

Day 201: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Stained Glass Window (more info at <https://github.com/isaacbernat/basepaint>)

(28,45) **Doge Saint:** A figure in a stained glass style resembling the Doge (Shiba Inu) meme with a halo.

(72,45) **Ernie Saint:** A figure in a stained glass style resembling Ernie from Sesame Street with a halo.

(27,84) **Stylized Pepe Roundel:** A face in a circular frame resembling a stylized version of Pepe the Frog, depicted in a stained glass style.

(73,84) **Shocked Wojak Roundel:** A face in a circular frame resembling the Shocked Wojak meme, depicted in a stained glass style.

Day 202: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Emojis (more info at <https://github.com/isaacbernat/basepaint>)
- (44,33) Deal With It Face: A large yellow face with sunglasses and a wide grin, commonly used as an internet meme representing a carefree attitude.
 - (20,47) Ghost: A large pixel art depiction of a ghost, similar to the ghost emoji.
 - (35,42) Winking Face with Tongue: A large yellow face winking and sticking its tongue out, representing playfulness, mischief, or flirtation.
 - (38,61) Pointing Finger: A large hand with an index finger pointing forward, often used to indicate the viewer or emphasize a point.
 - (25,75) Moai (Easter Island Head): A large pixel representation resembling the Moai statues from Easter Island, a recognizable symbol of ancient Polynesian culture.
 - (76,80) Three Wise Monkeys / See No Evil Monkey: A large monkey covering its eyes, part of the three wise monkeys proverb, representing the concept of ignoring negative things.
 - (48,81) Kingpin Cat: A large stylized cat face wearing a crown and a dollar sign chain, likely a unique character or meme created for the artwork.
 - (57,18) Sun with Face: A large pixel art depiction of the sun with a smiling face, a common symbol and emoji.
 - (66,27) Face with Monocle: A large yellow face with one eye featuring a monocle, often used to convey skepticism, sophistication, or a quirky personality.
 - (74,35) Grinning Face with Sweat: A large yellow face with a wide grin, wide eyes, and a sweatdrop, often used in anime or gaming contexts to represent intense happiness or exertion.
 - (71,48) Face with Tears of Joy: A large yellow face with a wide open mouth and eyes closed, shedding tears, representing intense happiness or laughter.
 - (86,51) Money-Mouth Face: A large yellow face with dollar signs for eyes and its tongue hanging out, representing wealth, greed, or a love for money.
 - (80,72) Flexed Biceps: A large pixel art representation of a flexed bicep, representing strength, power, or success, a common internet meme.
 - (84,89) Crying Face: A large yellow face with tears streaming down, representing sadness or grief, a common emoji.
 - (86,17) Rocket: A large pixel art rocket ship, often used to represent progress, ambition, or the concept of "to the moon" in cryptocurrency contexts.
 - (18,18) Grinning Face: A medium yellow face with a wide grin and closed eyes, representing happiness or excitement.
 - (32,17) Face with Heart-Eyes: A medium yellow face with hearts for eyes, representing love, infatuation, or admiration.
 - (49,18) Pile of Poop: A medium pixel art depiction of a pile of poop with eyes, a humorous and popular emoji.
 - (50,60) Grinning Face: A medium yellow face with a wide grin and closed eyes, representing happiness or excitement.
 - (59,41) Simple Smiling Face: A medium yellow face with a simple closed-mouth smile.
 - (70,59) Simple Smiling Face: A medium yellow face with a simple closed-mouth smile.
 - (81,38) Simple Smiling Face: A medium yellow face with a simple closed-mouth smile.
 - (33,88) Star-Struck Face: A medium yellow face with stars for eyes, representing being amazed or impressed.
 - (50,89) Simple Smiling Face: A medium yellow face with a simple closed-mouth smile.
 - (9,15) "202": Pixel art text reading "202", likely an identifier or signature for the artwork or artist.
 - (90,31) Beer Mug: A pixel art depiction of a mug filled with beer, a cultural reference or emoji.
 - (35,53) Heart: A small heart symbol, representing love or affection.
 - (47,55) Heart: A small heart symbol, representing love or affection.
 - (59,54) Heart: A small heart symbol, representing love or affection.
 - (69,52) Heart: A small heart symbol, representing love or affection.
 - (93,59) Heart: A small heart symbol, representing love or affection.

Day 203: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Crustacean Nation (more info at <https://github.com/isaacbernat/basepaint>)

- (25,75) **Muscular Lobster:** Large muscular lobster in Speedo holding flag, resembles GigaChad meme or bodybuilder culture.
- (50,45) **Large Blue Bug/Larva:** Large cute blue bug-like creature with rosy cheeks.
- (75,40) **Large Red Crab:** Prominent red crab with large claws.
- (80,80) **Fish in Suit:** Clownfish wearing suit and tie, holding a pipe, resembling a businessman character.
- (55,15) **Building Complex:** Pixel art representation of underwater buildings or city ruins.
- (80,15) **Giant Claw:** Large red claw emerging from the top right background.
- (30,45) **Cthulhu-like creature:** Red creature with tentacles, resembles H.P. Lovecraft's Cthulhu.
- (65,60) **Robot-like creature:** Small bipedal red creature with eyes on stalks.
- (35,65) **Flag with Crab:** Flag held by the muscular lobster featuring a crab silhouette.
- (50,80) **Small Character from Tube:** Creature with big eyes popping out of a green pipe, referencing Super Mario Bros.
- (35,85) **Mr. Krabs (Distorted):** Small creature with sharp teeth and wide eyes, resembles distorted Mr. Krabs from SpongeBob.
- (65,90) **Segmented creature:** Small stacked or segmented red creature or object.
- (10,20) **Red Shrimp:** Small red shrimp or prawn.
- (40,35) **Small Crab 1:** Small red crab.
- (55,30) **Small Crab 2:** Small red crab.
- (95,40) **Small Crab 4:** Small red crab.
- (85,55) **Small Crab 3:** Small red crab.
- (15,10) **Small Fish:** Tiny red and blue fish swimming in the background.
- (70,70) **Bubbles:** Small clusters of pixels representing water bubbles.
- (95,95) **Text "203":** Pixel art signature or date stamp.

