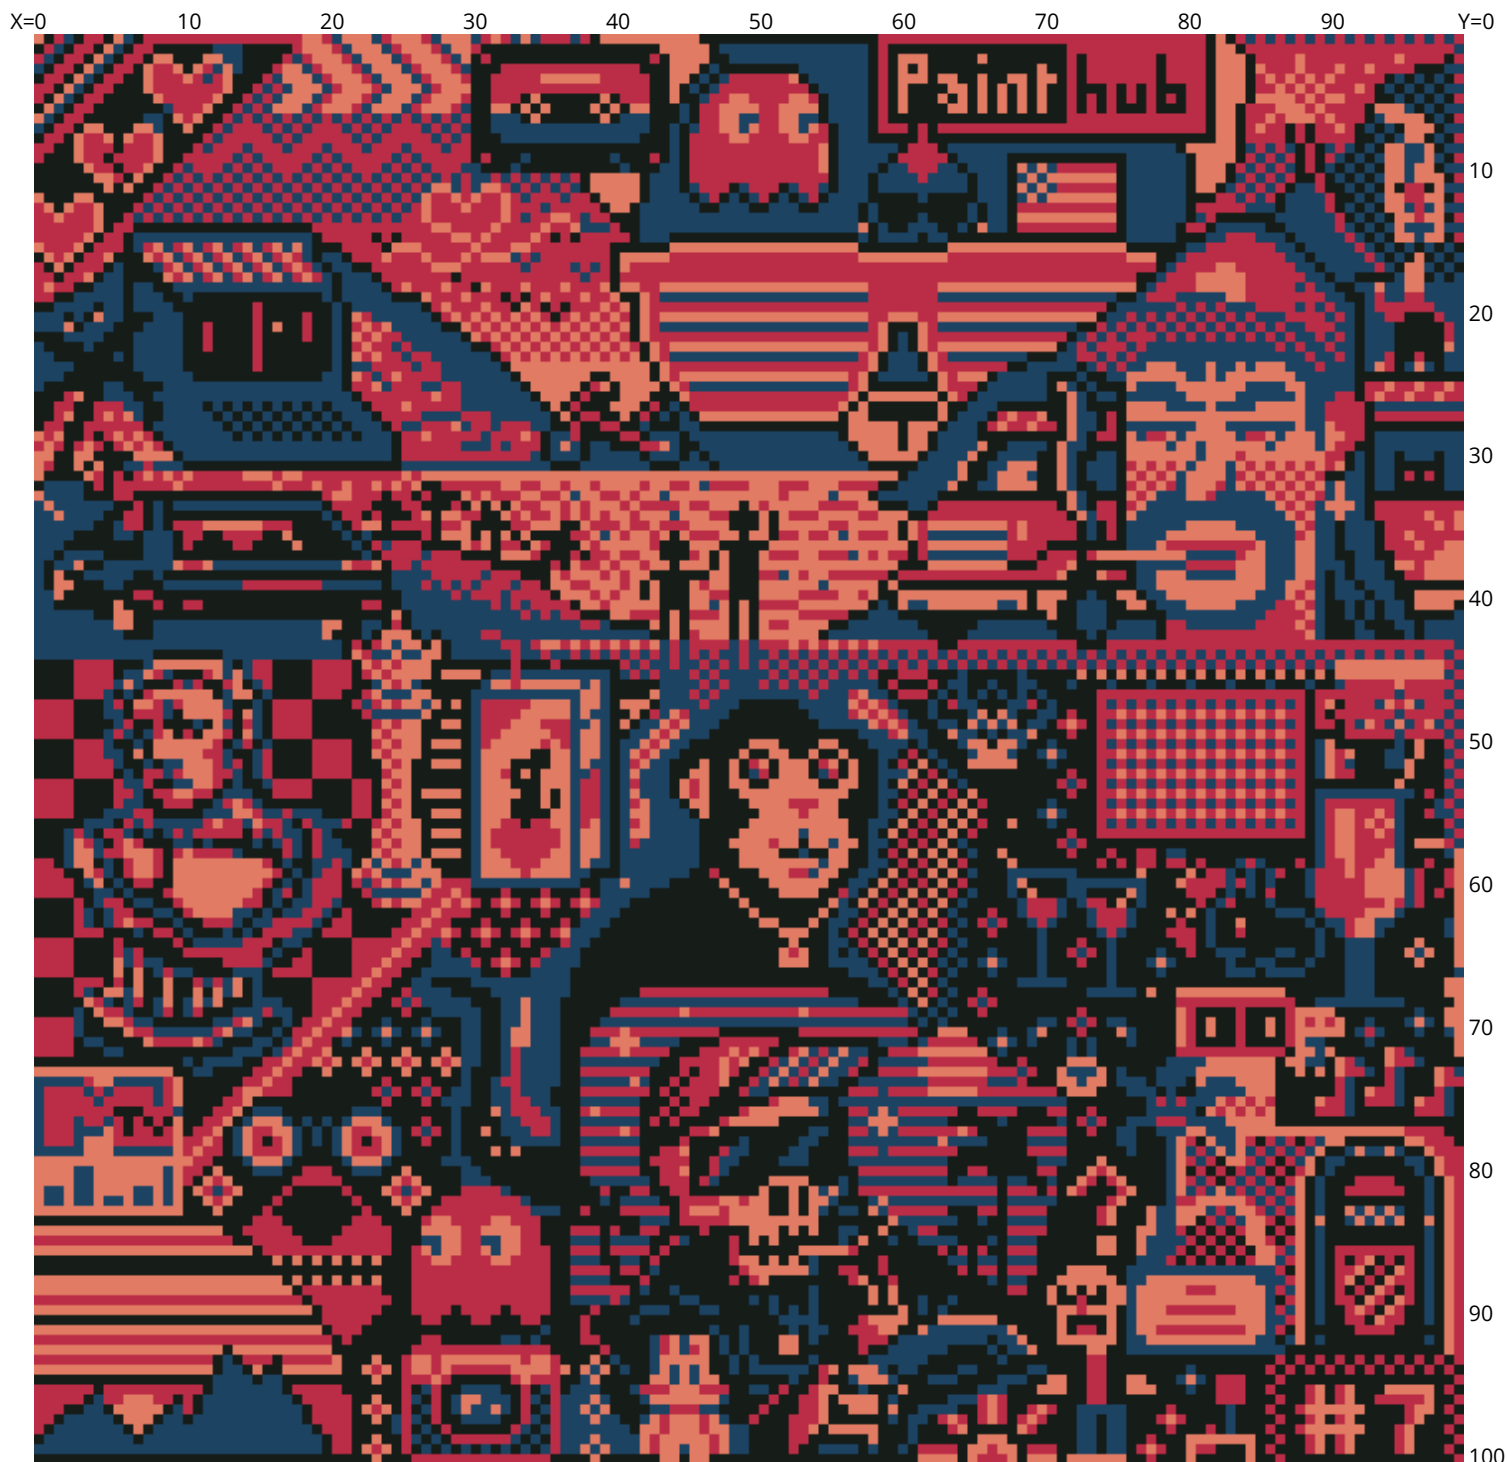

(85,25) **American flag**: A simplified pixel art representation of the flag of the United States of America.

(10,90) **M... logo/text**: Small pixel art text or logo starting with the letter 'M', its specific reference is unclear.

(5,5) **Hearts**: Simple pixel art heart symbols, often representing life, love, or a common UI element in games.

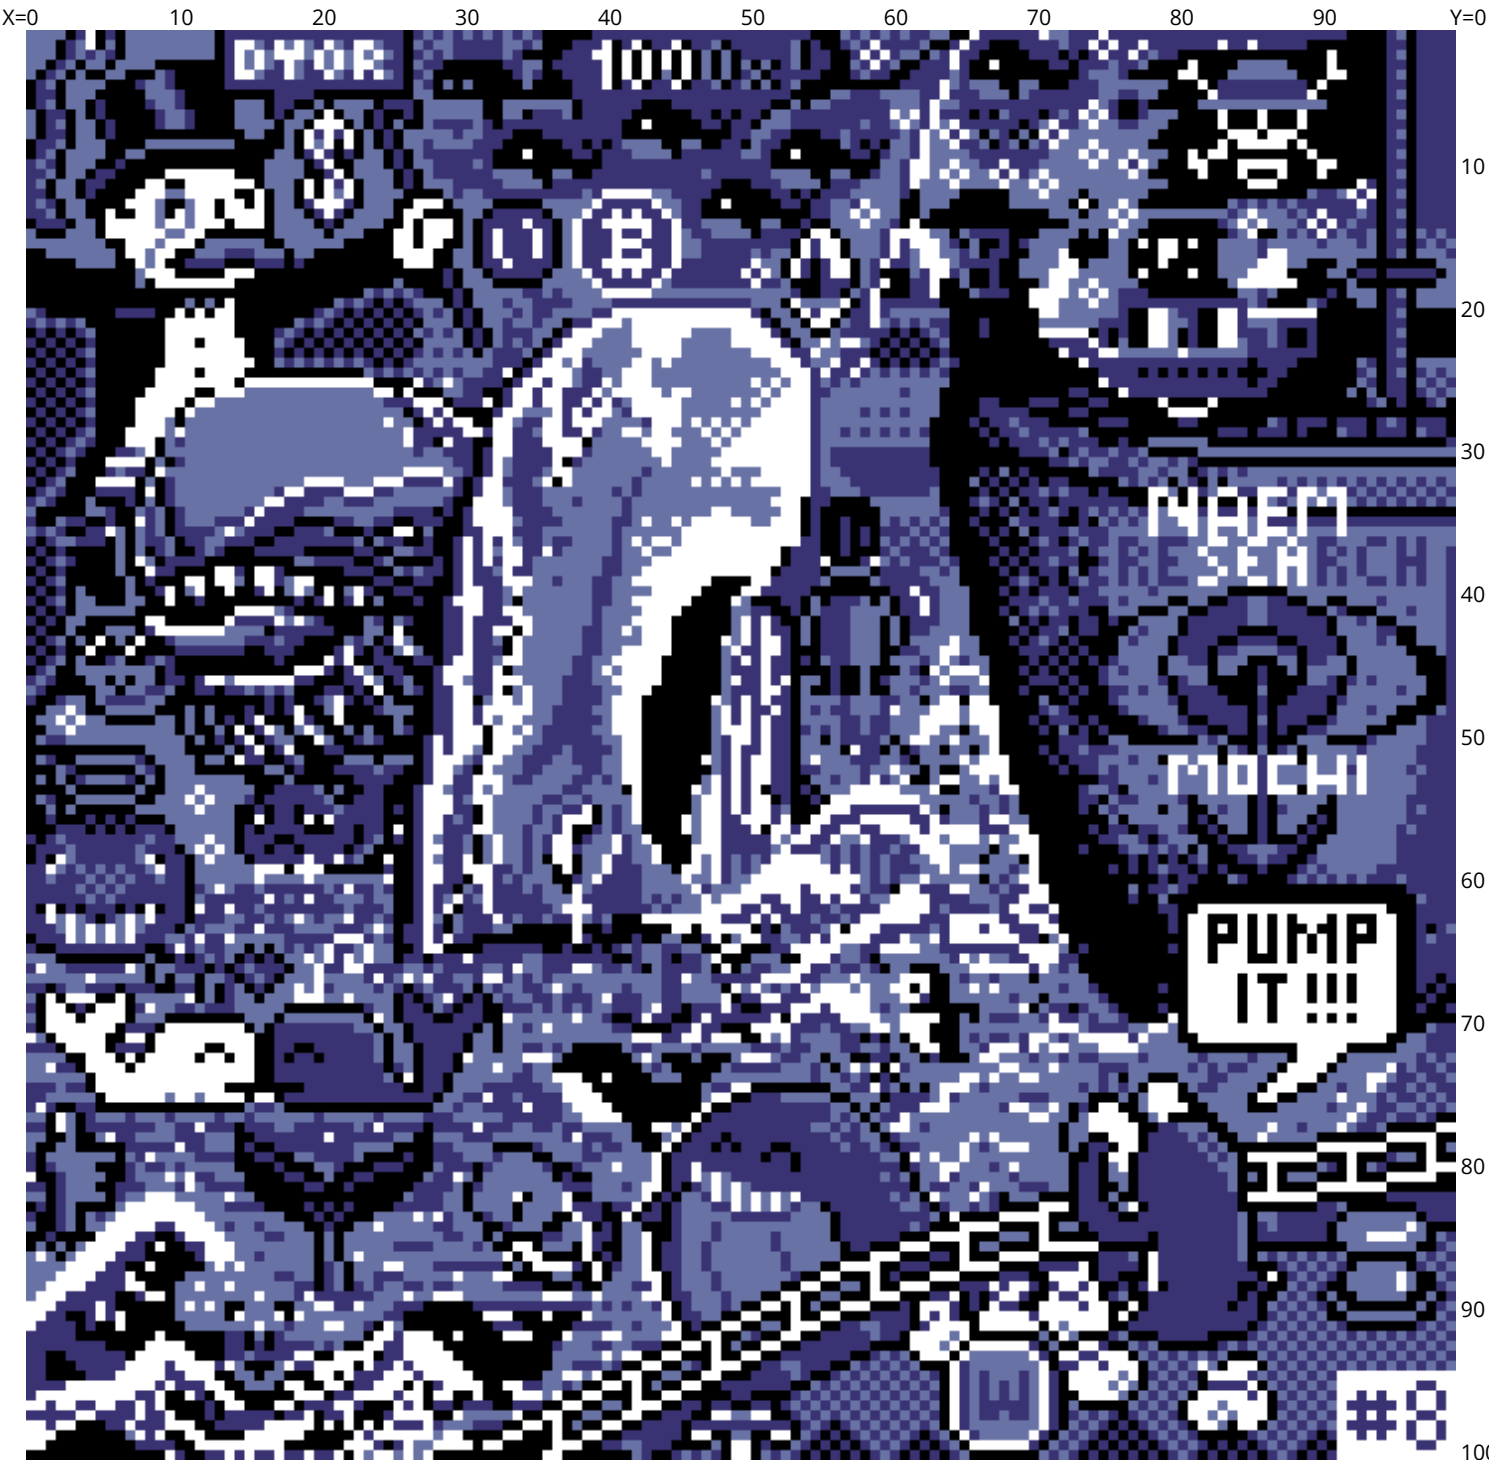

(15,90) **Small Pac-Man ghosts**: Smaller pixel art representations of ghosts from the Pac-Man game.

(96,96) **Number 7**: The pixel art digit '7', potentially a signature, version number, or other identifier.

Day 8: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Whales** (more info at <https://github.com/isaacbernat/basepaint>)
- (45,40) **Large Breaching Whale:** The central and largest element, representing large market participants ("whales") emerging from the water.
- (85,45) **NAAM RESEARCH / MOCHI structure/boat:** A structure resembling a research vessel or platform with text and logos.
- (15,8) **DYOR text:** "Do Your Own Research," a common meme/acronym in the crypto/investing world advising independence.
- (35,8) **100x text:** Refers to achieving 100x returns on investment, a term associated with high-growth assets, often used in crypto.
- (45,8) **DD text:** Likely stands for "Due Diligence," another term from finance/investing referring to research before making a decision.
- (30,15) **Icons:** A series of icons likely representing various aspects of finance/trading: a person, a graph or chart, potentially a dollar sign, and a Bitcoin symbol.
- (15,21) **Businessman figure:** A pixel figure wearing a hat and suit, possibly representing an investor or financial participant.
- (90,8) **Jolly Roger flag:** A pirate flag with skull and crossbones, flying on the mast of the boat, symbolizing risk, piracy, or aggressive trading.
- (25,75) **Small Whales:** Several smaller whales swimming in the water, representing smaller investors or market participants.
- (35,65) **Suit figure with chart:** A figure in a suit standing near a chart or graph, representing financial analysis, trading activity, or data visualization.
- (85,75) **PUMP IT!!! speech bubble:** A speech bubble containing the text "PUMP IT!!!", a common meme phrase used in trading to encourage buying or price manipulation.
- (70,90) **Shovel figure:** A figure holding a shovel, possibly representing "shilling" (promoting a crypto project or asset) or "dredging" (digging up old information).
- (85,95) **W in circle:** A small logo or symbol in a circle, possibly representing "Whales" or a specific project or community.
- (95,95) **#8 text:** Small text in the bottom right corner, possibly an index number for the artwork or a specific label.

Day 9: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Pixelmon Kevin (more info at <https://github.com/isaacbernat/basepaint>)

(51,51) **Central Figure:** A large green creature with light blue shirt featuring the number 9, potentially representing "Pixelmon Kevin".

(82,19) **Large Head (Top Right):** A large green creature head with a single prominent eye.

(38,82) **Large Book with "RARE!":** A large open book with vertical stripes and the text "RARE!" on its page, referencing NFT rarity.

(82,69) **Two Large Eyes:** A pair of large, expressive eyes belonging to a hidden creature.

(19,93) **Green Creature Head (Bottom Left):** A large green creature head with spiky hair and open mouth.

(51,71) **Japanese Text :** Japanese text spelling "Kevin", likely the character's name.

(63,82) **Text "KEVIN":** The name "KEVIN" in capital letters.

(57,87) **Text "Rare!":** The word "Rare!" prominently displayed on the book page, referencing NFT rarity or meme culture.

(97,51) **Figure with Football Jersey:** A creature figure wearing a vertically striped sports jersey, possibly a football or rugby player.

(94,32) **Figure with Backpack:** A square-headed figure with a backpack.

(19,13) **Small Head with "R" Cap:** A green creature head wearing a blue baseball cap with a white "R", possibly referencing a team or brand.

(76,44) **Teddy Bear:** A small green pixel art teddy bear.

(94,94) **Large Single Eye (Bottom Right):** A large, single, detached-looking eye.

(19,51) **Figure with Beard:** A green creature head with a beard and glasses or mask.

(82,98) **Creature Face (Bottom Right):** A green creature face with square eyes and a smile.

(97,98) **Text "#9":** The number symbol followed by "9", likely referencing the number on the central figure's shirt.

(32,19) **Figure with Stripes:** A figure with a rectangular head and striped body.

(44,19) **Another Head (Top Middle):** A green creature head with large eyes.

(44,51) **Figure with "0":** A small green figure wearing a shirt with the number "0".

(19,98) **Text "BASE":** Partial text "BASE", likely part of "basepaint".

(46,98) **Text "PAINT":** Partial text "PAINT", likely part of "basepaint".

(63,94) **Smiling Face (Bottom Middle):** A small green face with a simple smile.

(32,94) **Zombie/Creature (Bottom Left):** A distinct green creature head.

(19,69) **Small Face (Middle Left):** A small creature face with wide eyes.

(44,69) **Small Head (Middle Left):** A small green head with one visible eye.

Day 10: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): DUNE (more info at <https://github.com/isaacbernat/basepaint>)

(50,50) Sandworm: A giant creature native to Arrakis, central to the Dune story, depicted here emerging from the sand.

(50,5) DUNE Logo: The title text for the Dune series, styled at the top border of the image.

(85,35) Character Face: A human face rendered in pixel art, likely a protagonist or significant character from Dune.

(70,80) Arrakis Landscape: Features representing the desert planet Arrakis, possibly dunes, mountains, or structures, for

(30,90) CONTINUE Text: A reference to video game interfaces, particularly from arcades or retro games, commonly displa

(95,60) quilha Tag: Vertical text likely representing the username or tag of one of the artists who contributed to the basep

(5,50) BASE Text: Part of the word "BASEPAINT", referring to the pixel art platform where this image was created, placed

(5,70) PAINT Text: Part of the word "BASEPAINT", referring to the pixel art platform where this image was created, placed

(15,80) Fremen Figure: A small figure, potentially a Fremen warrior in a stillsuit, standing or moving near a Sandworm, a c

(50,85) Silhouetted Figure: A small, dark human-like shape standing within the landscape, possibly another character or a

(90,95) 91 AG Text: Small text likely referencing "91 ARG", often seen in basepaint contexts related to community currency

Day 11: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): MacPaint (more info at <https://github.com/isaacbernat/basepaint>)
- (75,50) **Large distorted figure:** Appears to be a large, abstract, or glitchy figure, possibly a character from retro media or a distorted image.
- (50,80) **Keyboard:** A representation of a computer keyboard.
- (50,25) **"mowomowomowo" text:** Repeating pattern of text, possibly a sound effect or internet culture reference (like cat meows).
- (50,3) **MacPaint Menu Bar:** Simulated menu bar with options "C File Edit Goodies Font Help -", referencing the classic Mac OS menu bar.
- (10,50) **MacPaint Tool Palette:** A column of icons representing drawing tools (brush, paint bucket, etc.), referencing the classic MacPaint tool palette.
- (15,55) **"BP RASEN 11" text:** Likely refers to "Basepaint v1.1", the project hosting the art.
- (90,3) **Window Controls:** Simulated window controls (minimize, maximize, close) from a classic GUI.
- (5,50) **Left border patterns:** Abstract vertical patterns along the left edge.
- (50,95) **Bottom area patterns:** Abstract patterns at the bottom edge.
- (45,35) **"GM" text:** Common internet meme/greeting, particularly in crypto/NFT communities.
- (55,35) **Smiley face:** Classic simple emoticon.
- (65,35) **Heart symbol:** Universal symbol of love or liking.
- (58,40) **Hand cursor:** Represents a mouse cursor, often used in interfaces.
- (35,50) **Floppy disk icon:** Represents saving data, a nostalgic computer element.
- (45,50) **Computer screen icon:** Represents a monitor or display.
- (50,50) **Character silhouette:** A dark silhouette of a person, possibly walking or standing.
- (55,50) **QR code-like pattern:** Suggests scannable data or a modern digital element in a retro context.
- (65,50) **"HI." text:** Simple greeting.
- (65,60) **Small animal figure:** Appears to be a small animal, possibly a cat or dog.
- (75,60) **Apple logo:** Iconic logo of Apple Inc., relevant given the MacPaint context.
- (50,70) **"XEROX PARC" text:** Refers to the Xerox Palo Alto Research Center, a historic site in computer development.
- (80,70) **Pepe-like face:** Resembles Pepe the Frog, a highly popular and often controversial internet meme.
- (90,70) **Another face icon:** A simple face, possibly expressive.
- (70,80) **Figure with brush:** A small figure seemingly holding a brush, possibly related to drawing or painting.
- (35,90) **Checkmark symbol:** Indicates completion or selection.
- (85,90) **Coffee cup with heart:** Represents coffee and perhaps a cozy or positive feeling.
- (95,90) **"#11:00" text:** Represents a specific time.

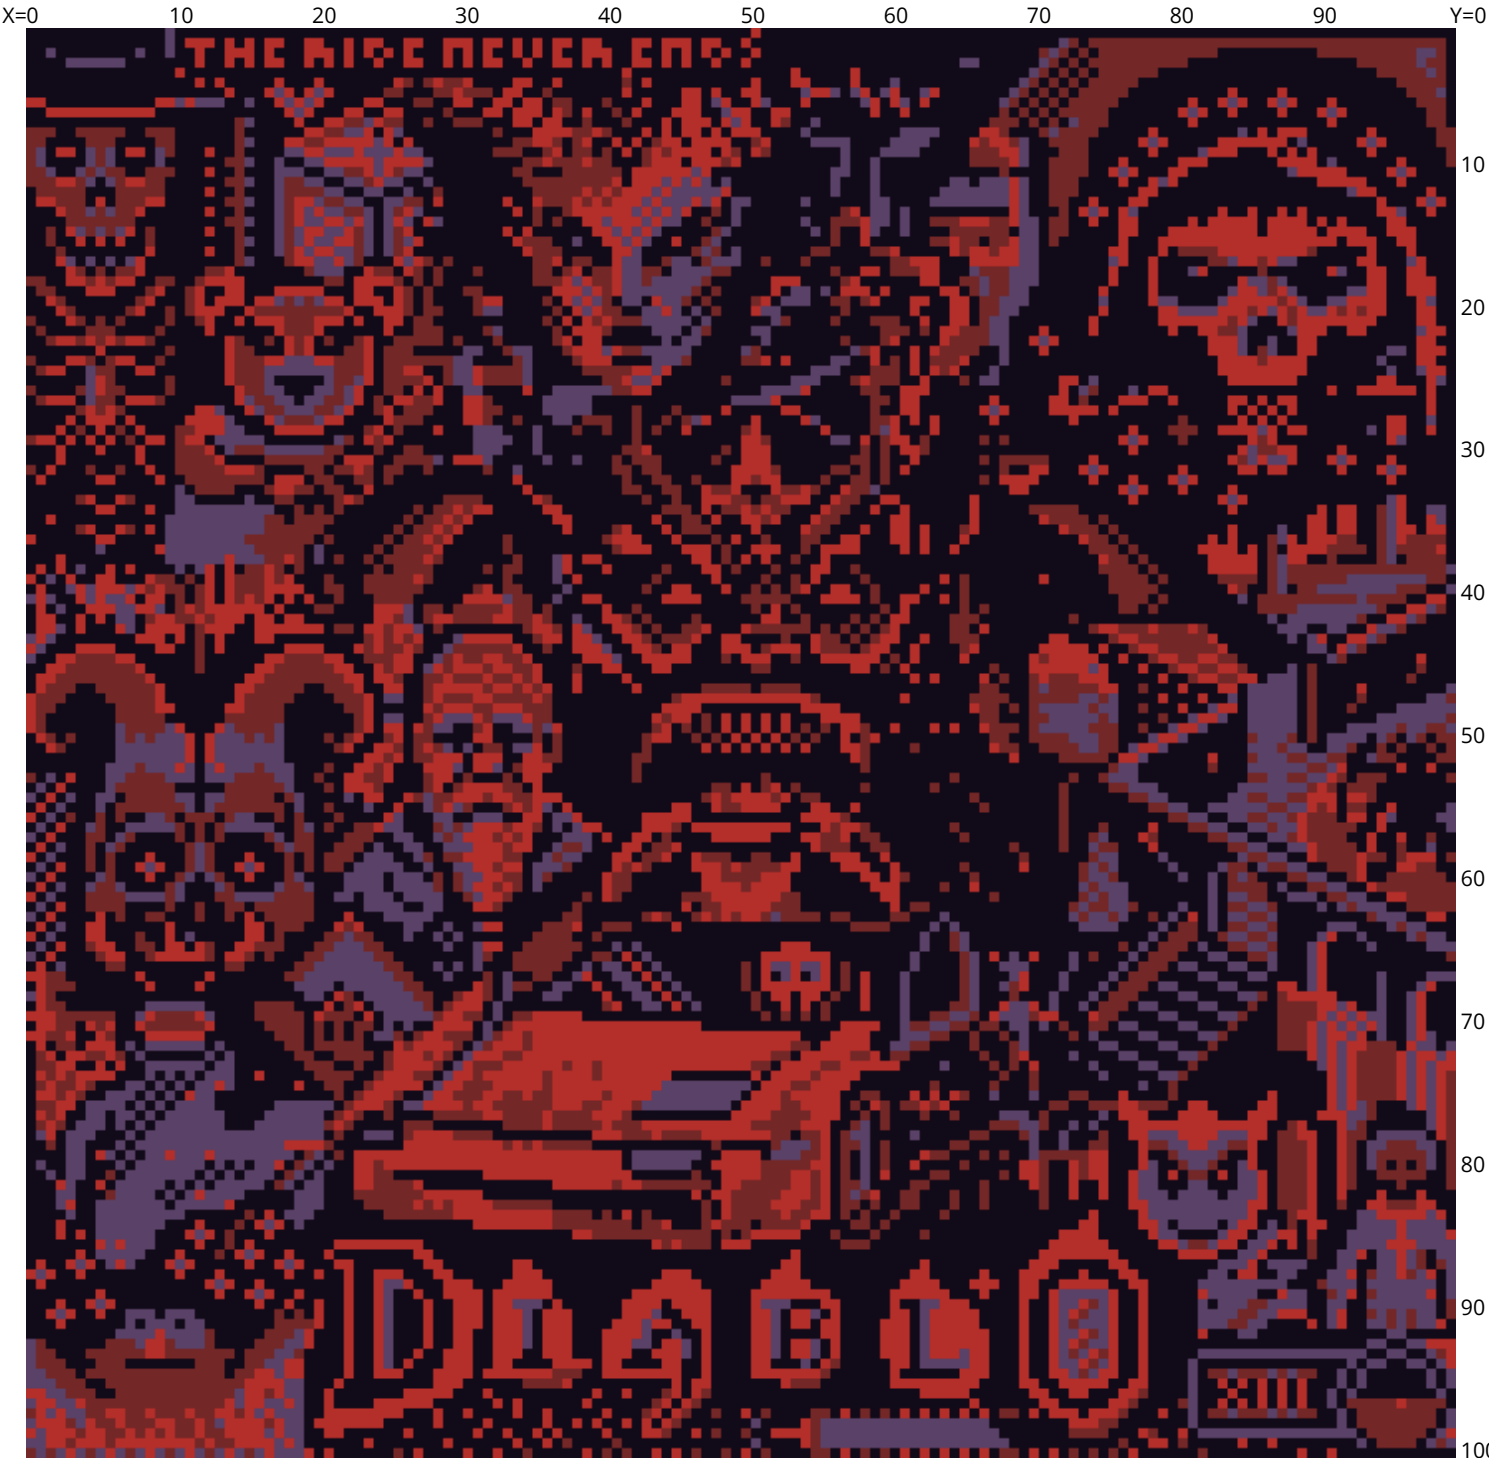

Day 12: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Banksy (more info at <https://github.com/isaacbernat/basepaint>)
- (40,30) **Panda with Heart on Stick:** The central, largest figure, a clear adaptation of Banksy's 'Rage, Flower Thrower' stencil, rendered in white with a red heart on its chest.
 - (50,70) **Fragmented Wall with Text:** A large area covering the lower half and center-right of the image, depicting a fragmented wall with various patterns and textures.
 - (75,15) **LOVE with Peace Symbol:** A prominent text banner in the upper right corner displaying the word "LOVE" where the 'O' is replaced by a red peace symbol.
 - (75,45) **Figures on Right:** Two human figures rendered in a stylized, pixelated stencil manner similar to Banksy's work, located on the right side.
 - (40,50) **Large Dripping Heart:** A significant heart shape located directly below the main panda figure, rendered in red with a dripping effect.
 - (90,55) **Heart in Frame:** A small, distinct red pixel art heart enclosed within a bordered frame on the far right edge of the image.
 - (65,40) **Repeated Heart Pattern:** An area situated to the right of the panda and above the figures, filled with a pattern of repeating red hearts.
 - (10,30) **Checkerboard Pattern:** A geometric pattern composed of alternating red/grey/white pixels, visible in several areas, particularly on the left side.
 - (50,10) **Brick Wall Background:** The upper portion of the image features a textured pattern resembling a brick wall, the color palette of which is defined by the following hex codes.
 - (15,40) **Figure on Left:** A less distinct, stylized human figure silhouette located on the left side of the composition. Rendered in white.

Day 13: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Diablo** (more info at <https://github.com/isaacbernat/basepaint>)
- (50,85) **DIABLO text:** Large pixel art text spelling "DIABLO", serving as the main title element.
- (50,45) **Demonic Face/Creature:** A large, menacing pixel art depiction of a demonic face or creature head with horns/spikes, often associated with the word "Diablo".
- (50,65) **Walter White driving Miata:** A prominent pixel art depiction of Walter White (Heisenberg) from the TV show Breaking Bad, driving a red sports car (Miata).
- (75,25) **Vampire/Gothic Figure:** A stylized pixel art face resembling a vampire or gothic character, possibly referencing Dracula.
- (70,15) **Skull with Hood:** A pixel art skull wearing a hood or cowl, reminiscent of a Grim Reaper or a dark sorcerer figure, possibly referencing the character Death.
- (20,25) **Skeleton with Scythe:** A pixel art depiction of a skeleton figure holding a large scythe, commonly representing Death.
- (25,38) **Teddy Bear:** A pixel art depiction of the bloodied pink teddy bear from the TV show Breaking Bad, a distinctive and iconic symbol.
- (25,55) **Skull with Headdress/Horns:** A pixel art skull adorned with a detailed headdress or horns, suggesting a ritualistic or demonic figure.
- (80,55) **Stylized Creature Head:** A pixel art depiction of a creature head characterized by a large, toothed mouth, adding to the horror theme.
- (15,80) **Creepy Smiling Face:** A pixel art depiction of a disturbing or unsettling smiling face, potentially referencing horror movie tropes.
- (30,5) **"THE RIDE NEVER ENDS" text:** Pixel art text spelling out the phrase "THE RIDE NEVER ENDS", commonly associated with the movie Drive.
- (10,15) **Skull (top left):** A basic pixel art skull located in the top left corner, a standard symbol of death or darkness.
- (85,85) **Roman Numeral XIII:** The Roman numeral XIII displayed within a circular shield-like icon, often associated with the movie Drive.
- (90,90) **Syringes/Vials:** A cluster of small pixel art sprites resembling syringes or vials, possibly referencing drug use (tying into the Breaking Bad theme).

Day 14: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

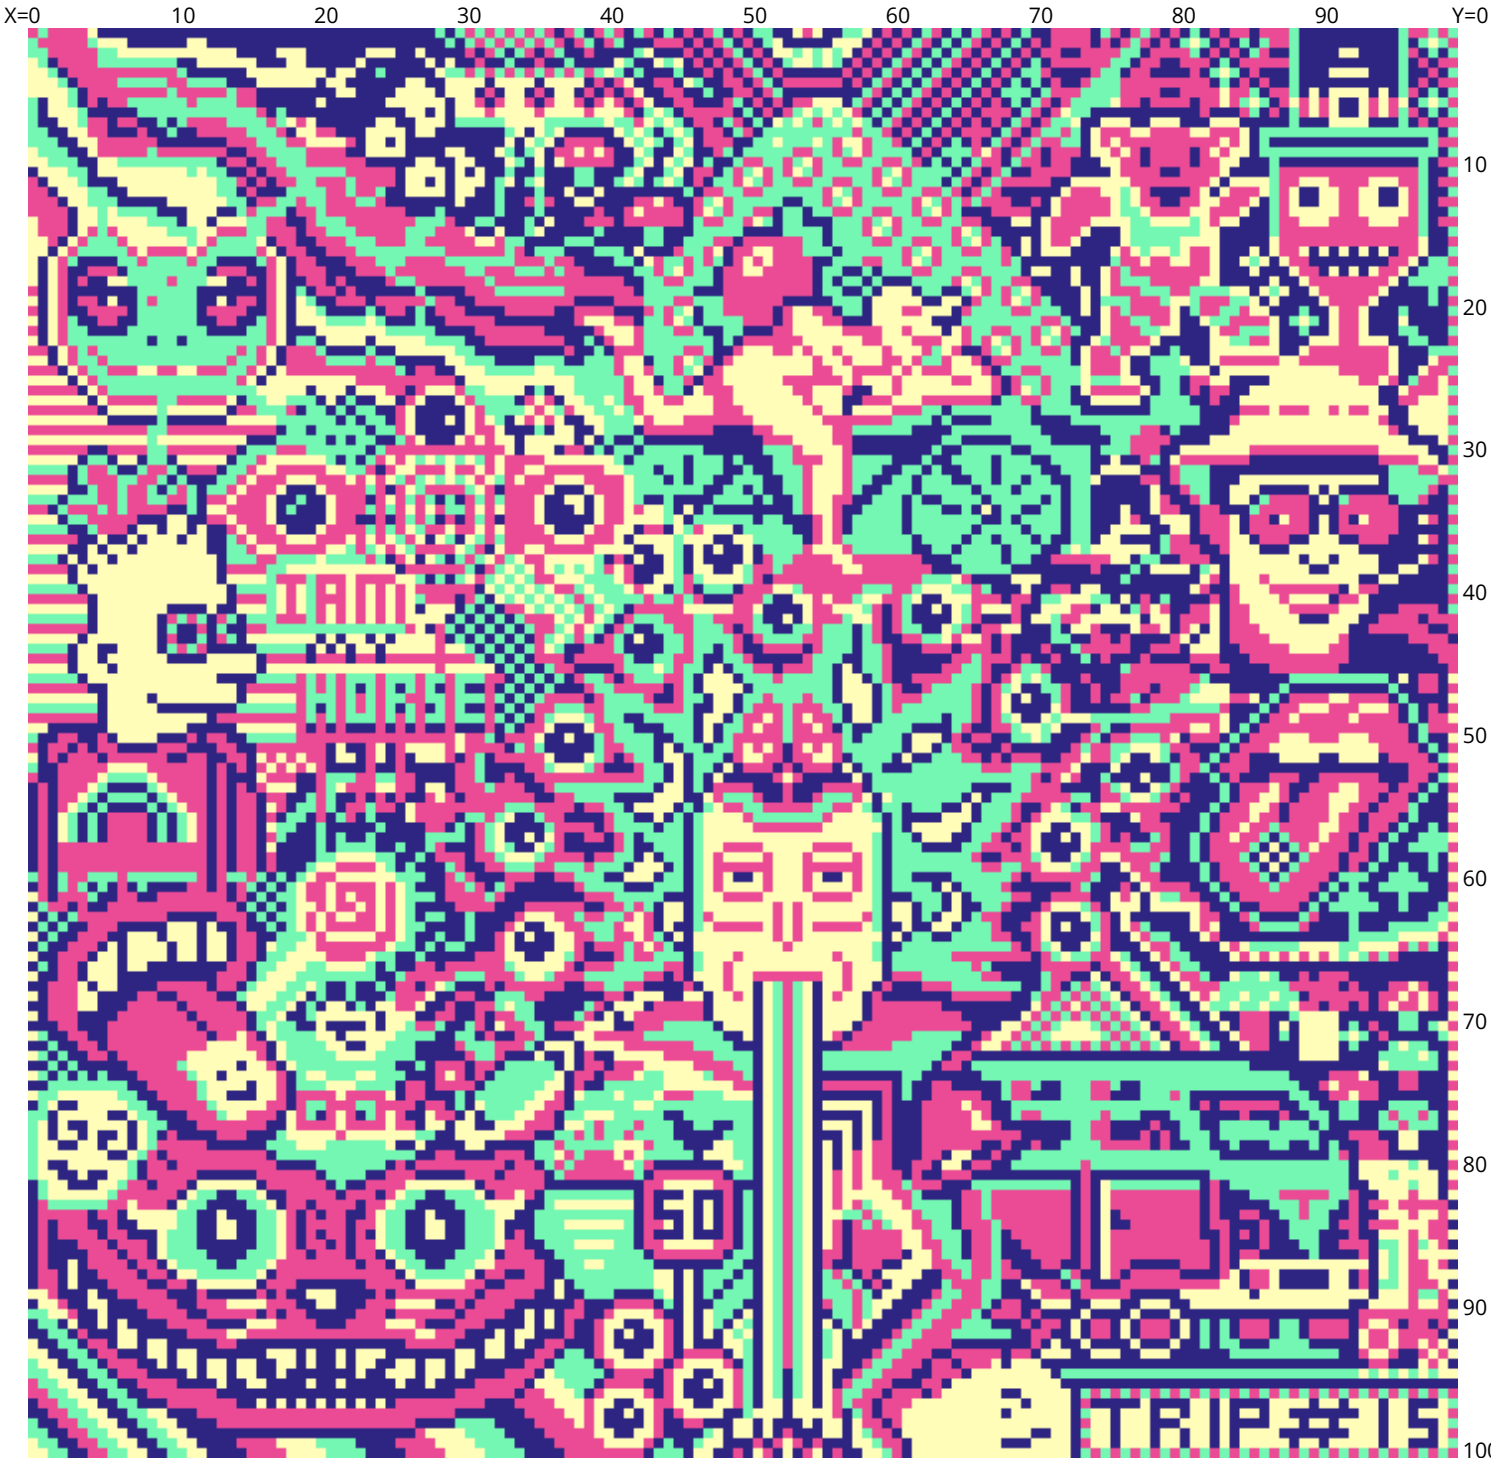

(X, Y): Post Apocalypse (more info at <https://github.com/isaacbernat/basepaint>)

- (15,20) **Explosion/Fire**: A large, vibrant red and yellow explosion or fire dominating the top-left corner, symbolizing destruction.
- (50,15) **Blue Figure with Three Eyes**: A prominent, blocky blue character with a wide head and three rectangular eyes, positioned in the top-center.
- (25,50) **Red Eye**: A large, striking red eye with a blue pupil and white highlights, centrally located on the left side, suggesting a giant or a surveillance theme.
- (55,45) **Yellow Skull/Mask**: A large yellow stylized skull or mask with empty, dark eye sockets, red cross marks over where nostrils would be, and a wide, toothy grin.
- (55,65) **Checkered Body Figure**: A figure positioned below the yellow skull, featuring a distinctive black and white checkerboard pattern.
- (70,60) **Screaming Yellow Face**: A large, highly expressive yellow face located center-right, depicted with a wide-open mouth showing sharp teeth.
- (18,55) **Yellow Hat Character with Can**: A character on the left side, featuring a white face, red mouth, wearing a yellow hat and holding a red beverage can.
- (75,40) **White Square with Red Heart**: A simple white square with a prominent red heart centered within it, located on the right side.
- (22,57) **Red Can**: A red beverage can with minimal white pixel detail on it, held by the Yellow Hat Character. It represents a source of sustenance.
- (30,70) **Purple Dog**: A small, four-legged creature rendered in purple pixels, resembling a dog or other animal, situated in the bottom-left area.
- (10,80) **Zombie Figure**: A creature located in the bottom-left corner, depicted with cyan skin, red eyes, and purple clothing.
- (25,85) **Red Tank**: A small red military tank positioned in the bottom-left, equipped with yellow wheels/treads and marked with white symbols.
- (50,85) **Knight/Superhero Figure**: A figure standing towards the bottom-center, dressed in an outfit featuring white, blue, and red elements.
- (65,75) **Yellow Face with Sunglasses**: A large yellow face in the bottom-right section, wearing blue sunglasses and displaying a wide smile.
- (75,85) **Yellow Smiling Face**: A large yellow face in the bottom-right section, depicted with a wide smile and closed, crescent-shaped eyes.
- (85,85) **BASED Box**: A prominent purple box or structure located in the bottom-right corner, clearly labeled with the white text "BASED".
- (90,65) **Yellow Bird**: A small yellow creature resembling a bird, located along the right edge of the image at mid-height, adding to the chaotic scene.
- (90,10) **UTC 00:00**: White pixel text displayed in the top-right corner, indicating "Coordinated Universal Time 00:00". This is a reference to the Base Game's time system.