Day 204: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Hot Spring () (more info at <https://github.com/isaacbernath/basepaint>)
- (35,60) **Pepe the Frog:** Large depiction of the Sad Frog meme character, wearing sunglasses, a dollar sign chain, and holding a sign.
- (75,70) **Bulbasaur:** Large depiction of the Pokémon character Bulbasaur.
- (50,15) **Giant Corn:** A large ear of corn, potentially referencing the Corn Kid meme.
- (25,20) **Doge:** The face of a Shiba Inu dog, representing the Doge meme.
- (75,25) **Anya Forger:** Character from the anime Spy x Family, depicted in a swimsuit/bikini striking a pose.
- (85,45) **Muscle Man:** A muscular man posing, possibly referencing Big Man Tyrone or a generic strongman.
- (55,50) **Creepy Baby:** A baby with an unsettling expression and eyes.
- (5,80) **Patrick Star:** Character from the Spongebob Squarepants cartoon, shown from the side.
- (25,80) **Monke / Ape:** An ape or monkey character with button eyes, possibly referencing the "Reject Humanity, Return to Monkeys" meme.
- (90,15) **Confused Nick Young:** Floating head with question marks, referencing the "Confused Nick Young" meme.
- (35,35) **Bald Man:** Simple head and shoulders of a bald man, resembling a Wojak meme variant.
- (70,55) **Capybara:** A Capybara animal, popular in online culture and memes.
- (10,15) **Large eye:** A single large eye.
- (50,35) **Rubber Duck:** A small rubber duck toy.
- (15,50) **Poop emoji:** The Pile of Poo emoji.
- (10,65) **Bottle/Can:** A generic bottle or can.
- (70,65) **Small creature:** A small reptilian or insectoid creature.
- (35,75) **Small Frog Eyes:** A pair of small frog eyes located below Pepe.
- (45,90) **Simple figure:** A small, simple figure with a bald head, possibly a Wojak variant.
- (55,90) **Simple figure:** A small, simple figure, potentially representing a child.
- (65,90) **Simple figure:** Another small, simple figure with a bald head, possibly a Wojak variant.
- (85,95) **Text "204":** The text "204", likely a canvas number or signature.

Day 205: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **The Base Hunting Party** (more info at <https://github.com/isaacbernat/basepaint>)

(8,8) **Floating item in sky:** An unusual floating object.

(48,48) **Tent:** A camping tent.

(87,63) **White creature with wings and crosshairs:** 'Falling Angel' meme creature.

(40,71) **Blue Dinosaur Head:** Tyrannosaurus Rex (Jurassic Park reference).

(98,71) **Blue character holding something:** Blobby/Wojak meme character.

(55,78) **Red Jeep:** Red Jeep (likely Jurassic Park).

(16,79) **Large White Bird:** Large white bird (goose/duck).

(48,84) **Cat:** Cat.

(63,87) **Text "2: 05":** Text "2:05" on the Jeep.

(71,90) **Reddish-brown Bird:** Bird of prey with fish.

(24,95) **Person in red hat and coat:** Person in red hat.

(87,95) **Person in white uniform:** Person in white uniform.

(56,98) **Dog:** Dog.

Day 206: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Graffiti Wall (more info at <https://github.com/isaacbernat/basepaint>)

- (51,63) BASEPAINT graffiti: The large, central graffiti text spelling out "BASEPAINT", likely the name of the project or community.
- (40,81) Person in trench coat: A stylized, dark silhouette of a person wearing a trench coat, standing near the bottom left.
- (24,67) Smiling cat face with third eye ("YAH"): A surreal, meme-like figure with a wide smile, prominent eyes, and a third eye.
- (71,27) Figure throwing something: A dynamic, dark silhouette of a person in a throwing pose, located in the top right area.
- (94,32) Silhouette figure with hand up: A dark silhouette of a person raising their hand or fist, located in the top right area.
- (63,8) Figure standing on platform: A dark figure standing on a raised platform or structure, located at the top middle.
- (35,24) Bear with dollar sign: A pixel art teddy bear with a dollar sign symbol on its chest, located in the top left area, possibly representing wealth or a mascot.
- (94,81) Trollface-like smile/figure: A figure with a wide, unsettling grin characteristic of the internet Trollface meme, signifying mischief or trolling.
- (87,83) Skeleton figure with crown: A pixel art skeleton wearing a crown, located in the middle right area, combining themes of death and royalty.
- (24,94) Figure with pointed hood: A dark, robed figure with a pointed hood or hat, located in the bottom left corner, suggesting a mysterious or occult figure.
- (83,94) 2006 numbers: The numbers "2006" rendered as graffiti text, located in the bottom right area, possibly referencing the year.
- (83,95) Text "DENVER": The text "DENVER" rendered as graffiti, located in the bottom middle area, just below the main "BASEPAINT" text.
- (19,3) Small heart: A small pixel art heart symbol in the top left corner, representing love or affection.
- (75,11) Small figure with arms up: A tiny silhouette of a person with arms raised, near the top right, possibly cheering or celebrating.
- (48,32) Radiation symbol: A small pixel art radiation hazard symbol, located in the top left area, representing danger or nuclear themes.
- (97,35) Pumpkin face: A small, simple Jack-o'-lantern face in the top right corner, associated with Halloween or spooky themes.
- (59,51) Small question mark: A small pixel art question mark symbol in the middle area, representing mystery or confusion.
- (83,51) Pointy-eared figure: A small figure with pointy ears and possibly a hat, located in the middle right area, resembling an elf or a character from a game.
- (97,59) Small figure/ghost: A small, white pixel art figure resembling a ghost, located on the right side, representing spirits or the supernatural.
- (11,75) Small eye symbol: A small pixel art eye symbol on the left side, below the cat face, representing vision, surveillance, or a watcher.
- (51,75) Small crown: A small pixel art crown symbol in the middle left area, representing royalty, power, or distinction.
- (79,83) Skull with glasses/eyes: A small pixel art skull with prominent eyes or glasses, located in the bottom right area, representing death or horror.
- (79,89) Bat symbol/wings: A small pixel art symbol resembling bat wings, located in the bottom middle area, below the "DENVER" text, possibly representing Halloween or vampires.