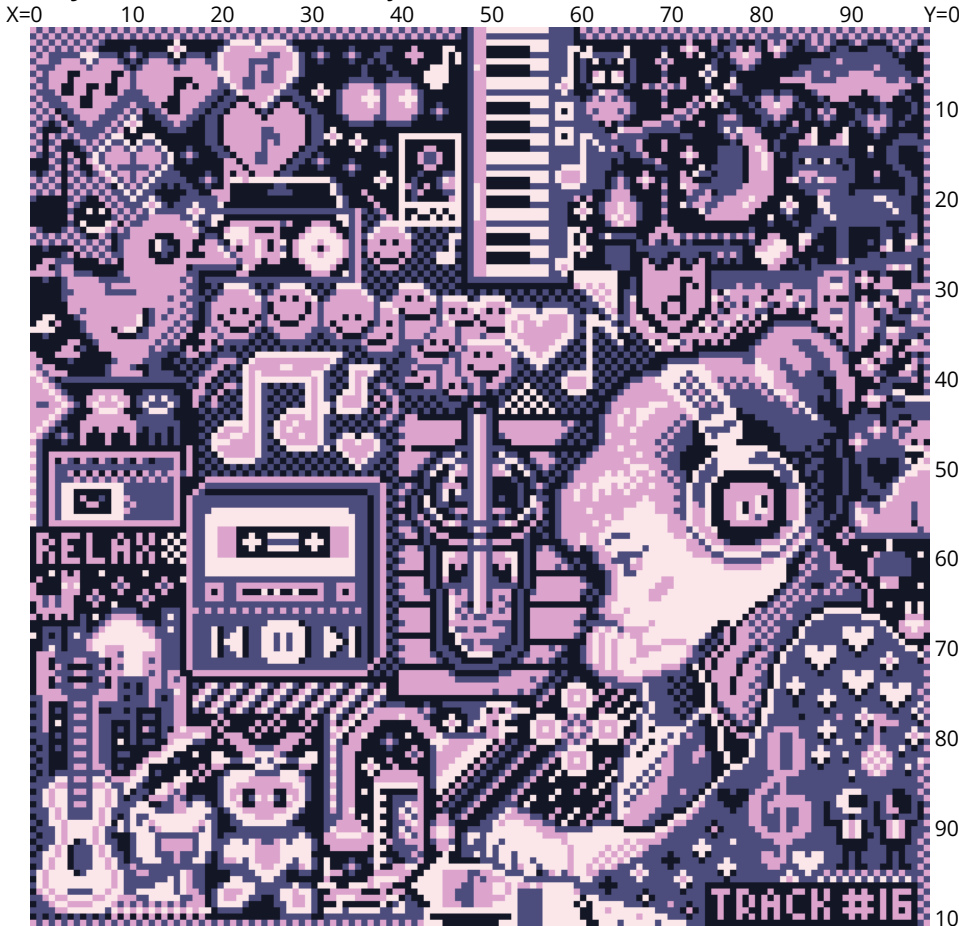

Day 15: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Trip (more info at <https://github.com/isaacbernat/basepaint>)
- (83,28) **Hunter S. Thompson / Raoul Duke face:** Large face with floppy hat, sunglasses, and a grin, referencing the character from Fear and Loathing in Las Vegas.
- (25,78) **Cheshire Cat smile:** Large, wide disembodied smile with jagged teeth, referencing the character from Alice in Wonderland.
- (80,82) **Open mouth with tongue:** Large, expressive mouth with a prominent tongue sticking out, possibly referencing Lizard King.
- (50,60) **Central dripping face/mask:** Symmetrical, mask-like face with eyes and a long, striped element resembling a tongue or a drip.
- (50,35) **Scattered Eyes:** Numerous eyes depicted throughout the central and upper areas, creating a sense of intense observation.
- (26,46) **"I AM HORSE" text:** Textual element presenting a surreal or absurdist phrase known from internet memes.
- (67,45) **Dancing Figure:** Stylized human figure with raised arms and one leg bent, depicting a dancing pose.
- (48,20) **Grateful Dead Stealie:** Skull with a lightning bolt, the iconic logo of the band Grateful Dead, associated with psych rock.
- (30,15) **Figure with circle head:** Small abstract or alien-like figure with a round head.
- (23,13) **Alien Head:** Small head with large eyes and antennae-like features, commonly associated with aliens.
- (33,68) **Speed limit sign "50":** A red circle with the number 50, a standard speed limit sign.
- (38,71) **Text "ED":** Small textual element, potentially an abbreviation or reference.
- (35,85) **Camera icon:** Simple pixel art depiction of a camera.
- (77,70) **Pyramid:** Simple triangular shape resembling a pyramid.
- (77,75) **Van/Car:** Blocky shape resembling a vehicle like a van or car.
- (83,95) **Text "TRIP #5":** Textual element indicating the title or number of the 'trip'.

Day 16: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): LoFi (more info at <https://github.com/isaacbernat/basepaint>)
- (75,55) **LoFi Girl character:** A young woman with headphones studying, referencing the popular "LoFi Hip Hop Radio - Beats" stream.
- (85,15) **Piano keyboard:** Represents the musical aspect of lo-fi beats.
- (30,55) **Cassette player:** Represents retro audio technology common in lo-fi aesthetics.
- (55,60) **Bubble tea:** A popular drink often associated with casual, relaxing settings.
- (50,40) **Beamed music notes:** Visual representation of the music playing.
- (40,35) **Cluster of smiley faces:** Represents emojis or early internet emoticon culture, adding a positive/meme vibe.
- (15,85) **Acoustic guitar:** Another musical instrument associated with relaxation and lo-fi sounds.
- (25,65) **Text "RELAX":** Explicitly states the mood or purpose of the lo-fi music.
- (70,65) **Retro computer monitor:** Represents technology, possibly associated with creating or listening to music, fitting the aesthetic.
- (85,95) **Text "TRACK #6":** Suggests a playlist or album, typical of music listening contexts.
- (40,85) **Arcade joystick:** A retro gaming reference.
- (25,85) **Retro game controller:** A retro gaming reference, possibly an NES controller.
- (15,15) **Cluster of hearts:** Represents love, relaxation, or positive feelings associated with the music.
- (40,15) **Record player:** Another piece of retro audio equipment.
- (15,45) **Small pixel figure:** Looks like a simple character from a retro game or cartoon, possibly a robot.
- (95,40) **Crescent moon:** Adds a dreamy, nighttime, or relaxed atmosphere element.
- (60,15) **Window or picture frame:** A common element in indoor scenes, contributing to the environment.
- (25,15) **Floppy disk:** A piece of obsolete computer storage, adding to the retro theme.
- (35,10) **Fruit (cherries):** Small decorative element, possibly related to snacks or decor.
- (78,80) **Treble clef:** A musical symbol.
- (10,95) **Speaker:** Represents audio output.
- (70,45) **Headphones:** Essential equipment for listening to the music, worn by the character.
- (65,70) **Book or notebook:** Where the character is studying or working.
- (65,70) **Pencil or pen:** Used by the character for writing or drawing.
- (30,55) **Cassette tape:** The media inside the cassette player.
- (30,55) **Equalizer bars:** Visual representation of sound levels on the cassette player.
- (30,60) **Playback controls:** Buttons for operating the cassette player (play, pause, etc.).
- (40,45) **Eighth music note:** Individual musical symbol.
- (55,50) **Quarter music note:** Individual musical symbol.
- (35,50) **Individual heart:** Small decorative symbol.
- (45,80) **Individual heart:** Small decorative symbol.
- (90,40) **Individual heart:** Small decorative symbol.
- (80,70) **Individual heart:** Small decorative symbol.
- (55,35) **Individual smiley face:** Small decorative symbol.

Day 17: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **CryptoWinter** (more info at <https://github.com/isaacbernat/basepaint>)

(55,80) **Wojak**: A sad or distressed variant of the Wojak meme, often representing an investor during a market downturn.

(85,80) **Crypto Bear**: A bear figure, likely symbolizing a bear market, wearing a sports jersey.

(20,80) **Pepe the Frog**: A sad variant of Pepe the Frog meme, laying down.

(70,60) **Doge**: The face of the Shiba Inu dog from the Doge meme.

(25,60) **Crocodile**: A crocodile or alligator figure.

(80,25) **Cristiano Ronaldo**: Pixel art likeness of the famous football player.

(18,20) **BUYDIP text**: Text instructing to 'Buy the dip', a common crypto investment phrase.

(75,40) **1?WHAT! text**: Text bubble likely representing a surprised or confused reaction, possibly a meme reference.

(45,25) **Bitcoin logo**: The symbol for Bitcoin cryptocurrency.

(50,50) **Snowman**: A snowman figure, symbolizing winter, relating to 'Crypto Winter'.

(65,70) **Price Chart**: A graph depicting a market price trend, possibly showing volatility or a downturn.

(68,85) **Ethereum logo variant**: A symbol resembling a compass or shuriken, referencing the Ethereum cryptocurrency logo.

(5,5) **Happy Wojak**: A smiling variant of the Wojak meme.

(15,10) **Baby**: A small baby figure, possibly representing 'Baby Pepe'.

(25,15) **Cross**: A cross symbol, potentially a memorial or religious reference.

(35,15) **NPC Wojak variant**: A face resembling the Non-Playable Character (NPC) Wojak meme.

(75,15) **\$OJAK**: A figure resembling a Wojak variant wearing a suit, often associated with finance memes.

(95,5) **Alien Head**: A depiction of an alien head, possibly an ET reference.

(10,35) **Face with glasses**: A pixel face wearing glasses.

(35,35) **Chad**: A figure resembling the 'Chad' meme, often representing an ideal or confident person.

(90,35) **Stoic Figure**: A simplified person figure with arms crossed, appearing calm or stoic.

(10,50) **Skull Face**: A face resembling a skull.

(20,50) **Person looking left**: A simple figure of a person facing left.

(65,50) **Soyjak**: A variant of the Wojak meme, often depicted with an open mouth, reacting strongly.

(95,50) **Minimalist person**: A highly simplified figure of a person.

(85,55) **Enderman**: A character from the game Minecraft, recognizable by its tall, dark shape and purple eyes.

(10,65) **Igloo**: A small structure resembling an igloo.

(25,65) **Person walking**: A simplified figure appearing to walk or stand.

(75,65) **Bird**: A small pixelated bird.

(95,65) **Surprised person**: A face with an open mouth, showing surprise.

(10,75) **House icon**: A small symbol of a house.

(40,75) **Pointing figure**: A small figure appearing to point.

(85,75) **Face**: A small, simple face.

(45,80) **Brainlet**: A variant of the Wojak meme, sometimes used to represent low intelligence or understanding.

(95,85) **Small figure**: A very small, indistinct human-like figure.

(35,95) **Pine tree**: A small pixelated pine tree.

Day 18: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Dungeons (more info at <https://github.com/isaacbernat/basepaint>)

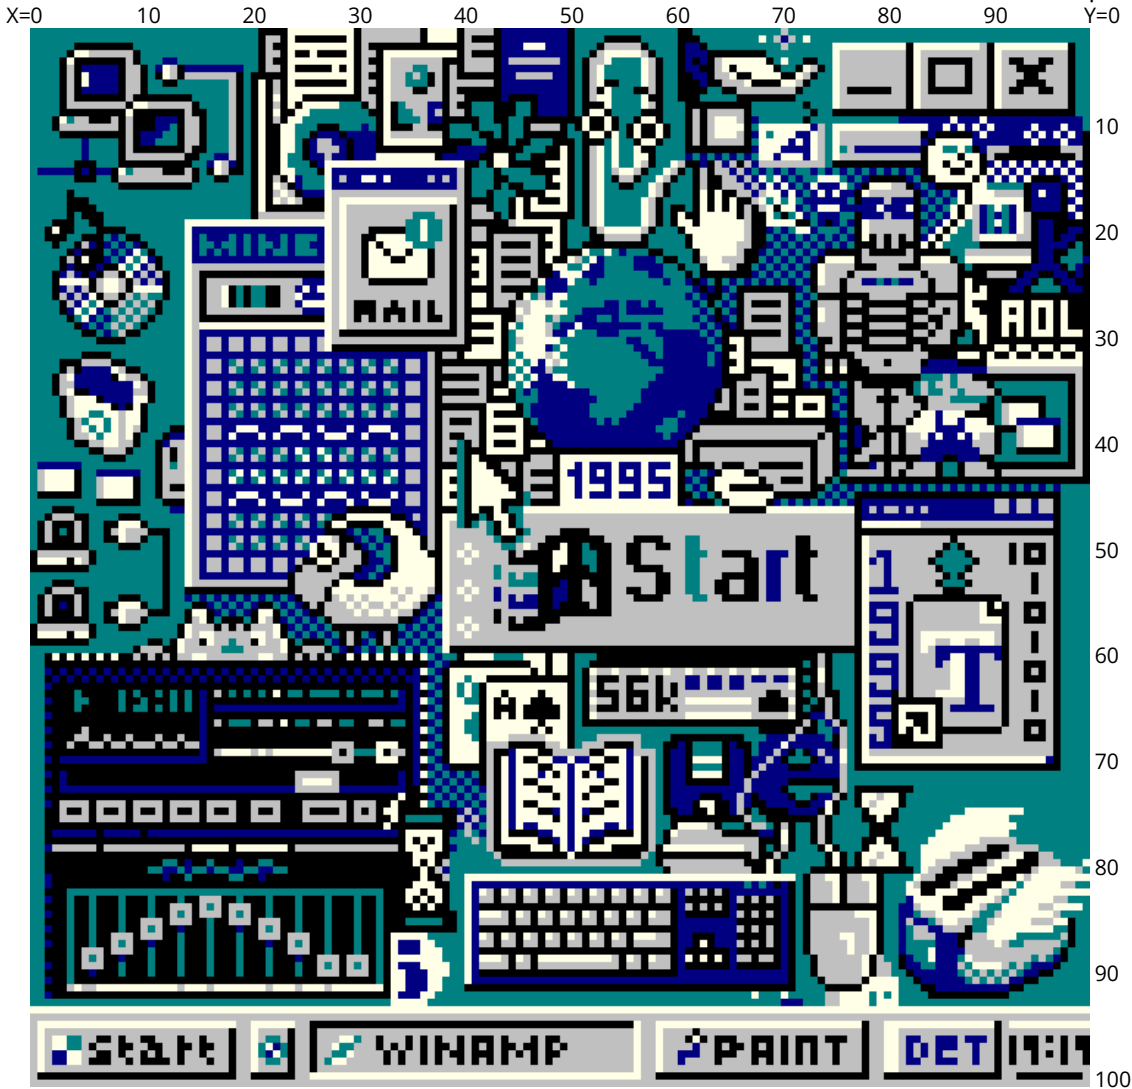

- (15,50) Pac-Man ghosts in archway: A large archway containing multiple ghosts resembling those from the classic game Pac-Man.
- (80,15) Ward 10 text and creature: Text "10 WARD" next to a creature, referencing the game Path of Exile.
- (85,55) Darth Vader helmet: The iconic helmet of Darth Vader from Star Wars.
- (20,85) Mimic chest: A monster disguised as a treasure chest, a common trope in fantasy RPGs like Dungeons & Dragons.
- (85,85) Space Invader: An alien enemy from the classic arcade game Space Invaders, enclosed in a rectangular frame.
- (35,65) Among Us character: A small crewmate character from the popular game and meme Among Us.
- (25,20) Large dragon or wolf head: The head of a large reptilian or canine fantasy creature, possibly a dragon or dire wolf.
- (40,15) Shop or display case: A rectangular area representing a shop or display case containing various items and creatures.
- (55,45) Large central creature: A large, abstract monster or mass, possibly with claws or tentacles.
- (35,35) Smiling imp or demon: A creature with horns and a wide smile, resembling an imp or low-level demon, potentially a reference to the game Diablo.
- (70,35) Winged creature or gargoyle: A small flying or perched creature with wings, possibly a bat or gargoyle.
- (35,50) Ogre or troll head: The distinct large head of an ogre or troll monster.
- (70,50) Large eye: A prominent floating eye, potentially referencing monsters like the Beholder or the Eye of Sauron.
- (45,75) Knight or hero: A humanoid character wearing armor or holding a weapon, representing a hero or adventurer.
- (70,65) Ghost: A classic sheet ghost figure.
- (55,85) Knight or hero: Another humanoid character representing a hero or adventurer.
- (70,85) Bones or skeleton pile: A collection of bones or a skeletal structure, suggesting a dangerous area.
- (10,10) Open treasure chest: An open chest, implying found treasure or loot.
- (35,12) Spider (in shop): A spider figure displayed within the shop area.
- (45,12) Minotaur or horned creature (in shop): A creature with horns, possibly a minotaur or other horned monster, displayed within the shop area.
- (50,20) Potion or vial (in shop): A flask or container representing a potion or alchemical item, displayed within the shop area.
- (25,60) Keyhole: A distinct keyhole shape, suggesting a locked door or puzzle.
- (35,60) Small key: A small key object, likely associated with the nearby keyhole.
- (50,55) Small floating eye: A smaller version or related to the large eye creature.
- (60,65) Crystal or gem: A sparkling object representing treasure or a magical item.
- (30,75) Skull with horns: A skull with horns, potentially a decoration or warning.
- (80,35) Orange spider: A small spider figure.

Day 19: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Windows 95** (more info at <https://github.com/isaacbernat/basepaint>)

- (60,40) **Earth/WWW Icon:** Represents the World Wide Web and the Internet.
- (15,95) **Start Button:** The iconic Windows 95 Start button on the taskbar.
- (25,45) **Minesweeper Window:** A window displaying the classic Windows game Minesweeper.
- (80,50) **Robot character:** A pixelated humanoid robot figure, possibly a game or early CG reference.
- (55,80) **Keyboard:** A pixel art representation of a computer keyboard.
- (65,55) **1995 Text:** Text indicating the year of Windows 95's release.
- (40,95) **Winamp:** Taskbar entry for the Winamp media player, an early internet era application.
- (35,25) **Mail Window:** A window displaying an email client interface with a mail icon.
- (55,55) **Arrow Pointer:** The standard Windows mouse cursor.
- (90,70) **Hourglass Cursor:** The classic Windows cursor indicating a waiting state.
- (85,25) **Hand Pointer:** The cursor used to indicate interactive elements like links.
- (35,60) **The Cheat:** Character from the Homestar Runner web cartoon series, an internet culture reference.
- (85,10) **AOL Logo:** Logo for America Online, a prominent early internet service provider.
- (95,10) **Netscape-like Icon:** Icon resembling the Netscape Navigator browser logo, an early dominant web browser.
- (35,75) **Book Icon:** An icon commonly used to represent help or documentation.
- (70,70) **56k Text:** Text referencing 56k modem technology, common for internet access in the 90s.
- (85,80) **A4/Paper Icon:** An icon representing a document or file.
- (10,15) **Computer Icon:** An icon representing a desktop computer tower.
- (10,25) **Computer Icon:** An icon representing a desktop computer tower.
- (5,5) **Floppy Disk Icon:** An icon representing a floppy disk, used for saving or storage.
- (15,5) **Floppy Disk Icon:** An icon representing a floppy disk, used for saving or storage.
- (20,10) **Folder Icon:** An icon representing a file directory or folder.
- (40,5) **File/Document Icon:** An icon representing a generic file or document.
- (50,10) **File/Document Icon:** An icon representing a generic file or document.
- (90,95) **Clock:** The system clock displayed on the taskbar.
- (75,95) **System Tray Icons:** Icons located in the taskbar system tray (e.g., volume control).
- (40,25) **Scrollbar:** A vertical scrollbar element on the Mail window.
- (40,15) **Window Control Buttons:** Minimize, Maximize/Restore, and Close buttons on the Mail window title bar.
- (35,35) **Window Control Buttons:** Minimize, Maximize/Restore, and Close buttons on the Minesweeper window title bar.

Day 20: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Dreams (more info at <https://github.com/isaacbernat/basepaint>)

(25,50) **Tall Structure:** A large, abstract vertical structure resembling a building or sword.

(45,60) **Character Face:** A human face with spiky hair, resembling David Bowie. Possible reference to Labyrinth or Ziggy Stardust.

(55,80) **Numbers "2021":** The year 2021 displayed prominently.

(75,40) **Cat Face:** A stylized cat face with H-shaped eyes, potentially an internet meme or aesthetic reference.

(55,60) **Patterned Orb:** A large, patterned sphere or planet floating.

(10,10) **Crescent Moon and Stars:** A yellow crescent moon surrounded by stars, a common dream or night symbol.

(50,10) **Mountain/Hill with figure:** A simplified landscape element with a figure on top.

(50,15) **Clouds:** Stylized pixel art clouds.

(35,20) **Figure climbing Moon:** A small silhouette figure sitting or climbing the moon.

(55,35) **Face with square eyes:** A stylized face with large square eyes.

(45,40) **Robot character:** A small character with a square head and large eyes.

(80,65) **Star-eyed Character:** A round, cute character with star-shaped eyes, similar to Kirby or other puffball characters.

(90,75) **Brain:** A pixel art representation of a brain, symbolizing thought or mind.

(15,60) **Heart symbol:** A pink heart symbol, possibly a game reference for health or lives.

(15,75) **Floating Mushroom:** A classic mushroom item, referencing Super Mario Bros.

(85,50) **Speech Bubble:** A pixel art speech bubble, representing communication.

(75,55) **Object with Diamond:** An object topped with a diamond or crystal shape.

(70,65) **Fast food item:** An object resembling a burger or similar fast food item.

(80,75) **Second Round Character:** Another round, cute character below the star-eyed one.

(35,80) **Character with Bucket Hat:** A small character head wearing a hat.

(55,90) **Tentacled Shape:** A shape with root-like or tentacle-like extensions.

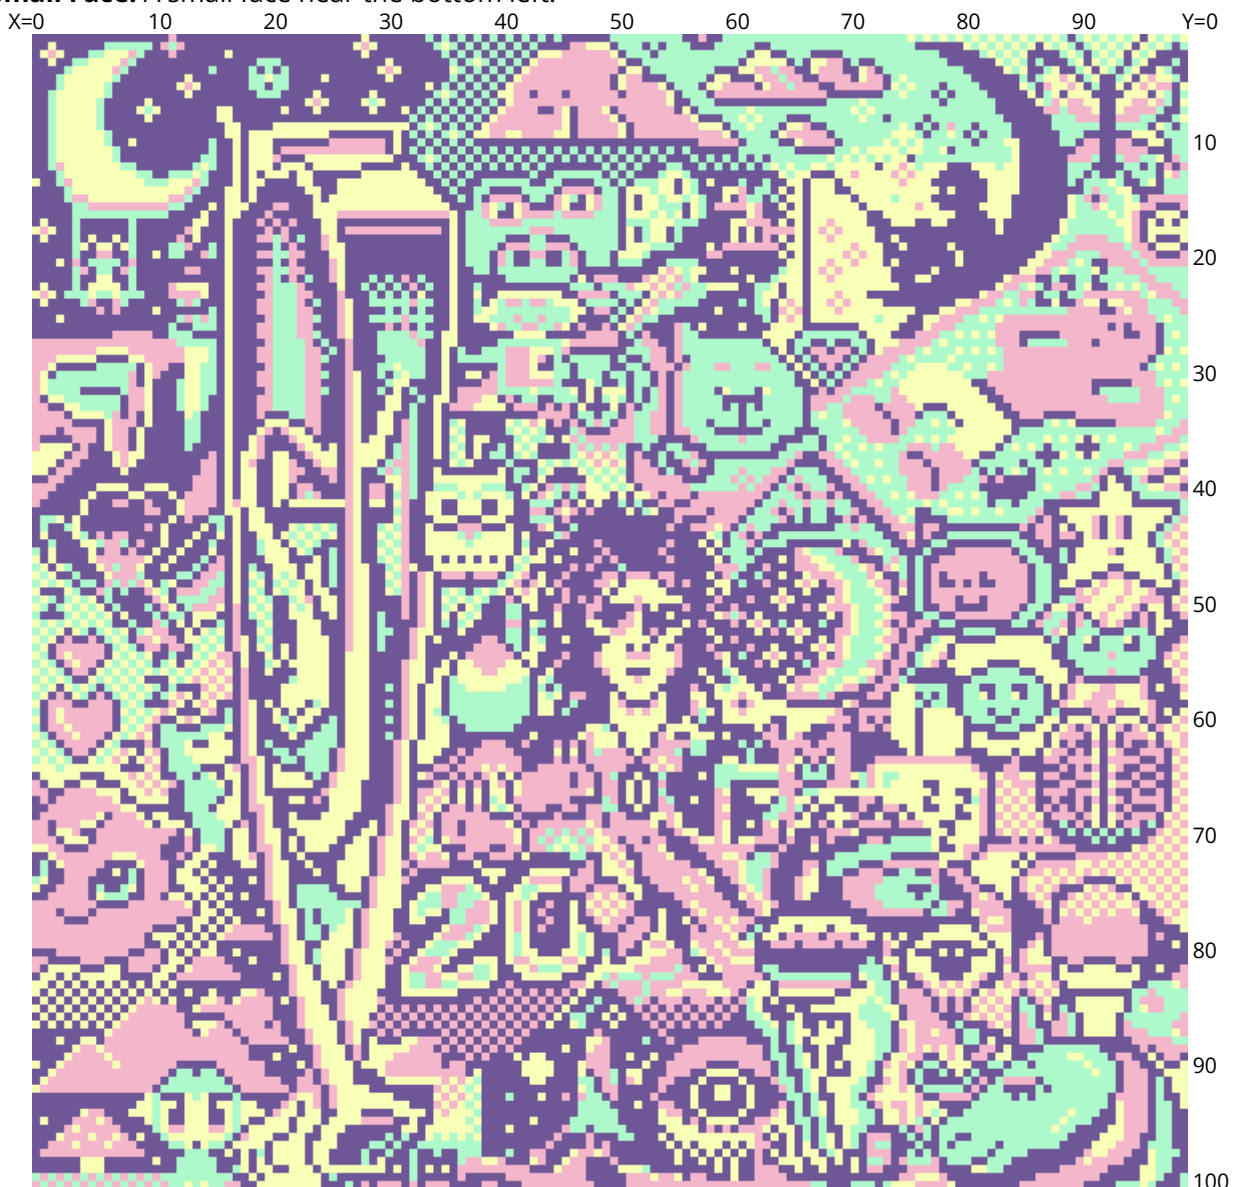

(90,90) **Eye Symbol:** A stylized eye symbol, representing vision or awareness.

(90,25) **Figure holding something:** A purple silhouette figure holding an object.

(65,30) **Small House:** A tiny stylized house.

(25,85) **Small Head:** A small, simple character head near the bottom left.

(20,90) **Small Face:** A small face near the bottom left.

Day 21: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): CyberPunk (more info at <https://github.com/isaacbernat/basepaint>)

- (20,15) **Kenshiro-like face:** Head of a character with distinctive features, strongly resembling Kenshiro from the manga/anime.
- (40,25) **Flying Car:** A vehicle depicted in flight, typical of futuristic cyberpunk settings, similar to the Spinner from Blade Runner.
- (65,45) **Assault Rifle:** A pixelated depiction of a futuristic or tactical assault rifle.
- (90,85) **Robocop-like character:** The head and shoulders of a character wearing a metallic helmet or visor, reminiscent of RoboCop.
- (35,85) **Predator Skull:** The distinct skeletal face and mandible structure of the creature from the Predator film franchise.
- (65,85) **Terminator Skull:** The metallic endoskeleton skull from the Terminator film franchise.
- (90,50) **Cyberpunk Building:** A tall structure with windows and details, representing a building in a dense cyberpunk city.
- (55,30) **Skull with Visor:** A stylized human-like skull wearing prominent goggles or a visor.
- (15,50) **Robot Head:** The head of a simple humanoid robot.
- (30,60) **Small Robot:** A small, full-body depiction of a robot character.
- (60,60) **Small Robot:** Another small, full-body robot character, with a different design.
- (85,35) **Number 21 Sign:** A sign displaying the number "21", possibly a reference to internet memes or culture (e.g., 21 Savage).

Day 22: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): xcopy (more info at <https://github.com/isaacbernat/basepaint>)

- (50,80) **Large distorted head:** A large, grinning head with prominent round glasses, possibly representing a chaotic or unhinged character.
- (50,15) **Crowned pixel skull:** A large pixel art skull wearing a crown, a common symbol in pixel art, possibly a generic cool or powerful figure.
- (80,20) **Pixel skull with fangs:** A large pixel art skull with visible fangs or large teeth, another common motif for edgy or scary characters.
- (18,55) **Character in jersey:** A pixel art figure with glasses wearing a sports jersey with the number '22'. Could be a generic athlete or a specific reference.
- (85,75) **Character with meme shirt:** A pixel art figure with glasses wearing a t-shirt featuring an image resembling the 'You Are the Problem' meme.
- (50,55) **Pixel hands:** Two large, open hands reaching upwards, visually prominent and potentially part of the large head figure.
- (63,20) **"KING SOUP" can:** A pixel art depiction of a soup can labeled "KING SOUP", a clear parody reference to Andy Warhol's iconic soup can prints.
- (33,40) **Small pixel skull:** A smaller skull figure, adding to the overall macabre or edgy theme.
- (68,40) **Small pixel skull:** Another smaller skull figure, mirroring the one on the left.
- (30,50) **Pixel frame/box:** A decorative pixel art square frame or box with a checkered pattern inside, possibly representing a window or a container.
- (70,50) **Pixel frame/box:** A similar decorative pixel art square frame or box with a checkered pattern.
- (85,50) **"DRUGS" text:** The word "DRUGS" rendered in pixel art text, adding an edgy or counter-cultural element, common in certain subcultures.
- (38,5) **Pixel eyes:** A pair of isolated pixel art eyes, often used in memes or pixel art for emphasis or expression.
- (60,5) **Small pixel face:** A small, simple pixel art face or just a pair of prominent eyes, adding detail and visual noise.
- (15,10) **Blocky pixel face:** A small, blocky pixel art face with simple eyes and mouth.
- (8,30) **Pixel face fragment:** A small fragment of a pixel art face, mostly showing eyes, contributing to the dense and chaotic composition.
- (83,77) **"JPG" text on shirt:** The text "JPG" on the character's t-shirt, a direct reference to image file formats and internet culture.

Day 23: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Miyazaki (more info at <https://github.com/isaacbernat/basepaint>)

(65,60) **Totoro**: Large iconic character from My Neighbor Totoro.

(25,70) **Hayao Miyazaki**: Portrait of the acclaimed Studio Ghibli director.

(25,35) **No-Face (Kaonashi)**: Large mask/face character from Spirited Away.

(45,65) **Haku (Dragon form)**: Large dragon figure from Spirited Away.

(75,45) **Catbus**: Vehicle character from My Neighbor Totoro.

(15,45) **San**: Character with mask from Princess Mononoke.

(15,65) **Wolf Spirit**: Wolf figure, possibly Moro or one of her pack, from Princess Mononoke.

(15,55) **Calcifer**: Fire spirit from Howl's Moving Castle.

(35,95) **Distracted Boyfriend - Boyfriend**: Figure from the Distracted Boyfriend internet meme format.

(50,95) **Distracted Boyfriend - Girlfriend**: Figure from the Distracted Boyfriend internet meme format.

(65,95) **Distracted Boyfriend - Distraction**: Figure from the Distracted Boyfriend internet meme format.

(55,40) **Couple with heart**: Likely reference to a Ghibli couple (e.g., Howl and Sophie, Chihiro and Haku).

(5,40) **Space Invaders**: Group of aliens from the classic video game.

(90,15) **Amogus**: Figure representing the Among Us internet meme.

(5,20) **Nausicaä**: Small figure from Nausicaä of the Valley of the Wind.

(20,15) **Teto**: Fox-squirrel character from Nausicaä.

(40,20) **Kiki**: Small figure from Kiki's Delivery Service.

(35,40) **Chihiro**: Small face character from Spirited Away.

(15,50) **Laputa Robot**: Robot soldier from Castle in the Sky.

(65,35) **Jiji**: Small black cat character from Kiki's Delivery Service.

(85,30) **Ponyo**: Small figure from Ponyo.

(65,80) **Soot Sprites (Group)**: Small black soots (Makkuro Kurosuke) from multiple Ghibli films.

(35,50) **Soot Sprites (Group)**: Another group of small black soots.

(10,15) **Soot Sprites (Group)**: Another group of small black soots.

(95,45) **Mario Blocks**: Pattern resembling blocks from Super Mario Bros.

(95,55) **Number 23**: The number '23' rendered in pixel art.

(10,5) **Small Red Head**: Unidentified small face/head.

(35,5) **Small Green Head**: Unidentified small face/head.

(50,10) **Small Red Figure**: Unidentified small figure.

(70,10) **Small Yellow Head**: Unidentified small face/head.

(80,20) **Small Red Figure**: Unidentified small figure.

(30,55) **Figure Below No-Face**: Small, less clear figure.

(85,70) **Figure Right of Totoro**: Small figure or face.

(10,85) **Small Figure Bottom Left**: Small figure.

Day 24: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Pepe** (more info at <https://github.com/isaacbernat/basepaint>)

- (65,55) **Large Sad/Contemplative Pepe**: A large, central depiction of Pepe the Frog with a neutral or slightly sad expression.
- (20,30) **Wojak/Pepe cross-over**: A large face in the top left, resembling Pepe but with a wide-open mouth and distorted features.
- (35,75) **Boxing Pepe**: Pepe depicted as a boxer, wearing boxing gloves and shorts with "PEPE" written on them.
- (85,75) **Female-like Pepe**: Pepe depicted with features typically associated with femininity (e.g., blue hair, yellow top), a variation of the meme.
- (20,85) **Clown Pepe**: Pepe wearing a clown hat and red nose, associated with "Clown World" memes, often expressing feelings of being a clown.
- (40,10) **Abstract Colorful Burst**: A dynamic, abstract explosion of colors in the top area, providing a vibrant background element.
- (60,20) **Surprised/Shocked Pepe**: A smaller, distinct Pepe face in the top right, with wide eyes and an open mouth, expressing surprise or shock.
- (75,30) **King Pepe**: A smaller Pepe face wearing a golden crown, possibly representing royalty or the "King Pepe" meme variation.
- (50,35) **Baby Pepe**: A smaller Pepe face with a blue pacifier in its mouth, representing infancy or childishness.
- (70,40) **Happy Pepe**: A smaller, smiling Pepe face, expressing happiness or contentment.
- (75,50) **Rainbow Arc**: A curved line of rainbow colors, reinforcing the rainbow theme present in other elements.
- (30,55) **Crying Pepe**: A smaller Pepe face with tears streaming down its cheeks, representing sadness, often associated with the "Pepe crying" meme.
- (80,60) **Pepe with Rainbow Cape/Flag**: Pepe wearing a rainbow-colored cape or holding a rainbow flag, representing LGBTQ+ pride or the "Rainbow Pepe" meme.
- (10,65) **XXIV Roman Numerals**: The Roman numerals XXIV (24) displayed vertically, possibly a reference to a date, version, or chapter.
- (35,80) **"PEPE" Text**: The name "PEPE" written in capital letters on the boxing shorts.
- (10,95) **Small Square-Eyed Pepe**: A very small Pepe face in the bottom left, with simplified square eyes and an open mouth.
- (90,95) **Small Smiling Pepe**: A very small Pepe face in the bottom right, with a typical simple smile.

Day 25: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Pokemon: Red v Blue** (more info at <https://github.com/isaacbernat/basepaint>)

(13,13) **Loss Meme**: Checkerboard pattern in the top-left corner referencing the "Loss" internet meme.

(71,32) **Charizard**: A large orange dragon-like Pokemon.

(87,74) **Blastoise**: A large blue turtle-like Pokemon with cannons on its shell.

(41,87) **Snorlax**: A large blue sleeping Pokemon known for blocking paths.

(90,24) **Misty/Trainer Girl**: A female human character resembling Misty, a main character from the Pokemon anime and games.

(93,59) **Piplup**: A blue penguin-like Pokemon from Generation 4, included alongside Generation 1 characters.

(13,63) **Game Boy with Pokemon**: A yellow Nintendo Game Boy handheld console showing a Pokemon game.

(48,71) **Pikachu**: The iconic yellow mouse-like Pokemon.

(88,88) **Pokemon Card**: A depiction of a Pokemon Trading Card.

(71,93) **Ash Ketchum**: A male human character, the protagonist of the Pokemon anime.

(55,16) **Clefairy**: A pink fairy-like Pokemon.

(71,16) **Gengar**: A purple ghost-like Pokemon.

(95,16) **Jigglypuff**: A pink balloon-like Pokemon known for singing.

(16,32) **Caterpie**: An orange worm-like Pokemon, one of the earliest encountered.

(32,32) **Weedle**: An orange worm-like Pokemon, counterpart to Caterpie in Pokemon Yellow.

(71,48) **Gastly**: A purple gas-like Pokemon.

(87,48) **Geodude**: A brown rock-like Pokemon with arms.

(41,63) **Slowpoke**: A pink creature-like Pokemon known for being slow.

(63,63) **Abra**: A brown human-like Pokemon known for teleportation.

(98,63) **Magnemite**: A grey metallic Pokemon with magnets.

(16,71) **Poliwag**: A blue tadpole-like Pokemon with a swirl on its belly.

(24,87) **Charmander**: A small orange lizard-like Pokemon and one of the starter Pokemon.

(87,91) **Magikarp**: A red fish-like Pokemon known for being weak.

(74,91) **Pokeball**: The standard red and white spherical device used to catch Pokemon.

(82,93) **Eevee**: A brown mammalian Pokemon known for its many evolutions.

(63,95) **Squirtle**: A small blue turtle-like Pokemon and one of the starter Pokemon.

(12,96) **Bulbasaur**: A small green reptilian Pokemon with a plant bulb on its back, one of the starter Pokemon.

(24,96) **Oddish**: A blue root-like Pokemon with leaves.

(71,96) **Cubone**: A small brown dinosaur-like Pokemon wearing its mother's skull.

(79,96) **Ditto**: A purple blob-like Pokemon capable of transforming into others.

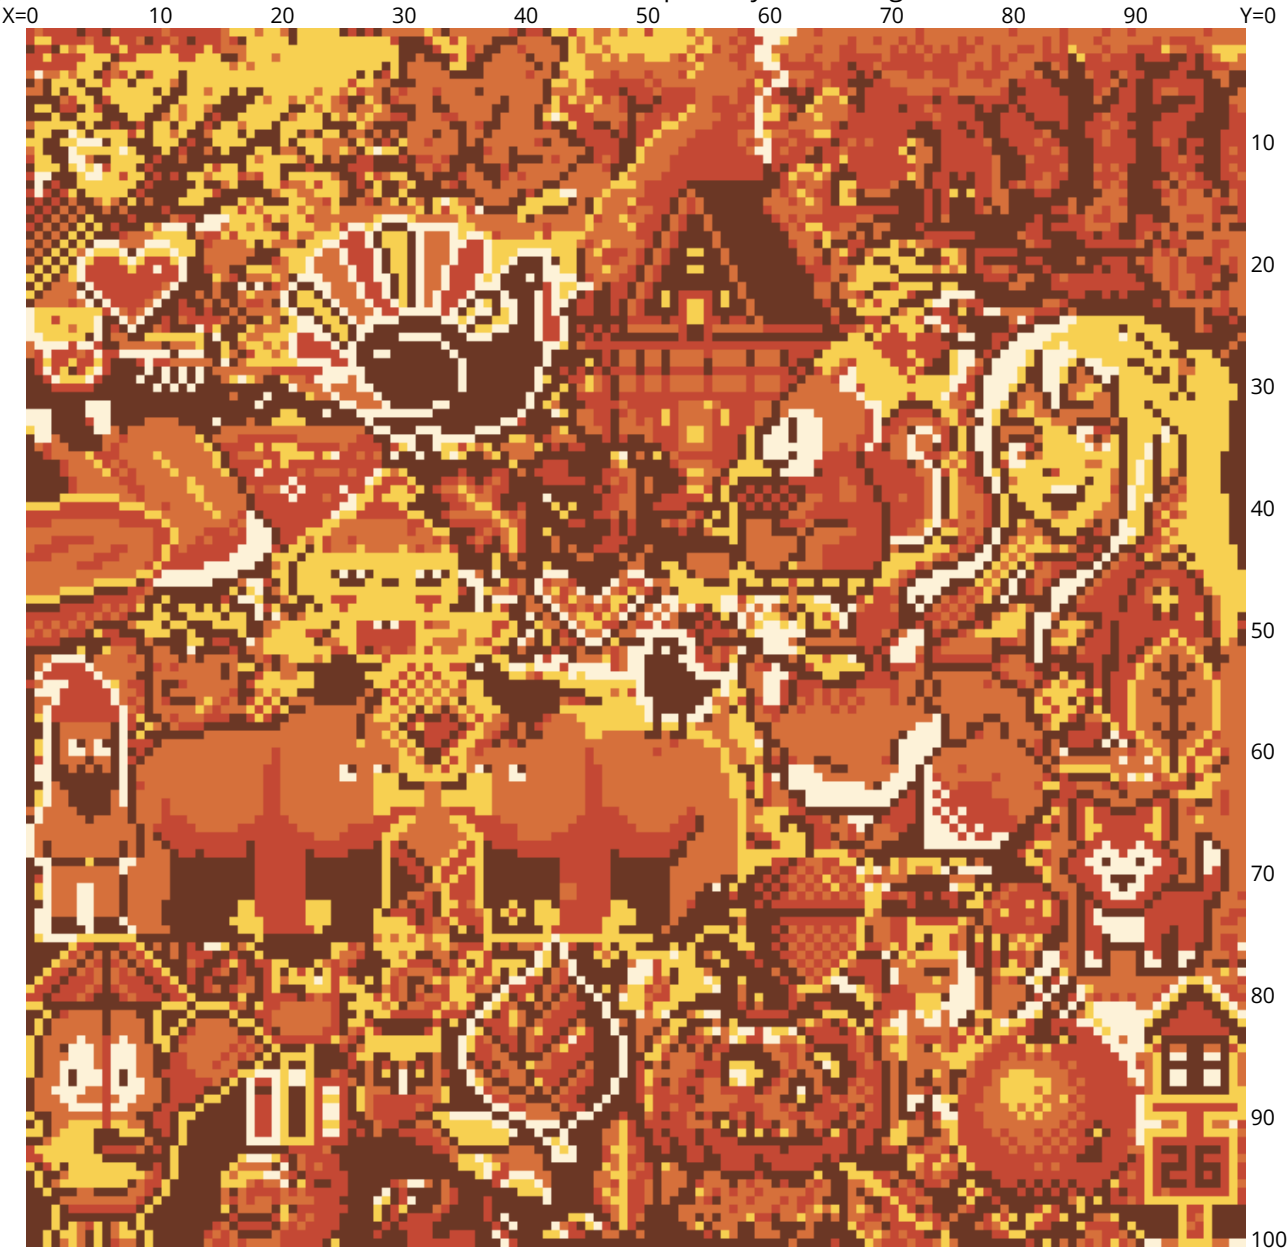

(93,96) **Hitmonlee**: A brown human-like fighting Pokemon known for its kicks.

(96,98) **Voltorb**: A red and white spherical Pokemon resembling a Pokeball.

Day 26: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Autumn (more info at <https://github.com/isaacbernat/basepaint>)
- (30,65) **Bear Butt (Left):** The left half of a prominent, mirrored, rounded shape resembling a bear's hindquarters, strongly
- (50,65) **Bear Butt (Right):** The right half of a prominent, mirrored, rounded shape resembling a bear's hindquarters, stron
- (85,32) **Anime Girl Portrait:** A detailed portrait of a young woman in an anime art style, a notable character element.
- (55,85) **Pumpkin:** A carved Jack-o'-lantern pumpkin, a large and recognizable symbol of Halloween and autumn.
- (38,16) **Turkey:** A stylized pixel art representation of a turkey, a prominent symbol of Thanksgiving.
- (15,78) **Tanuki Mario:** A pixel art rendition of Tanuki Mario from Super Mario Bros. 3, a recognizable video game character.
- (63,15) **House:** A small house or cabin with a prominent roof, a significant structure in the composition.
- (18,32) **Cornucopia:** A Horn of Plenty overflowing with produce, a symbol of abundance often associated with Thanksgiving.
- (15,44) **Pie Slice:** A slice of pie, likely pumpkin or apple pie, common autumn and Thanksgiving food.
- (30,80) **Large Leaf:** A prominent pixel art depiction of an autumn leaf, a classic seasonal symbol.
- (7,68) **Gnome/Santa:** A small figure wearing a pointed hat and beard, resembling a garden gnome or a simplified Santa C
- (12,14) **Heart:** A simple red heart symbol.
- (45,38) **Mushroom:** A pixel art representation of a mushroom.
- (85,58) **Squirrel:** A small animal, likely a squirrel, often associated with autumn.
- (73,69) **Fox:** A pixel art representation of a fox, an animal often found in forests and associated with autumn colors.
- (70,90) **Apple:** A pixel art representation of an apple, an autumn fruit.
- (15,25) **Small Fungi:** A small pixel art representation of fungi.
- (70,43) **Small Bird (Top Right):** A small bird figure.
- (68,59) **Small Bird (Middle Right):** A small bird figure.
- (10,88) **Small House (Bottom Left 1):** A small pixel art house.
- (25,85) **Small House (Bottom Left 2):** A small pixel art house.
- (40,90) **Small House (Bottom Left 3):** A small pixel art house.
- (85,88) **Small House (Bottom Right):** A small pixel art house.
- (90,95) **Number 26:** The number "26" enclosed in a border, possibly a date or grid coordinate reference.

Day 27: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Conspiracy (more info at <https://github.com/isaacbernat/basepaint>)

- (48,58) **Eye of Providence / Pyramid:** All-seeing eye within a pyramid, symbol of the Illuminati and secret control.
- (68,42) **Edward Snowden:** Whistleblower who revealed mass surveillance programs, a key figure in modern government control.
- (20,85) **Bill Clinton:** Former US President often associated with various conspiracy theories.
- (80,85) **Jeffrey Epstein:** Financier involved in a sex trafficking scandal with powerful connections, central to recent conspiracy theories.
- (22,28) **Guy Fawkes Mask (Top Left):** Iconic mask from V for Vendetta, adopted by Anonymous hackers and protesters.
- (82,28) **Guy Fawkes Mask (Top Right):** Another instance of the Anonymous mask.
- (48,85) **Guy Fawkes Mask (Bottom Center):** A third instance of the Anonymous mask.
- (90,15) **Chemtrail Pattern:** Sky pattern depicting persistent contrails, referencing the conspiracy theory that aircraft spray chemicals.
- (18,18) **Wojak Variant (Top Left):** A simplified, expressionless face meme ("NPC Wojak"), sometimes used in conspiracy memes.
- (30,20) **Project Blue Beam Text:** Text referencing the conspiracy theory about a staged alien invasion or religious event using technology.
- (18,48) **Pepe the Frog / Wojak Variant (Left):** A meme face resembling Pepe or Wojak, expressing distress or shock, often used in conspiracy contexts.
- (80,60) **UFO:** A classic depiction of a flying saucer, representing extraterrestrial visitors and government cover-ups of alien activity.
- (92,64) **Grey Alien Head:** A stereotypical alien head, associated with UFOs, abductions, and secret government experiments.
- (28,65) **Area 23 Sign:** A sign referencing a restricted location, playing on the Area 51 theme and secret government projects.
- (95,5) **Barcode:** A symbol of tracking, identification, and control, often linked to fears of government surveillance or corporate control.
- (10,10) **Geometric Pattern:** Abstract pattern, possibly representing hidden structures, digital glitches, or esoteric symbols.
- (35,30) **Faceless Suit Figure:** Figure in a suit with no discernible face, potentially representing Men in Black, anonymous agents, or shadowy figures.
- (65,40) **Dollar Sign (\$):** Symbol of money, wealth, and financial power, central to conspiracy theories about global elites controlling the world.
- (35,45) **Speaker / Megaphone:** Represents spreading messages, propaganda, or alternative information within the context of conspiracy.
- (80,75) **Government Building Facade:** Depicts a building resembling a government institution, symbolizing state power, secrecy, and control.
- (75,95) **Rabbit:** A small rabbit figure, likely referencing "follow the white rabbit" from The Matrix, symbolizing discovering hidden truths.
- (90,95) **Binary Code:** Sequence of 0s and 1s, representing computers, hacking, digital control, or the idea of reality as a simulation.

Day 28: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Animal Crossing (more info at <https://github.com/isaacbernat/basepaint>)

(25,10) **Animal Crossing Logo:** Text "Animal Crossing".

(70,15) **Isabelle Face:** Face of Isabelle, a dog character from Animal Crossing.

(85,30) **Tom Nook Face:** Face of Tom Nook, a tanuki character from Animal Crossing.

(45,35) **Nook Miles Ticket "This is Fine" Meme:** A Nook Miles Ticket styled as the dog from the "This is Fine" internet meme.

(15,40) **Punchy Cat Face:** Face of Punchy, a cat villager from Animal Crossing.

(30,55) **House:** A typical player house structure from Animal Crossing.

(70,55) **Stonks Meme Guy:** The Meme Man figure representing the "Stonks" internet meme, often associated with the Stock Market.

(70,75) **Sea Bass:** A large fish representing the common in-game fish, often subject of a joke/meme in Animal Crossing.

(25,85) **Villager Face (Male):** Face of a male player character (Villager) from Animal Crossing.

(45,85) **Villager Face (Female):** Face of a female player character (Villager) from Animal Crossing.

(65,65) **Rubber Duck:** A yellow rubber duck, a decorative item popular in Animal Crossing.

(85,50) **Dodo Head/Logo:** Stylized head or logo representing Dodo Airlines from Animal Crossing.

(15,20) **Wasp Nest:** A wasp nest, a hazard in Animal Crossing.

(25,70) **Fossil:** A fossil shape, a collectible item in Animal Crossing.

(60,75) **Bridge:** A bridge structure, common in Animal Crossing towns.

(85,75) **Shop/Building:** A building structure, possibly a shop like Nook's Cranny or Able Sisters.

(10,80) **"#1" Jersey Figure:** A figure wearing a jersey with "#1", representing the player character outfit in Animal Crossing.

(85,90) **Redd the Fox:** Face of Redd, a fox character from Animal Crossing.

(10,5) **Apple Fruit:** An apple fruit, a collectible item in Animal Crossing.

(85,5) **Star Fragment:** A star fragment, a collectible item in Animal Crossing.

(5,10) **Butterfly/Bug:** A bug or butterfly, collectible insects in Animal Crossing.

(95,10) **Flower:** A flower, part of the environment in Animal Crossing.

(90,20) **Bird:** A small bird, possibly a Pelly or Pete character or just an environmental element.

(5,25) **Tool (Axe or Shovel head):** The head of a tool like an axe or shovel used in Animal Crossing.

(5,35) **Villager Face (small, top left):** A smaller face of a villager.

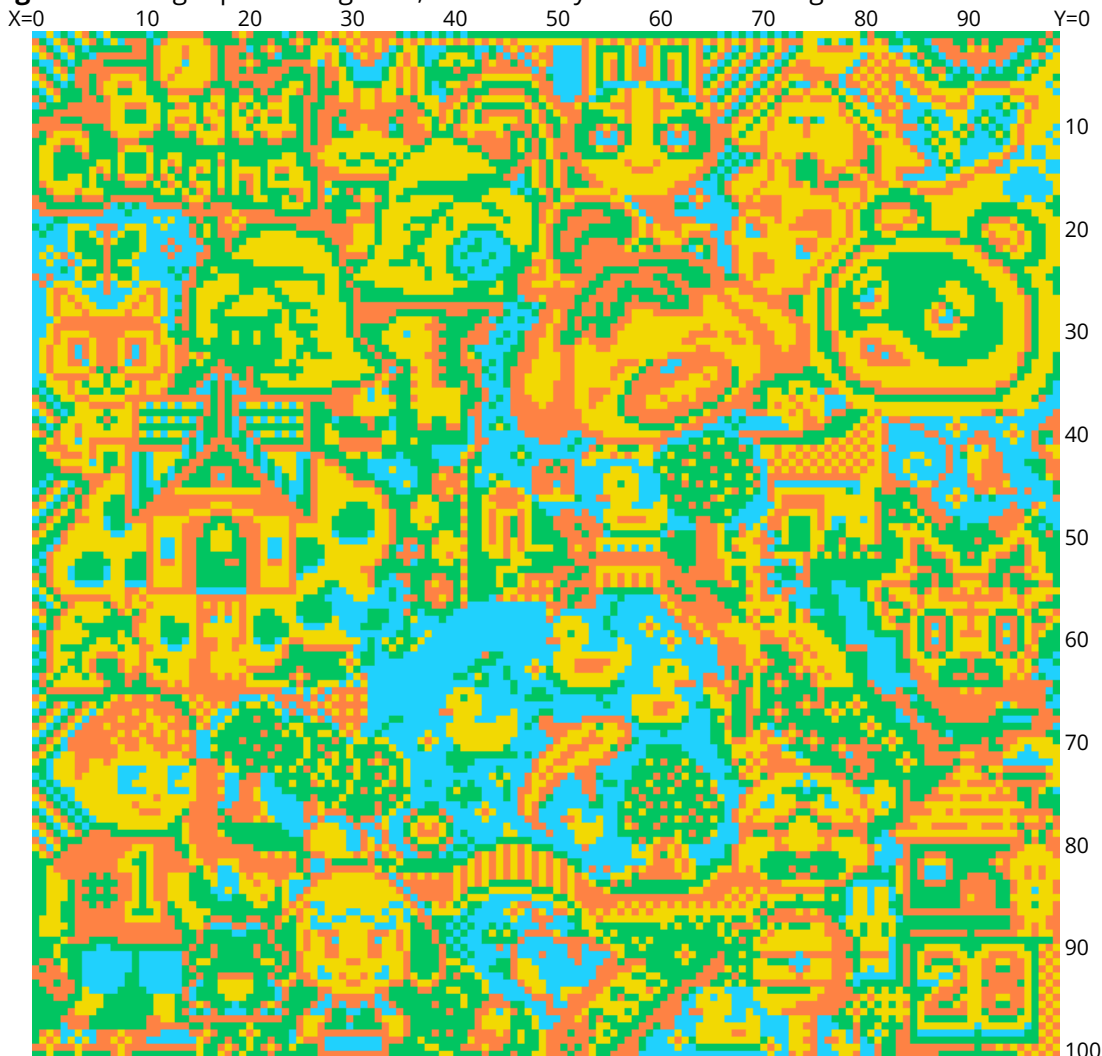

(5,45) **Present/Gift Box:** A present box, containing items in Animal Crossing.

(65,45) **Turnip:** A turnip, used for the Stalk Market in Animal Crossing.

(55,70) **Fish (non-seabass):** A smaller fish in the water.

(15,75) **Money Bag:** A money bag with a bell symbol, representing currency in Animal Crossing.

(85,85) **Bell Bag:** A small bag representing bells, the currency in Animal Crossing.

Day 29: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Daft Punk (more info at <https://github.com/isaacbernat/basepaint>)

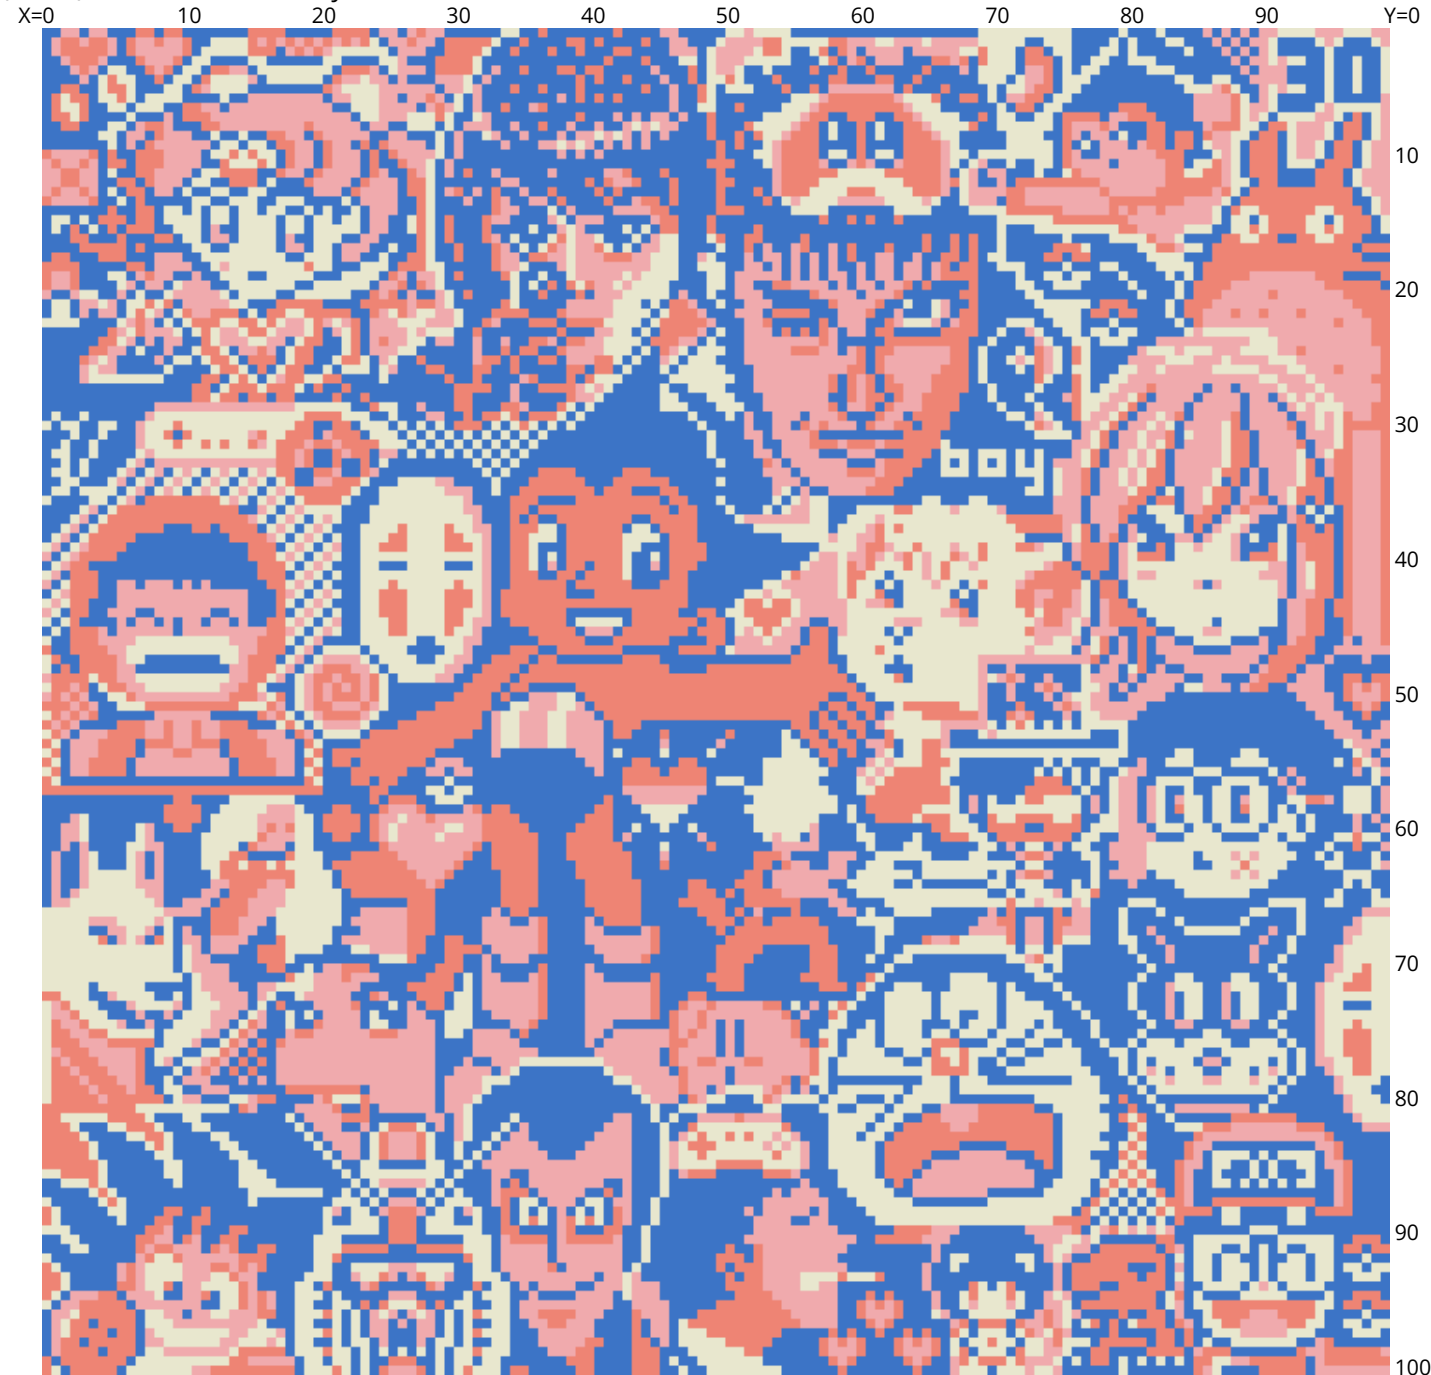

- (50,35) **HARDER BETTER FASTER STRONGER:** Prominent text referring to the title of a popular song from Daft Punk's album.
- (25,75) **Stella (Interstella 5555):** Large anime female character, possibly Stella, from the animated film Interstella 5555, wearing a yellow and black outfit.
- (25,15) **Synthesizer/Keyboard (large):** A graphical representation of a musical synthesizer or keyboard, essential instrument in Daft Punk's sound.
- (85,45) **Guy-Manuel's Helmet Detail (Eye):** A close-up representation of the eye/visor area of Guy-Manuel de Homem-Christo's iconic gold robot helmet.
- (65,60) **Daft Punk logo:** Angled text spelling "Daft Punk", representing the artist name.
- (35,65) **Interstella 5555 Architecture/Spaceship:** Gothic-style architecture or a large vehicle, likely referencing structures from the animated film Interstella 5555.
- (75,90) **Guy-Manuel Helmet (Close-up):** A close-up portrait of Guy-Manuel de Homem-Christo's iconic gold robot helmet.
- (85,90) **Thomas Bangalter Helmet (Close-up):** A close-up portrait of Thomas Bangalter's iconic silver robot helmet.
- (90,20) **Pyramid/Triangle:** A pyramid shape, possibly referencing the stage design used by Daft Punk during their Alive 2001 tour.
- (55,45) **Daft Punk (Standing):** Small figures representing Guy-Manuel and Thomas Bangalter in their robot forms, a common visual motif.
- (50,55) **Interstella 5555 Vehicle:** A vehicle design, possibly referencing the spaceship used by the band in the Interstella 5555 animated film.
- (75,58) **Daft Punk (Dancing):** Small figures representing Guy-Manuel and Thomas Bangalter dancing, possibly on the disco floor.
- (75,65) **Disco/Dance Floor Pattern:** A checkered pattern resembling a light-up disco or dance floor, referencing their musical style.
- (85,68) **GET LUCKY:** Text referring to the hit song "Get Lucky" from the album Random Access Memories.
- (85,75) **Synthesizer/Keyboard (Small):** A smaller representation of a musical synthesizer or keyboard.
- (65,85) **Daft Punk in Suits:** Figures depicting Guy-Manuel and Thomas Bangalter wearing their signature suits and helmets.
- (10,10) **Speaker/Audio Icon:** An icon representing a speaker or audio output, related to music.
- (80,10) **ELECTRO:** Text referring to the music genre electronic, which Daft Punk is a major part of.
- (80,15) **Equalizer/Bars:** A graphic resembling audio equalizer bars, indicating music or sound.
- (80,20) **Heart Icon:** A small heart symbol, possibly representing love for the music or fan art.
- (75,53) **Music Notes:** Symbols representing musical notes, scattered above the dancing figures.

Day 30: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

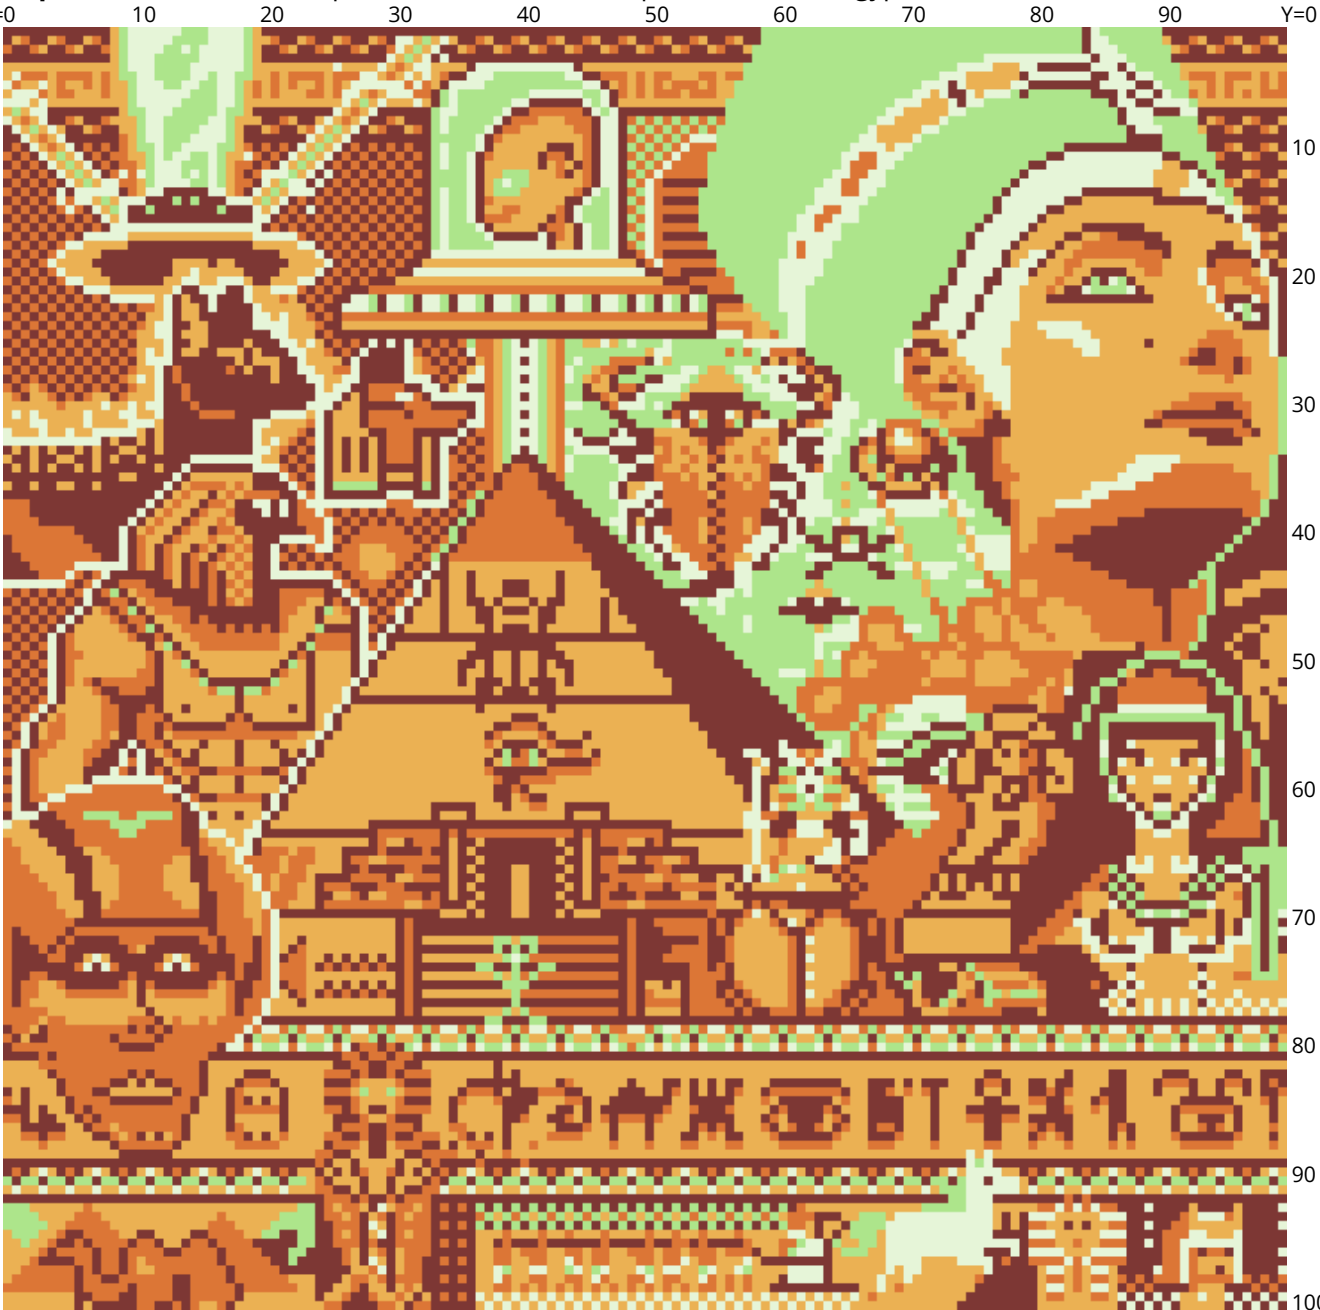

(X, Y): Anime Classics (more info at <https://github.com/isaacbernat/basepaint>)

- (85,15) **Totoro**: Large furry creature (from My Neighbor Totoro)
- (50,15) **Guts**: Stern man with dark spiky hair (from Berserk)
- (50,50) **Astro Boy**: Robotic boy flying (from Astro Boy)
- (65,80) **Doraemon**: Blue robotic cat with wide mouth (from Doraemon)
- (15,15) **Sakura Kinomoto**: Girl with pink hair and glasses (from Cardcaptor Sakura)
- (80,8) **Ash Ketchum**: Boy with goggles and spiky hair (from Pokemon)
- (85,40) **Chocola**: Pink-haired girl with cat ears (from Nekopara)
- (35,45) **No-Face**: Masked spirit (from Spirited Away)
- (75,50) **Isabelle**: Dog character holding a heart (from Animal Crossing)
- (20,60) **Nobita Nobi**: Boy with lollipop (from Doraemon)
- (55,65) **Anime Character with Round Glasses**: Male character with round glasses
- (15,75) **Amaterasu**: White wolf (from Okami)
- (15,85) **Young Goku**: Spiky-haired boy in fighting stance (from Dragon Ball)
- (35,85) **Enrico Pucci**: Smug-faced man (from Jojo's Bizarre Adventure)
- (85,75) **Jibanyan**: Cat with bell (from Yo-kai Watch)
- (90,85) **Soyjak Arcade**: Arcade cabinet with Soyjak face on screen (Internet meme)
- (80,90) **Yui Hirasawa**: Girl with hair buns (from K-On!)
- (50,5) **AA! Text**: Meme text/emoticon
- (95,5) **30 Text**: Unidentified text
- (50,65) **Heart**: Pink heart symbol

Day 31: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Ancient Egypt** (more info at <https://github.com/isaacbernat/basepaint>)
- (75,35) **Nefertiti Portrait:** Large profile portrait of a queen, resembling Nefertiti, a prominent figure in Ancient Egypt.
- (35,55) **Pyramid:** A large pyramid structure, a classic symbol of Ancient Egypt.
- (20,50) **Anubis Figure:** A large muscular humanoid figure with the head of a jackal, representing Anubis, the Egyptian god of the dead.
- (15,15) **UFO:** A classic flying saucer shape emitting light, referencing the "Ancient Aliens" conspiracy theory internet meme.

- (60,40) **Scarab Beetle:** A large scarab beetle, a significant symbol in Ancient Egyptian religion.
- (50,5) **Top Hieroglyph Border:** A horizontal band of geometric patterns resembling decorative friezes found in Egyptian art.
- (50,35) **Mid-Top Hieroglyph Border:** A horizontal band of geometric patterns and textures, functioning as a decorative border.
- (50,70) **Hieroglyph Row 1:** The uppermost horizontal row depicting various hieroglyphic symbols and figures.
- (50,80) **Hieroglyph Row 2:** The second horizontal row depicting various hieroglyphic symbols and figures.
- (50,95) **Bottom Hieroglyph Border:** A horizontal band of patterns and textures forming the base border of the composition.
- (15,70) **Pharaoh Face:** A small portrait of a face wearing a nemes headdress, representing a pharaoh like King Tut or a general.
- (35,65) **Scarab Symbol:** A distinct scarab beetle symbol depicted above Hieroglyph Row 1.
- (45,65) **Baboon Figure:** A figure of a baboon, possibly representing Thoth, the Egyptian god of wisdom, depicted above Hieroglyph Row 2.
- (85,65) **Woman with Headphones:** A small portrait of a modern-looking woman wearing headphones, an anachronistic element.
- (25,70) **Chair Hieroglyph:** A specific hieroglyphic symbol resembling a chair or throne, found within Hieroglyph Row 1.
- (30,70) **Bird Hieroglyph:** A specific hieroglyphic symbol depicting a bird (possibly a duck or similar), found within Hieroglyph Row 1.
- (40,70) **Man Walking Hieroglyph:** A specific hieroglyphic symbol depicting a man walking, found within Hieroglyph Row 1.
- (55,70) **Ankh Hieroglyph:** A specific hieroglyphic symbol of an Ankh, the Egyptian symbol of life, found within Hieroglyph Row 1.
- (75,70) **Eye of Horus Hieroglyph:** A specific hieroglyphic symbol of the Eye of Horus, a symbol of protection and health, found within Hieroglyph Row 1.
- (70,85) **Llama:** A small pixel art depiction of a llama, an anachronistic animal often featured as a random or meme element.
- (80,85) **Sphinx Head:** A small depiction of the head of a Sphinx, an iconic Egyptian monument.

Day 32: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Maze (more info at <https://github.com/isaacbernat/basepaint>)

(55,45) **Cthulhu:** A large, multi-limbed, tentacled creature, possibly Cthulhu or a cosmic horror entity.

(25,5) **START LEVEL 32:** Text indicating the beginning of a maze or game level.

(85,95) **EXIT:** Text indicating the end or exit point of the maze or game.

(50,85) **Illuminati triangle:** The Eye of Providence within a triangle, a symbol associated with conspiracy theories and intelligence.

(15,65) **Skull:** A detailed pixel art representation of a human skull.

(25,40) **Pac-Man:** The main character from the classic arcade game Pac-Man, depicted in his iconic eating pose.

(10,15) **Screaming face mask:** A face resembling the mask from the movie Scream or Edvard Munch's painting "The Scream".

(80,15) **Pixelated figure with hat:** A blocky figure wearing a hat, potentially a generic character or specific reference.

(85,80) **Geometric face/head:** A stylized, geometric representation of a face or head.

(65,20) **Pac-Man Ghost:** One of the enemy ghosts from the Pac-Man arcade game.

(30,20) **Mushroom:** A Super Mushroom power-up from the Super Mario Bros. game series.

(35,45) **Question block:** An item block from the Super Mario Bros. game series, often containing power-ups.

(80,55) **Cube face:** A square face with simple eyes and mouth, resembling characters from certain games or memes.

(20,55) **Geometric face/mask:** A smaller, stylized, geometric face or mask.

(80,70) **Question mark shape:** A block or shape containing a question mark.

(15,80) **Small skull:** A smaller pixel art representation of a human skull.

(15,25) **Small "A":** A blocky pixel art representation of the letter 'A'.

(75,45) **Small "E":** A blocky pixel art representation of the letter 'E'.

Day 33: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Starry Night** (more info at <https://github.com/isaacbernat/basepaint>)

(75,80) **Dramatic Face:** Stylized dramatic female face, possibly referencing a classic painting or meme.

(25,40) **ET Alien:** Face of E.T. the Extra-Terrestrial.

(80,30) **Neil deGrasse Tyson:** Portrait resembling astrophysicist Neil deGrasse Tyson, often associated with space memes

(50,65) **Church:** Building resembling the church from Van Gogh's "Starry Night".

(55,75) **Ringed Planet:** Planet with rings, like Saturn or a stylized Death Star.

(85,15) **ET Bike Flying:** Silhouette of a person on a bicycle flying in front of the moon, referencing a scene from E.T.

(20,85) **Shocked Face:** Face with a shocked expression, resembling the "Surprised Pikachu" meme.

(70,55) **Wrapped Face:** Face partially obscured by wrapping or scarf.

(50,15) **Rocket Ship:** Classic space rocket ship.

(20,15) **Small House:** Small building or house.

(90,5) **UFO:** Flying Saucer (UFO).

(10,70) **Old Telephone:** Vintage rotary telephone.

Day 34: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Queen** (more info at <https://github.com/isaacbernat/basepaint>)
- (48,8) **QUEEN34:** Text title, likely identifying the basepaint canvas or event number.
- (50,20) **BOHEMIAN RHAPSODY:** Text title, referencing the iconic song by Queen.
- (55,30) **Green Crown with Faces:** A prominent green crown containing small pixel art faces, possibly representing royalty.
- (75,35) **Freddie Mercury (Cap):** A pixel art portrait of Freddie Mercury, lead singer of Queen, depicted wearing a cap, refer
- (90,35) **Queen Elizabeth II:** A pixel art portrait of Queen Elizabeth II, representing royalty and fitting the 'Queen' title.
- (30,45) **Singing/Shouting Face (Freddie):** A dynamic pixel art portrait of Freddie Mercury in a singing or shouting pose, ca
- (10,15) **Gengar-like Figure:** A pixel art depiction of a ghost-like creature strongly resembling Gengar from the Pokemon se
- (20,35) **Lightning McQueen Car:** A pixel art depiction of Lightning McQueen, the protagonist car from the Disney Pixar mo
- (75,60) **Zombie/Skull Face:** A stylized pixel art face resembling a skull or zombie, possibly referencing Dia de los Muertos
- (25,80) **Mouth with Teeth:** A large open mouth with sharp teeth, resembling a monster or the Piranha Plant from the Sup
- (85,65) **Figure in Red Jacket:** A simple pixel art character sprite wearing a red jacket and green pants.
- (80,80) **Figure with Heart Shield:** A small pixel art character sprite holding a heart-shaped shield, resembling characters f
- (25,25) **Heart (Top Left):** A pixel art heart symbol.
- (35,60) **Heart (Mid Left):** A pixel art heart symbol.
- (45,60) **Hand with V Sign:** A pixel art depiction of a hand making the 'V' for victory or peace sign.
- (95,90) **Another Face (Bottom Right):** A small, simple pixel art human face.

Day 35: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Underwater Atlantis (more info at <https://github.com/isaacbernat/basepaint>)

(65,45) **Anime girl:** Stylized female character, possibly anime or manga inspired.

(85,80) **Statue:** Figure resembling Poseidon or Neptune holding a trident, a cultural reference to mythology and the sea gods.

(65,85) **Building facade:** Ruined structure with columns, suggesting underwater ruins or the lost city of Atlantis itself. Cultural reference.

(25,85) **Submarine:** A small, yellow submarine, possibly referencing The Beatles' "Yellow Submarine" or just a general underwater vehicle.

(65,30) **Crustacean monster:** A large, aggressive-looking lobster or crab creature. Could be a game or monster reference.

(25,55) **Octopus:** A classic underwater creature.

(55,45) **Vertical structure:** A vertical structure resembling a pipe or periscope.

(20,45) **Diving helmet:** A vintage diving helmet, a cultural reference to early underwater exploration.

(35,70) **Robot head with 'A':** A robotic head with the letter 'A', resembling BMO from Adventure Time. Game/TV/Animation reference.

(50,15) **Eye symbol:** A large eye symbol. Could be a reference to surveillance or a specific game/show/cultural element.

(90,15) **Stamp with '35':** A postage stamp-like square with the number '35'. Could be a reference to a specific event or year.

(10,10) **Triggered meme:** Pixel art representation of the "Triggered" meme symbol. Internet meme reference.

(15,15) **Patrick Star:** Character from the SpongeBob SquarePants animated series. TV/Animation reference.

(15,25) **Squidward Tentacles:** Character from the SpongeBob SquarePants animated series. TV/Animation reference.

(30,50) **Anchor:** A ship's anchor, a nautical element.

(65,60) **Heart symbol:** A simple heart shape. Symbol of love or health/life.

(35,15) **Small white fish:** A small fish.

(45,20) **Small orange fish:** A small fish.

(50,25) **Small gear/object:** A small mechanical gear or object.

(40,40) **Small circle element:** A small circular object, possibly a bubble or artifact.

(45,60) **Geometric pattern:** A small diamond-like geometric pattern.

(70,40) **Small red creature:** A small red creature, possibly a shrimp or small monster.

(75,20) **Small orange fish:** A small fish.

(80,40) **Small beige fish:** A small fish.

(5,50) **Small object:** A small indistinct shape on the left.

(15,35) **Small object:** A small indistinct shape below Squidward.

(30,95) **Small object:** A small indistinct shape near the submarine.

(50,95) **Small object:** A small indistinct shape near the ruins.

(80,95) **Small object:** A small indistinct shape near the statue base.

Day 36: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Warhol (more info at <https://github.com/isaacbernat/basepaint>)

(75,20) **Tiger Head:** Stylized head of a tiger.

(20,40) **Dog face:** Pixel art depiction of a dog's face.

(55,55) **Soup Can:** Iconic Campbell's Soup Can, referencing Andy Warhol's art.

(15,85) **"POP" text:** Stylized text "POP" with a background effect, referencing Pop Art.

(25,85) **Male face:** Pixel art portrait of a man, possibly a famous figure or artist.

(30,15) **Female face:** Stylized pixel art portrait of a woman.

(55,15) **Banana:** Pixel art banana on a pink background, referencing Andy Warhol's Velvet Underground album cover art.

(55,35) **Sunglasses:** Pixel art depiction of sunglasses.

(80,45) **Dollar Sign:** Stylized pixel art dollar sign.