Day 207: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): WARNING: HIGHLY EXPLOSIVE (more info at <https://github.com/isaacbernat/basepaint>)

(65,20) **Disaster Girl Meme:** Face of Zoë Roth from the 'Disaster Girl' internet meme.

(35,25) **Mushroom Cloud:** Iconic symbol of a nuclear explosion.

(80,40) **Round Bomb:** Cartoon style round bomb with a fuse.

(55,50) **Robot Character:** Bipedal robot character, possibly from a game.

(35,70) **TNT Block:** Block of TNT explosive with 'TNT' label.

(80,80) **Large Fleshy Creature:** Large, grotesque creature, possibly a game boss or monster.

(60,85) **David Bowie figure:** Figure resembling David Bowie, cultural icon.

(88,15) **Explosive Hazard Sign:** Warning sign for explosive materials.

(80,30) **Hand Gesture:** Hand performing a gesture, possibly a finger snap or 'OK'.

(15,40) **Firefighter Character:** Character resembling a firefighter, possibly from a game.

(25,60) **Screaming Face:** Large, screaming face expressing shock or pain.

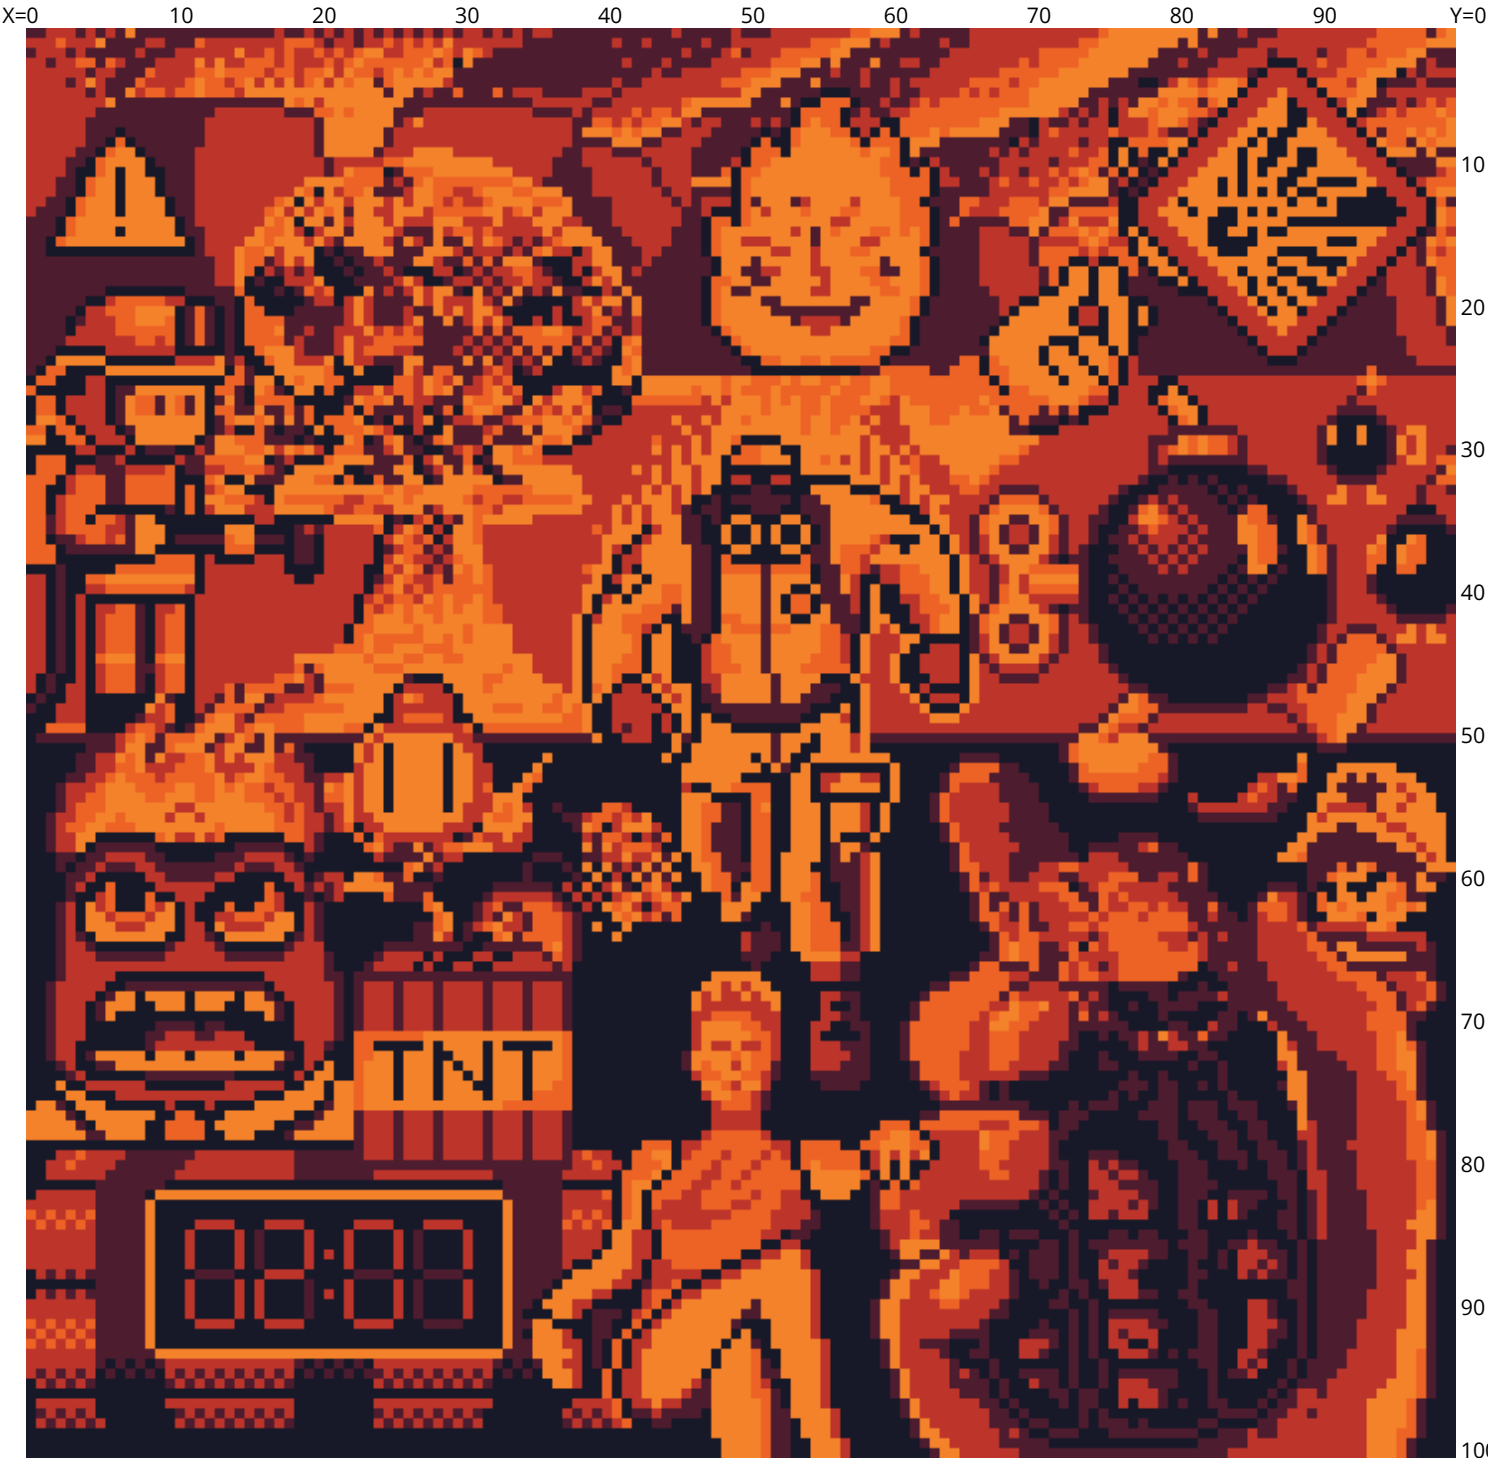

(15,85) **Digital Clock:** Digital clock displaying 08:08, possibly a timer.

(10,10) **Triangle Warning Sign:** Generic triangular warning sign.

(90,50) **Small Bombs:** Several smaller round bombs.

(75,65) **Helmet Character:** Character wearing a helmet and goggles.

(15,70) **Smaller Angry Faces:** Two smaller angry or scared faces.

Day 208: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **DUNE TWO** (more info at <https://github.com/isaacbernat/basepaint>)