(20,65) **Grid of symbols:** A 4x4 grid containing simple icons like lines, circles, hearts, and skull faces, resembling emoji or game symbols.

(75,65) **Deal With It Face:** Pixel art face wearing sunglasses with a heart, potentially referencing the "Deal With It" meme.

(90,65) **VR Goggles Face:** Pixel art face wearing virtual reality goggles, referencing modern technology and culture.

(65,75) **Second Female Face:** Another stylized pixel art portrait of a woman.

(55,85) **Skull:** Pixel art depiction of a human skull, a common artistic motif.

(90,85) **Stack of "BILL" boxes:** Stacked boxes or cans with the text "BILL", reference is unclear (product? meme?).

(10,10) **Grid Pattern:** A repeating pixel pattern in a 3x3 grid.

(90,15) **Coffee Cup:** Pixel art depiction of a coffee cup.

(40,75) **Lips:** Stylized pixel art depiction of lips.

(95,75) **Mickey Mouse:** Pixel art depiction of Mickey Mouse, referencing Disney and pop culture.

(80,85) **Game Controller:** Pixel art symbol resembling a classic game controller, referencing video games and pixel art.

(95,95) **Donut:** Pixel art depiction of a donut.

Day 37: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Rick & Morty** (more info at <https://github.com/isaacbernath/basepaint>)

- (48,50) **Rick Sanchez:** The main protagonist, depicted as a large figure in the center, often seen with a scowl or detached expression.
- (18,22) **Rick Sanchez:** A prominent bust shot of Rick in the top left corner, with his characteristic spiky blue hair.
- (80,30) **Pickle Rick:** A large depiction of Rick transformed into a pickle, a highly popular meme version of the character.
- (18,78) **Rick Sanchez:** A full body depiction of Rick standing on the bottom left, wearing his lab coat.
- (18,9) **Morty Smith:** The co-protagonist, depicted as a large head in the top left corner, often shown with a worried expression.
- (70,40) **Rick Sanchez:** A head and shoulders shot of Rick on the middle right, with a more neutral expression.
- (85,69) **Morty Smith:** A depiction of Morty with a scared or screaming expression, prominent on the bottom right.
- (45,15) **Jerry Smith:** Morty's father, depicted with his characteristic long face in the top middle.
- (82,55) **Rick & Morty Logo:** The text logo of the show located on the right side of the image.
- (38,60) **Crying Morty face:** A depiction of Morty crying, a recognizable reaction image meme.
- (58,28) **Sun with face:** A depiction of the judging sun creature from the episode "The Ricklantis Mixup", often used in memes.
- (60,50) **Portal:** The signature green swirling portal used by Rick for interdimensional travel.
- (88,85) **Rick Sanchez:** A smaller depiction of Rick's face, part of the "I NEED A DRINK!" meme located at the bottom right.
- (82,90) **"I NEED A DRINK!":** Text associated with a meme featuring Rick asking for a drink.
- (91,45) **Small Pickle Ricks:** Several smaller figures of Pickle Rick clustered together.
- (30,12) **UFO:** A classic flying saucer shape, representing space travel and aliens common in the show.

Day 38: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Bestiary** (more info at <https://github.com/isaacbernat/basepaint>)

(63,63) **Swirling Eye Creature**: Large abstract creature featuring a swirling body around a central eye.

(24,40) **Owl**: A prominent pixel art owl.

(80,85) **Serpent/Dragon**: A large winding serpentine or dragon-like creature.

(16,16) **Framed Owl**: A pixel art owl portrait in a frame.

(45,16) **Framed Eagle**: A pixel art eagle head in a frame.

(73,16) **Framed Dragon Head**: A pixel art dragon head in a frame.

(76,74) **Tribal Face**: A symmetrical mask-like pixel art face.

(40,71) **Stalking Feline**: A pixel art cat or similar feline creature in a stalking pose.

(93,93) **Kraken**: A pixel art representation of a kraken or giant octopus.

(16,86) **Framed Rodent**: A pixel art rat or mouse in a frame.

(15,5) **Top Left Crest**: A pixel art crest or badge shape in the top left corner.

(88,15) **Numbers 38**: The pixel art digits "38".

(40,93) **Standing Figures**: Two simple standing pixel art figures, possibly animals.

(63,90) **Simple Pixel Face**: A basic pixel art face with eyes and a mouth, potentially a meme reference.

Day 39: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Jack Butcher** (more info at <https://github.com/isaacbernath/basepaint>)

(75,50) **Jack Butcher Face:** Pixel art portrait of Jack Butcher.

(63,50) **Vertical Data Stream:** Vertical pattern resembling a data stream or code.

(50,94) **Row of 4 Repeating Faces/Icons:** Repeating abstract face-like or icon pattern.

(75,80) **Text "PERFECTIONIST":** Text spelling "PERFECTIONIST", a key concept for Jack Butcher/Visualize Value.

(13,13) **Numbers/Code:** Block of numbers or code-like pixels.

(38,13) **Stylized Icon:** Abstract or stylized character/object icon.

(63,13) **Stats/Bars (upper):** Icon representing statistics or bar charts.

(88,13) **Controls/Indicators (upper right):** Pattern resembling electronic controls or indicator lights.

(13,38) **Verified Badge (smaller):** Smaller icon resembling a verified badge (checkmark in a circle/shield).

(38,38) **Circuit board/Console:** Pattern resembling an electronic circuit board or console panel.

(13,63) **Stats/Bars (lower left):** Icon representing statistics or bar charts.

(38,63) **Ship/Arrow:** Icon resembling a spaceship or a forward-pointing arrow.

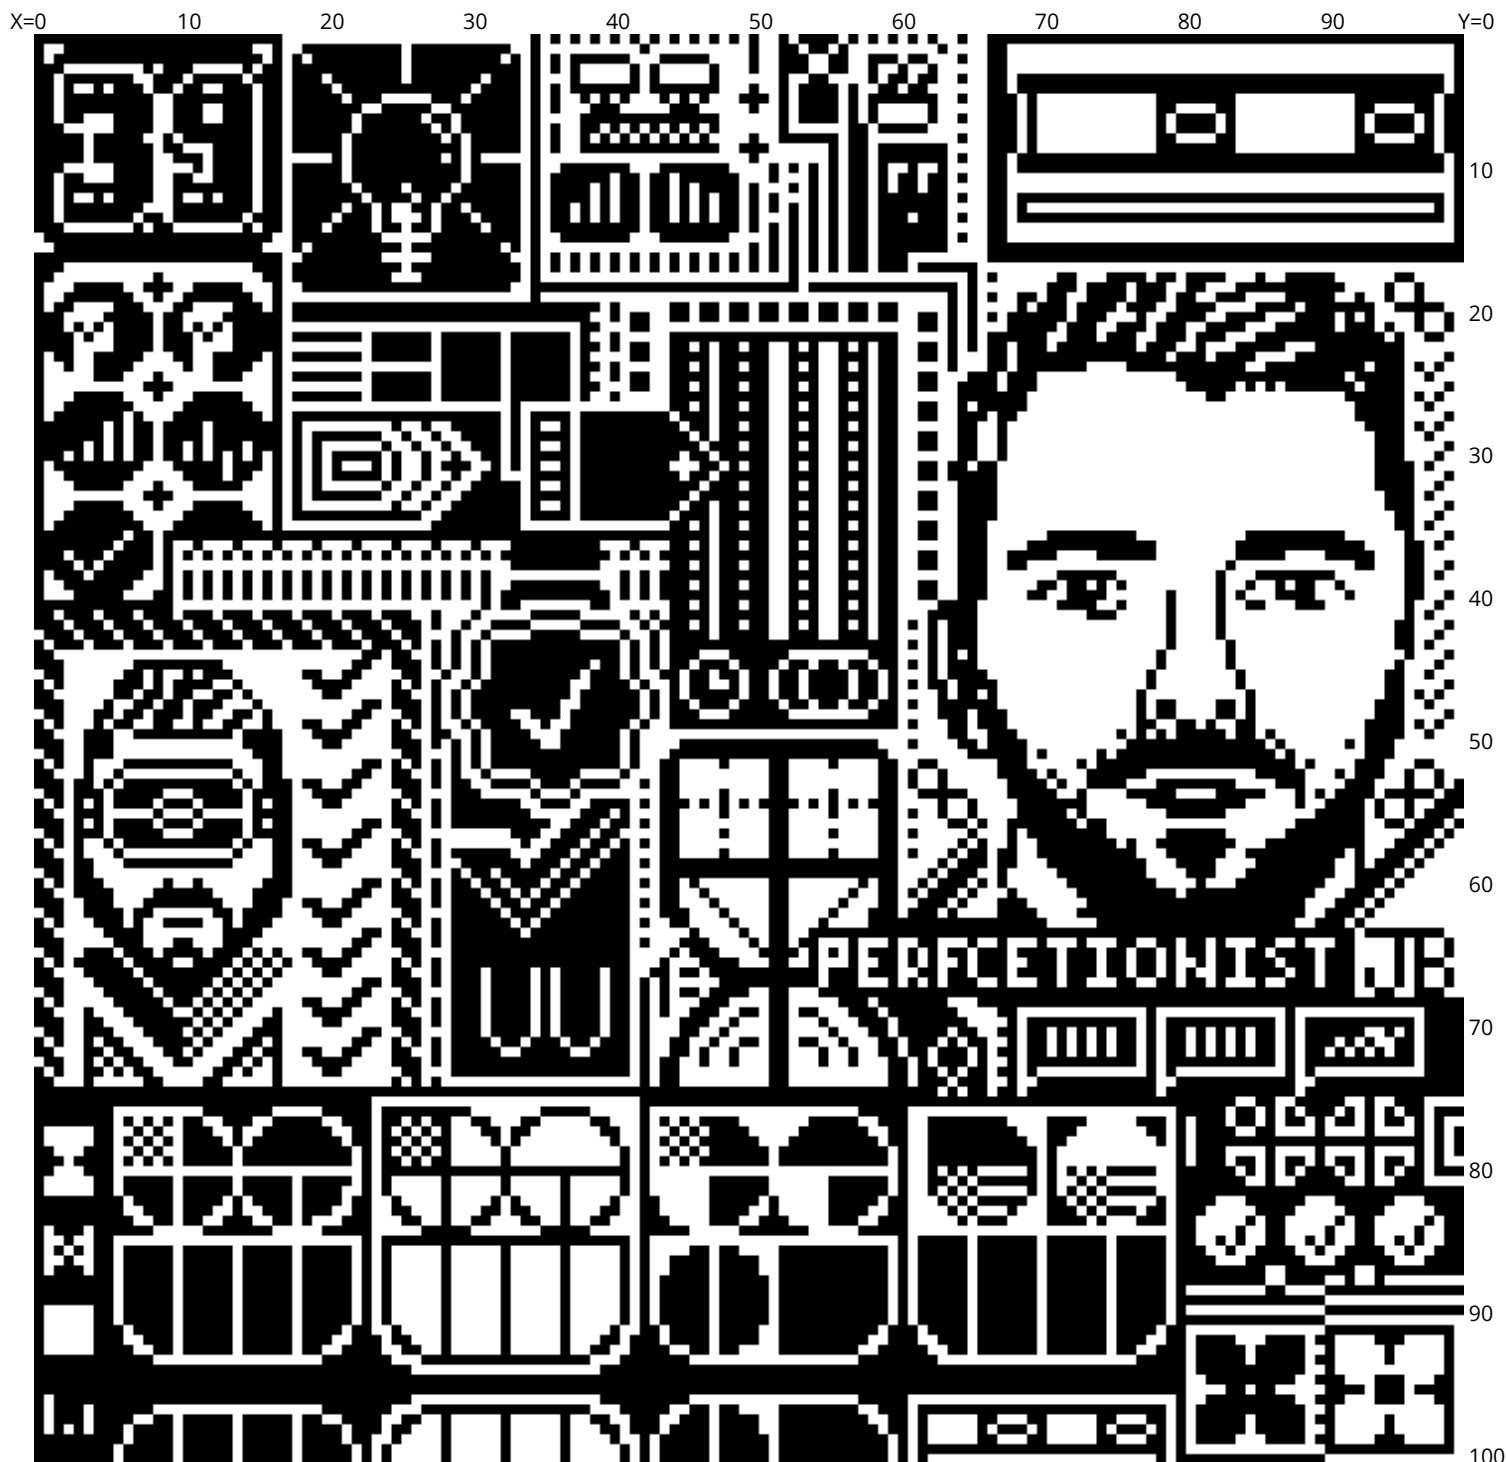

(13,88) **VR Figure:** Figure wearing a VR headset/visor, referencing virtual reality or gaming.

(38,88) **Wavy lines / Chevron:** Pattern of wavy lines or chevrons.

(63,88) **Large Checkmark Badge:** Larger icon resembling a verified badge (checkmark in a circle/shield).

(81,94) **Small Clock/Timer:** Small icon resembling a clock or timer.

(94,94) **Small 2x2 Four Squares:** Small abstract pattern of four squares in a 2x2 grid.

Day 40: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Runescape (more info at <https://github.com/isaacbernath/basepaint>)

(50,15) **Base|Scape Title:** The title of the piece, a play on "Runescape", with a sword graphic breaking the text.

(50,50) **Main Character:** A central figure resembling a Runescape player character in armor.

(75,85) **Inventory Grid:** A section of the Runescape user interface displaying inventory slots and items.

(75,45) **Landscape/Area:** A background element depicting a Runescape-like environment, possibly a town or outdoor location.

(20,65) **Gnome Child:** An iconic Runescape meme character, depicted with a distressed expression.

(15,30) **Adventurer:** A character resembling a Runescape player or NPC, wearing a distinctive green hat.

(55,70) **RS Logo:** A stylized logo incorporating the letters "RS", referring to Runescape.

(85,30) **Minimap Circle:** A circular user interface element resembling the Runescape minimap, containing the letters "TT".

(85,15) **LVL 40/99:** Text indicating a skill level progression typical in Runescape.

(80,40) **KBD Head:** The head of a green dragon, likely referencing the King Black Dragon boss from Runescape.

(65,60) **Goblin:** A creature resembling a Goblin monster from Runescape.

(45,80) **Skeleton:** A creature resembling a Skeleton monster from Runescape.

(35,45) **Bow:** A graphic depicting a bow weapon.

(30,40) **Key:** A graphic depicting a large key item.

(20,50) **Altar:** A structure resembling a ritual altar.

(15,80) **Pepe the Frog:** A depiction resembling the internet meme character Pepe the Frog.

(10,10) **2001:** Text indicating the year 2001, the release year of Runescape Classic.

(80,15) **Chad Face:** A stylized face resembling the "Chad" internet meme, typically representing an idealized or confident person.

(12,15) **Ugandan Knuckles:** A small red figure resembling the Ugandan Knuckles internet meme character.

(75,85) **Bones:** A graphic representing bones, a common item in Runescape, located within the inventory grid.

(80,85) **Karambwan:** A graphic representing a Karambwan fish, a type of food used in Runescape, located within the inventory grid.

(85,85) **Potion:** A graphic representing a potion, a common consumable in Runescape, located within the inventory grid.

(15,90) **Coin Bag:** A graphic depicting a bag of coins.

(40,90) **Green Hat:** A graphic depicting a green hat, possibly a specific hat item in Runescape.

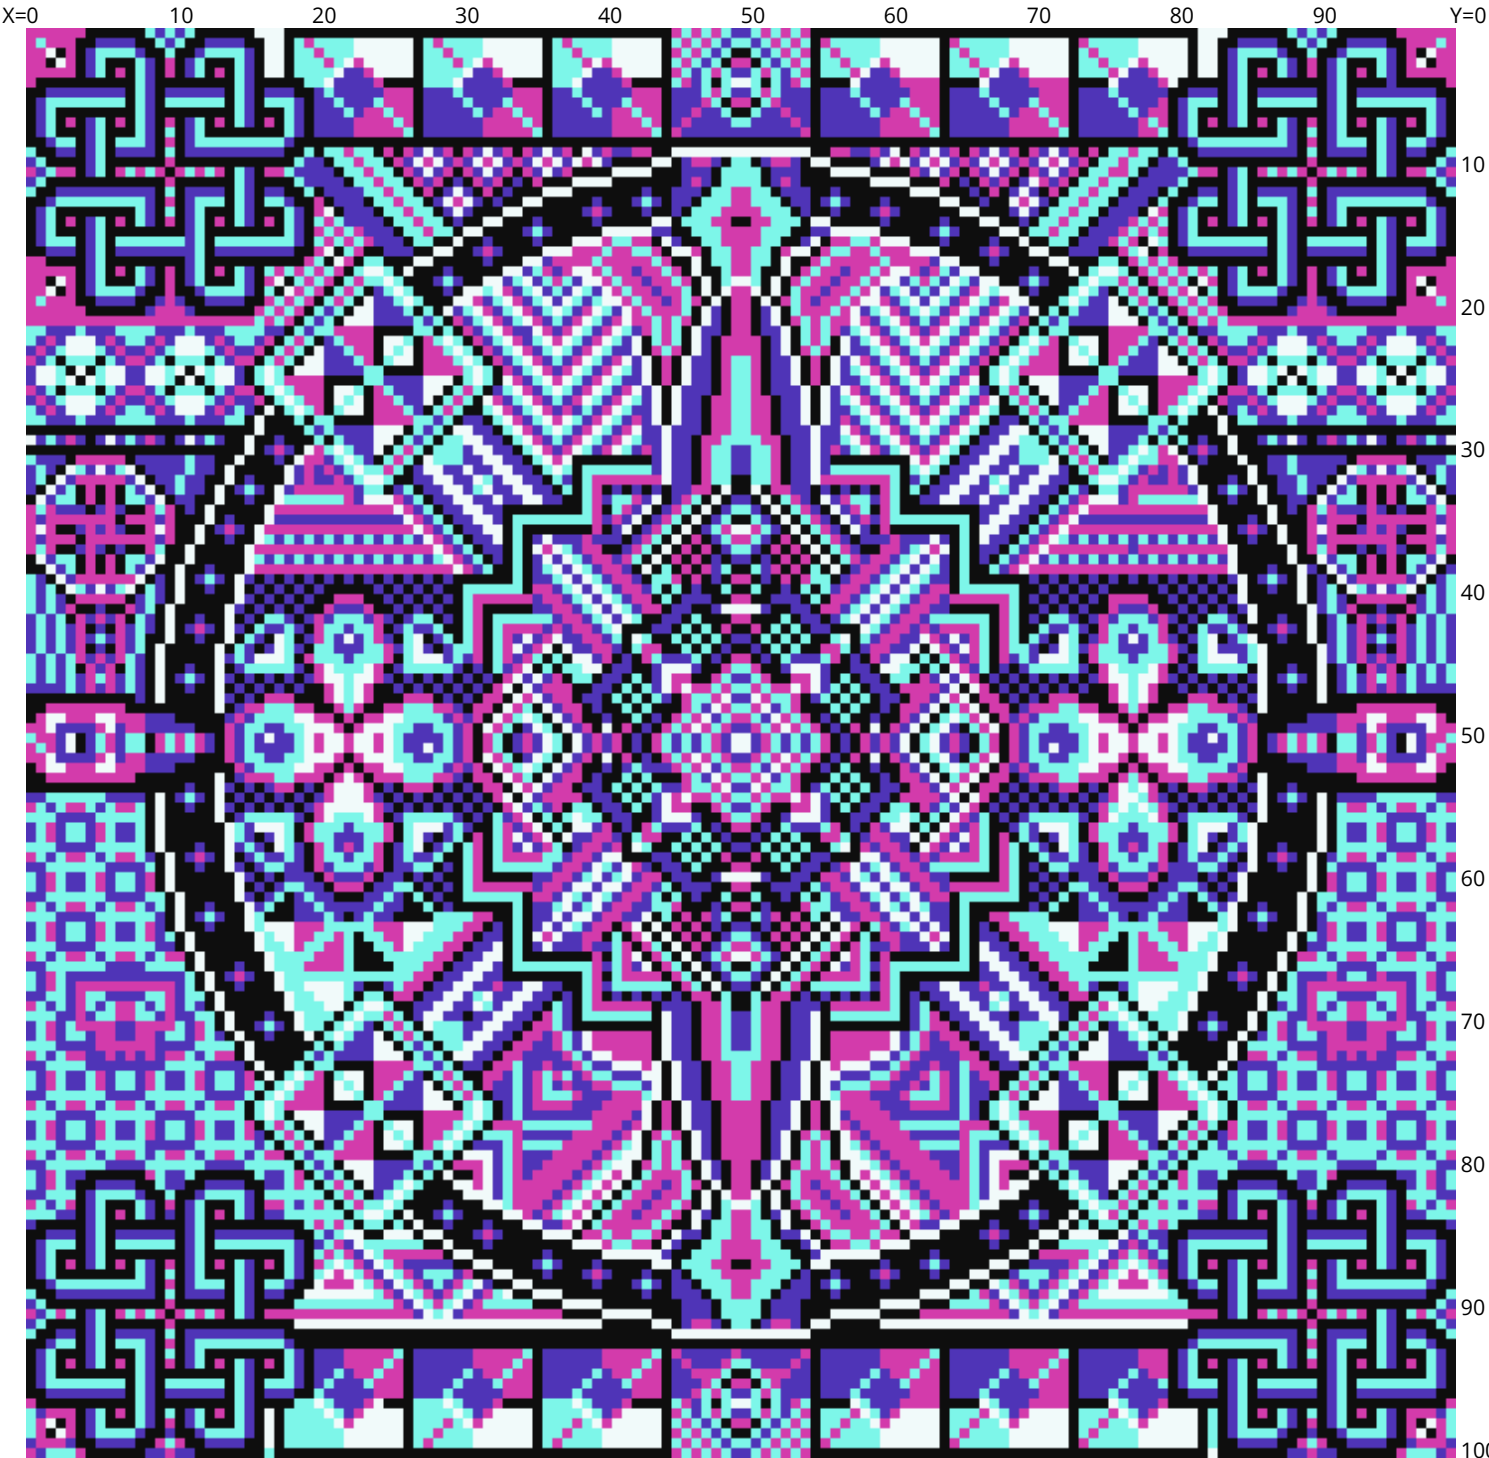

Day 41: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Moroccan Zellij (more info at <https://github.com/isaacbernat/basepaint>)

(50,29) Simplified pixel face: Symmetrical pixel face with square eyes and a line mouth, resembling a common online em

(50,71) Simplified pixel face: Symmetrical pixel face with square eyes and a line mouth, resembling a common online em

Day 42: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Hitchhiker's Guide to the Galaxy (more info at <https://github.com/isaacbernat/basepaint>)

- (50,74) **DON'T PANIC text:** Iconic instruction from The Hitchhiker's Guide book.
- (55,58) **Cool Alien/Guide Character:** Large, central figure with sunglasses and raised fingers, resembling The Guide or a cool alien.
- (90,55) **The number 42:** The Answer to the Ultimate Question of Life, the Universe, and Everything.
- (35,30) **Falling Whale:** Reference to the sperm whale that suddenly appeared in the sky after the Improbability Drive was activated.
- (90,20) **Douglas Adams Portrait:** The creator and author of The Hitchhiker's Guide to the Galaxy series.
- (72,20) **The Hitchhiker's Guide book stack:** Represents the portable electronic Guide itself.
- (50,80) **Solong text:** Shortened reference to the phrase "So Long, and Thanks for All the Fish".
- (18,55) **Arthur Dent (Helmet):** The main protagonist, wearing a helmet, possibly depicting a space suit or a reference to the character.
- (35,45) **Zaphod Beeblebrox:** The two-headed, three-armed President of the Galaxy, also a protagonist.
- (36,50) **Mouse:** Represents the hyper-intelligent pan-dimensional beings who commissioned Earth to find the Ultimate Question.
- (8,58) **Vogon:** A member of the unpleasant, bureaucratic alien race known for demolishing Earth and bad poetry.
- (17,50) **Babel Fish:** A small fish inserted into the ear canal that serves as a universal translator.
- (18,63) **Towel:** Held by Arthur Dent, representing the most massively useful thing an interstellar hitchhiker can have.
- (10,80) **Earth Destruction:** Depiction of the planet Earth being demolished by the Vogons.
- (53,35) **Pot of Petunias:** The second entity to appear in the sky after the Improbability Drive activation, famously thinking of the number 42.
- (85,88) **Large Planetoid:** A prominent celestial body in the background, part of the space setting.
- (70,70) **Patterned Sphere/Planetoid:** A background element resembling a celestial body or abstract pattern.
- (65,75) **Flying Saucer Spaceship 1:** One of several background spaceships.
- (80,70) **Flying Saucer Spaceship 2:** Another background spaceship.
- (45,85) **Flying Saucer Spaceship 3:** Another background spaceship.
- (5,5) **Small Cat Head:** A small, possibly unrelated or obscure element in the top left corner.
- (25,95) **Small Planetoid:** A minor background celestial body.

Day 43: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Norse Mythology (more info at <https://github.com/isaacbernat/basepaint>)
- (78,55) **Kratos-like figure:** A large, bearded man with a distinctive hairstyle and helmet, strongly resembling Kratos from the God of War series.
 - (23,63) **Warrior with Axe:** A figure holding an axe, possibly representing Atreus or another warrior from Norse mythology.
 - (31,23) **Fenrir-like wolf:** A large, dark wolf figure, likely representing Fenrir, the giant wolf from Norse mythology.
 - (63,39) **Raven:** A large dark bird, likely representing Huginn or Muninn, the ravens of the god Odin.
 - (55,86) **Yggdrasil tree:** A large tree with visible roots and branches, representing Yggdrasil, the World Tree in Norse cosmology.
 - (23,23) **Female figure:** A figure with long hair, possibly representing a Valkyrie, Freyja, or another female deity/figure from Norse mythology.
 - (86,23) **Figure with goatee:** A male figure with a short beard or goatee, potentially representing Loki or another character from Norse mythology.
 - (94,94) **Jörmungandr-like shape:** A winding, serpent-like form in the lower area, resembling Jörmungandr, the World Serpent.
 - (8,8) **Valknut symbol:** A symbol composed of three interlocking triangles, often associated with Odin and Valhalla in Norse mythology.
 - (94,8) **Numeric symbol "43":** A prominent display of the number "43", its specific meaning within Norse mythology or as a reference to the current day.
 - (16,94) **Mjolnir symbol:** A symbol representing Mjolnir, the hammer of the god Thor.
 - (55,98) **Skull:** A small skull graphic located near the base of the tree, potentially symbolizing death or the underworld (Hel).
 - (86,98) **Cat:** A small cat graphic, possibly a reference to the cats that pull Freyja's chariot.

Day 44: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Lens Garden** (more info at <https://github.com/isaacbernat/basepaint>)

(50,60) **Large green creature:** A large, smiling green creature with big eyes and tongue sticking out, wearing a pink vest, s

(25,35) **Two pink dogs:** A pair of pink pixel dogs with floppy ears sitting side-by-side.

(75,35) **Crowned frog:** A green pixel frog wearing a golden crown and glasses, a likely reference to the 'Dat Boi' internet m

(80,80) **Girl with mushroom hat:** A character with brown hair wearing a red and white spotted mushroom cap.

(95,50) **"LENS GARDEN" text:** Vertical text spelling "LENS GARDEN" along the right edge of the image, identifying the scen

(5,5) **Pig face:** A small pink pig face in the top left corner.

(20,15) **Stacked hearts:** A stack of pink pixel hearts.

(35,10) **Large mushroom:** A pink and yellow pixel mushroom near the top left.

(40,10) **Small bird:** A small yellow pixel bird in the top center.

(60,5) **Small bird:** A small yellow pixel bird near the top right edge.

(70,10) **Large mushroom:** A pink and yellow pixel mushroom near the top right.

(75,15) **Framed character:** A character holding a plant or flower depicted inside a frame, resembling a framed picture.

(10,30) **Girl with bowl cut:** A character with a pink shirt and brown bowl-cut hair in the top left area.

(50,40) **Heart in pot:** A pixel heart shape growing out of a small pot.

(55,55) **Pink flower:** A distinct pink flower held by the large green creature.

(85,60) **Medium mushroom:** A medium-sized pink and yellow pixel mushroom near the right edge.

(10,65) **Boot/shoe:** A pink pixel boot or shoe on the left side.

(75,65) **Snail:** A pink and yellow pixel snail on the right side.

(70,70) **Small round face:** A small pink round face with simple features.

(10,75) **Small character face:** A small character face peeking out on the left side.

(15,80) **Pig face:** A small pink pig face in the bottom left area.

(40,85) **Small mushroom:** A small pink and yellow pixel mushroom in the bottom center-left.

(30,90) **Worms:** A group of pink pixel worms in the bottom left soil.

(60,95) **Pig face:** A small pink pig face in the bottom right area.

Day 45: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): infinite neon sadness (more info at <https://github.com/isaacbernat/basepaint>)

- (65,15) **Screaming/Shouting face:** Resembles the Wojak "Aaaa" meme, expressing extreme emotion, panic, or frustration
- (55,65) **Grinning character with glasses:** A large, unsettling character with a wide, toothy grin and glasses, possibly a distorted face
- (15,85) **Character with glasses and checkered shirt:** Depiction of a person with glasses and a checkered shirt, resembling a meme character
- (15,55) **Large monster mouth:** An exaggerated, fanged mouth, likely part of a larger creature or representing anxiety, fear
- (90,15) **Sad face (Wojak variant?):** Resembles a sad Wojak meme variant, conveying feelings of dejection, disappointment
- (35,85) **Computer/Console with broken heart:** A retro-style computer screen or game console displaying a broken, bleeding heart
- (37,75) **"LIFES OVER!" text box:** Text displayed in a box, declaring "LIFES OVER!", expressing despair or fatalism, often used in gaming
- (90,65) **Sad dog:** A depiction of a small dog crying, referencing the "Crying Dog" meme or simply conveying animal sadness
- (30,40) **Infinity symbol:** The mathematical symbol for infinity, representing endlessness or eternity, fitting the "infinite" theme
- (77,85) **"IT NEVER ENDS..." text:** Text expressing the feeling of an unending difficult or monotonous situation, reinforcing the theme of sadness
- (15,15) **Skull face:** A stylized skull, symbolizing death, mortality, or potentially associated with darker themes and internet culture
- (40,15) **Text "NEONHO":** Part of the title or a tag associated with the basepaint.xyz project or this specific artwork
- (35,65) **Face with large eyes:** A face with wide, possibly surprised or fearful eyes, part of a collage of expressions, contributing to the overall theme
- (35,35) **Face with closed eyes:** A face with closed eyes, appearing sad, tired, or peaceful in contrast to the surrounding chaotic elements
- (35,50) **Eye (stack):** A single, stylized eye, often used in art to represent being watched, surveillance, or personal anxiety
- (50,40) **Face looking down:** A small face looking downwards, conveying sadness, introspection, or dejection
- (75,40) **Wide eye:** A single wide eye, suggesting surprise, fear, madness, or alertness
- (90,40) **Sad face (different style):** A small, differently stylized sad face, adding to the overall theme of sadness and negativity
- (55,75) **Sad face emoji:** A pixel art representation of a sad face emoji, a common symbol of digital communication and emotional expression
- (75,65) **Small stick figure:** A simple stick-like figure, possibly representing an individual, a generic person, or a feeling of isolation
- (55,85) **Indistinct sitting figure?:** A small, unclear figure that appears to be sitting, contributing to the dense and chaotic composition
- (92,85) **Progress bar/Loading bar:** A visual element resembling a progress or loading bar that is not full, suggesting a stalled process or ongoing struggle

Day 46: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Yellow Submarine** (more info at <https://github.com/isaacbernat/basepaint>)
- (50,50) **Yellow Submarine:** The main vehicle and central theme of the artwork, depicted horizontally with portholes.
- (25,45) **Giant Octopus:** A large, friendly-looking sea creature with visible tentacles on the left side.
- (75,75) **Whale:** A large blue whale spouting water, located on the right side.
- (50,70) **The Beatles Silhouettes:** Four distinct figures in silhouette, referencing an iconic pose from the Yellow Submarine.
- (60,10) **YELLOW SUBMARINE text:** The title of the artwork displayed prominently at the top.
- (50,60) **The Beatles Heads:** Pixelated portraits of the four Beatles members arranged in a row.
- (80,30) **Blue Meanies:** Pixelated representations of the villains from the movie, characterized by their blue colour (rendered as yellow in this palette).
- (85,30) **Jeremy Hillary Boob:** The character known as the Nowhere Man, a small figure with distinctive features.
- (15,70) **Astronaut/Diver:** A figure wearing a suit with a helmet, resembling either an astronaut or a deep-sea diver.
- (35,60) **Captain Fred/Character:** A figure wearing a distinctive hat and uniform, likely referencing Captain Fred or another character.
- (45,65) **HELP! sign:** A pixelated sign displaying the word "HELP!", referencing the Beatles' song or movie.
- (80,65) **LOVE! sign:** A pixelated sign displaying the word "LOVE!", referencing themes or songs by The Beatles.
- (8,8) **46 block:** A pixel block displaying the number "46", likely a reference specific to the basepaint.xyz platform or even the current day.
- (15,30) **Tree-like structure:** A stylized tree or plant form depicted on the left side.
- (15,55) **Guitar/Ukulele:** A small stringed musical instrument shown near the Octopus.
- (70,50) **Anchor:** A ship's anchor depicted floating or submerged near the submarine.
- (10,95) **Chequered Pattern:** A decorative black and yellow chequered pattern along the bottom left edge, common in pixel art.

Day 47: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Ice Cream Party** (more info at <https://github.com/isaacbernat/basepaint>)

(50,60) **"ICE CREAM GOOD" text:** Main text title in dripping style.

(78,30) **Ice Cream Truck:** Pink and teal ice cream van with serving window.

(22,75) **Pepe the Frog:** Sad/Smug looking green frog meme character eating ice cream.

(82,75) **Anime girl:** Character with pink hair holding an ice cream cone.

(35,45) **Melting donut:** Large pink donut dripping icing.

(20,30) **Character with glasses:** Teal blob/slime character with square glasses and a smile.

(45,20) **Character with cone head:** Pink character with a scoop of ice cream as a head, surprised expression.

(80,55) **Melting ice cream head:** Character head melting, with wide eyes.

(45,75) **Character with pink head:** Pink character head with tongue out and teal glasses.

(65,75) **Character with green hair:** Teal character head with green hair and large grin.

(55,85) **Small vendor stall:** Striped awning stall with counter.

(82,95) **"47 FLAVORS" text:** Small text indicating variety.

(55,88) **Bear face:** Small pink bear face in front of the stall.

(65,88) **Cupcakes/Muffins:** Group of three food items on a plate.

(10,10) **Ice cream cone:** Small ice cream cone.

(45,10) **Musical notes:** Symbols indicating music.

(90,10) **Ice cream cone:** Small ice cream cone.

(90,30) **Cherry:** Small red cherry.

(85,45) **Watermelon slice:** Slice of watermelon.

(55,60) **Large popsicle:** Pink popsicle with a bite taken out.

(80,60) **Popsicle stick:** Stick and remains of a popsicle.

(20,90) **Donut:** Small pink donut.

Day 48: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Comic Book Day (Sep 25) (more info at <https://github.com/isaacbernat/basepaint>)

- (65,35) **Superman 'S' logo:** Iconic logo of Superman.
- (50,70) **Vision face:** Face of the Marvel character Vision.
- (30,55) **Spider-Man:** Spider-Man in a dynamic pose.
- (80,25) **Batman face:** Face of Batman.
- (90,50) **Joker face:** Face of the Joker.
- (65,55) **Hulk face:** Screaming face of the Hulk.
- (35,20) **Large Pumpkin:** A large Halloween pumpkin.
- (85,80) **Garfield face:** Face of Garfield the cat.
- (10,10) **Punisher skull:** Symbol of The Punisher.
- (50,15) **Captain America Shield fragment:** Fragment of Captain America's shield.
- (45,30) **Iron Man face fragment:** Fragment of Iron Man's mask.
- (45,50) **Wolverine claws:** Wolverine's extended claws.
- (30,80) **Snoopy and Woodstock:** Snoopy and Woodstock cartoon characters.
- (90,10) **SEP 25:** Text indicating the date September 25.
- (45,45) **ZAP:** Comic book sound effect text.
- (20,70) **POW:** Comic book sound effect text.
- (70,75) **BU:** Text fragment "BU".

Day 49: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Tokyo (more info at <https://github.com/isaacbernat/basepaint>)

- (50,50) **Tokyo Kanji:** Central element featuring the vertical kanji characters for "Tokyo" (東京).
- (45,20) **Grinning Character Face:** A large, menacing face with a wide grin and sharp teeth, located in the upper middle part.
- (17,65) **The Great Wave:** A large, stylized wave on the left side, referencing Hokusai's famous ukiyo-e print.
- (82,72) **Mount Fuji:** The iconic mountain with a snow-capped peak, located on the right side.
- (10,17) **Lucky Cat (Maneki-neko):** A large, traditional beckoning cat figure, a symbol of good luck, located in the top left.
- (67,47) **Tokyo Tower (implied):** A tall, red structure resembling the Eiffel Tower, an iconic landmark of Tokyo, located on the left side.
- (85,47) **Fighting Character:** A character in a dynamic pose, appearing to punch or kick, suggesting an anime or fighting game character, located in the middle right.
- (7,85) **Sumo Wrestler:** A figure depicted in a sumo wrestling stance or attire (mawashi), representing the traditional Japanese sport, located in the bottom left.
- (57,94) **Train/Subway:** A train or subway car depicted along the bottom edge of the image.
- (75,10) **Cherry Blossom Tree:** A stylized pink tree representing the iconic Japanese cherry blossoms, located in the top right.
- (90,15) **Kitsune/Tanuki:** A large animal figure, possibly a fox (kitsune) or raccoon dog (tanuki), wearing a headband, located in the top right.
- (70,70) **Skyline Buildings:** A block of simplified buildings representing the urban landscape, located on the right side.
- (72,77) **Building with Heart:** A building featuring a pink heart symbol, potentially referencing Tokyo's modern culture or a specific landmark, located in the middle right.
- (82,82) **Torii Gate:** A traditional red gate, often marking the entrance to a Shinto shrine, located on the right side.
- (80,90) **Hello Kitty:** The head of the popular Sanrio character, located in the bottom right corner.
- (94,2) **Number 49:** The number "49" displayed in the top right corner. Its meaning is unclear within this context.
- (90,22) **Ramen Bowl:** A bowl containing noodles, representing Japanese cuisine, located in the top right.
- (82,27) **Kokeshi Doll / Simple Character:** A small, round-headed figure, possibly a Kokeshi doll or a simple stylized character, located in the middle right.
- (94,27) **Kitsune/Tanuki (small):** A smaller animal figure similar to the larger one, located in the top right.
- (4,30) **Lucky Cat (small):** A smaller Maneki-neko figure, located in the top left.
- (17,42) **TOKYO CITY Text:** Text reading "TOKYO CITY" located in the mid-left area.
- (32,42) **Simple Face:** A simplified character face with large eyes, located below the grinning face.
- (17,52) **Simple Face:** Another simplified character face, located near the wave on the left.
- (32,52) **C-Shaped Object:** An object resembling the letter 'C', located below the simple face under the grin. Its meaning is unclear.
- (15,65) **Bird in Wave:** A bird-like creature depicted within the large wave structure.
- (7,77) **Mask Face:** A small face resembling a mask, located near the sumo wrestler.
- (25,82) **Skyline Buildings:** Another block of simplified buildings, located in the bottom-left area.
- (2,94) **Rabbit Character:** A small pink rabbit-like character, located in the bottom left.

Day 50: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Cats** (more info at <https://github.com/isaacbernat/basepaint>)

(35,45) **Screaming Cat:** The yelling cat from the "Woman yelling at cat" internet meme.

(70,35) **Smudge Cat:** The white cat sitting at the table from the "Woman yelling at cat" internet meme.

(85,50) **Catwoman:** A stylized face resembling the comic book/movie character Catwoman.

(15,40) **Top hat cat:** A cat wearing a top hat, possibly referencing Felix the Cat or simply a dapper cat.

(20,80) **Hello Kitty:** The widely recognized character from Sanrio.

(25,55) **Cat in the Hat:** The character from Dr. Seuss books and adaptations, identifiable by the red and white striped hat.

(45,60) **Business Cat:** A cat wearing a tie, referencing the "Business Cat" internet meme.

(50,75) **Nyan Cat:** A pixelated cat with a Pop-Tart body leaving a rainbow trail, referencing the viral internet meme.

(55,90) **Grumpy Cat:** A depiction of the internet celebrity cat known for her perpetually "grumpy" facial expression.

(65,70) **Keyboard Cat:** A cat playing a keyboard, referencing the popular internet meme.

(10,15) **Pushy Cat / Maru:** A cat attempting to fit itself into a box, referencing viral cat videos like those featuring Maru.

(25,25) **Smudge Cat variant:** A smaller depiction related to the Smudge Cat meme.

(50,10) **MEOW! Cat:** A small cat head with the text "MEOW!" above it.

(5,5) **50 Cat:** A small cat head accompanied by the number "50".

(10,5) **50 Cat:** A small cat head accompanied by the number "50", positioned below the previous one.

(5,30) **Running Cat:** A small figure appearing to be a running cat.

(10,25) **Heart Cat:** A small cat head with a heart graphic above it.

(10,65) **Orange Cat Face:** A small cat face with orange and white coloring.

(15,75) **Small Cat Head:** A small, simply rendered cat head.

(30,75) **Small Cat Face:** A small cat face with some facial detail.

(5,90) **Small Cat Head:** A small, simply rendered cat head near the bottom-left.

(30,95) **Small Cat Head:** A small, simply rendered cat head near the bottom-left.

(40,60) **Small Cat Head:** A small, simply rendered cat head.

(40,95) **Small Cat Head:** A small, simply rendered cat head near the bottom-left.

(50,60) **Small Cat Head:** A small, simply rendered cat head.

(50,90) **Standing Cat:** A small figure appearing to be a standing cat.

(60,10) **Small Cat Head:** A small cat head positioned near the "MEOW!" text.

(65,10) **Small Cat Head:** Another small cat head positioned near the "MEOW!" text.

(70,85) **Standing Cat:** A small figure appearing to be a standing cat.

(75,10) **Small Cat Ears:** Just the ears of a cat visible.

(80,10) **Small Cat Face:** A small cat face with minimal detail.

(85,75) **Small Cat Head:** A small, simply rendered cat head.

(90,15) **Small Cat Head:** A small, simply rendered cat head near the top-right.

(90,25) **Heart Cat:** A small cat head with a heart graphic above it.

(95,70) **Small Cat Head:** A small, simply rendered cat head on the right side.

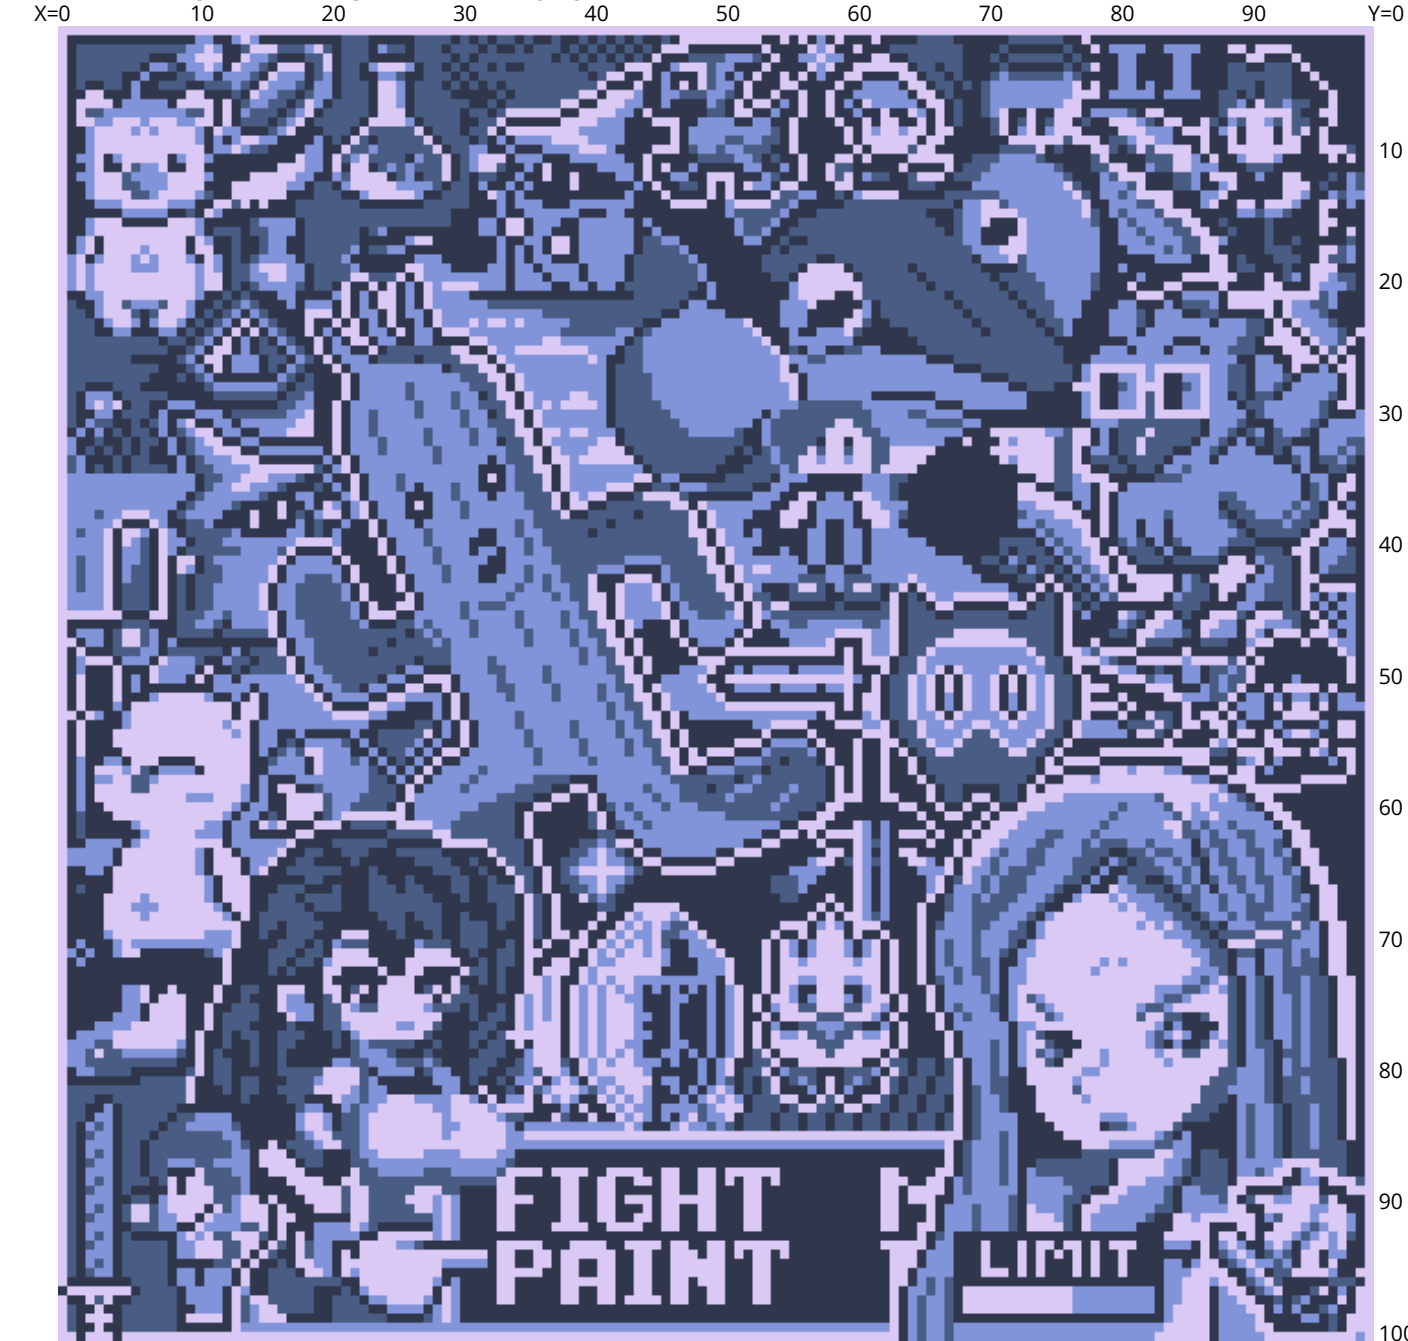

(95,95) **Small Cat Head:** A small, simply rendered cat head near the bottom-right.

Day 51: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Final Fantasy (more info at <https://github.com/isaacbernath/basepaint>)

- (50,55) **Cactuar**: Iconic Final Fantasy monster.
- (73,23) **'This is fine' Bird**: Internet meme ('This is fine' dog) drawn as a bird.
- (31,78) **Tifa Lockhart**: Character from Final Fantasy VII.
- (81,78) **Aerith Gainsborough**: Character from Final Fantasy VII.
- (63,86) **Building/Structure**: Gothic building or structure resembling Narshe from Final Fantasy VI.
- (70,70) **Cursed Cat**: Internet meme cat head with 00 eyes.
- (42,94) **"FIGHT PAINT"**: Text reference to JRPG command and the Basepaint platform.
- (86,94) **"LIMIT"**: Text reference to Limit Breaks in Final Fantasy games.
- (78,8) **Minecraft-like Blocks/Characters?**: Small blocky figures resembling characters or blocks from Minecraft.
- (94,8) **Character with Sword (small)**: Small character holding a sword.
- (8,16) **Poring**: Monster from Ragnarok Online.
- (31,16) **Character with Glasses/Hat?**: Small character with glasses and hat.
- (47,16) **Potion Bottle/Beaker**: Item resembling a potion bottle or beaker.
- (86,16) **Courage the Cowardly Dog?**: Character resembling Courage the Cowardly Dog.
- (94,16) **Black Mage?**: Character resembling a Black Mage from Final Fantasy.
- (23,23) **Kuma?**: Character resembling Kuma from Persona or a generic plush toy.
- (94,31) **Stardew Valley-like character**: Character sprite resembling those from Stardew Valley.
- (63,63) **Cloud Strife?**: Character resembling Cloud Strife from Final Fantasy VII.
- (86,63) **Knight-like Character (small)**: Small character wearing armor or helmet, possibly a knight.
- (70,86) **White Mage?**: Character resembling a White Mage from Final Fantasy.
- (16,94) **Small figure walking**: Small walking figure.

Day 52: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Dogs (more info at <https://github.com/isaacbernath/basepaint>)

- (24,40) **Garfield-like Dog:** Large dog head resembling Garfield the cat with dog ears, likely a mashup or parody. Prominent.
- (40,40) **Snoop Dogg Portrait:** Pixel art portrait of rapper Snoop Dogg, featured in the central frame. A major cultural icon.
- (63,40) **Doge Portrait:** Pixel art portrait of the Shiba Inu dog from the "Doge" internet meme, featured in the central frame.
- (51,79) **Jake the Dog:** Pixel art depiction of Jake the Dog from the animated series Adventure Time. A prominent cultural reference.
- (87,20) **Husky head:** Head of a husky or similar breed in the top right. Distinctive dog.
- (66,74) **Happy Open-Mouthed Dog:** A generic but prominent dog with a wide smile and visible teeth.
- (20,79) **White dog with brown spot:** A generic medium-sized white dog with a brown spot on its back, sitting on the left.
- (87,79) **Brown Standing Dog (Dachshund?):** A slender brown dog standing on its hind legs on the right, possibly a stylized dachshund.
- (95,95) **Lying Fluffy Dog (Shiba Inu?):** A fluffy dog lying down in the bottom right, possibly a Shiba Inu, potentially referenced by the "Doge" meme.
- (9,9) **Small dog head:** A small generic dog head in the top left corner.
- (51,9) **WOOF!:** The title text displayed above the central frame. Onomatopoeia associated with dogs.
- (24,16) **Small brown dog:** A small generic brown dog standing in the top left area.
- (51,40) **Main Frame:** The framed structure containing the portraits of Snoop Dogg and Doge, with the "WOOF!" title. Provides context for the central elements.
- (95,43) **Paw print:** A dog paw print graphic on the right side.
- (87,48) **Small Brown Puppy:** A small generic brown puppy standing on the right.
- (95,51) **Bone:** A cartoon bone graphic on the right side.
- (87,59) **Small White French Bulldog-like dog:** A small white dog with distinctive ears, resembling a French Bulldog or similar breed.
- (24,66) **Small white dog with tongue out:** A small generic white dog with its tongue sticking out, on the left.
- (51,90) **Water bowl:** A water bowl graphic near Jake the Dog.
- (93,90) **Another small dog head:** A small generic dog head on the right side.
- (9,93) **Sign with 'SZ':** A small sign or logo displaying the letters 'SZ' in the bottom left. Possibly an artist tag or inside joke.
- (24,93) **Small dog standing:** A small generic dog standing in the bottom left area.
- (38,93) **Fire Hydrant:** A red (rendered in the palette's brown/green) fire hydrant graphic in the bottom left. A common dog-related object.
- (80,93) **Small dog looking up:** A small generic dog looking upwards on the right side.
- (9,95) **Small dog head:** A small generic dog head in the bottom left corner.
- (55,95) **Small dog face with glasses/goggles:** A small generic dog face wearing glasses or goggles in the bottom center-right.

Day 53: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): @songadaymann (more info at <https://github.com/isaacbernat/basepaint>)

- (45,45) **Jonathan Mann playing keyboard:** Central figure resembling Jonathan Mann playing a musical keyboard while wearing a crown.
- (80,15) **SONG A DAY text:** Text label in the top right corner referencing Jonathan Mann's "Song A Day" project.
- (60,15) **15 YEARS speech bubble:** Text in a speech bubble in the top middle, likely celebrating the 15th anniversary of the project.
- (20,20) **Explosion with music notes:** A large burst graphic in the top left filled with scattered musical notes, symbolizing creative energy.
- (60,70) **Heart with musical staff:** A stylized heart shape incorporating a musical staff and notes, representing love for music.
- (80,90) **ROCK 'N' ROLL text:** Large text label in the bottom right corner, indicating a musical genre or general enthusiastic attitude.
- (85,50) **Figure with glasses holding pizza:** A pixelated character resembling an avatar, wearing glasses and holding a slice of pizza.
- (15,80) **Face/Portrait:** A pixelated face or portrait in the bottom left corner, possibly another person related to the project.
- (20,60) **MUSIC WALKWAY text:** Text label in the lower left, likely a specific reference related to the Songadaymann project.
- (50,5) **Top Keyboard:** Representation of a musical keyboard or piano at the top of the image.
- (30,25) **Saxophone:** Representation of a saxophone in the top left area.
- (80,30) **Game Boy-like console:** Representation of a classic handheld video game console in the top right area.
- (60,30) **Nintendo Controller icon:** Icon resembling a classic Nintendo video game controller in the top middle area.
- (90,40) **Banana (top right):** A pixelated banana in the top right area, part of a recurring motif possibly representing a meme or inside joke.
- (90,65) **Banana (lower right):** A pixelated banana in the lower right area, part of a recurring motif possibly representing a meme or inside joke.
- (75,60) **Thumbs up:** A hand gesture giving a thumbs up, indicating approval or positivity.
- (40,75) **Electric Guitar:** Representation of an electric guitar in the middle left area.
- (20,90) **Bottom left Keyboard:** Representation of a musical keyboard or piano in the bottom left corner.
- (20,70) **Fire:** Pixelated fire or flame graphic in the lower left area.
- (95,55) **Bottom right Keyboard:** Representation of a musical keyboard or piano in the bottom right area.

Day 54: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Candy Land (more info at <https://github.com/isaacbernat/basepaint>)

(32,11) **CANDY LAND text:** The title of the pixel art, referencing the classic children's board game.

(50,25) **King Kandy:** A prominent character from the classic Candy Land board game.

(30,29) **M&M Character:** A recognizable character mascot for M&M's chocolate candies.

(41,30) **Ice Cream Cone:** A sweet dessert treat depicted as an ice cream cone.

(46,29) **Cupcake:** A small decorated cake, a common sweet item.

(15,35) **Large Lollipop:** A big swirl-patterned lollipop candy.

(48,38) **Jar with Candy:** A glass jar filled with various candies or sweets.

(56,41) **Gingerbread Man 1:** A cookie figure shaped like a person, made of gingerbread.

(18,44) **Person with Glasses:** A character with glasses depicted in a distressed or surprised pose, resembling a Soyjak or V.

(50,46) **Woman with Yellow Hair / Nurse:** A character with long yellow hair wearing a nurse's hat.

(36,48) **White Building / Hospital:** A structure resembling a building, possibly a hospital, marked with a red cross symbol.

(12,50) **Medium Lollipop 1:** A medium-sized swirl-patterned lollipop candy.

(21,57) **Among Us Character:** A crewmate character from the popular video game and internet meme, Among Us.

(56,58) **Gingerbread House:** A house structure constructed from gingerbread and candy decorations.

(59,66) **Gingerbread Man 2:** Another smaller gingerbread cookie figure.

(11,70) **Medium Lollipop 2:** Another medium-sized swirl-patterned lollipop candy.

(20,75) **Number 33:** The number 33 displayed within a circular frame.

(32,78) **Small Face:** A simple face with eyes and a mouth.

(40,81) **Small Figure:** A small white figure resembling a snowman or simple character design.

Day 55: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Star Wars (more info at <https://github.com/isaacbernat/basepaint>)

(40,40) Luke/Vader Split Face: Combines faces of Luke Skywalker and Darth Vader.

(50,75) Star Wars Logo: Text logo for the film series.

(20,20) Han Solo: Portrait of the character.

(40,20) Luke Skywalker (Young): Portrait of the character.

(85,30) Stormtrooper Helmet: Helmet of an Imperial Stormtrooper.

(20,40) Leia Organa: Portrait of the character.

(85,55) C-3PO Head: Head of the protocol droid C-3PO.

(75,85) Obi-Wan Kenobi: Portrait of the character.

(90,85) Chewbacca: Portrait of the Wookiee character.

(70,15) Death Star: The Imperial superweapon space station.

(25,55) R2-D2: The astromech droid R2-D2.

(60,60) Lightsaber Duel Scene: Depiction of a lightsaber battle, likely Luke vs Vader.

(15,70) Millennium Falcon: Han Solo's iconic spaceship.

(50,90) Episode IV: A New Hope Text: Title of the first released Star Wars film.

(50,15) Yoda: Small depiction of the Jedi Master.

(80,15) X-Wing: Small depiction of an Alliance X-Wing fighter.

(25,50) Gonk Droid: Blocky power droid, also known as GNK droid.

(80,45) Boba Fett Helmet: Small depiction of the bounty hunter's helmet.

(15,85) Jawa: Small cloaked figure from Tatooine.

(5,90) Sandcrawler (Partial): Part of a large Jawa vehicle.

Day 56: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Quentin Tarantino** (more info at <https://github.com/isaacbernat/basepaint>)

- (48,5) **BASE FICTION:** Text title referencing Basepaint and the movie Pulp Fiction.
- (16,23) **Mia Wallace:** Uma Thurman's iconic character from the movie Pulp Fiction, depicted with her signature bob haircut.
- (64,23) **Jules and Vincent:** John Travolta and Samuel L. Jackson as the hitman duo from the movie Pulp Fiction, depicted in their iconic suits.
- (47,30) **Large Smiling Face:** A large, exaggerated smiling face, possibly referencing a character or an internet meme style.
- (78,45) **Bill:** David Carradine's character from the movie Kill Bill, depicted with a beard.
- (74,33) **Oscar Statue:** A golden statue representing an Academy Award, referencing Quentin Tarantino's critical acclaim.
- (51,34) **KILL BILL:** Text title referencing the movie Kill Bill.
- (17,39) **Burger:** A hamburger, referencing the "Royale with Cheese" scene in the movie Pulp Fiction.
- (56,47) **Hans Landa (Profile):** Christoph Waltz's character from the movie Inglourious Basterds, shown in profile with the iconic white shirt and tie.
- (27,56) **Feet/Legs:** Depiction of bare feet, referencing a known motif in Quentin Tarantino's films.
- (66,63) **Pussy Wagon (Vehicle):** The custom truck driven by The Bride in the movie Kill Bill.
- (20,70) **Stylized Profile Faces / Meme:** A large symbol featuring two stylized profile faces, strongly resembling internet art or meme culture.
- (69,70) **Man Smoking:** A male figure smoking, possibly a character like Rick Dalton or Vincent Vega.
- (43,41) **Bloody Face/Mask:** A vague depiction of a face or mask, possibly related to violence or horror elements in the film.
- (43,47) **Fire:** Flames, a visual representation of violence or destruction commonly seen in Tarantino's films.

(X, Y): **Coca-cola** (more info at <https://github.com/isaacbernat/basepaint>)

(30,30) **Santa Claus:** Iconic figure associated with Coca-Cola's Christmas advertising.

(55,15) **Coca-Cola text:** The Coca-Cola brand name text at the top.

(60,25) **Coca-Cola Cup:** A disposable cup with straw and 'C' logo representing the drink.

(65,5) **Small Bottles:** A row of small Coca-Cola bottles.

(75,35) **Coke logo:** The horizontal text logo for the brand.

(15,50) **Heart:** A stylized heart symbol.

(25,50) **Polar Bear:** Character often used in Coca-Cola advertising, holding a drink.

(40,40) **Coca-Cola Bottle Cap:** Iconic bottle cap featuring the Coca-Cola logo.

(20,65) **Penguin:** Character sometimes associated with Coca-Cola winter advertising, holding a drink.

(65,60) **Classic Coca-Cola Bottle:** The distinctive contour bottle design.

(85,45) **Coke logo:** The vertical text logo for the brand.

(90,55) **Man with glasses:** A pixelated figure wearing glasses; specific reference is unclear.

(50,70) **Coca-Cola Truck:** The famous Coca-Cola Christmas truck.

(90,75) **Vending Machine:** A machine for dispensing drinks, showing a price.

(50,90) **Coca-Cola Logo:** The main Coca-Cola brand name logo at the bottom.

Day 58: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **PartyDAO Launch Party** (more info at <https://github.com/isaacbernath/basepaint>)

(25,30) **Doge-like head:** Large grey head resembling the Doge internet meme.

(45,65) **Soccer ball:** Large blue and black soccer ball.

(70,55) **Sonic-like character:** Blue character resembling Sonic the Hedgehog.

(25,65) **Birthday Cake with "LEASE!":** Pink birthday cake with red topping and "LEASE!" text on the base, potentially referring to the BasePaint project.

(68,30) **Large rocket ship:** Large red and grey rocket ship.

(45,20) **Disco ball:** Disco ball with colorful tiles.

(15,50) **Balloons:** Cluster of colorful party balloons.

(85,18) **Cupcake:** Cupcake with frosting and a party hat.

(75,25) **PARTY TIME text:** Text "PARTY TIME".

(85,55) **Gift box:** Pink gift box with a blue ribbon.

(15,85) **Among Us character:** Small red character resembling an Among Us crewmate.

(85,85) **FAN CLUB text:** Text "FAN CLUB" with a heart icon.

(90,45) **Small rocket ship:** Small pink and grey rocket ship.

(50,90) **Abstract figures:** Abstract figures, possibly representing dancers or a crowd.

Day 59: Description version 0.3.0 (*gemini-2.5-flash-preview-04-17*)

(X, Y): Vitalik (more info at <https://github.com/isaacbernat/basepaint>)

(50,35) **Central Figure:** A large figure resembling a religious icon like the Virgin Mary, holding a diamond shape, possibly s

(50,80) **Muscular Vitalik:** Vitalik Buterin depicted with prominent muscles, referencing the 'Gigachad Vitalik' internet meme.

(85,25) **Detailed Vitalik:** A detailed pixel art portrait of Vitalik Buterin in the top right.

(20,35) **Young Vitalik:** A pixel art portrait of a younger Vitalik Buterin in the top left.

(25,70) **ETH LAYER 2 L3:** Text referring to Ethereum scaling solutions, specifically Layer 2 and Layer 3.

(30,90) **T-Rex Monster:** A large pixel art dinosaur or monster head, possibly representing challenges, risks, or the 'bear' market.

(75,90) **Shiba Inu:** A pixel art Shiba Inu dog, a direct reference to the Doge internet meme and its association with cryptoc

(35,15) **Panda:** A pixel art panda bear, likely representing Optimism (OΞ), a prominent Layer 2 scaling solution for Ethereum.

(45,18) **White dog with crown:** A pixel art white dog wearing a crown, possibly a variation of the Doge meme or another c

(80,55) **Unicorn/Dragonite:** A pixel art creature resembling Dragonite from Pokemon or a generic fantasy unicorn, a game

(85,70) **Hello Kitty cat:** A pixel art cat resembling Hello Kitty, a popular Japanese culture and internet reference.

(50,70) **Bender Robot:** A pixel art robot head resembling Bender from the TV show Futurama, a popular culture reference

(85,85) **GAS text & pump:** An icon of a gas pump with the text 'GAS', representing the transaction fees on the Ethereum network.

(90,80) **D CAT text:** Text reading 'D CAT', likely a reference to the 'Do Kwon Cat' meme associated with the Terra Luna collapse.

(50,5) **ETHEREUM.ORG + ETHER:** Header text related to Ethereum's official website and its currency Ether.

(35,55) **10 text:** The number '10', possibly referencing a specific block number, event, or a meme number.

(20,55) **ETH text:** The text 'ETH', a common abbreviation for Ethereum.

(15,95) **4614 text:** The number '4614', likely referencing Ethereum Improvement Proposal (EIP) 4614.

(5,15) **Ethereum logo:** The geometric, diamond-shaped logo of Ethereum.

(20,15) **Crown:** A pixel art crown, symbolizing importance, royalty, or a specific meme context.

(65,15) **Balloons:** Pixel art balloons, a general symbol of celebration.

(75,45) **Pointing hand:** A pixel art hand pointing downwards, potentially directing attention or a general artistic element.

(65,60) **Small figure with glasses:** A small pixel art figure wearing glasses and a suit, possibly representing a developer or

(80,80) **Floating diamond:** A small floating diamond or crystal object, another visual representation possibly related to Eth

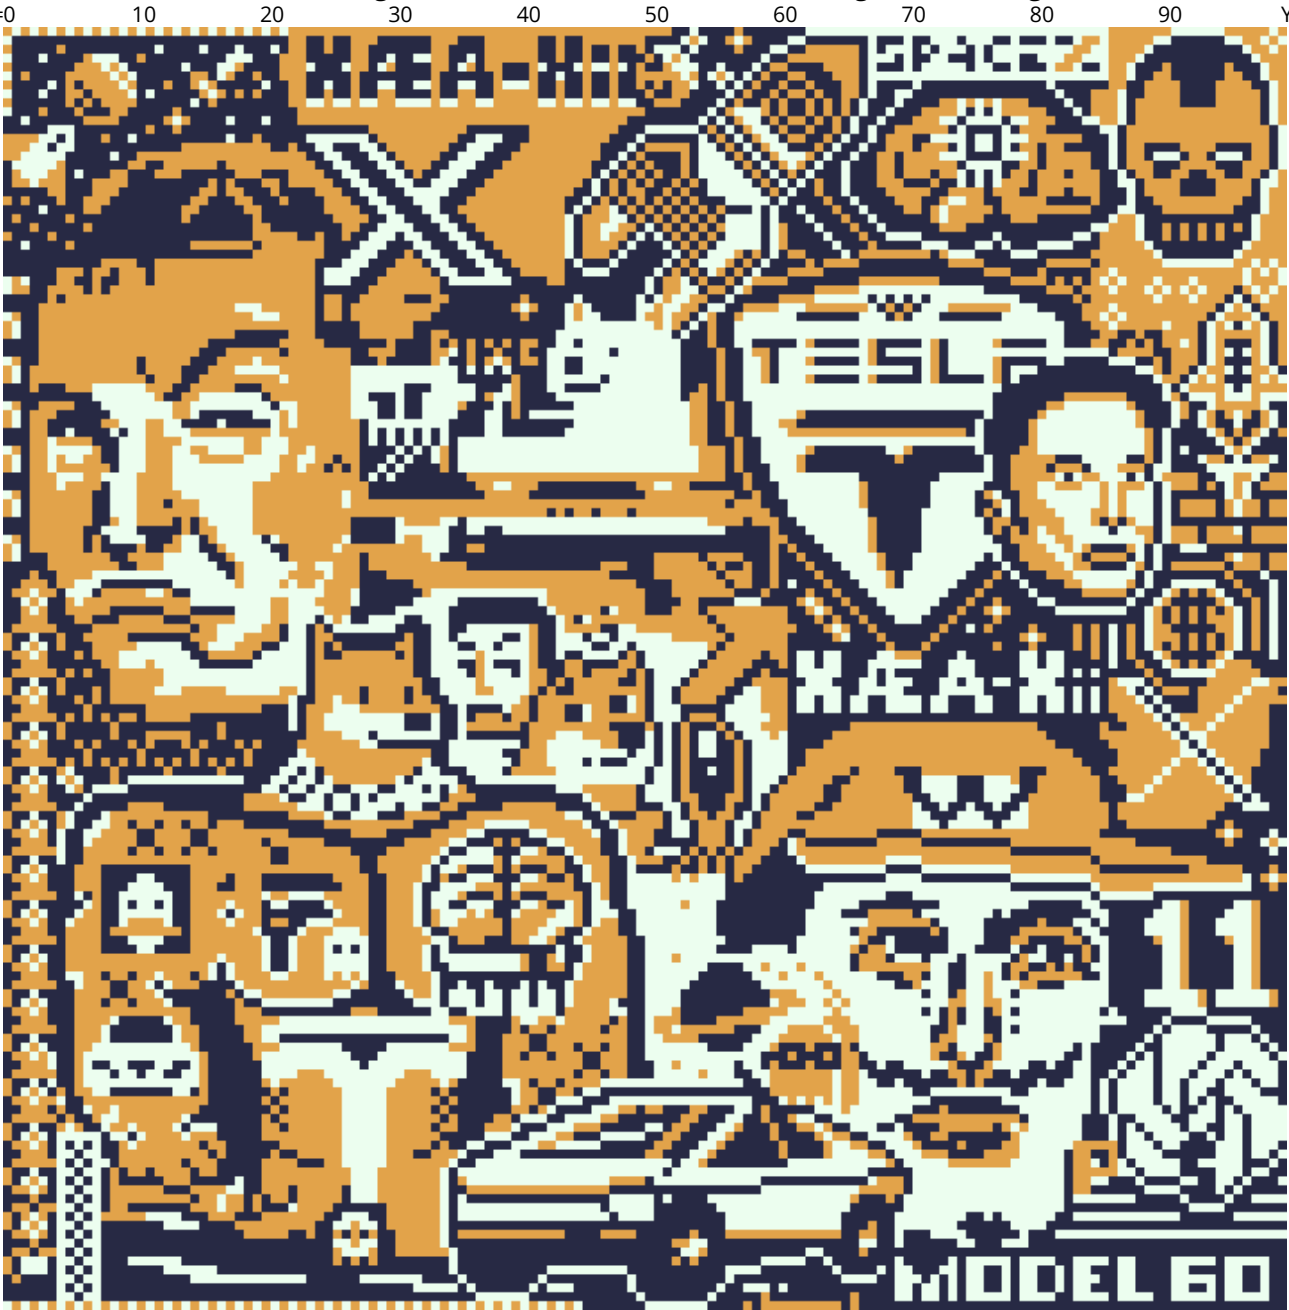

(85,95) **Cityscape:** Pixel art buildings forming a background cityscape element.

Day 60: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Elon Musk (more info at <https://github.com/isaacbernat/basepaint>)

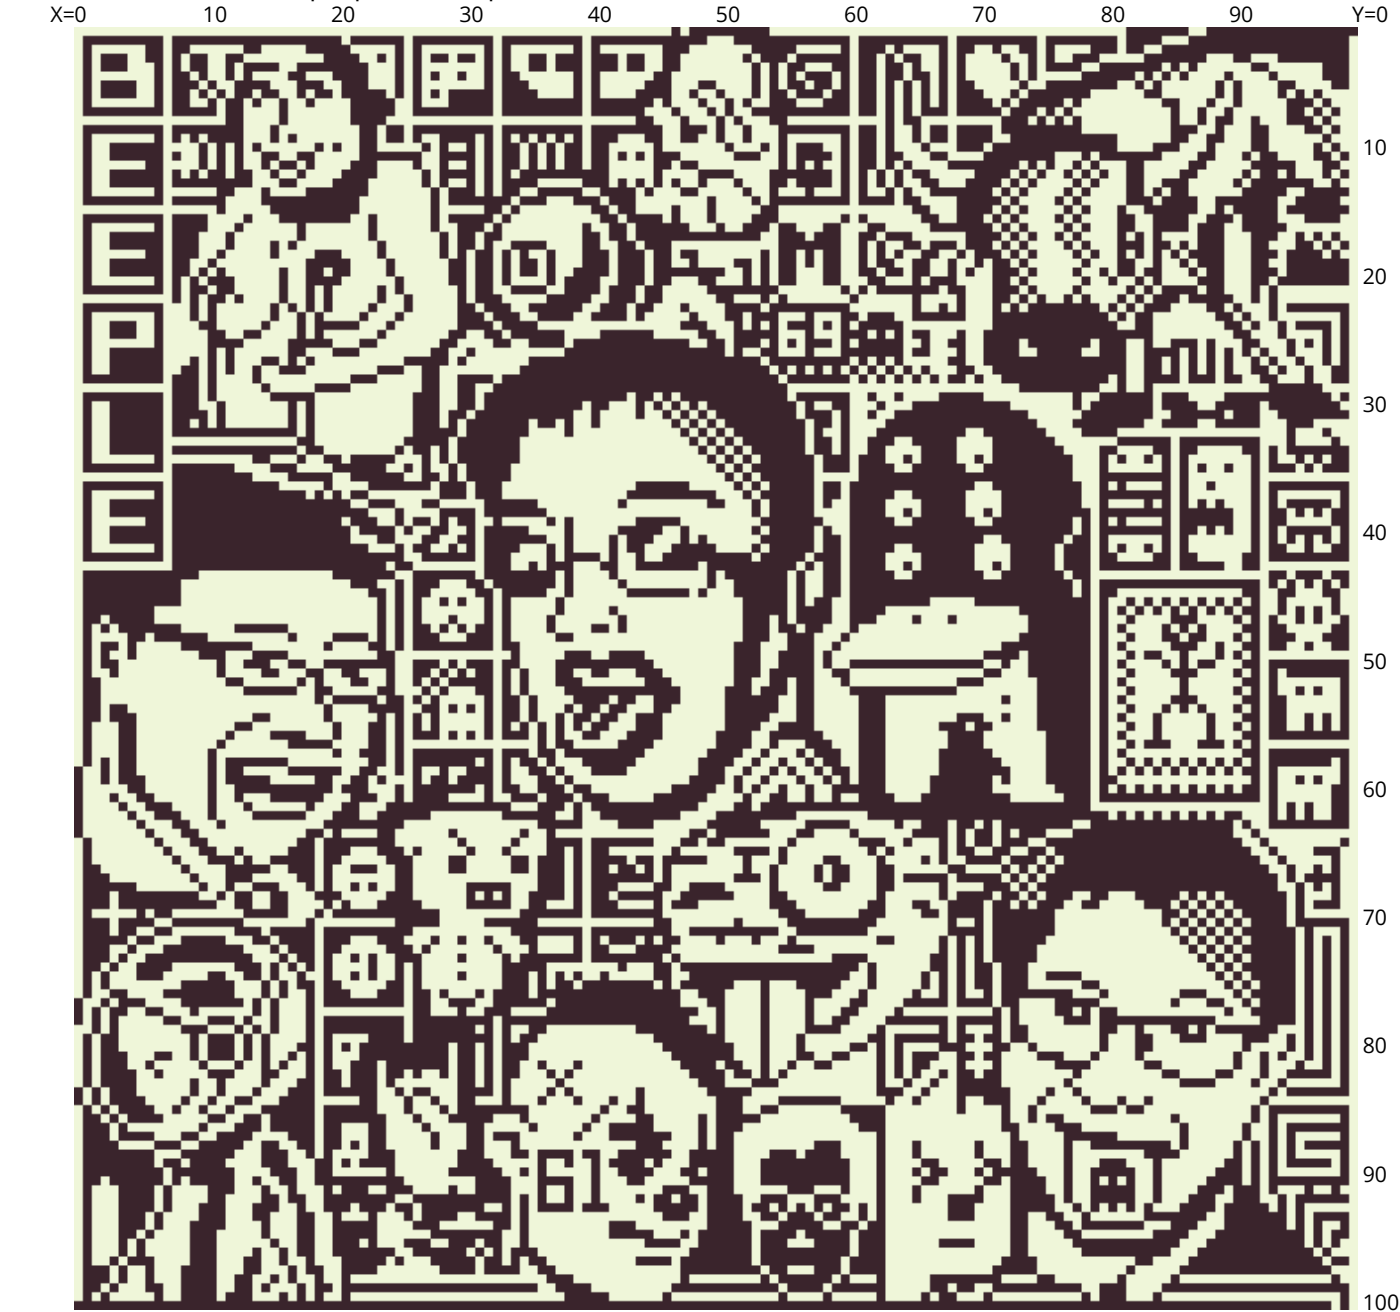

- (25,45) **Elon Musk Face:** A large pixel art portrait of Elon Musk, a central figure in the image. (Culture/Personality)
- (70,45) **TESLA Logo:** The prominent Tesla Motors logo and name within a shield shape, representing one of Musk's key companies. (Culture/Company)
- (65,85) **Cybertruck:** A pixel art representation of the distinctive Tesla Cybertruck vehicle. (Culture/Product)
- (65,15) **SpaceX Logo/Text:** The SpaceX name and large 'X' symbol, representing Musk's space exploration company. (Culture/Company)
- (45,5) **KALA-HII Text:** Large text string at the top, likely an internet culture reference or inside joke specific to the community. (Internet Culture)
- (65,65) **KALA-HII Text Repeat:** A repetition of the KALA-HII text in the central area. (Internet Culture)
- (35,70) **Doge Meme (Shiba Inus):** Two pixel art depictions of Shiba Inu dogs, iconic representatives of the Doge cryptocurrency meme. (Internet Culture)
- (65,75) **Anonymous Mask / Guy Fawkes Mask:** A pixel art shape resembling the Guy Fawkes mask, associated with Anonymous. (Internet Culture)
- (90,15) **Skull Symbol:** A pixel art depiction of a skull, its specific relevance is unclear but it adds a certain aesthetic. (Culture/Symbol)
- (90,80) **Volkswagen Logo:** A stylized pixel art representation resembling the Volkswagen logo, possibly referencing competition or a specific meme. (Culture/Company)
- (55,40) **Brain Symbol:** A pixel art depiction of a brain (specifically a head with a brain pattern), potentially referencing intelligence or a specific meme. (Culture/Symbol)
- (95,45) **Money/Crypto Symbol:** A symbol resembling "\$!", likely representing money, finance, or cryptocurrency, specifically Bitcoin. (Culture/Symbol)
- (45,75) **Figure with Brain:** A small figure displaying a visible brain, located near the Doge group. (Internet Meme)
- (40,65) **Smaller Face:** A smaller pixel art portrait of a face, located above the Doge dogs. Its identity or specific meme reference is unclear. (Culture/Personality)
- (85,45) **Smaller Elon Face:** A smaller pixel art portrait resembling Elon Musk, located near the TESLA logo. (Culture/Personality)
- (75,75) **Face with Facial Hair:** A pixel art portrait of a face with a mustache and beard, located near the bottom right. Identity is unclear. (Culture/Personality)
- (50,30) **Figure Lifting/Holding:** A small figure appearing to lift or hold something, located in the upper center. Its specific meaning is unclear. (Culture/Action)
- (60,30) **Figure with Spread Arms:** A small figure with arms spread wide, located in the upper center. Its specific meaning is unclear. (Culture/Action)
- (55,35) **Rocket/Building Shape:** A small pixel art representation resembling a rocket or building, potentially related to space exploration. (Culture/Architecture)
- (45,35) **Smiley Face:** A simple pixel art smiley face emoticon, a ubiquitous symbol of internet culture. (Internet Culture)
- (85,70) **Text "11":** Text reading "11". Its meaning or reference is unclear. (Culture/Text)
- (85,95) **MODELED Text:** Text reading "MODELED" at the bottom of the image. Its meaning in this context is unclear, possibly a reference to a specific meme or concept. (Culture/Text)

Day 61: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): beeples (more info at <https://github.com/isaacbernat/basepaint>)

- (52,45) **Large Caricature Face:** A caricature of a person with glasses and an open mouth, sticking out their tongue. Likely related to Beeples or the project community.
- (27,58) **Large Caricature Face:** A caricature of a person with glasses, laughing. Likely related to Beeples or the project community.
- (77,80) **Large Caricature Face:** A caricature of a person with glasses, smiling with their tongue slightly out. Likely related to Beeples or the project community.
- (83,25) **SIMS / 69:** 420 Text: Text block referencing The Sims game and internet culture numbers 69 and 420.
- (9,55) **BEEPLE Text:** Vertical text spelling out "BEEPLE", likely the project or creator name.
- (70,55) **Simple Stick Figure:** A basic two-legged stick figure drawing.
- (9,9) **Pill Icon:** A small pixel art icon resembling a medicine capsule.
- (11,11) **Face with "H":** A pixel art face with the letter "H" on it, possibly a community reference.
- (22,13) **Top-left Smiling Face:** A simple pixel art face with a smile and closed eyes.
- (86,14) **Eye Symbol:** A pixel art representation of an eye within a square.
- (44,16) **Spinning Circle:** A symbol resembling a loading or processing icon.
- (75,16) **Top-right Weird Face:** An abstract or cartoon-like face with large eyes and a strange expression.
- (67,33) **Cat Face:** A simple pixel art face of a cat.
- (19,41) **Middle-left Face:** A simple pixel art face.
- (70,41) **Pepe-like Face:** A pixel art face resembling the internet meme character Pepe the Frog.
- (50,66) **Small Figure:** A small black pixel art character standing on a base.
- (28,73) **Face with "61":** A pixel art face with the number "61" on it, possibly a community reference.
- (89,73) **Simple Person Icon:** A basic pixel art outline of a person shape.
- (13,78) **Bottom-left Profile Face:** A simple pixel art face shown in profile.
- (50,84) **Grumpy Face:** A pixel art face with a grumpy or angry expression, possibly referencing the Grumpy Cat meme.
- (44,86) **Cartoon Animal Character:** A small pixel art character resembling a cartoon animal (e.g., bear, dog).
- (58,86) **Skull Face:** A simple pixel art representation of a skull.

Day 62: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Rainbows and Unicorns (more info at <https://github.com/isaacbernat/basepaint>)

(80,20) **Winged Creature:** Large winged creature (resembles a dragon or serpent) breathing a rainbow beam. Fantasy element.

(52,22) **White Unicorn:** Large white unicorn character galloping. A central mythical creature associated with the theme.