- (50,65) **Sandworm:** A gigantic worm creature emerging from the sand, iconic to the Dune universe.
- (20,85) **Baron Harkonnen/Piter De Vries:** A bald, sinister-looking character in the foreground, likely a member of House Harkonnen.
- (80,85) **Paul Atreides/Chani:** A character in the foreground wearing Fremen-like attire, likely the protagonist or Chani.
- (60,35) **Structure/Palace:** A large building complex or city structure in the background, possibly Arrakeen.
- (85,55) **Spice Harvester/Vehicle:** A large vehicle used for gathering spice, seen on the right.
- (35,30) **Structure/Orbital Object:** A circular structure with linear details in the sky, possibly a space station or defense platform.
- (35,15) **Ornithopter (landing/overhead):** A winged aircraft from Dune, seen from an overhead perspective, possibly landing.
- (80,15) **Dune II Title:** Text in the upper right corner indicating "DUNE II", referencing the theme or the classic video game.
- (55,45) **Ornithopter (flying):** A winged aircraft from Dune in flight in the mid-background.
- (70,50) **Small flying birds/creatures:** Small white shapes flying in the mid-background sky.
- (50,80) **Hooded Figure:** A small lone figure walking on the sand dunes towards the sandworm, likely Paul Atreides.
- (10,10) **Crescent Moon:** A crescent moon visible in the top left sky, characteristic of the Arrakis environment.

Day 209: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Planet Earth (more info at <https://github.com/isaacbernat/basepaint>)

- (50,40) **Earth with text:** The planet Earth is depicted prominently in the center, with stylized continents and a spiral pattern.
- (50,84) **Atlas:** A muscular figure, reminiscent of Atlas from Greek mythology, is shown holding up the Earth.
- (24,40) **Distracted Boyfriend meme:** The man from the Distracted Boyfriend meme looks away from his 'girlfriend' (figure).
- (20,16) **Superhero:** A flying figure in a suit and cape, resembling Superman or a generic comic book superhero.
- (86,90) **Wall-E:** The distinctive robot character from the Disney/Pixar movie Wall-E is visible in the bottom right corner, looking up.
- (24,66) **Star Trek character:** A seated figure wearing a Starfleet-like uniform with an emblem on the chest, referencing the Star Trek franchise.
- (80,76) **Spaceship/Satellite:** An angular structure representing a satellite or spacecraft orbits near the Earth.
- (66,16) **Falling Person/Parachutist:** A figure with a parachute is shown falling or descending from the sky.
- (86,20) **Monkey with glasses (2099):** A depiction of a monkey wearing glasses, with the text "2099" above it, potentially referencing a future or a specific meme.
- (80,10) **Comet/Meteor:** A celestial body with a tail is shown streaking across the sky.
- (20,90) **This is Fine meme dog:** The dog character from the "This is Fine" meme is depicted sitting amidst flames, referencing the popular internet meme.
- (10,94) **Pepe the Frog:** The internet meme character Pepe the Frog is visible in the bottom left corner.
- (44,64) **Hand reaching out:** A large hand is reaching up towards the Earth.
- (14,30) **Astronaut:** A figure in an astronaut suit is shown in the upper left area.
- (96,6) **Smiling face:** A simple smiley face icon is present in the top right corner.
- (38,68) **Heart:** A pixelated heart symbol is placed near the hand reaching towards the Earth.

Day 210: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Diamond Heist** (more info at <https://github.com/isaacbernat/basepaint>)