(25,25) **Koala:** Large koala character shooting a rainbow beam from its mouth. Reference to popular internet memes involving koalas.

(50,40) **Diamond:** Large diamond or gemstone in the center. Represents sparkle, value, or a crystal aesthetic often found in the theme.

(72,57) **White Unicorn Head:** Large white unicorn head. Another prominent instance of the theme creature.

(22,60) **Furry Animal:** Large furry animal character (possibly a dog or fox) shooting a rainbow beam. Similar aesthetic and theme.

(45,60) **Diagonal Rainbow Beams:** Prominent diagonal rainbow colored beams or lasers. A common visual effect in internet meme culture.

(30,82) **Unicorn Head:** Large unicorn head looking downwards. Another prominent instance of the theme creature.

(20,77) **Wide-eyed Animal:** Medium-sized wide-eyed animal character, potentially a cat. Style evokes cute internet character aesthetics.

(77,82) **Circuitry Pattern:** Medium-sized abstract pattern resembling a circuit board or technological motif. Could hint at digital or futuristic themes.

(45,87) **Cute Face 1:** Medium-sized cute animal face with large eyes. Part of the overall 'cute' internet aesthetic and potentially a reference to specific meme characters.

(57,87) **Cute Face 2:** Medium-sized cute animal face with large eyes, shooting a small rainbow. Reinforces the 'cute' and 'rainbow' themes.

(87,57) **Letter 'D':** Small-medium sized blocky letter 'D'. Likely an initial, tag, or part of a collaborative signature from the creator.

(90,10) **Abstract Shape:** Small abstract shape near the top right corner.

(65,15) **Abstract Shape:** Small abstract shape near the top. Possibly decorative or part of the background.

(25,45) **Heart:** Small heart symbol. Common motif representing love or affection.

(70,50) **Heart:** Small heart with sparkle effect.

(30,55) **Heart:** Small heart with sparkle effect.

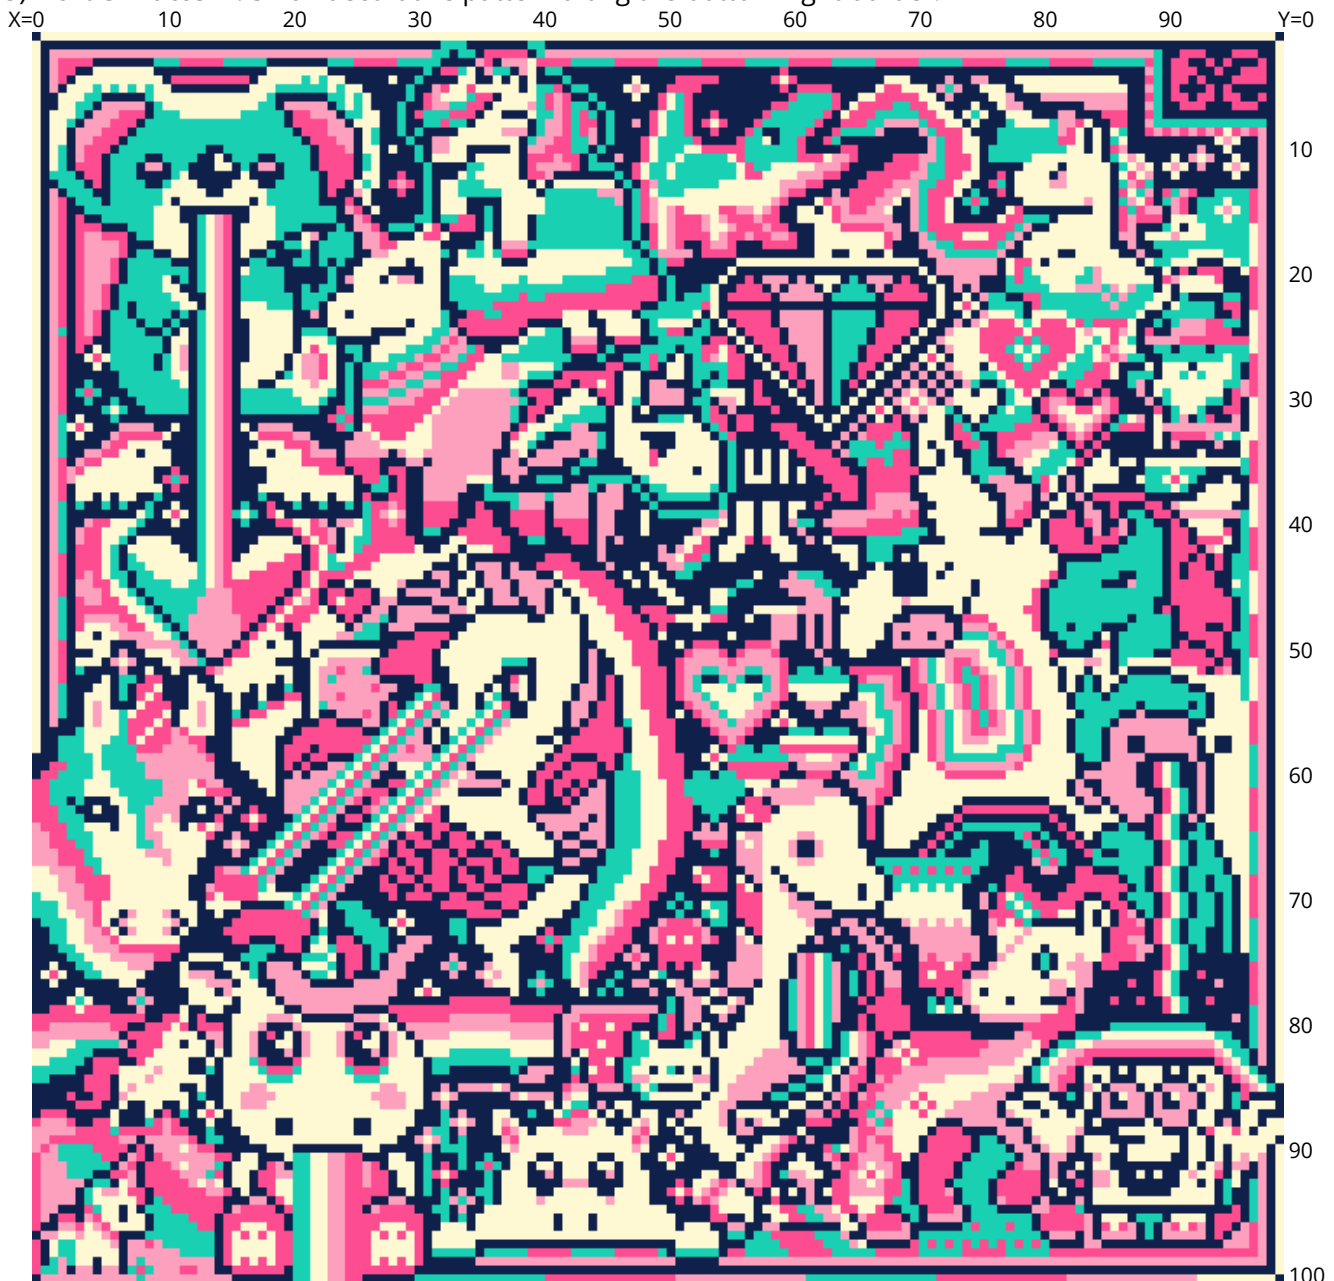

(80,75) **Heart:** Small heart symbol.

(90,82) **Vertical Element:** Small abstract vertical blocky structure or pattern.

(5,90) **Border Pattern:** Small decorative pattern along the bottom left border.

(40,95) **Border Pattern:** Small decorative pattern along the bottom border.

(75,95) **Border Pattern:** Small decorative pattern along the bottom right border.

Day 63: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **PRINCE (PURPLE RAIN)** (more info at <https://github.com/isaacbernat/basepaint>)

(37,40) **Purple Rain text:** Large pixel art text spelling "Purple Rain", the title of Prince's iconic album and movie.

(70,60) **Multi-eyed Prince portrait:** Large pixel art depiction of Prince's head with multiple eyes and a third eye motif, a p

(20,57) **Guitar:** Pixel art representation of an electric guitar, likely referencing Prince's distinctive instruments.

(60,12) **Cassette Tape ("Dirty Mind"):** Pixel art representation of a cassette tape labeled "Dirty Mind", referencing Prince's

(85,20) **Singing Prince figure:** Pixel art depiction of Prince singing, likely holding a microphone.

(20,82) **Prince portrait (Left):** Pixel art portrait of Prince with a mustache, possibly from an earlier era.

(80,85) **Prince portrait (Right):** Pixel art profile portrait of Prince, resembling his look from the Purple Rain era.

(87,55) **Jesus-like figure with crown:** Pixel art figure resembling Jesus wearing a crown, potentially referencing Prince's sp

(62,75) **Ankh (Love Symbol):** Prince's iconic symbol, combining the Ankh with male and female signs.

(42,82) **Chibi/Funko Pop Prince figure:** Small pixel art character in a simplified, cute style, potentially referencing chibi ar

(10,10) **"63":** Pixel art number "63", likely indicating the block number on the basepaint.xyz grid canvas.

(90,12) **Rain/Drizzle pattern:** Background pixel art pattern depicting rain or drizzle, reinforcing the "Purple Rain" theme.

(50,2) **Top Chequered Border:** Decorative pixel art pattern along the top edge of the image.

(50,97) **Bottom Chequered Border:** Decorative pixel art pattern along the bottom edge of the image.

(45,68) **Scattered Music Symbols:** Various small pixel art icons like music notes, microphones, and swirls used as backgro

Day 64: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): The Lord of the Rings (more info at <https://github.com/isaacbernath/basepaint>)

- (50,40) The One Ring: The primary artifact and central element.
- (75,40) Eye of Sauron: The iconic symbol of Sauron's vigilance.
- (50,65) THE LORD OF THE RINGS: The main title text.
- (10,10) Orthanc: The tower of Saruman in Isengard.
- (80,10) Shelob: The giant spider.
- (25,40) Tree of Gondor: Symbol of the Kingdom of Gondor.
- (90,40) Frodo Baggins: The main Hobbit protagonist.
- (5,50) Uruk-hai Figure: A soldier from Saruman's army.
- (90,55) Samwise Gamgee: Frodo's loyal Hobbit companion.
- (25,80) Boromir (One Does Not Simply): Character face representing the popular meme "One Does Not Simply Walk Into a Mordor".
- (50,80) Gimli: The Dwarf member of the Fellowship.
- (75,80) Gandalf: The Wizard, represents the meme "You Shall Not Pass!".
- (10,90) Aragorn: The Ranger and heir to the throne.
- (60,90) Gollum/Smeagol: The creature obsessed with the Ring, represents the meme "My Precious".
- (90,90) Balrog Horns: Fiery representation of the ancient demon.
- (30,10) Palantir: A seeing-stone.
- (60,10) Mount Doom: The volcano in Mordor where the Ring was forged and destroyed.
- (75,10) Galadriel Face: The Elven Lady of Lothlórien.
- (5,25) Hobbit Hole Door: Entrance to a hobbit dwelling, like Bag End.
- (40,25) Saruman Face: The White Wizard corrupted by Sauron.
- (70,25) Elrond Face: The Elven Lord of Rivendell.
- (85,25) Hobbit Face (Pippin/Merry?): A generic or specific Hobbit face, possibly representing Pippin or Merry related to the meme "The Hobbits are taking the Orcs to Isengard".
- (85,30) Witch-king Helm: The distinctive helm of the chief Nazgûl.
- (95,45) Sting: Frodo Baggins' sword.
- (10,60) Ent (Treebeard): One of the ancient tree-like beings.
- (75,75) Glamdring: Gandalf's sword.
- (15,85) Andúril: Aragorn's sword, reforged from Narsil.
- (30,90) Stylized Face: A small, abstract face potentially referencing a meme or general pixel art trope.
- (40,90) Orc Face: A grotesque face representing Orcs or Goblins.
- (65,95) Legolas Face: The Elven member of the Fellowship, associated with the "They're taking the Hobbits to Isengard" meme.

Day 65: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **The Matrix** (more info at <https://github.com/isaacbernat/basepaint>)

(22,25) **Agent Smith:** Large bust portrait of Agent Smith.

(50,27) **Morpheus:** Large bust portrait of Morpheus, potentially depicting the "What if I told you..." meme expression.

(22,48) **Neo:** Large bust portrait of Neo in a suit.

(22,73) **Neo:** Large bust portrait of Neo in a long coat.

(78,73) **Neo:** Large bust portrait of Neo in a long coat (duplicate of the one at 22,73).

(50,60) **THE MATRIX:** Large text spelling out the movie title.

(78,25) **Trinity:** Medium bust portrait of Trinity.

(78,50) **Agent Smith:** Medium bust portrait of Agent Smith, potentially a variant or another agent.

(40,10) **Sentinel:** Pixel art representation of a Sentinel machine from the sequels.

(60,10) **Sentinel:** Pixel art representation of a Sentinel machine from the sequels.

(50,40) **Neo:** Full body silhouette of Neo in a bullet-dodging/bullet time pose.

(85,10) **100001:** A sequence of numbers, possibly representing a score or binary code within the Matrix theme.

(50,78) **GS/65:** Text or numbers, an unclear reference (e.g., artist tag, year, or part of the Matrix code).

(85,40) **Rotary Phone:** Pixel art representation of the iconic phone used to exit the Matrix.

(35,55) **Red Pill:** Pixel art representation of the red pill from the iconic choice scene.

(65,55) **Blue Pill:** Pixel art representation of the blue pill from the iconic choice scene.

(15,45) **Buildings:** Pixel art representation of city buildings within the Matrix setting.

(30,50) **Small Head:** Small generic pixel head, representing people within the Matrix simulation.

(50,50) **Small Head:** Small generic pixel head, representing people within the Matrix simulation.

(70,50) **Small Head:** Small generic pixel head, representing people within the Matrix simulation.

(50,70) **Small Head:** Small generic pixel head, representing people within the Matrix simulation.

Day 66: Description version 0.3.0 (*gemini-2.5-flash-preview-04-17*)

(X. Y): Alice in Wonderland (more info at <https://github.com/isaacbernat/basepaint>)

(65,35) **Alice:** Main character with blonde/beige hair and dress.

(35,40) **Cheshire Cat:** Large, grinning purple cat face.

(85,85) **Playing Card King/Queen:** Figure resembling a playing card character with legs.

(85,20) **Red Queen Face:** Stylized face with white base and dark makeup/eyes.

(55,70) **Mad Hatter:** Character with a tall hat, part of the tea party.

(30,25) **The Caterpillar:** Segmented creature smoking from a pipe.

(80,65) **Pocket Watch:** Large circular clock face with hands.

(40,55) **Heart Playing Card:** Large playing card with a single heart symbol.

(15,20) **White Rabbit (with clock):** Rabbit head profile next to a clock/watch.

(55,10) **Cartoon Rabbit:** Small white rabbit face, stylized like a modern cartoon/meme animal.

(50,55) **Dormouse:** Small creature, likely in a teacup.

(45,60) **Teacup:** A teacup, part of the tea set.

(50,65) **Teapot:** A teapot, part of the tea set.

(55,85) **Drink Me bottle:** Small bottle with a "DRINK ME" label.

(75,50) **Eat Me cake:** Small cake/pastry with an "EAT ME" label.

(10,85) **Flamingo (Croquet):** Head of a flamingo, used as a mallet.

(15,50) **Doorknob Face:** Face depicted on a doorknob.

(65,15) **Group of Mushrooms:** Cluster of fungi.

(25,95) **Peace Sign hand:** Hand making the peace sign gesture.

(35,90) **Small Key:** A small key shape.

(20,45) **Small Key:** Another small key shape.

(65,90) **Small Chemical Bottle:** A small bottle or vial.

(80,90) **Small Chemical Bottle:** Another small bottle or vial.

(5,10) **Lantern:** Object resembling a lantern or lamp.

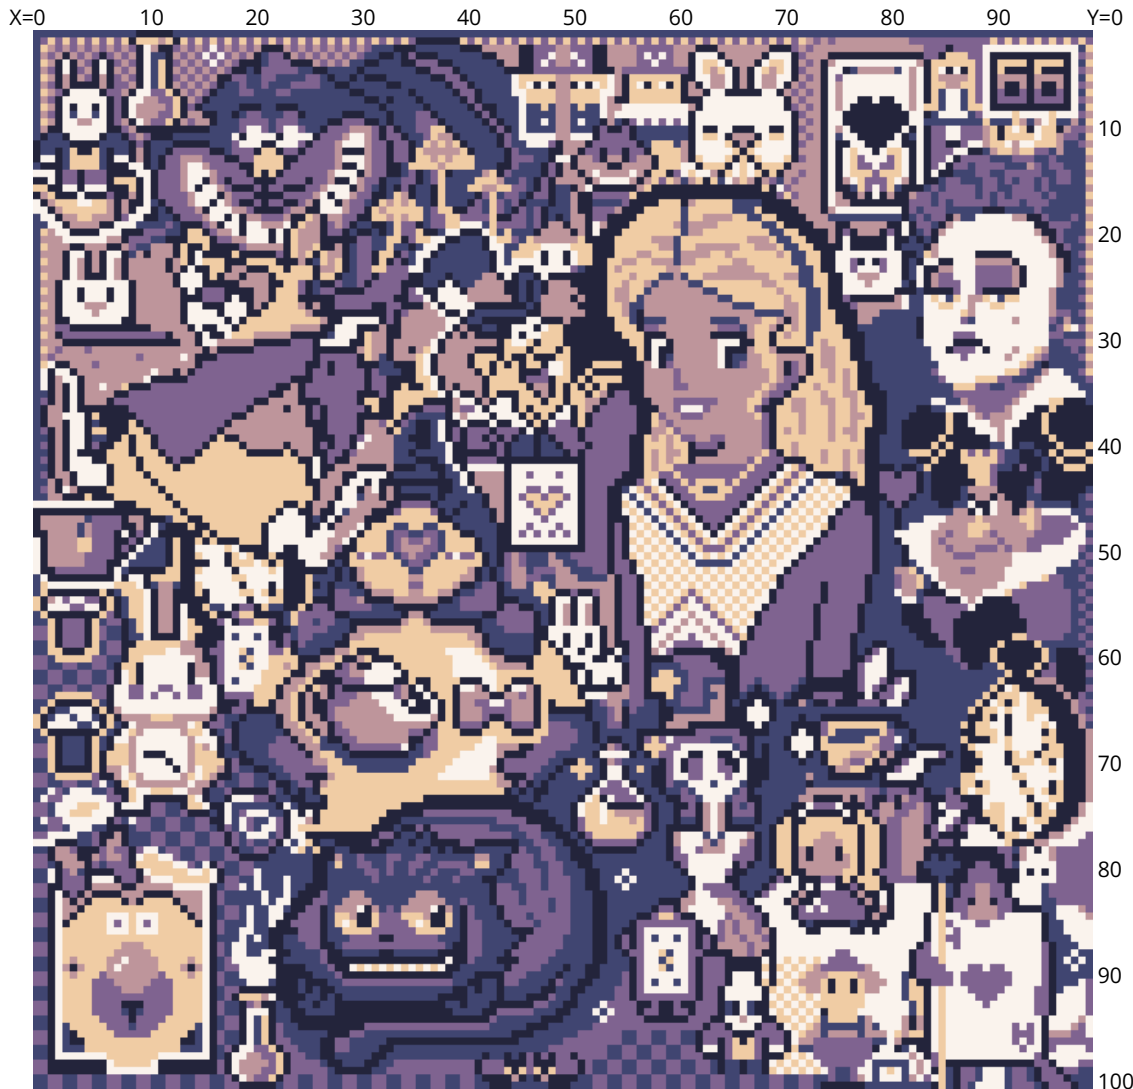

(90,95) **Skull/Skeleton:** Small skull or skeletal figure.

(5,20) **Spade Playing Card:** Small playing card with a spade symbol.

(5,70) **Club Playing Card:** Small playing card with a club symbol.

(95,10) **Diamond Playing Card:** Small playing card with a diamond symbol.

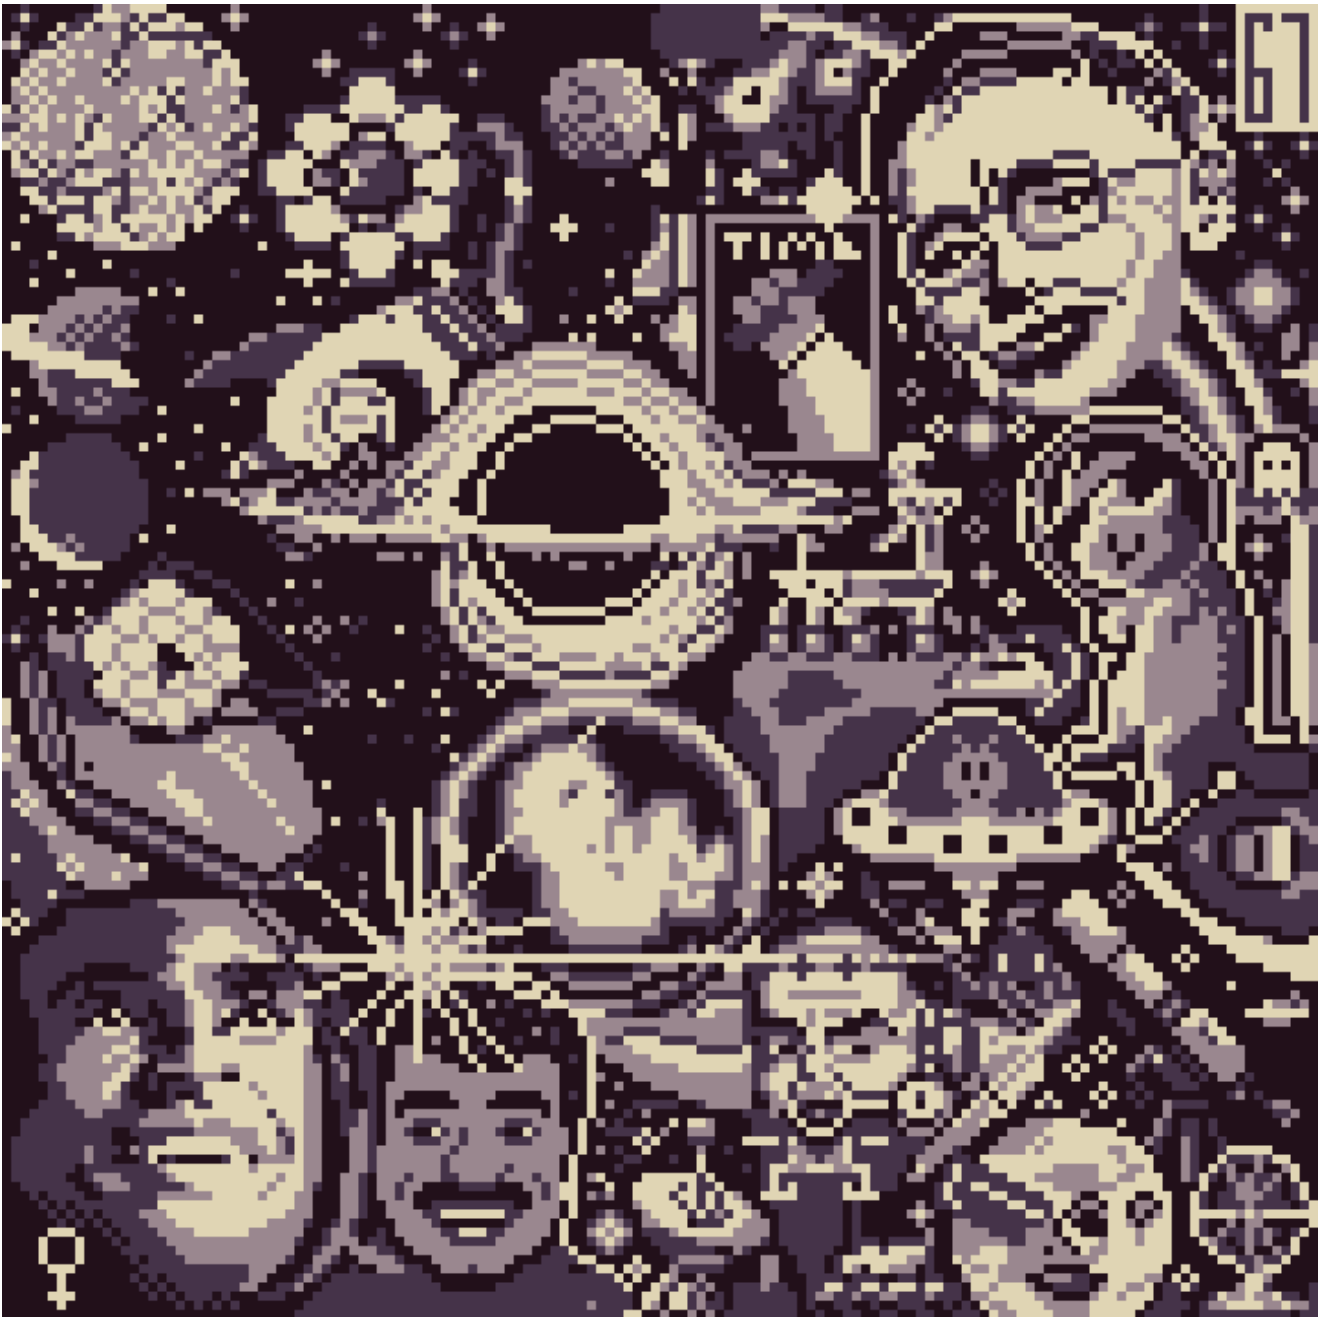

(95,5) **AG Letters:** Letters "AG" or "AGE".

Day 67: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Astronomy (more info at <https://github.com/isaacbernat/basepaint>)

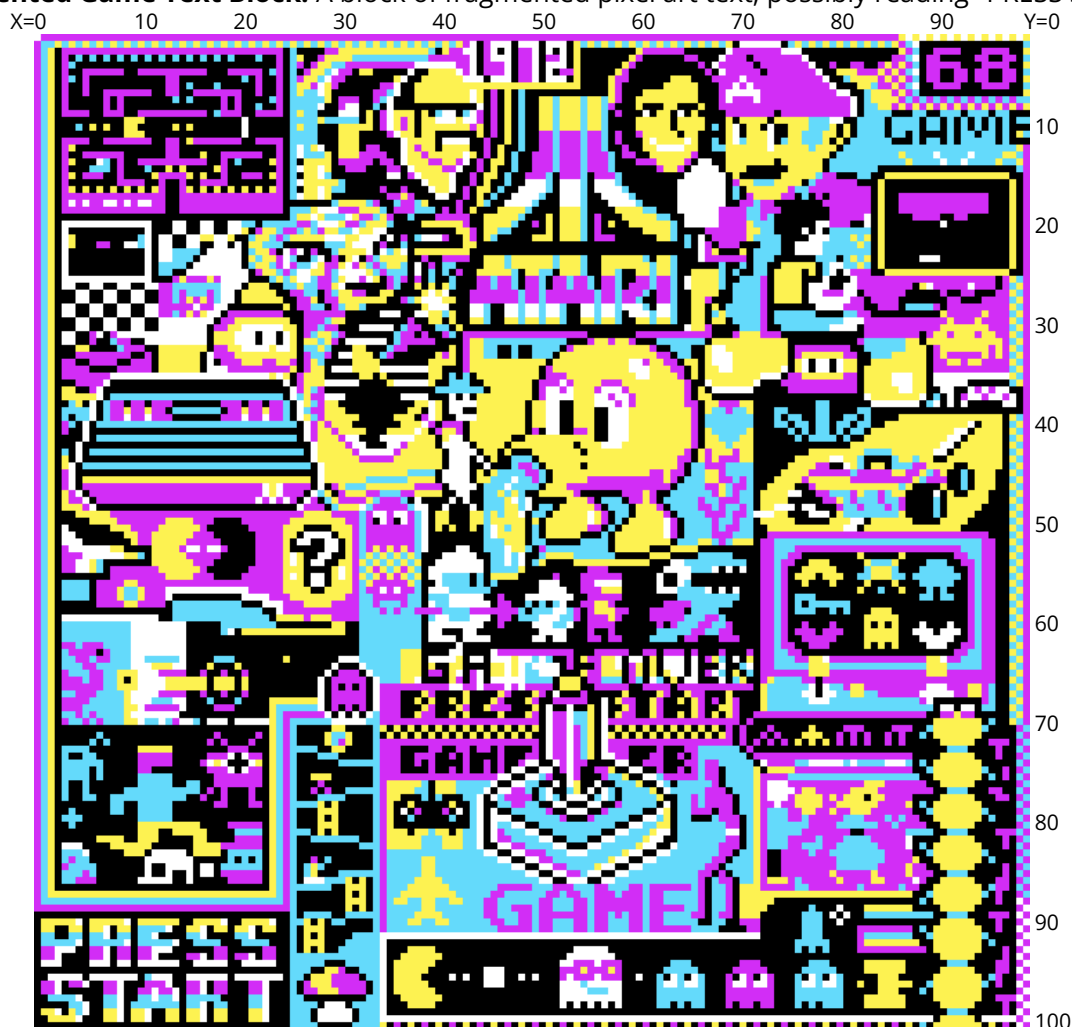

- (51,51) **Black hole:** A large central black hole with a bright accretion disk, resembling the first event horizon telescope image.
- (92,24) **Stephen Hawking:** Pixel art portrait of the famous theoretical physicist.
- (51,75) **Astronaut helmet:** A space helmet with a reflective visor showing a fetus/baby inside, referencing the Star Child from the movie Interstellar.
- (24,21) **Space Station:** A detailed pixel art depiction of a space station or complex orbital structure.
- (25,92) **Neil deGrasse Tyson:** Pixel art portrait of the astrophysicist and science communicator.
- (63,94) **Bill Nye:** Pixel art portrait of Bill Nye the Science Guy.
- (95,83) **Carl Sagan:** Pixel art portrait of the astronomer and science communicator.
- (84,32) **Time Magazine cover:** A depiction of a Time magazine cover featuring Stephen Hawking.
- (60,13) **Solar System Model:** A simplified model showing orbits around a central point, representing a solar system or atom.
- (79,13) **Flying Spaghetti Monster:** A pixel art representation of the deity of Pastafarianism, an internet meme.
- (37,8) **Saturn:** A ringed gas giant planet, an iconic astronomical object.
- (13,40) **Cratered Planet:** A planet or moon with visible impact craters.
- (16,52) **Comet:** A small astronomical body leaving a tail.
- (8,63) **Space Invaders Alien:** Pixel art of an alien design from the classic arcade game Space Invaders, a pop culture reference.
- (79,59) **Cat in Space Helmet:** A pixel art depiction of a cat wearing a space helmet, an internet meme.
- (83,83) **UFO with Alien Face:** A stereotypical flying saucer with a classic grey alien face, a pop culture and potentially meme reference.
- (95,89) **Telescope:** A depiction of a reflecting telescope on a mount, representing astronomical observation.
- (95,94) **Martian Surface with Rover:** A scene depicting the surface of Mars with a lander or rover, referencing Mars exploration.
- (70,83) **Startled Face Meme:** A small face with a startled or surprised expression, resembling reaction image memes like Shrek.
- (3,98) **Female Symbol:** The alchemical/astronomical symbol for Venus, often representing the female gender.
- (98,3) **Number 61:** The number '61' in the top right corner, possibly a signature or identifier.

Day 68: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Atari (more info at <https://github.com/isaacbernat/basepaint>)

- (45,30) **Sonic the Hedgehog**: A large, prominent pixel art representation of the iconic Sega character, recognizable by his
- (65,45) **Pac-Man**: A large, central, yellow pixel art representation of the classic Namco character.
- (50,75) **Atari 2600 Joystick**: A large, central pixel art rendering of the classic Atari controller.
- (18,85) **Text "PRESS START"**: Large pixel art text instruction often found in video games.
- (50,85) **Text "GAME"**: Large pixel art text, likely part of "GAME OVER" or a general title.
- (50,65) **Atari Logo (Large Fuji)**: A large pixel art rendition of the distinctive Atari "Fuji" logo, prominently placed below the
- (50,97) **Pac-Man Ghosts**: A horizontal row of pixel art representations of the ghosts from Pac-Man.
- (80,60) **Space Invaders Aliens**: A vertical column of pixel art aliens from the Space Invaders game.
- (30,45) **Ms. Pac-Man**: A pixel art representation of Ms. Pac-Man, distinguishable by her bow.
- (30,60) **Question Mark Block (Super Mario)**: A pixel art representation of the iconic "?" block from the Super Mario series.
- (55,15) **Generic Player Figure**: A pixel art depiction of a human figure, possibly representing a gamer or player character.
- (65,15) **Super Saiyan Goku**: A pixel art depiction of a figure with spiky yellow hair, strongly resembling Super Saiyan Goku.
- (45,45) **Text "ATARI"**: Mid-sized pixel art text spelling the company name.
- (90,10) **Space Invaders Score Display**: A pixel art representation of the score area from Space Invaders.
- (10,10) **Pong Paddles and Ball**: Pixel art representations of the paddles and ball from the classic Pong game.
- (80,45) **Text "GAMER"**: Mid-sized pixel art text referencing gaming culture.
- (15,20) **Tetris Blocks**: A pixel art representation of L-shaped blocks from Tetris.
- (65,85) **Galaxian/Galaga Ship**: A pixel art depiction of the player's spaceship from Galaxian or Galaga.
- (20,70) **Galaxian/Galaga Alien Group (Left)**: A group of pixel art aliens from Galaxian or Galaga.
- (80,70) **Galaxian/Galaga Alien Group (Right)**: A group of pixel art aliens from Galaxian or Galaga.
- (90,85) **Asteroids Ship**: A pixel art representation of the triangular spaceship from Asteroids.
- (15,5) **Text "198?"**: Small pixel art text indicating the decade associated with Atari's peak.
- (85,20) **Centipede Body Segment (Right)**: A pixel art segment of the Centipede's body.
- (10,35) **Centipede Body Segment (Left)**: A pixel art segment of the Centipede's body.
- (15,65) **Frogger Character**: A small pixel art representation of the frog from Frogger.
- (15,50) **Frogger Log/Car**: A pixel art representation of an obstacle from Frogger.
- (20,90) **Dig Dug Character with Pump**: A small pixel art representation of Dig Dug's character and weapon.
- (35,90) **Mushroom (Super Mario)**: A small pixel art representation of a mushroom item, likely from Super Mario.
- (90,35) **Atari 2600 Console**: A small pixel art representation of the Atari 2600 console.
- (25,40) **Atari Logo (Smaller Fuji)**: A smaller pixel art rendition of the Atari "Fuji" logo.
- (50,70) **Fragmented Game Text Block**: A block of fragmented pixel art text, possibly reading "PRESS START" and "GAME C

Day 69: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Beach** (more info at <https://github.com/isaacbernat/basepaint>)

(30,30) **Palm Trees**: Prominent tropical trees associated with beaches.

(75,30) **Beach Umbrella**: Large umbrella providing shade on the beach.

(50,40) **Beach Buildings**: Cluster of small buildings, possibly shops or houses, near the beach.

(20,45) **Abstract Face**: A simple, abstract pixel art representation of a face or head in profile.

(35,50) **Vaporwave Guy**: A pixel art rendition of the "Vaporwave Guy" or Sad Boys character, a prominent internet meme/

(10,55) **Surfing Board**: A long board used for surfing, representing beach activity.

(65,55) **Pizza Slice**: A slice of pizza, a common food item.

(55,75) **Beach Ball**: A large inflatable ball for playing on the beach.

(25,80) **Beach Mario**: A pixel art representation of Mario from Nintendo games, customized with sunglasses and a hat for

(45,80) **Person with Corn**: A figure holding a corn cob.

(55,85) **Sandals**: A pair of sandals or flip-flops on the ground.

(60,85) **Beach TMNT**: A pixel art rendition of a Teenage Mutant Ninja Turtle, wearing sunglasses.

(80,85) **Person with Drink**: A figure sitting or lying down, holding a glass with a drink.

(15,10) **Birds**: Small shapes representing birds flying in the sky.

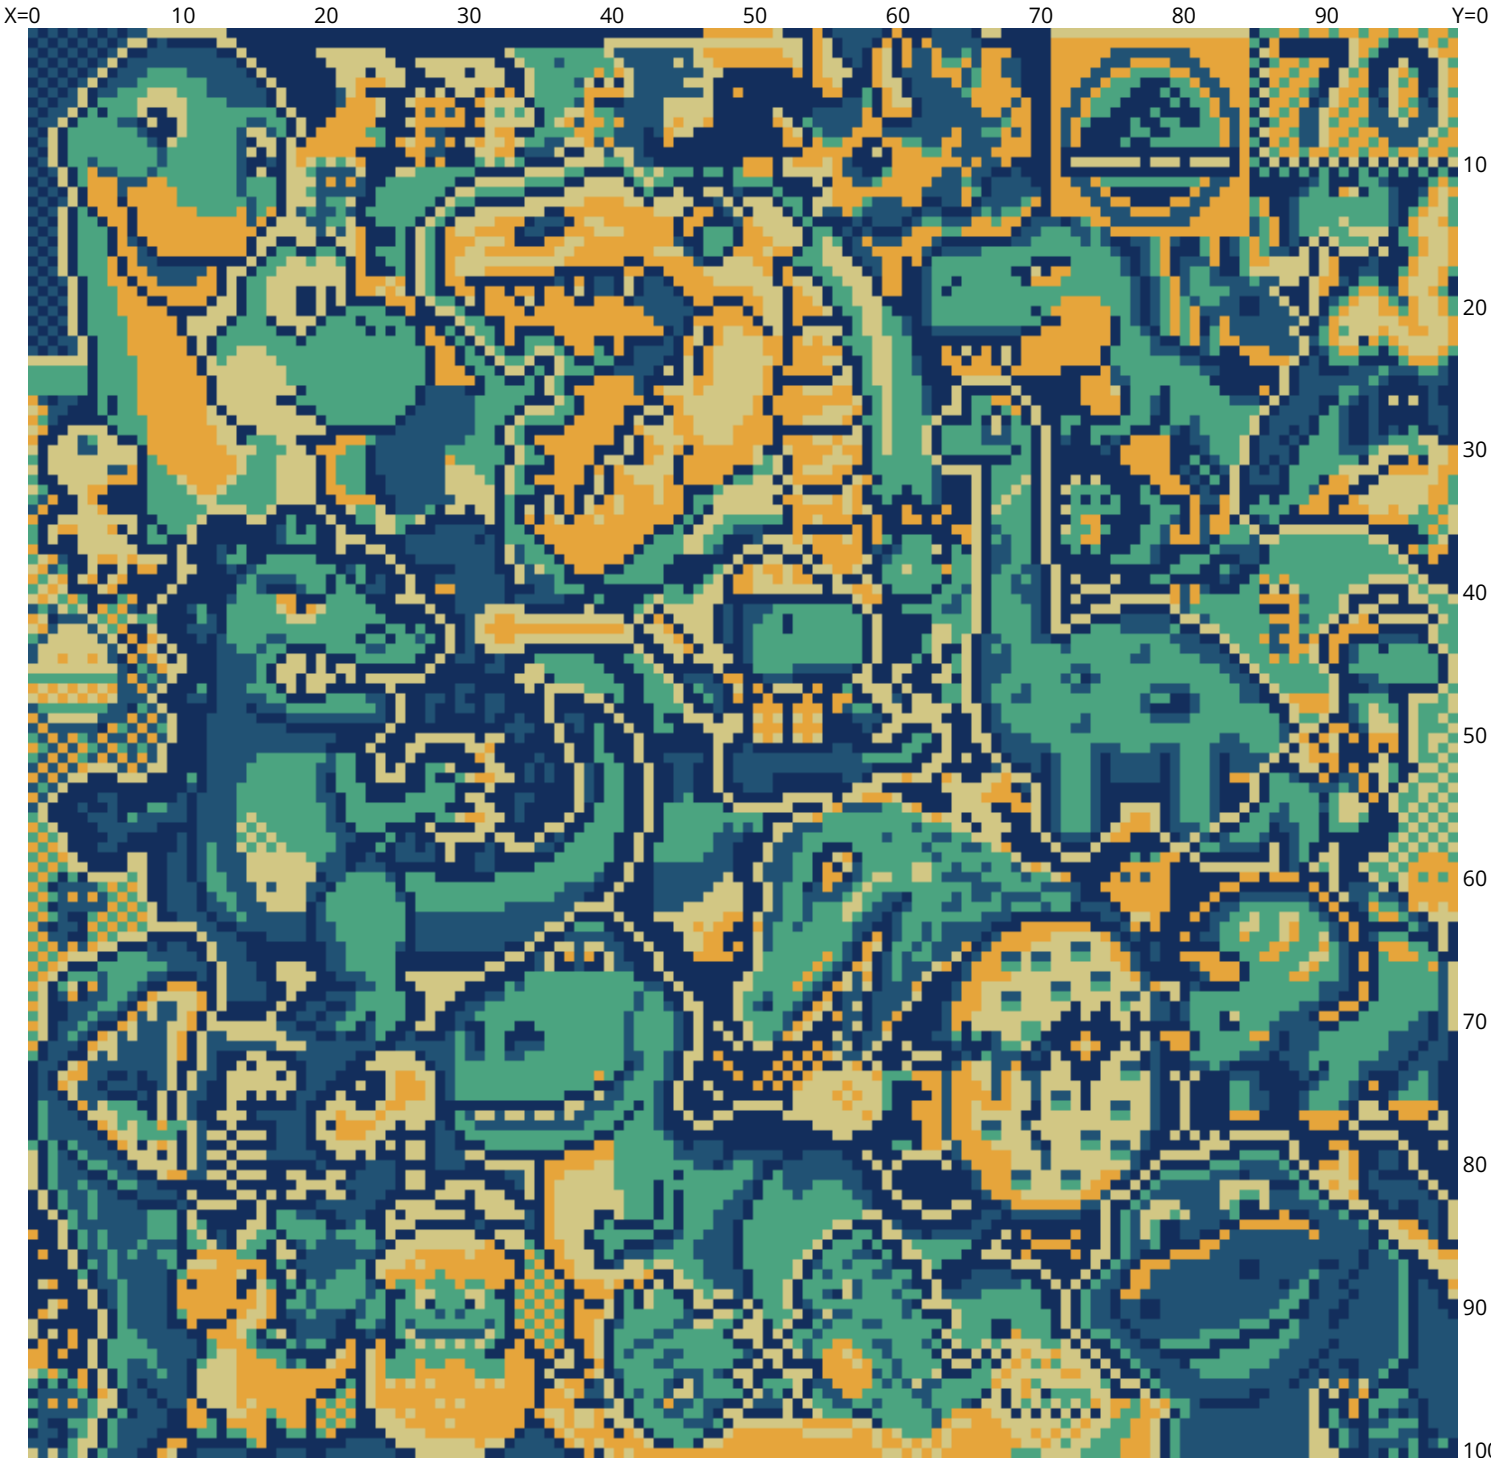

(95,10) **Number 69**: The digits "69". A common internet number reference.