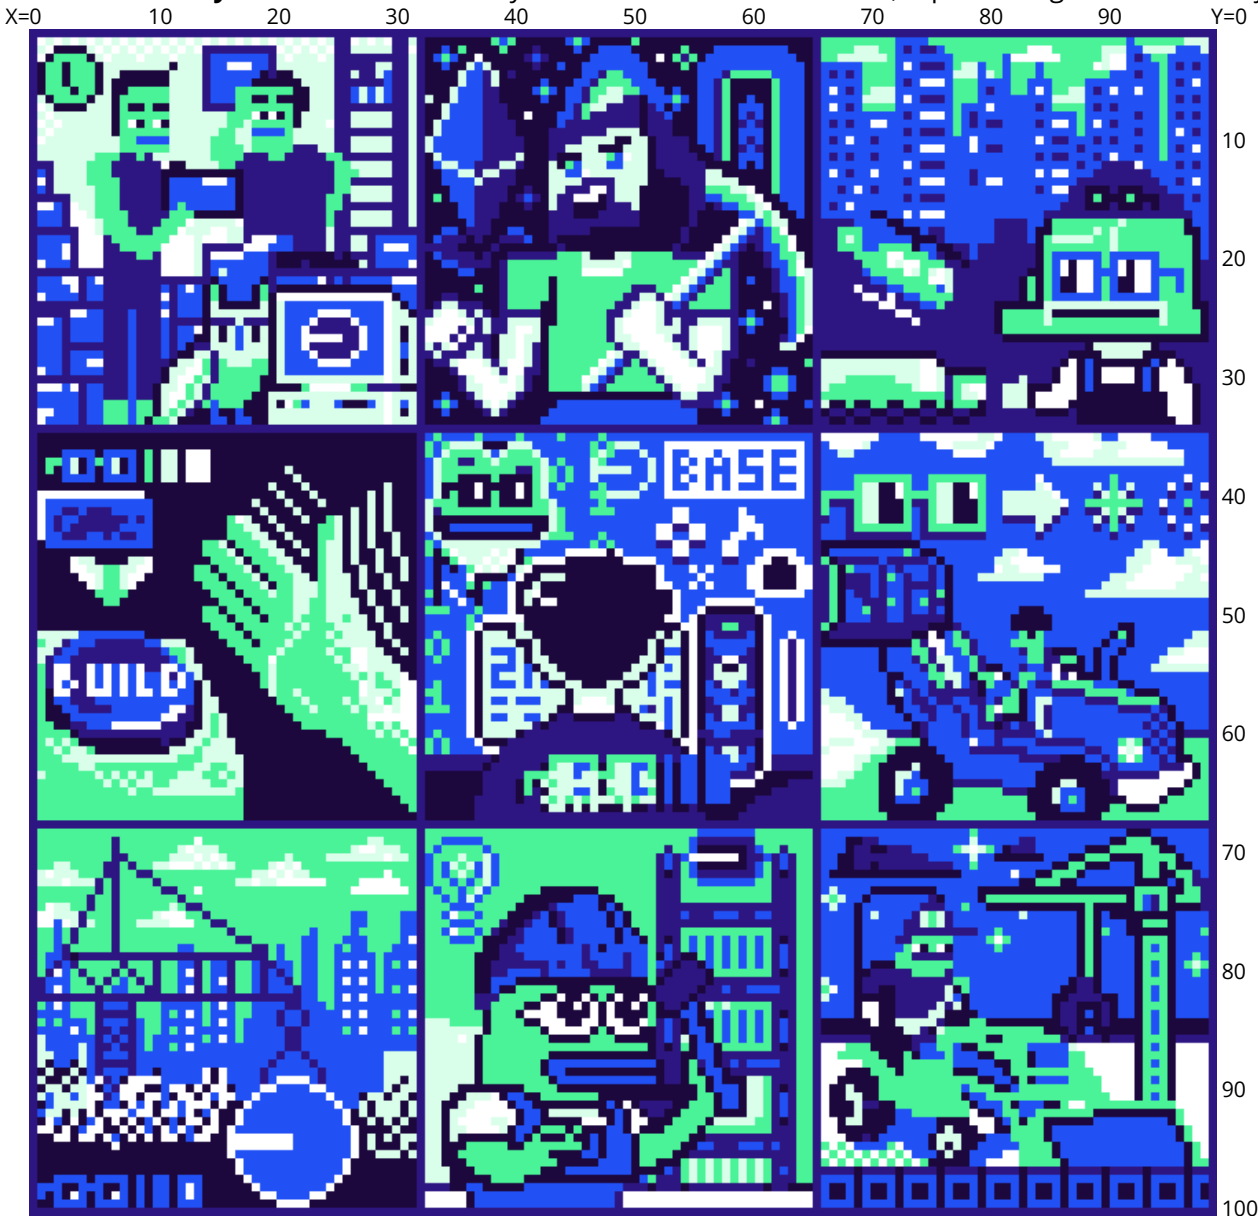

- (51,51) **Diamond Object:** A large, prominent diamond or vault with "310" and another logo, central to the scene and title.
- (16,86) **Dallas:** The character wearing the iconic Dallas mask from the Payday video game series.
- (79,86) **Dr. Manhattan:** The large, bald, blue character from the Watchmen comic book and movie.
- (44,86) **Walter White:** The character wearing the Heisenberg hat from the Breaking Bad TV series.
- (14,60) **Rick Sanchez:** The main character from the Rick and Morty animated TV series, appearing surprised.
- (94,90) **El Risitas:** The Spanish comedian Juan Joya Borja, known for the KEKW internet meme.
- (67,66) **Pepe the Frog:** A well-known internet meme character, depicted here mid-movement.
- (94,16) **GigaChad:** An internet meme representing an ideal male physique, seen in the top right.
- (83,6) **Bongo Cat:** An internet meme featuring a cat playing bongos, located in the top right corner.
- (50,12) **Mysterious Figure with Question Mark:** A small figure in a suit with a question mark above its head, possibly a secret character.
- (94,56) **Police Officer:** A character wearing a police uniform and cap.
- (94,83) **Security Guard/Officer:** A character wearing a security uniform, near the bottom right.
- (82,63) **Ninja:** A character wearing a black ninja mask.
- (6,6) **Amogus:** A character from the game Among Us, depicted behind bars in the top left.
- (17,5) **Question Mark Block:** A block with a question mark, a reference to the Super Mario video game series.
- (70,6) **Van:** A vehicle in the background, potentially a getaway van.
- (67,24) **Vault Bars:** Vertical bars in the background, suggesting a secure location or prison.
- (59,34) **Security Camera:** A camera mounted high up, likely monitoring the area.
- (83,80) **Boombox:** A portable music player, seen near Pepe the Frog.
- (52,91) **Wojak:** A small figure resembling the Crying/Sad Wojak internet meme.
- (92,35) **Small Diamond:** A small diamond, scattered around the scene as a thematic element.

Day 211: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Based Builders Building DAOs (more info at https://github.com/isaacbernat/basepaint)

- (50,85) **Pepe the Frog builder:** Green figure with construction hat and glasses, clearly resembling Pepe the Frog, holding a
- (50,48) **BASE logo/text:** Prominent display of the word "BASE", likely referring to the Coinbase Layer 2 network, central to
- (50,18) **Miner figure:** Figure with beard and hood, holding a pickaxe, suggesting mining or heavy building work, common i
- (16,55) **Large Hand:** A large hand reaching into the panel, representing interaction or the act of building.
- (16,85) **Wrecking ball:** A wrecking ball swinging towards a structure, symbolizing change, demolition, or rebuilding.
- (16,80) **Construction site/Bridge:** A large structure resembling a construction site or bridge, representing large-scale buil
- (83,20) **Green builder figure:** A generic green figure with square glasses and overalls, representing a builder or developer
- (83,85) **Forklift/Loader:** A vehicle resembling a forklift or loader, used for moving materials, a common construction tool.
- (83,55) **Small vehicle (mower?):** A small ride-on vehicle, potentially used for preparing ground or light construction.
- (16,20) **Two figures:** Two simplified figures standing together, suggesting collaboration or a meeting, representing the "Bu
- (16,65) **BUILD button:** A circular button or icon labeled "BUILD", representing the action of building.
- (60,55) **Server rack/Storage:** A vertical structure resembling a server rack or data storage unit, representing digital infrastr
- (16,30) **Computer:** A pixelated computer terminal, representing technology or the development environment.
- (50,5) **Ethereum symbol:** A geometric shape resembling the Ethereum logo, placed above the miner figure, referencing t
- (60,80) **Wrench/Tool:** A tool, possibly a wrench or spanner, held by the Pepe builder, representing tools used in building/c
- (65,85) **Blocks/Shelves:** Stacked blocks or shelves next to the Pepe builder, representing building materials or component
- (60,25) **Pickaxe:** A tool held by the miner figure, used for mining or breaking ground, another building tool reference.
- (50,65) **Figure from behind:** A figure seen from the back, seated in front of the server rack, potentially representing a use
- (16,40) **DAO label/icon:** A label or icon related to "DAO" (Decentralized Autonomous Organization), representing the goal
- (75,30) **Small forklift (?):** A small vehicle resembling a forklift, in front of the building, another construction vehicle.
- (16,5) **Clock symbol:** A clock icon, suggesting time, efficiency, or deadlines in the building process.
- (90,20) **Building:** A structure representing a building or part of a city, background for the green builder.
- (16,70) **City skyline:** A simplified city skyline in the background of the construction site panel, providing urban context.
- (75,85) **Blocks being moved:** Rectangular blocks being moved by the forklift, depicting material handling.
- (50,50) **Network/Data symbols:** Various small symbols around the "BASE" text, representing network activity, data flow, c