(85,15) **Airplane**: A small airplane flying in the sky, leaving a trail, representing travel or vacation.

Day 70: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Dinosaurs (more info at <https://github.com/isaacbernat/basepaint>)
- (40,50) **Roaring T-Rex:** A large Tyrannosaurus Rex roaring, a classic depiction of the predatory dinosaur.
 - (65,55) **Long-necked Dinosaur (Brachiosaurus):** A large sauropod dinosaur, likely a Brachiosaurus or Apatosaurus.
 - (25,80) **Godzilla:** A pixel art representation of the iconic Japanese Kaiju monster, a famous pop culture figure.
 - (20,60) **Bipedal Dinosaur (Bottom Left):** A large bipedal dinosaur, possibly another T-Rex or Allosaurus.
 - (15,10) **Surprised Pikachu Meme:** The face of Pikachu with wide eyes, directly referencing the popular internet reaction meme.
 - (10,30) **Yoshi:** A dinosaur character from the Super Mario video game series, identifiable by his saddle shape.
 - (85,15) **Jurassic Park Logo:** The iconic circular logo from the Jurassic Park film franchise.
 - (80,40) **Raptor Head:** The distinctive head of a Velociraptor or similar dromaeosaurid dinosaur, often associated with Jurassic Park.
 - (30,15) **Dinosaur Head (Top Left):** A small dinosaur head peeking from the top corner.
 - (70,65) **Dinosaur Egg:** A large dinosaur egg with cracks, a common prehistoric trope.
 - (80,80) **Triceratops Head:** The distinctive frilled head of a Triceratops.
 - (10,55) **Small Dinosaur:** A small, possibly juvenile, bipedal dinosaur.
 - (95,15) **"70":** The number 70, positioned near the Jurassic Park logo.
 - (85,95) **Pepe Dinosaur (Ambiguous):** An ambiguous dark blue shape in the bottom right that might resemble a dinosaur.

Day 71: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Coffee (more info at <https://github.com/isaacbernat/basepaint>)

- (55,17) Coffee Plant Branch: Prominent circular graphic depicting a branch with coffee leaves.
- (35,20) Agent Dale Cooper: Pixel art portrait of Agent Dale Cooper from the TV series Twin Peaks holding a coffee cup.
- (50,40) COFFEE text: Large central text box with the word "COFFEE".
- (15,45) "Aww Yiss" Meme Face: Pixel art depiction of the "Aww Yiss" meme face from a comic panel, featuring a wide, happy expression.
- (82,50) Jules and Vincent: Pixel art depiction of Jules Winnfield and Vincent Vega from the movie Pulp Fiction standing together.
- (45,54) Happy Coffee Cup: Stylized round coffee cup character with simple eyes and a smiley face.
- (85,10) Coffee Cup: Icon of a disposable coffee cup.
- (85,20) Cafe text: Text label "Cafe".
- (70,59) LATTE text: Text label "LATTE".
- (47,67) Sugar text: Text label "Sugar".
- (65,73) Pixel Cat: Small pixel art cat sitting.
- (72,81) Kettle/Coffee Pot: Coffee brewing equipment, possibly a pour-over kettle or pot.
- (55,82) Winking Coffee Cup: Stylized round coffee cup character with a winking eye and hearts emanating from it.
- (40,90) Cookies: Stack of pixel art cookies or biscuits.
- (90,90) Moka Pot: Pixel art representation of a Moka pot (stovetop coffee maker).
- (52,93) Coffee Grinder: Pixel art representation of a coffee grinder.
- (10,7) 07: 17 clock: Digital clock display showing "07:17".
- (15,18) Spiky Hair Character: Small pixel art face with spiky hair.
- (96,50) HOT JUICE text (vertical): Vertical text phrase "HOT JUICE".
- (90,64) Abstract character/object: Small, indistinct pixel art figure or object.
- (15,70) Smiling Character: Small pixel art smiling face, possibly the other character from the "Aww Yiss" comic panel.
- (85,73) Generic character face: Small pixel art face.
- (10,77) GH text: Small pixel art text label "GH".
- (94,78) Small coffee cup icon: Small icon of a coffee cup.
- (30,80) Small Hat Character: Small pixel art character wearing a hat.
- (94,98) Abstract object: Small, indistinct pixel art object.

Day 72: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Mystical forest** (more info at <https://github.com/isaacbernat/basepaint>)

- (52,47) **Deer:** Large central figure with prominent antlers.
- (76,24) **Owl:** Pixel art depiction of the 'O RLY?' internet meme owl face.
- (32,77) **Character with glasses and wings:** A detailed character resembling an anime girl, wearing large square glasses and having wings.
- (12,11) **Moon Face:** A distinct face visible on a round shape in the top left corner, resembling a moon.
- (27,35) **Large Eye:** A prominent, detailed eye depicted on the left side of the image.
- (17,77) **Mushroom:** A large, distinct mushroom in the bottom left corner.
- (58,80) **Hollow Knight Vessel:** A recognizable character resembling a Vessel or Knight from the game Hollow Knight.
- (66,80) **Hollow Knight Vessel:** Another recognizable character resembling a Vessel or Knight from the game Hollow Knight.
- (75,85) **Hollow Knight Child:** A recognizable small character from the game Hollow Knight, likely Grimmchild.
- (62,50) **Sword:** A sword is depicted planted vertically in the ground, potentially referencing Excalibur.
- (90,60) **White creature with wings:** A white, humanoid figure with wings, resembling an angel or spirit.
- (40,63) **Eevee:** A recognizable pixel art depiction of the Pokemon character Eevee.
- (80,70) **Mike Wazowski-like creature:** A creature with a large single eye, resembling Mike Wazowski from Monsters, Inc.
- (45,81) **Gnome:** A traditional fantasy garden gnome with a pointy hat and beard.
- (55,85) **Shaun the Sheep-like creature:** A white, fluffy creature resembling Shaun the Sheep.
- (93,8) **Number 72 in circle:** The number '72' enclosed in a circle, a specific but unclear reference or tag.
- (72,82) **Spinning Top:** A small object resembling a spinning top.
- (91,91) **Rubik's Cube:** A small cube with a distinct grid pattern, resembling a Rubik's Cube.

Day 73: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Harry Potter** (more info at <https://github.com/isaacbernat/basepaint>)

- (50,50) **Harry Potter**: Protagonist with scar and glasses, central figure.
- (25,30) **Lord Voldemort**: Antagonist with snake-like features, large portrait in the top left.
- (40,50) **Basilisk/Snake**: Large serpent wrapping around characters, potentially referencing the Chamber of Secrets or Nag.
- (75,70) **Albus Dumbledore**: Headmaster with long beard and hat, portrait on the right side.
- (65,60) **Hogwarts Castle**: Iconic silhouette of the school building.
- (50,95) **"USE THE FORCE, HARRY"**: A Star Wars crossover meme text banner at the bottom.
- (75,45) **Gryffindor**: Text identifying Harry's house.
- (50,25) **Hedwig**: Harry's pet owl, in the top center.
- (25,75) **Severus Snape**: Potions master with dark robes, character in the bottom left.
- (60,70) **Hello Kitty**: Popular culture character face inserted near Dumbledore.
- (65,30) **Sorting Hat**: Magical hat that assigns students to houses, in the top right area.
- (15,60) **Platform 9 3/4**: Numbers representing the magical train platform, on the left side.
- (85,60) **Golden Snitch**: Small winged ball used in the game of Quidditch, on the right side.
- (85,85) **Pikachu**: Character mascot from the Pokemon series, in the bottom right corner.
- (15,85) **SpongeBob SquarePants**: Character from the popular TV show, in the bottom left corner.
- (85,70) **Elder Wand**: A powerful magical wand, one of the Deathly Hallows, on the right side.
- (35,55) **Cauldron/Potion**: Object symbolizing potions or magic, near the snake on the left.
- (85,30) **HP 7**: Text likely referencing the seventh Harry Potter book/movie.
- (30,75) **Chibi Character with Glasses**: A small, stylized character with glasses, in the bottom left area.
- (70,80) **Chibi Anime Girl**: A small, stylized character with pink hair, in the bottom right area.

Day 74: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Platformer (more info at <https://github.com/isaacbernat/basepaint>)

(49,68) **#BASEPAINTERS text:** Text label identifying the project/community.

(86,16) **Heart with Space Invader:** A heart shape containing a Space Invader alien sprite.

(20,30) **Thug Life Meme Head:** Blocky head with sunglasses, resembling the Thug Life meme face.

(82,30) **Anonymous Mask:** Pixel art representation of the Guy Fawkes mask associated with Anonymous.

(49,51) **Large dark shape:** Large dark silhouette resembling a dragon.

(89,81) **Mario Question Block:** Block with a question mark, referencing the item blocks from Super Mario games.

(46,14) **Smiley Face Block:** A square block with a simple smiley face.

(74,15) **Pac-Man Ghost (Blinky):** Red ghost sprite from Pac-Man, likely Blinky.

(25,46) **Block with '1':** A block containing the number '1'.

(71,46) **Stick Figures Fighting:** Two stick figures appearing to fight or interact.

(80,46) **Pixel Character (Mario/Luigi style):** Small pixel character resembling classic platformer heroes like Mario or Luigi.

(86,46) **Pixel Character (+1):** Small pixel character next to a "+1" icon.

(50,64) **Checkerboard Platform (Strip 1):** Horizontal strip of checkerboard pattern, representing a platform.

(50,71) **Checkerboard Platform (Strip 2):** Horizontal strip of checkerboard pattern, representing a platform.

(10,13) **Nyan Cat Face:** Pixel face resembling the Nyan Cat meme character.

(18,80) **(0,0) Label:** A label displaying "(0,0)", likely referencing the top-left coordinate origin.

(18,89) **LOL Box:** A box containing the text "LOL".

(48,90) **PLATFORM Text:** Text label "PLATFORM".

(21,12) **Blocky Character (Top Left):** Small, simple blocky character.

(29,13) **Skull:** Small pixel skull.

(58,13) **Pig:** Small pixel art pig.

(46,61) **Small Ghost Character:** Small pixel ghost character.

(13,88) **Small Ghost Character:** Small pixel ghost character.

(85,88) **Small Ghost Character:** Small pixel ghost character.

(26,89) **Vertical Bars Block:** A block containing vertical bars.

(85,92) **Heart (Bottom Right):** Small pixel art heart.

Day 75: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Martian Base** (more info at <https://github.com/isaacbernat/basepaint>)

(18,15) **Toy Story Alien Head**: Three-eyed orange alien head (Little Green Men).

(85,35) **Suited Sloth**: Sloth-like figure wearing a suit, possibly a meme or character reference.

(50,45) **Skull/Face**: Detailed skeletal or cybernetic skull located centrally.

(38,60) **Large Eye**: Large blue and orange eye.

(60,20) **Grey Alien Head**: Classic grey alien head.

(75,25) **Tall Structure**: Tall structure resembling a spire, antenna, or building spire.

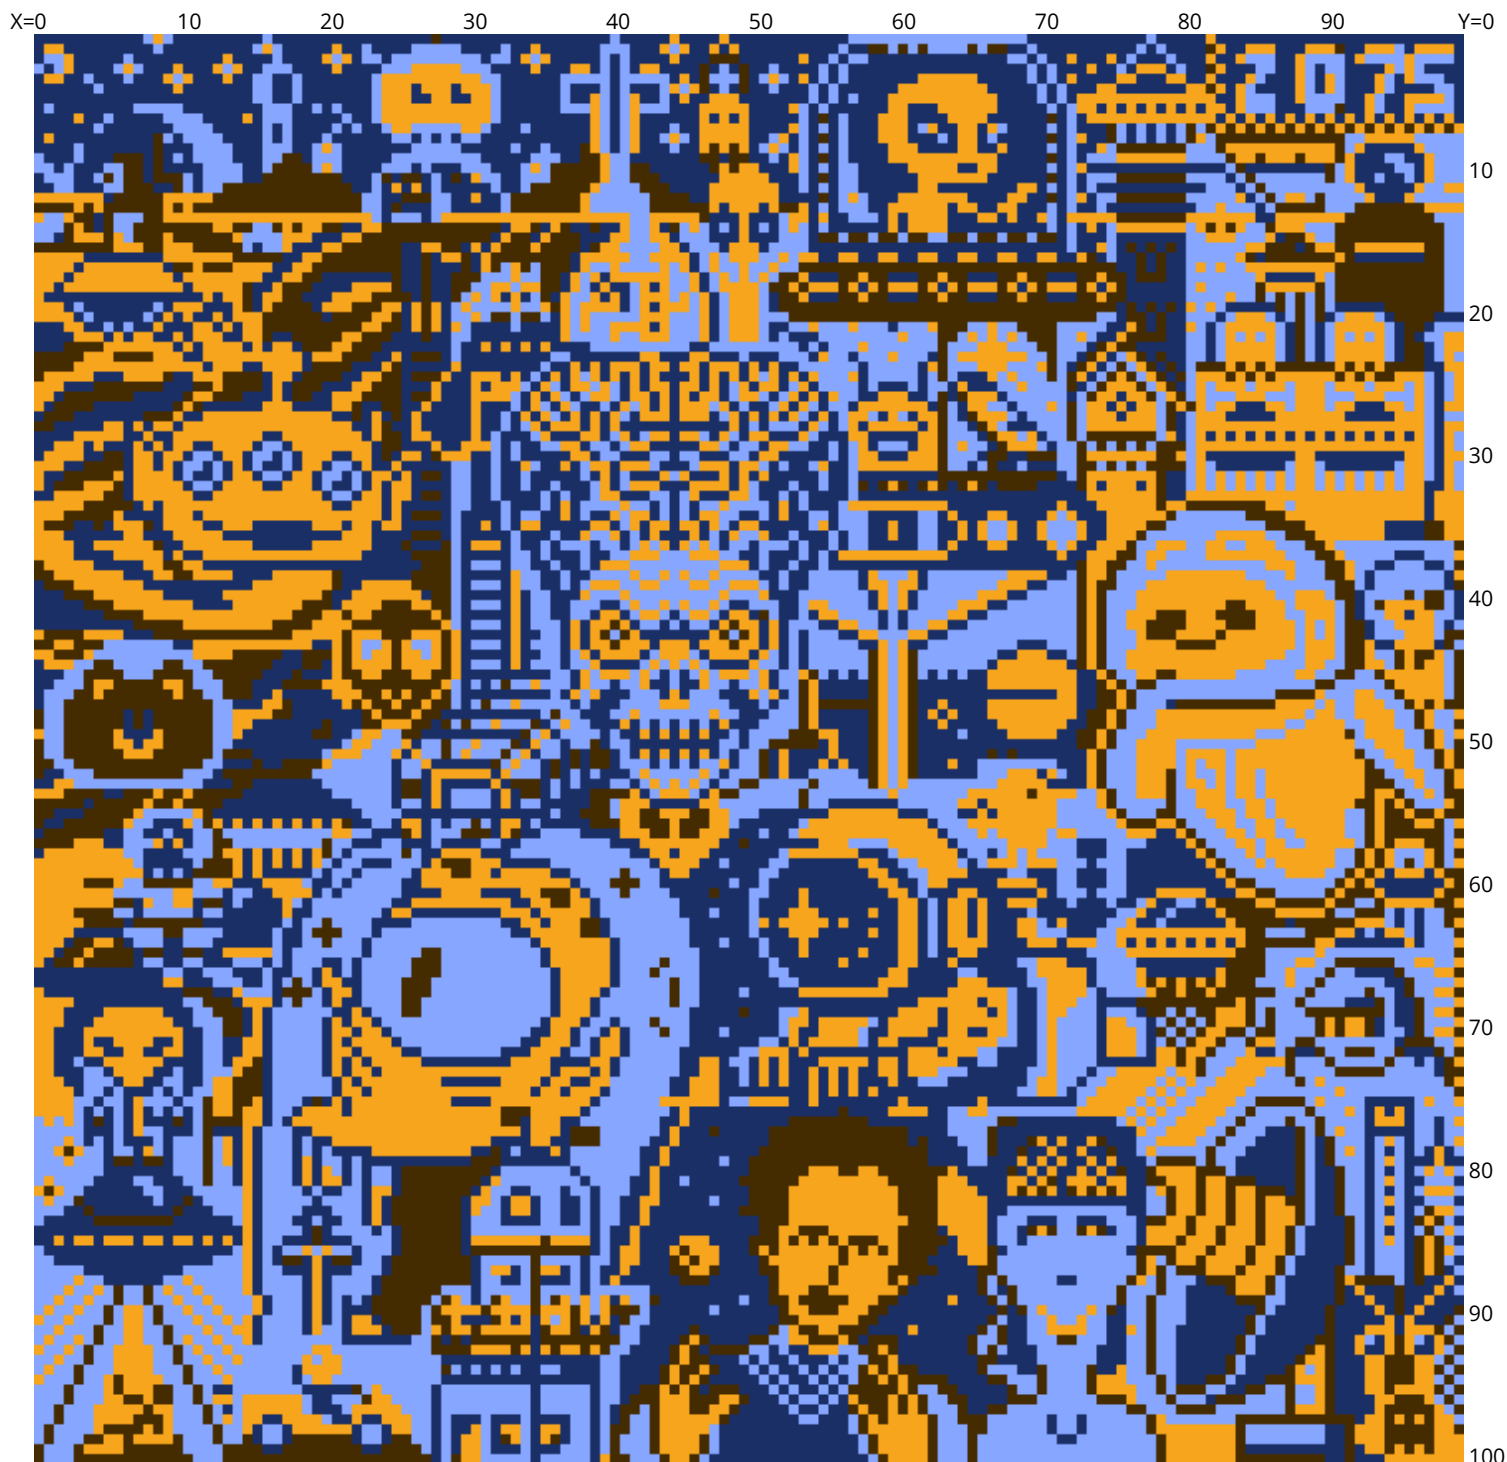

(15,75) **UFO**: Classic flying saucer UFO.

(65,80) **Giorgio A. Tsoukalos**: Figure resembling Giorgio A. Tsoukalos from the Ancient Aliens meme.

(85,15) **Text "2075"**: Pixelated text reading "2075".

(12,45) **Brown Bear Face**: Simple brown bear face.

(85,85) **Companion Figure**: Companion figure next to the gesturing person.

Day 76: Description version 0.3.0 (*gemini-2.5-flash-preview-04-17*)

(X, Y): Chess (more info at <https://github.com/isaacbernat/basepaint>)

(50,45) **Magnus Carlsen:** Portrait of the famous chess player.

(72,45) **Levy Rozman:** Portrait of the chess streamer GothamChess.

(88,46) **Alexandra Botez:** Portrait of the chess streamer and content creator.

(76,4) **Chess logo:** The word "Chess" in a stylized font.

(77,95) **CHECKMATE text:** Text indicating the end of a chess game.

(20,48) **Large Knight:** A detailed depiction of a chess knight piece.

(40,48) **Large King:** A detailed depiction of a chess king piece.

(16,78) **Bart Simpson:** Character from The Simpsons playing chess.

(50,78) **Bingus:** Internet meme cat character playing chess.

(70,78) **Large Queen:** A detailed depiction of a chess queen piece.

(48,12) **Skeletons playing chess:** Two skeletons playing chess, a common trope/meme.

(85,55) **Distracted Boyfriend meme:** Adaptation of the popular meme featuring chess pieces/players.

(60,86) **Google En Passant:** Text referencing a popular chess meme.

(88,50) **Holly Hell!:** Text referencing a popular chess meme.

(88,41) **E4 C5:** Text indicating the first moves of the Sicilian Defense chess opening.

(85,52) **En Passant symbol:** A visual representation related to the En Passant chess move meme.

(35,60) **Anarchy Chess symbol:** Symbol often associated with the r/AnarchyChess subreddit.

(30,59) **losing is fun:** Text often associated with difficult games and internet culture.

Day 77: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Ancient Rome (more info at <https://github.com/isaacbernat/basepaint>)

(50,35) **Julius Caesar Bust:** A large pixel art bust resembling Julius Caesar, the central figure of the artwork.

(50,10) **OFF.JIMIUS.C.LXXII:** Text label or signature at the top.

(50,60) **VENI.VIDI.VICI.:** Famous Latin phrase attributed to Julius Caesar.

(50,68) **BOLLISAT:** Text label or signature at the bottom.

(65,25) **Small Figure/Bust (Right):** A smaller figure or bust depicted above the main bust.

(20,30) **Roman Building (Left):** A depiction of ancient Roman architecture on the left side.

(85,30) **Roman Emblem/Shield:** A circular emblem or shield featuring a figure inside.

(80,40) **Roman Soldier:** A figure depicted wearing Roman military attire.

(30,45) **Surprised Wojak Face:** A pixelated face resembling the "Surprised Wojak" internet meme.

(20,50) **Small Face (Left):** A small face depicted on the left side.

(40,50) **Small Face (Below Bust):** A small face depicted below the main bust.

(70,50) **Standing Figure (Mid Right):** A figure depicted standing on the mid-right side.

(85,50) **Stylized Figure (Mid Right):** A stylized figure or shape depicted on the mid-right side.

(28,55) **Figure with Wreath:** A figure wearing a wreath.

(80,60) **Roman Building (Right):** A depiction of ancient Roman architecture on the right side.

(15,65) **Face Profile (Left):** A prominent face profile depicted on the far left side.

(30,75) **Figure in Armor/Toga:** A figure depicted wearing Roman clothing or armor.

(75,75) **Figure (Lower Right):** A character figure depicted on the lower right side.

(50,50) **Meander Border:** A decorative geometric border pattern encircling the central artwork.

Day 78: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Blitkin Lab Report** (more info at <https://github.com/isaacbernat/basepaint>)

(52,72) **large central face**: Pixel art face resembling Crying Wojak or a similar reaction meme.

(65,35) **large demon head/mask**: Stylized head with horns and fangs, possibly representing a demon or mythological creature.

(45,40) **smiling orange creature**: Cartoon-like character with a large head and wide smile.

(35,65) **bear head**: Stylized bear face in dark blue.

(20,60) **hooded frog character**: Character resembling Pepe the Frog wearing a hood, a prominent internet meme.

(85,40) **ban hand symbol**: Red circle with a hand and slash through it, commonly representing "No" or "Forbidden," often used in meme culture.

(25,15) **old computer**: Pixel art representation of a vintage computer monitor and keyboard, referencing retro technology.

(65,55) **person in red hat/turban**: Bust portrait of a figure wearing a distinctive red head covering.

(85,70) **cat silhouette**: Stylized dark blue silhouette of a cat.

(55,65) **flask/chemical bottle**: Glass flask containing liquid, possibly referencing science or alchemy.

(15,40) **creature with checkered basket**: Character holding or wearing a checkered object, possibly a basket or hat.

(80,80) **framed red figure**: Dynamic pixel art figure in red inside a frame.

(92,87) **vertical text "BITCH"**: Vertical text likely referencing the "Jesse, what the fuck are you talking about?" meme from the movie *Boyz n the Hood*.

(93,94) **framed small creature/bug**: Small creature or bug with antennae inside a frame.

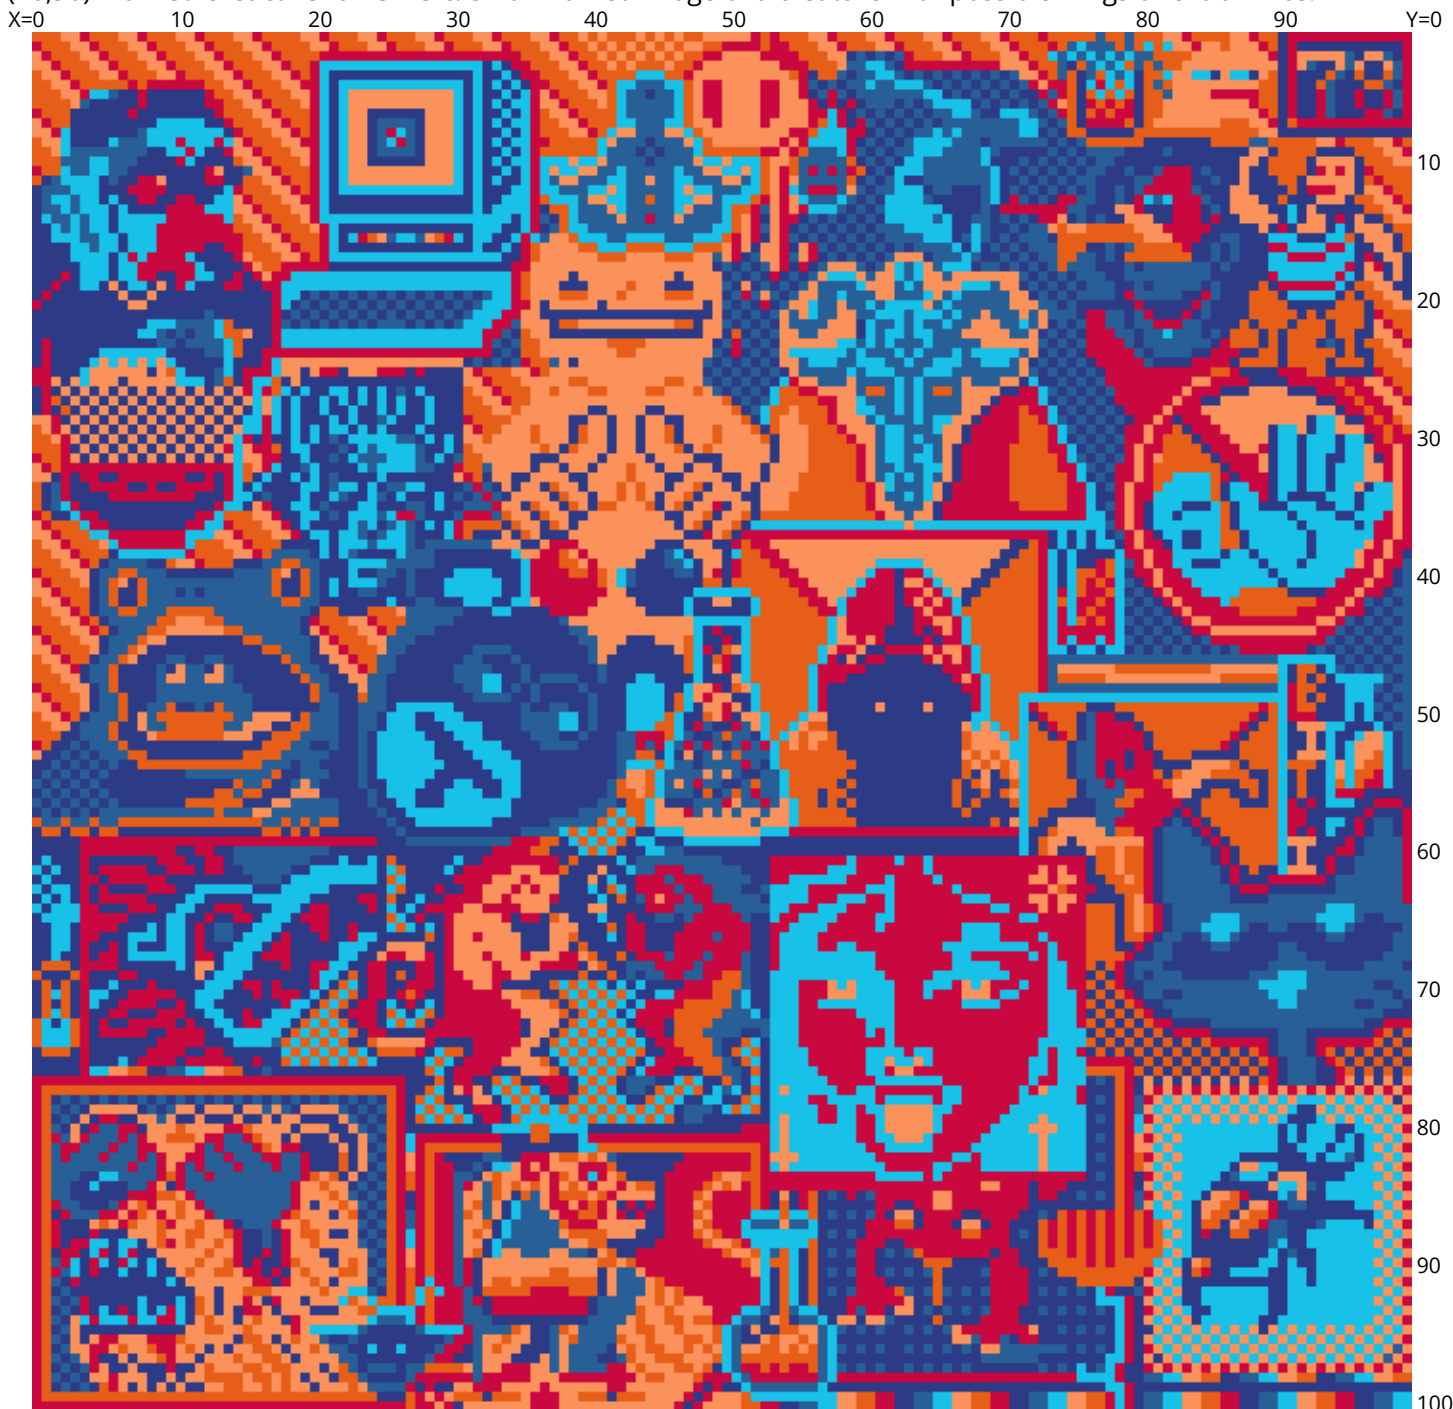

(45,10) **two stacked heads**: Two small pixel art character heads stacked vertically.

(70,15) **small character on platform**: Small orange character standing on a platform.

(55,20) **small dark blue figure**: Small dark blue pixel art figure.

(30,35) **red character bust**: Small bust of a character rendered in red.

(10,90) **framed creature lower left**: Small framed image of a creature with possible wings or extra limbs.

Day 79: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Halloween** (more info at <https://github.com/isaacbernat/basepaint>)

(35,5) **HALLOWEEN!?:** Text title for the image.

(15,18) **Diablo-like Skull:** Skull with horns and glowing eyes, resembling the character Diablo. (Game reference)

(35,20) **Jason Voorhees mask:** Iconic hockey mask from the Friday the 13th movie series. (Movie reference)

(65,6) **Small pumpkin:** Decorative pumpkin icon. (Generic Halloween)

(70,6) **Small ghost:** Decorative ghost icon. (Generic Halloween)

(75,6) **Small pumpkin:** Decorative pumpkin icon. (Generic Halloween)

(80,6) **Small skull:** Decorative skull icon. (Generic Halloween)

(85,6) **Small grave:** Decorative grave icon. (Generic Halloween)

(90,6) **Small ghost:** Decorative ghost icon. (Generic Halloween)

(95,6) **Small bat:** Decorative bat icon. (Generic Halloween)

(98,6) **Small object:** Unidentified small decorative object. (Generic Halloween)

(80,20) **Pumpkin carving tools:** Knife and tool used for carving pumpkins. (Generic Halloween)

(95,25) **Boo-like Ghost:** White ghost character resembling Boo from the Super Mario game series. (Game reference)

(10,35) **Spooky tree/figure:** Dark silhouette resembling a gnarled tree or figure with raised arms. (Generic Halloween)

(35,35) **Character with square glasses:** Figure wearing a hat and large square glasses. (Original/Community art)

(90,40) **Small ghost:** Decorative ghost icon. (Generic Halloween)

(15,45) **Steampunk-like character:** Figure wearing a hat, goggles, and elaborate collar. (Original/Community art)

(45,45) **Witch Silhouette in circle:** Black silhouette of a witch on a broomstick inside a circle, a classic Halloween image

(70,45) **Skull with sombrero:** Skull wearing a sombrero hat. (Cultural reference / Día de Muertos inspired)

(10,50) **Reaching Hand 1:** Hand reaching from the left edge. (Generic Halloween)

(35,50) **Pumpkin with carved face:** Classic Jack-o'-lantern. (Generic Halloween)

(85,55) **Scarecrow:** Figure resembling a scarecrow. (Generic Halloween)

(15,60) **Screaming face:** Face with wide open mouth and eyes, possibly referencing the painting "The Scream". (Art Reference)

(45,60) **Giygas-like creature:** Abstract, unsettling creature face resembling Giygas from Earthbound. (Game reference / Spooky)

(5,70) **Reaching Hand 2:** Hand reaching from the bottom left edge. (Generic Halloween)

(15,70) **Plague Doctor-like head:** Head wearing a mask with a distinctive beak. (Historical / Spooky)

(85,70) **Smaller Pumpkin:** Decorative pumpkin. (Generic Halloween)

(45,75) **Creepy face with tongue:** Smiling face with a long tongue sticking out. (Generic Spooky)

(55,75) **Small objects/candy pile:** Pile of small shapes, possibly candy corn or treats. (Generic Halloween)

(65,75) **Pennywise the Clown face:** Face of Pennywise from the movie "IT". (Movie reference)

(15,85) **Character with beard:** Figure with a prominent beard, hat, and glasses, holding a creature or cat. (Original/Community art)

(25,85) **Small Ghost:** Decorative ghost icon near the tombstone. (Generic Halloween)

(35,85) **Tombstone "RIP":** Gravestone with "RIP" text. (Generic Halloween)

(80,85) **Dia de Muertos Sugar Skull:** Detailed skull with decorative patterns, referencing Día de Muertos sugar skulls. (Cultural reference)

(95,85) **Smiling Spooky Creature:** Creature face with large eyes and a wide grin. (Generic Spooky Creature)

(55,90) **Pumpkin with large grin:** Large Jack-o'-lantern with a wide, toothed grin. (Generic Halloween)

(5,95) **Small bat:** Decorative bat icon. (Generic Halloween)

(20,95) **Small cat:** Black cat icon. (Generic Halloween)

(50,95) **Small bat:** Decorative bat icon. (Generic Halloween)

Day 80: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Cherry Blossom in October (more info at <https://github.com/isaacbernat/basepaint>)

- (65,60) **Dragon:** A large, winged creature resembling an East Asian dragon, a common motif in culture and fantasy.
- (60,35) **Mount Fuji:** A stylized depiction of the iconic Japanese mountain.
- (40,35) **Nyan Cat:** A small, flying creature resembling a cat with a distinct shape, strongly reminiscent of the internet meme.
- (85,15) **Multi-level building:** A traditional Japanese multi-story building, likely a temple, castle, or pagoda section.
- (40,70) **Stylized flower:** A large, detailed pattern resembling a traditional Japanese crest or a mandala, possibly representing a cherry blossom.
- (15,55) **Large swirl:** A dynamic swirling pattern, potentially representing water (like a wave), wind, or abstract energy.
- (18,40) **Seated figure:** A human-like figure sitting or kneeling, perhaps a character from anime/games or a traditional figure.
- (35,15) **Building roof:** The distinctive curved roof of a traditional Japanese building like a temple or pagoda.
- (85,40) **Cherry blossom cluster:** A group of stylized cherry blossoms, an iconic Japanese symbol.
- (75,30) **Torii gate:** A traditional Japanese gate often found at the entrance to Shinto shrines.
- (20,10) **Flying creature:** A small, dark, winged creature in the sky, possibly a bat or a bird.
- (50,25) **Skull figure:** A small, distinct figure resembling a skull, potentially with horns or a headdress.
- (20,70) **Torii gate:** Another traditional Japanese Torii gate.
- (50,38) **Rabbit figure:** A small figure resembling a rabbit, possibly a reference to Inaba (moon rabbit) or a specific character.
- (30,38) **Animal figure:** A small figure resembling a cat or other small animal.
- (65,8) **Digital clock:** A digital display showing the time "3:00".
- (60,38) **Small figure:** A small, indistinct figure at the base of the mountain.
- (70,45) **Small animal:** A small figure possibly representing an animal like a rabbit or cat.
- (85,25) **Falling petals:** Small shapes representing falling cherry blossom petals.
- (70,80) **Sign "80":** A sign or box displaying the number "80".
- (10,80) **Small figure:** A small, indistinct figure near the bottom left.
- (45,85) **Small figure:** A small, indistinct figure near the bottom middle.
- (60,90) **Small building:** A small traditional Japanese-style building or shrine.
- (85,80) **Small building:** Another small traditional Japanese-style building or shrine.
- (90,75) **Animal face:** A small face resembling a cat or other animal near the bottom right.

Day 81: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Pizza Party** (more info at <https://github.com/isaacbernath/basepaint>)

- (63,71) **TMNT holding Pizza Boxes:** Teenage Mutant Ninja Turtle (TMNT) character, the main focus of the image, holding a
- (89,73) **Doge with Sunglasses:** A face resembling the Doge meme (Shiba Inu dog) wearing sunglasses, likely referencing the
- (23,87) **Ainsley Harriott:** Pixel art caricature of British TV chef Ainsley Harriott, known for various cooking show clips that
- (63,23) **Pizza Cassette Tape:** A retro music cassette tape labeled "PIZZA PARTY", a thematic and visually distinct element.
- (71,92) **PIZZA 10K BTC text:** Text block referencing the historical purchase of two pizzas for 10,000 Bitcoin, a significant ea
- (31,58) **ORDER HERE text:** Text sign indicating a place to order, a common trope in food-related scenes.
- (63,7) **Cartoon eyes and lips:** A pair of stylized cartoon eyes and red lips at the top center of the image.
- (15,15) **Distracted Boyfriend heart/arrow:** A heart shape with an arrow pointing right, commonly associated with the "D
- (71,47) **Prominent Pizza Slice:** A large, distinct slice of pizza located above the TMNT character.
- (15,63) **Girl with Pizza Peel:** A character on the left side of the image holding a pizza peel tool used for handling pizzas.
- (15,71) **Burger:** A pixel art representation of a burger, another fast-food item present in the scene.
- (83,88) **Happy Meme face (bottom-center):** A round, smiling face typically associated with Feel Guy or Wojak meme varia
- (93,89) **Pepe face (right):** A face resembling Pepe the Frog, a widely recognized internet meme character, located in the b
- (95,95) **Soda cup:** A fast-food style cup with a straw, representing a drink.
- (91,96) **Bottle:** A glass bottle, possibly containing a beverage like soda or sauce.
- (27,96) **Meme face (bottom-left, below Ainsley, NPC?):** A small face located below Ainsley Harriott, possibly referencing
- (13,97) **Meme face (bottom-left corner):** A small, less distinct meme-style face located in the bottom left corner of the im

Day 82: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Supercollider (more info at <https://github.com/isaacbernat/basepaint>)

- (50,50) **Central Swirl:** A large, multi-colored spiral pattern representing a particle collider or energy trails.
- (50,10) **Title Text:** "82 THE SUPER COLLIDER", the main title of the piece.
- (85,30) **Anime Girl:** A figure in anime style with glasses, looking to the right, possibly a character reference.
- (60,85) **Doge-like Face:** A large pixel art depiction of a dog's face, strongly resembling the Doge meme.
- (15,45) **Geometric Cube:** A complex, multi-layered cube or tesseract structure on the left side.
- (25,60) **Scientist/Professional:** A figure wearing a suit and glasses, holding an object, representative of a scientist or researcher.
- (85,55) **Hourglass:** A pixelated hourglass, symbolizing time or decay.
- (85,90) **Crying Face:** A face showing distress or crying, similar to a Wojak meme variant.
- (15,25) **Mushroom Cloud:** A depiction of a nuclear explosion mushroom cloud.
- (25,25) **Bomb/Symbol:** A small object next to the mushroom cloud, possibly a bomb or related symbol.
- (30,25) **Set of Eyes:** A pair of wide, stylized eyes. Could be a general symbol or a specific meme reference.
- (45,25) **Radioactive Symbol:** The international symbol for radioactivity.
- (55,25) **Sun/Explosion:** A stylized sun or starburst effect.
- (55,45) **Mario Cap:** A red cap with a white circle and letter, strongly resembling Mario's cap from the Super Mario game series.
- (60,40) **Musical Notes:** Two eighth notes (), symbolizing music or sound.
- (65,50) **Glowing Eye/Core:** A bright, central eye or energy core within the swirling pattern.
- (50,65) **Mushroom:** A simple pixel art mushroom.
- (20,75) **Pixelated Object/Portal:** A small, intricate object below the scientist figure, possibly a device or portal.
- (20,80) **Small Figure (White Shirt):** A small, less distinct figure in a white shirt.
- (35,80) **Walter White-like Figure:** A small pixel figure in a white shirt and tie, resembling Walter White from the TV show Breaking Bad.
- (45,85) **Small Figure (Red Shirt):** A very small pixel figure in a red shirt.
- (60,95) **Small Face:** A tiny face located below the Doge-like figure.
- (5,50) **Left Border Patterns:** Vertical decorative patterns along the left edge.
- (95,60) **Right Border Pattern:** Vertical decorative pattern on the right edge.
- (90,95) **Bottom Right Border Pattern:** Diagonal decorative pattern on the bottom right edge.