Day 212: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Wood Trolls (more info at <https://github.com/isaacbernat/basepaint>)

- (63,30) **Troll with Glasses:** Creature with large glasses, resembling a troll or fantasy creature.
- (35,48) **Hooded Figure:** Small figure wearing a hood, with a simple, gentle face.
- (77,65) **Large-Eyed Creature:** Creature with big, expressive eyes and a wide mouth, possibly a type of troll.
- (22,78) **Falcor:** Large, fluffy creature resembling Falcor from The NeverEnding Story.
- (55,10) **Multiple Eyes Creature:** Face with multiple eyes arranged horizontally.
- (75,10) **Bat-Winged Creature:** Small creature with bat-like wings perched on top.
- (90,10) **Long Nose Face:** Face with a prominent, long nose pointing downwards.
- (40,18) **Pointy Hat Figure:** Small figure wearing a conical pointed hat.
- (87,17) **Crowned Head:** Head wearing a small crown or headpiece.
- (68,20) **Floating Head:** Disembodied head with a simple face.
- (90,25) **Narrow Mouth Face:** Face with a thin, horizontal mouth line.
- (55,25) **Spiky Hair Face:** Face with spiky hair and a wide grin.
- (17,30) **Grinning Face:** Face with a wide, toothy grin.
- (90,32) **Bald Head:** Head with a large, bald forehead and small facial features.
- (87,39) **Closed Eyes Face:** Simple face with closed eyes depicted as horizontal lines.
- (81,47) **Dotted Face:** Face or figure covered in a pattern of dots or spots.
- (8,52) **Wide Mouth Face:** Face with a large, gaping mouth showing teeth.
- (72,51) **Spear Wielder:** Figure holding a long spear or trident.
- (60,53) **Small Cat:** Small creature resembling a sitting cat.
- (21,57) **Blob Creature:** Pale, rounded creature with simple eyes and mouth.
- (47,62) **Stacked Figures:** Vertical arrangement of faces or figures stacked on top of each other.
- (93,62) **Square Head Figure:** Figure with a distinctly square head and crossed eyes.
- (92,72) **Big Ears Face:** Face with prominent, large sticking-out ears.
- (38,73) **Simple Round Face:** Small figure with a round head and a very simple face.
- (81,77) **Crouching Figure:** Small figure appearing to be crouching or bent over.
- (72,89) **Wide-Eyed Figure:** Small figure with wide, round eyes and a small mouth.
- (57,85) **Lantern Bearer:** Small figure holding up a lantern or light source.
- (89,85) **Bearded Figure:** Figure with a beard and wearing a helmet or hat.
- (34,86) **Pointed Ears Creature:** Small figure with prominent pointed ears.
- (95,88) **Pointed Chin Face:** Face with a distinct, sharp pointed chin.
- (55,95) **Simple Mouth Face:** Very simple face consisting mainly of a mouth line.
- (95,95) **Number 212:** The number '212' rendered in pixels, potentially a signature or reference.

Day 213: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): In Memory of Akira Toriyama (more info at <https://github.com/isaacbernat/basepaint>)

(78,75) **Akira Toriyama**: Portrait of the creator.

(35,70) **Goku (Kid)**: Protagonist of Dragon Ball.

(48,45) **Arale Norimaki**: Protagonist of Dr. Slump.

(15,75) **Vegeta**: Major character from Dragon Ball.

(80,45) **Krillin**: Prominent character from Dragon Ball.

(15,20) **Philip (Space Funeral)**: Internet meme character from Space Funeral.

(20,55) **Master Roshi (Kame-Sennin)**: Goku's martial arts master from Dragon Ball.

(55,25) **Slime**: Iconic monster from the Dragon Quest series.

(85,25) **Korin (Karin)**: Martial arts master cat from Dragon Ball.

(78,58) **Dragon Balls**: Mystical spheres from Dragon Ball.

(25,85) **Gohan (Kid)**: Goku's son from Dragon Ball.

(65,60) **Tien Shinhan**: Skilled martial artist from Dragon Ball.

(10,95) **Oolong**: Shapeshifting pig from early Dragon Ball.

(68,18) **Background House**: Building likely from a Toriyama setting.