Day 83: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Halloween: 2-Bit Spirits** (more info at <https://github.com/isaacbernat/basepaint>)

(50,35) **Central Skull:** Large skull with three orange eyes and jagged teeth, a prominent central figure.

(25,50) **Large Jack-o'-lantern:** Large pumpkin carved with a scary face, glowing orange from within.

(75,35) **Frankenstein's Monster:** Head resembling the classic Frankenstein's monster with a flat top and stitches.

(75,75) **Pennywise Clown:** Face resembling Pennywise from the 'It' franchise, with a clown nose and grin.

(50,5) **HALLOWEEN:** Text spelling out "HALLOWEEN" along the top border.

(55,55) **BOO!:** Text spelling out "BOO!" in a box in the central area.

(15,15) **Screamer Face:** Face with wide eyes and open mouth, similar to the Screamer meme or Edvard Munch's 'The Scream'.

(35,15) **Skull 1:** Skull graphic near the top left.

(65,15) **Skull 2:** Skull graphic near the top right.

(15,35) **Vampire Face:** Face with pointed teeth, resembling a vampire.

(40,35) **Ghost 1:** Classic sheet ghost shape.

(85,15) **Jack-o'-lantern 1:** Smaller carved pumpkin face near the top right.

(85,45) **Jack-o'-lantern 2:** Another small carved pumpkin face near the right edge.

(35,65) **Brain Head:** Head showing exposed brain texture.

(65,65) **Two Small Heads:** Two identical small stylized heads.

(30,75) **Wide Mouth Face:** Face with a wide, possibly distorted, grin.

(8,75) **RIP:** Text spelling out "RIP" near the bottom left.

(18,75) **Small Face 1:** Small generic face or figure.

(10,90) **Small Skull/Face 3:** Small skull or face near the bottom left.

(90,90) **Small Pumpkin:** Small simple pumpkin graphic near the bottom right.

Day 84: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Zombie Apocalypse** (more info at <https://github.com/isaacbernat/basepaint>)

- (50,5) **ZOMBIE THRILLER**: Large text referencing Michael Jackson's song and music video.
- (30,25) **DON'T DEAD OPEN INSIDE**: Text referencing a famous sign and popular meme from the TV show The Walking Dead.
- (50,45) **Large central zombie head**: A detailed, large depiction of a classic horror zombie head with green skin and red features.
- (25,75) **BRAAAAINS!**: Text representing the stereotypical catchphrase associated with zombies.
- (25,85) **Zombie head with sharp teeth**: A large, detailed zombie head shown in profile with a wide grin full of sharp teeth.
- (15,15) **Zombie head with exposed brain (top-left)**: A zombie head depicted with visible red brain tissue.
- (85,15) **Zombie head with red eyes/mouth (top-right)**: A zombie head with prominent red eyes and mouth in the upper right.
- (15,30) **Zombie woman with axe**: A full figure of a zombie woman holding an axe.
- (70,25) **Zombie face with red eyes and gaping mouth**: A detailed close-up of a zombie face with intense red eyes and a wide, open mouth.
- (90,30) **Zombie head with exposed brain (top-right)**: A zombie head with exposed brain tissue in the upper right section.
- (90,60) **Robotic zombie head**: A distinct square, robotic-looking zombie head, possibly referencing game or sci-fi zombie tropes.
- (55,60) **Zombie head with big eyes and exposed brain**: A cartoonish-looking zombie head with large eyes and exposed red brain tissue.
- (55,80) **Zombie face with a grin and exposed brain**: A zombie face with a wide grin and visible red brain tissue.
- (85,80) **Zombie face with missing lower jaw**: A zombie face with the lower part of its jaw missing.
- (30,45) **Zombie face with single large eye**: A zombie face notable for having a single, large, central eye.
- (15,45) **Zombie face with big teeth (left-center)**: A zombie face with large, prominent teeth, positioned below the axe zombie.
- (40,60) **Skull with crossed bones**: A pixel art depiction of the classic danger or poison symbol.
- (75,35) **Stick-figure like character with fire ball**: A small, simple humanoid figure appearing to throw a fire ball, potentially a survivor.
- (10,60) **Eye on a stick**: A peculiar element depicting a single eye attached to a stick or stalk.
- (75,60) **Pixelated figure (right-center)**: A small, unclear pixelated figure holding an object, possibly a head.
- (95,45) **Small figure (top-right)**: A small, simple humanoid figure, possibly a survivor.
- (95,85) **Small humanoid figure (bottom-right)**: Another small, simple humanoid figure.
- (50,95) **Small pink face (bottom-center left)**: A small, simple face depicted predominantly in pink.
- (60,95) **Small pink face (bottom-center right)**: Another small, simple face depicted in pink.

Day 85: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Base Whale** (more info at <https://github.com/isaacbernat/basepaint>)
- (72,60) **Largest Teal Whale:** A large, open-mouthed teal whale, a central element of the theme.
- (30,50) **Large Teal Whale:** A large, teal whale swimming left, prominent marine life.
- (55,55) **Squid/Octopus:** A large, pink squid or octopus with tentacles spread out.
- (70,40) **Fish Skeleton:** A large, detailed fish skeleton in beige.
- (40,75) **Smiling Whale:** A large, round, smiling whale in a light color, styled like a character.
- (25,85) **SAVE THE WHALES text:** A block of text reading "SAVE THE WHALES", conveying the main message.
- (50,10) **Boats:** A cluster of different boat types representing human activity on the surface.
- (85,20) **Pink Character:** A distinctive pink character with large eyes, possibly a stylized sea angel (Clione) or a nod to characters like Clione.
- (15,30) **Small Teal Whale:** A small teal whale in the upper left area.
- (5,35) **Shark Fin:** A shark fin breaking the surface of the water.
- (35,45) **Whale with Striped Hat:** A small character wearing a red and white striped hat, sitting on the large left whale.
- (20,50) **Small Beige Fish:** A small beige fish swimming near the large left whale.
- (65,45) **Small Pink Fish:** A small pink fish swimming near the fish skeleton.
- (85,80) **Small Pink Whale:** A small pink whale in the bottom right area.
- (10,90) **Pepe-like Character:** A small teal figure resembling Pepe the Frog meme.
- (25,95) **Teal Character:** A small teal figure resembling a Wojak-style meme face, located below the text.

Day 86: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): US Federal Reserve (more info at <https://github.com/isaacbernat/basepaint>)

- (50,60) **Goofy-like character:** Large cartoon dog figure resembling Disney's Goofy, possibly representing a chaotic or naive
- (80,60) **Janet Yellen:** Pixel portrait of an older woman resembling Janet Yellen, former Fed Chair and current Treasury Sec

Day 87: Description version 0.3.0 (*gemini-2.5-flash-preview-04-17*)

(X, Y): Casino (more info at <https://github.com/isaacbernat/basepaint>)

(50,39) **CASINO text:** Large central text spelling "CASINO" with a stylized logo below, serving as the main title.

(23,59) **Slot Machine:** A pixel art representation of a slot machine showing "JACKPOT!" text and "777" on the reels.

(53,69) **Die (Dice):** A large 3D representation of a six-sided die showing faces with 3, 4, and 5 dots.

(27,89) **Character with Glasses:** A pixel art character with glasses, possibly resembling Mr. Burns from The Simpsons, appearing in the background.

(89,84) **Anime/Manga Girl:** A character in anime/manga style with pink hair and determined expression, likely playing a ca

(92,88) **Stacked Poker Chips:** A stack of blue and red poker chips, a common casino element.

(39,19) **Poker Hand:** A visible poker hand showing Ace, King, Queen, Jack, Ten of Hearts, representing a strong hand like a

(86,16) **ALL IN text:** A text bubble containing the poker/gambling phrase "ALL IN".

(70,23) **Long Shot text:** A text bubble containing the gambling term "Long Shot".

(86,23) **Short Stack text:** A text bubble containing the poker term "Short Stack".

(94,55) **Arcade Cabinet:** A small pixel art representation of an arcade machine.

(47,16) **Roulette Wheel Fragment:** A partial view of a roulette wheel.

(78,16) **Graph:** A small line graph or chart, possibly representing statistics or odds.

(94,27) **Winning Numbers Display:** A small digital screen showing the number "787".

(19,55) **Yin Yang Symbol with Cards:** A stylized Yin Yang symbol incorporating card suit elements.

(4,55) **Bet Meter/Level Indicator:** A vertical bar graphic representing bet size or level.

(19,66) **Question Mark Block:** A yellow block with a question mark, referencing Super Mario games, used here in a context

(73,48) **Dollar Sign icon:** A simple dollar sign symbol.

(81,48) **Dollar Sign in box:** A dollar sign symbol enclosed in a box.

(81,75) **Heart icon:** A prominent pixel art heart card suit icon.

(44,91) **Club cluster:** A cluster of pixel art club card suit icons.

Day 88: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **View from the Dunes** (more info at <https://github.com/isaacbernat/basepaint>)

(50,40) **Central Structure:** Large building structure, possibly an Egyptian temple or pyramid base.

(80,40) **Anubis:** A large figure depicting the Egyptian god Anubis.

(15,10) **Eevee:** The face of the Pokémon character Eevee.

(60,25) **Indiana Jones:** A figure resembling Indiana Jones with a hat and whip.

(65,60) **Silver Chariot Requiem:** A figure resembling Silver Chariot Requiem from Jojo's Bizarre Adventure.

(30,85) **Ness:** The character Ness from the game Earthbound/Mother 2.

(70,85) **Kakyoin:** The character Noriaki Kakyoin from Jojo's Bizarre Adventure.

(50,45) **Pathway:** A perspective road leading towards the central structure.

(35,55) **Scorpion:** A pixel art depiction of a scorpion.

(15,70) **Vulture:** A depiction of a vulture or bird of prey.

(50,5) **Mountains:** Jagged mountain peaks in the background.

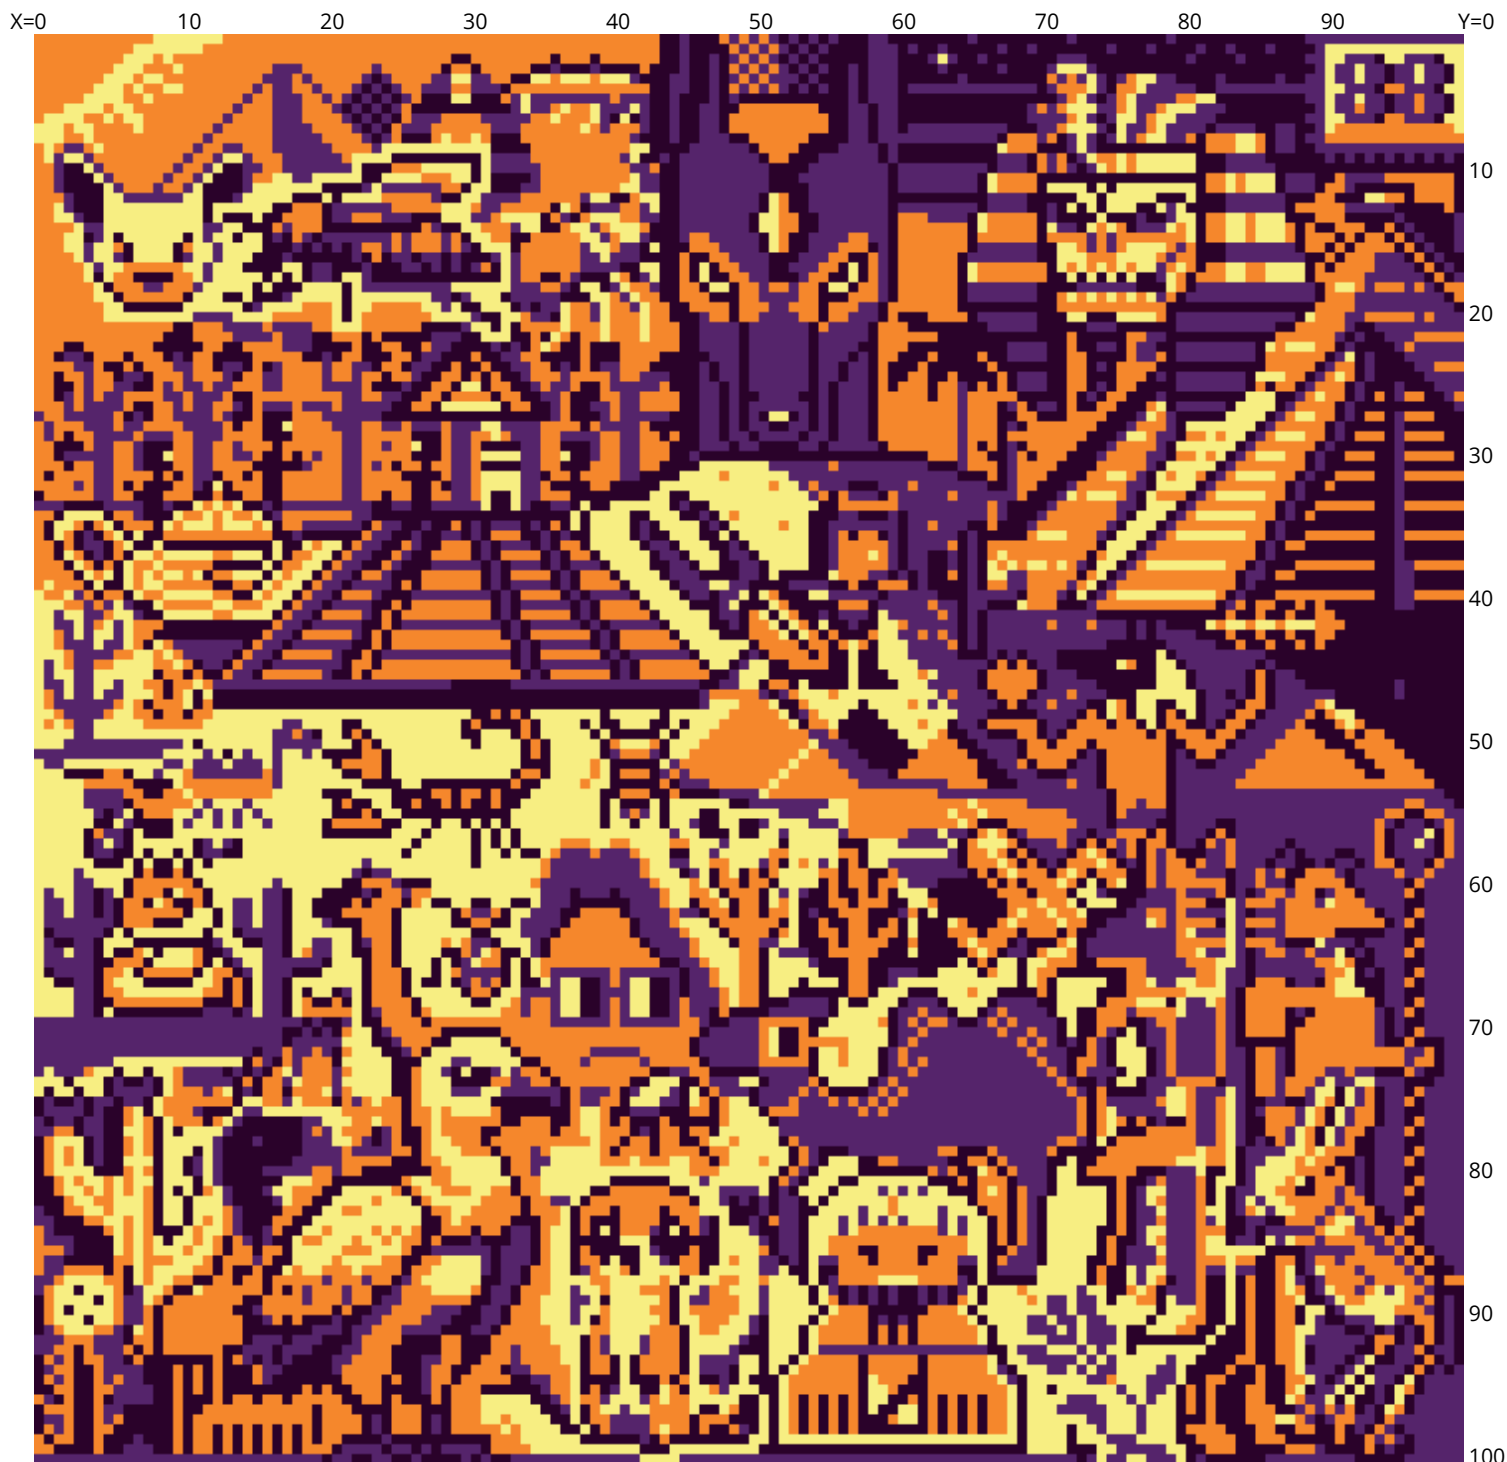

(10,40) **Pot/Jar:** A depiction of a pot or urn.

(15,50) **Cactus:** A tall cactus plant.

(10,90) **Cactus:** A cluster of cactus plants.

(5,85) **Small figure:** A small, indistinct humanoid figure.

(95,95) **Small creature:** A small, indistinct creature.

Day 89: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 1986 Chernobyl Nuclear Meltdown (more info at <https://github.com/isaacbernat/basepaint>)

- (17,45) **Radiation Gauge:** Circular gauge or symbol featuring the radiation hazard symbol, indicating danger and radioactivity.
- (25,80) **Serious Man:** Portrait of a man with glasses and tie, possibly Mikhail Gorbachev or a scientist/official, representing authority.
- (30,60) **Припять (Pripyat) text:** The name "Pripyat" written in Cyrillic, the ghost city near the Chernobyl Exclusion Zone.
- (50,40) **V for Vendetta mask:** V for Vendetta mask (Guy Fawkes mask), a symbol of protest and resistance, also a popular internet meme.
- (50,94) **Чернобыльская АЭС (Chernobyl NPS) text:** "Chernobyl Nuclear Power Plant" written in Cyrillic, the site of the disaster.
- (77,40) **Gas mask:** Gas mask, symbolizing protection against hazardous environments, relevant to radiation and Chernobyl.
- (82,80) **Shouting Face:** A pixelated face with an open mouth, possibly depicting shock, distress, or a reaction face meme.
- (25,65) **Cool Cat:** A cat wearing sunglasses, referencing the "Cool Cat" or "Deal With It" internet meme, often used for defiance.
- (70,65) **Mutated Creature:** A pixelated creature with multiple eyes and possibly deformed features, suggesting mutation or horror.
- (80,55) **Danger Sign (triangle with !):** A standard warning sign (triangle with exclamation mark), indicating danger or hazard.
- (85,30) **Nuclear Explosion / Mushroom Cloud:** Depiction of a mushroom cloud, the iconic symbol of a nuclear explosion.
- (90,77) **Vault Boy:** Vault Boy, the mascot character from the Fallout video game series, known for his thumbs-up pose, representing post-apocalyptic survival.
- (25,15) **III text:** Roman numeral "III", possibly a project number, floor number, or other sequence indicator.
- (35,15) **Figure with Raised Arms:** A small human-like figure with arms raised, perhaps depicting distress, surrender, or a celebratory gesture.
- (55,80) **CRT Monitor:** A pixelated depiction of a CRT monitor, representing old technology or media.
- (65,10) **STOP sign:** A hexagonal STOP sign, a universal warning signal.
- (65,75) **Ladder:** A vertical ladder or staircase, suggesting structure, access, or confinement.
- (75,10) **Skull:** A skull symbol, representing death or toxicity.
- (85,20) **DANGER text:** The word "DANGER", a clear warning.
- (90,10) **1986 09 text:** The year 1986 and month 09, relevant to the time period of the Chernobyl disaster.
- (90,85) **300T text:** Text "300T", possibly a reference to a game, measurement (like tons), or specific detail related to the reactor.

Day 90: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Cityscape Sunset (more info at <https://github.com/isaacbernat/basepaint>)

- (50,30) **Sunset:** A large orange circle dominating the sky, representing the setting sun or moon, characteristic of lofi aesthetic.
- (50,45) **Cityscape:** A dense collection of pixelated buildings, including skyscrapers, forming a city skyline.
- (50,65) **Bridge:** A suspension bridge structure crossing the middle ground, connecting parts of the city.
- (50,80) **Foreground area:** The detailed lower section including a railing or barrier, suggesting a waterfront or elevated platform.
- (15,85) **Person playing piano:** A figure seated at a keyboard or piano on the left, strongly referencing the character from 'Lofi Girl'.
- (80,85) **Standing person:** A figure standing on the right side of the foreground.
- (45,40) **Space Needle-like building:** A distinctive building in the skyline resembling the Space Needle, a cultural landmark.
- (35,90) **Dog:** A small pixelated dog sitting or standing near the piano player, possibly a nod to the Lofi Girl's pet or a general pet icon.
- (35,20) **E.T. cyclist:** A small silhouette of a figure riding a bicycle flying in front of the sunset, a clear reference to the iconic E.T. scene.
- (15,10) **Meteor/Comet:** A bright, streaking object in the upper left sky, adding a dynamic celestial element.
- (70,20) **Plane:** A passenger airplane flying across the sky, a common element in cityscapes.
- (85,20) **Helicopters:** Two small helicopter shapes flying in the upper right sky.
- (80,35) **UFO:** A classic flying saucer shape hovering above the city on the right, a popular science fiction and cultural reference.
- (5,80) **Lamppost:** An old-fashioned street lamppost providing light on the far left of the foreground.
- (25,70) **Musical notes:** Symbols of musical notes floating in the air near the piano player, reinforcing the music theme common in lofi.
- (10,20) **Mountains:** Jagged peaks visible in the background on the left side, behind the city skyline.
- (95,10) **Number "190":** A small label or number displayed in the top right corner, possibly referencing a stream number, YouTube video ID, or version.

Day 91: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Amazon Jungle (more info at <https://github.com/isaacbernat/basepaint>)
- (60,70) Ugandan Knuckles Face: A large, blocky face with a wide smile, resembling the face from the Ugandan Knuckles meme.
- (45,30) Meme Frog: A frog character wearing glasses and a heart, in the style of Pepe the Frog and similar internet memes.
- (20,55) Large Wavy Snake: A large, serpentine creature with a wavy body dominating the left side.
- (30,75) Hooded Figure: A standing figure wearing a hood or pointed hat, with a discernible body shape.
- (60,40) Toucan: A toucan bird perched on a branch.
- (75,40) Hanging Monkey: A monkey hanging upside down from a vine.
- (85,70) Coiling Snake: A smaller snake coiling its body in the bottom-right.
- (35,30) Small Square Face: A small, square-shaped face with large eyes, located near the Meme Frog.
- (50,90) Shocked/Reaction Face: A small face near the bottom with wide eyes and a shocked expression, resembling a reaction meme.
- (25,65) Creature Head/Mask: A small, round shape resembling a creature's head or mask, located near the Large Wavy Snake.
- (80,55) Character Head: A small head with round eyes and a mouth, located below the Hanging Monkey.
- (5,5) Number "91": The digits 91 in the top-left corner.
- (15,15) Mushroom: A pixelated mushroom shape, possibly referencing Super Mario.
- (10,25) House/Building: A small, simple structure resembling a house.
- (70,30) Small Figure: A small, abstract figure located above the Hanging Monkey.
- (15,80) Figure with Hat: A small figure wearing a hat-like shape, in the bottom-left.
- (90,10) Plant/Flower: A small plant or flower shape in the top-right corner.
- (95,80) Pointing Hand: A small hand shape with a pointing finger in the bottom-right.

Day 92: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Neo-Noir Nightscape (more info at <https://github.com/isaacbernath/basepaint>)

- (80,75) Sanic-like figure: A pixelated bipedal creature with features resembling a distorted Sonic the Hedgehog, a popular
- (75,65) Woman in coat: A female character wearing a trench coat and sunglasses, holding an object, evoking classic neo-noir
- (90,35) Sign /92: A vertical sign displaying Japanese/Chinese characters for "Nine Two" or "Ninety-Two" and the number
- (45,45) Sign BASE: A lit sign on a building facade displaying the word "BASE", a direct reference to the basepaint.xyz platform
- (85,60) Sign 2077: A lit sign on a building facade displaying the number "2077", a clear reference to the video game Cyberpunk
- (50,25) Moon: A large, textured moon dominating the sky, a significant atmospheric element in nightscapes and often sym
- (15,75) Character with sunglasses: A character standing on the street wearing prominent sunglasses and possibly holding
- (50,75) Character Center: A human figure standing on the street in the central foreground, appearing as a generic pedest
- (35,68) Sign PAR: A sign above an awning on street level, likely indicating "PAR" or "BAR", suggesting a specific establishme

- (20,10) Airplane: An airplane flying in the top-left portion of the sky, adding a detail of modern city life and distant travel.
- (65,20) UFO (Right): A disc-shaped object in the upper right sky, resembling a classic depiction of a UFO, adding a science
- (25,25) UFO (Left): Another disc-shaped object in the middle-left sky, also resembling a UFO.
- (60,30) Bat/Bird: A small, dark silhouetted shape flying near the moon, likely representing a bat, which fits the nocturnal a
- (95,90) Creature/Cat (Bottom Right): A small, indistinct pixelated figure on the ground in the bottom right corner, possib

Day 93: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Tales of Reynard (more info at <https://github.com/isaacbernat/basepaint>)

- (48,7) **Reynard title text:** The main text "Reynard" from the title of the work.
- (85,74) **Large Fox Head:** A detailed portrait of a fox, likely representing Reynard the Fox, a central character in the tales.
- (57,23) **Checkerboard background:** A pattern resembling a transparent PNG background, commonly used as an internet meme.
- (90,10) **the Fox title text:** The smaller text "the Fox" completing the title "Reynard the Fox".
- (35,51) **Large Bear/Wolf character:** A large anthropomorphic character resembling a bear or wolf in the central scene, likely representing a character from the tales.
- (76,51) **Goose/Bird character:** An anthropomorphic character resembling a goose or other bird in the central scene, possibly another character from the tales.
- (35,79) **Open Book:** An open book, symbolizing stories, fables, literature, or the "Tales" aspect of the title.
- (37,93) **Pepe the Frog:** A figure resembling Pepe the Frog, a highly recognizable internet meme character.
- (88,93) **Deal With It character:** A character wearing large sunglasses, referencing the "Deal With It" internet meme often associated with Pepe the Frog.
- (66,87) **Long Face/Nose character:** A character with a distinctive long face and nose, possibly another animal character from the tales.
- (16,87) **Shield with R:** A shield or coat of arms displaying the letter "R", possibly representing Reynard or the project.
- (4,4) **R3 Logo:** A small icon or logo showing the letters "R3", potentially identifying the artist, project, or a specific collection.
- (5,16) **Fox Face icon:** A small portrait icon depicting a fox face, reinforcing the theme.
- (5,27) **Small Bear/Figure icon:** A small portrait icon of a bear or other animal figure.
- (5,38) **Circular Emblem icon:** A small circular emblem or seal icon, possibly a decorative element or symbol.
- (5,49) **Small Building icon:** A small icon representing a building or house, possibly part of a scene setting.
- (82,95) **Brick Wall detail:** Detail showing a brick wall structure, adding to the setting of the scene.
- (48,91) **Small Deer/Animal:** A small deer or similar animal depicted in the background.

Day 94: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Dinosaur Laser Borscht (more info at <https://github.com/isaacbernat/basepaint>)

(50,70) **Borscht Bowl:** A large bowl of red borscht, a central and titular element of the artwork.

(50,5) **FRICKIN LASER BORSCHT Text:** The full title of the artwork depicted in text across the top border.

(75,30) **Large T-Rex Head:** A large pixelated head of a Tyrannosaurus Rex dinosaur, a titular element.

(75,55) **Homer Simpson:** The iconic pixelated head of Homer Simpson from The Simpsons, depicted with large, wide eyes.

(50,40) **Large Laser Beam:** A thick, bright laser beam cutting across the image from left to right, a titular element.

(15,20) **Large Meteor or Explosion:** A fiery, pixelated object falling or exploding, adding to the chaotic scene.

(75,65) **LASAURUS Text:** Text combining 'laser' and 'saurus', likely referencing dinosaurs and lasers as a pun.

(85,95) **HMM SOO GOOD Text:** Text commonly associated with food memes or expressions of satisfaction, located near the bottom right.

(30,45) **Dinosaur Figure (Mid-left):** A smaller pixelated blue dinosaur figure.

(70,75) **Dinosaur Figure (Mid-right):** A smaller pixelated blue dinosaur figure positioned below Homer Simpson.

(20,75) **Dinosaur Figure (Bottom-left):** A smaller pixelated blue dinosaur figure near the bottom left corner.

(15,55) **Character looking up:** A pixelated character with a distressed or contemplative expression looking upwards, resembling a meme.

(35,25) **Meme Face (Yellow Smiley):** A pixelated yellow smiley face with a slightly distorted expression, a common meme.

(85,45) **Character in Box/Window:** A pixelated character with a square head and large mouth, possibly referencing game characters.

(90,85) **Character with Pickaxe:** A pixelated character figure holding a pickaxe, strongly resembling a character from the game Minecraft.

(15,40) **Character with Gun/Weapon:** A small pixelated character figure holding a weapon.

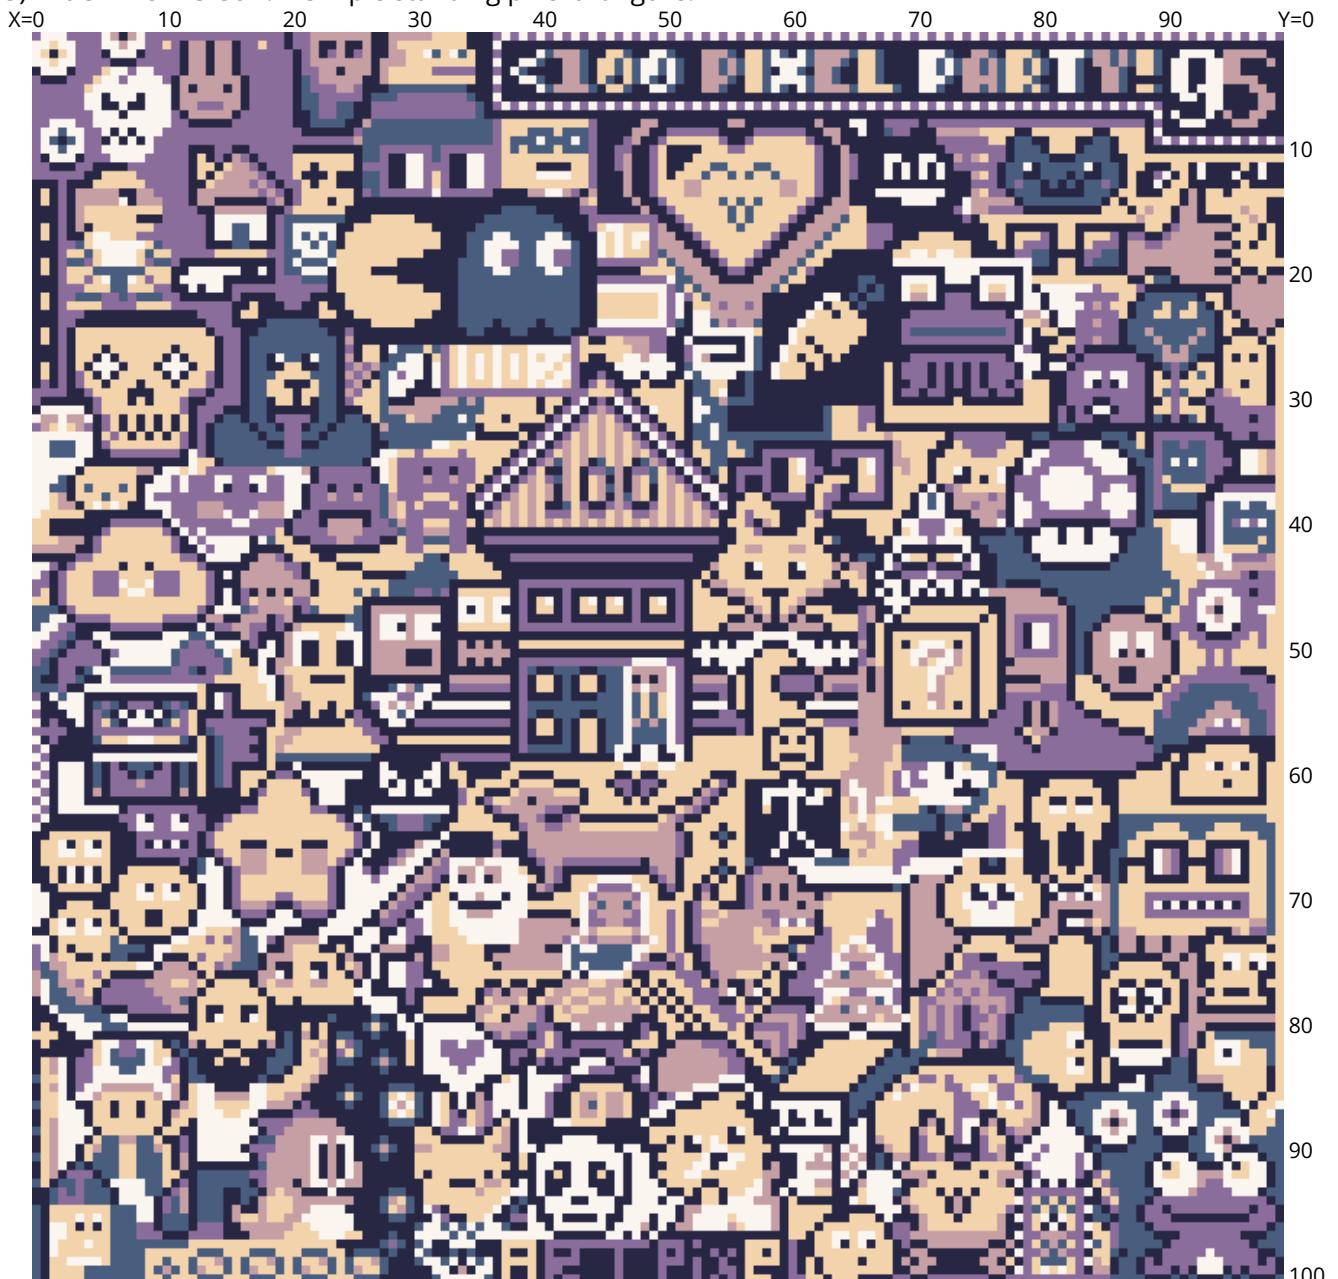

(65,30) **Blocky Character Face:** A simple pixelated face rendered in a blocky style.

Day 95: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): =<100 pixels art only. (more info at <https://github.com/isaacbernat/basepaint>)

- (55,47) **House with "100"**: Central building with "100" on the roof, likely referencing the project or event theme.
- (50,5) **100 PIXEL PARTY!**: Text banner across the top, referencing the nature of the art project/event.
- (55,25) **Crying Cat**: Heart-shaped face of the Crying Cat internet meme.
- (55,60) **Long Dog**: Pixel art depiction of a stretching dog, likely referencing the Long Dog internet meme.
- (70,85) **Doge (full body)**: Full body pixel art of the Doge meme dog (Shiba Inu).
- (10,20) **Doge Head**: Pixel art head of the Doge meme dog (Shiba Inu).
- (18,20) **Pac-Man**: Classic video game character.
- (25,20) **Pac-Man Ghost**: Classic video game enemy (likely Blinky or Inky).
- (85,20) **Black Cat**: Simple pixel art cat figure.
- (95,25) **Thumbs Up**: Universal symbol for approval or 'like', commonly used in social media and memes.
- (10,35) **Peach/Toad creature**: A pixel art character resembling elements of Super Mario characters Peach or Toad.
- (15,35) **Skull**: Common artistic motif often used in pixel art and various subcultures.
- (30,35) **Bear/Dog creature**: A simple pixel art character resembling a bear or dog.
- (85,40) **Super Mushroom**: Item from the Super Mario video game series.
- (70,45) **Question Block**: Item block from the Super Mario video game series.
- (40,55) **Smiling Star**: Could be a reference to invincibility stars (Mario), Kirby, or a general cute star icon.
- (80,65) **Dancing Skeleton**: Likely referencing the "Spooky Scary Skeletons" internet meme.
- (10,70) **Ainsley Harriott**: Pixel art face of the TV chef known for internet memes.
- (30,80) **Shrek**: Ogre character from the movie series and subject of internet memes.
- (90,80) **Blue Glasses Face**: A pixel art character face with distinctive glasses.
- (15,85) **Pepe variant**: A variation of the Pepe the Frog internet meme.
- (50,95) **WELCOME**: Text at the bottom of the image.
- (90,95) **Blue Pixel Person**: A simple standing pixel art figure.

Day 96: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Leonardo da Vinci (more info at <https://github.com/isaacbernat/basepaint>)

- (20,25) Mona Lisa portrait: A large pixel art rendition of Leonardo da Vinci's famous painting, the Mona Lisa.
- (60,85) Leonardo da Vinci portrait: A large portrait of Leonardo da Vinci with a long beard and hat, holding a pen or brush.
- (75,35) Venus/Deal With It meme: A pixelated figure resembling Venus from Botticelli's Birth of Venus, wearing "Deal With It".
- (50,65) Leonardo da Vinci text: The text label "LEONARDO DA VINCI" written across the middle section.
- (42,25) Vitruvian Man symbol: A stylized pixel art representation of Leonardo da Vinci's Vitruvian Man drawing.
- (90,85) Figure resembling painting/modern art: A female figure holding a framed painting, likely a modern interpretation of a classical work.
- (20,50) Crowd of figures: A group of small, anonymous pixel art figures, possibly representing a community or contributors.
- (45,15) Future () text: Two pixelated Chinese characters, "未来" (Wèilái), meaning "Future".
- (60,10) Flying machine (Ornithopter): A small pixel art depiction of Leonardo da Vinci's ornithopter flying machine design.
- (70,15) Flying machine (Helicopter Screw): A small pixel art depiction of Leonardo da Vinci's aerial screw (helicopter) design.
- (55,5) Exploding heart: A small pixel art icon of an exploding heart.
- (20,92) Soyjak/Meme figure: A figure resembling the Soyjak internet meme character.
- (35,80) Small Mona Lisa in frame: A small framed pixel art painting of the Mona Lisa.
- (80,45) Ninja: A small pixel art figure of a ninja.
- (10,77) Figure with beard (bottom left): A bearded man, possibly another representation of Da Vinci or a historical figure.
- (65,55) Chop symbol: A pixel art symbol resembling "chop", potentially referencing System of a Down's "Chop Suey!" or a similar reference.
- (75,60) Star: A small pixel art five-pointed star symbol.
- (10,95) Building: A small pixel art icon of a building.
- (45,95) Instrument/device: A small, unidentified pixel art instrument or device.

Day 97: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Microscopic Life** (more info at <https://github.com/isaacbernat/basepaint>)

(80,50) **Mike Wazowski:** A pixel art representation resembling Mike Wazowski from Disney Pixar's Monsters, Inc.

(55,85) **Nerd Spongebob:** A pixel art representation resembling the Nerd Spongebob internet meme.

(35,80) **Large Gaping Mouth:** A large, prominent mouth with sharp teeth, representing a microscopic predator.

(62,10) **Complex Head Creature:** A large microscopic creature head with multiple features, positioned at the top.

(80,10) **Diagonal Beam:** A large diagonal stripe, possibly representing a light beam or structural element in a microscopic

(10,35) **Spiky Virus/Cell:** A large, complex structure resembling a virus or a spiky cell.

(50,50) **Central Particle Burst:** A dense cluster of pixels in the center, representing microscopic particles or energy.

(62,65) **Complex Creature/Structure:** A large, intricate microscopic organism or structure.

(10,18) **Large Eye:** A single, prominent eye, possibly representing an eye-spot or simple organism.

(30,20) **Circular Virus/Cell:** A circular form resembling a virus or a cell.

(40,35) **Colony of Faces:** A cluster of small faces, suggesting a colony of microscopic organisms.

(35,50) **Kidney/Bean Shape:** A shape resembling a cell nucleus, organelle, or a bean, potentially with internal structures.

(10,50) **Large Eye:** A single, prominent eye, similar to the one above.

(55,50) **Creature Holding Something:** A microscopic creature holding up an object or another creature.

(95,50) **micr text:** A fragment of text, likely part of the word "microscopic".

(15,5) **Small Creature Face:** A small, simple face representing a tiny organism.

(25,7) **Small Creature Face:** A small, simple face representing a tiny organism.

(35,7) **Small Creature Face:** A small, simple face representing a tiny organism.

(45,7) **Small Creature Face:** A small, simple face representing a tiny organism.

(95,10) **Small Creature Face:** A small, simple face representing a tiny organism.

(45,20) **Generic Creature Head:** A simple head shape with eyes and mouth.

(55,20) **Generic Creature Head:** A simple head shape with eyes and mouth.

(70,20) **Generic Creature Head:** A simple head shape with eyes and mouth.

(75,35) **Vertical Creature:** A simple, vertically oriented microscopic creature.

(90,35) **Small White Creature:** A small creature drawn primarily in white pixels.