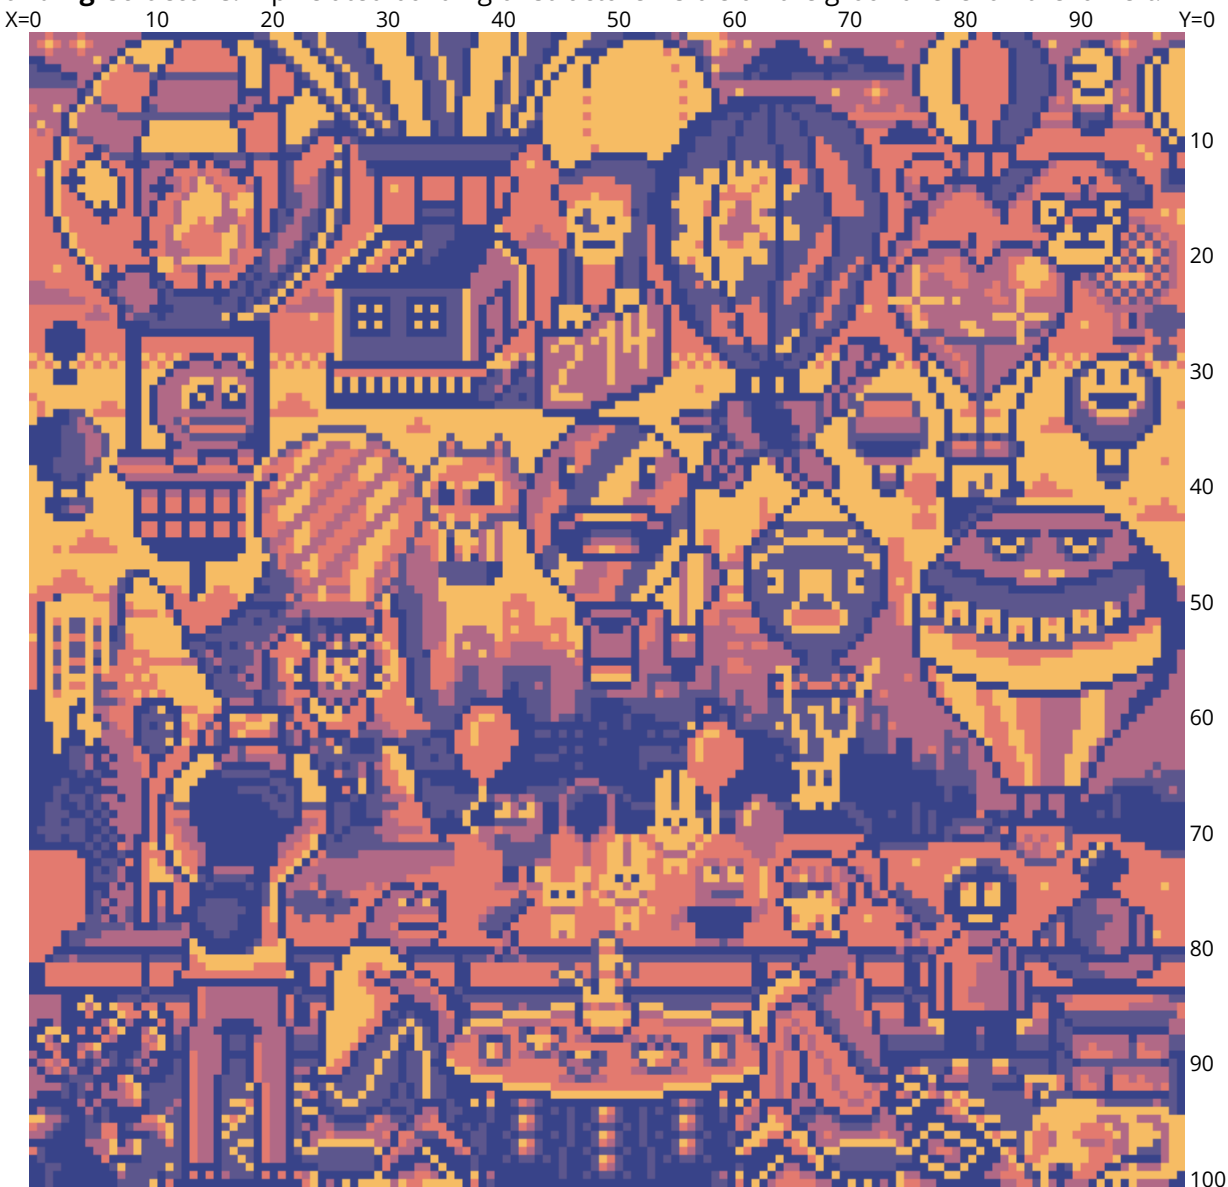

(45,15) **Palm Trees**: Background landscape element.

Day 214: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Hot Air Balloons (more info at <https://github.com/isaacbernat/basepaint>)

- (70,70) **Bowser-like balloon:** Large balloon with an angry face, sharp teeth, and textured skin, resembling Bowser from the Super Mario game series.
- (45,35) **Large Character Head Balloon:** Large, patterned balloon resembling a stylized animal or character head with prominent features.
- (60,78) **Grinning Mouth/Face:** A large, prominent grinning mouth and part of a face visible near the bottom center, potentially resembling a character like Pac-Man.
- (85,90) **Daft Punk character:** A character resembling a member of the electronic music duo Daft Punk standing on a platform.

- (25,58) **Rick Sanchez:** Protagonist from the animated TV series Rick and Morty, shown with a characteristically angry or exasperated expression.
- (20,78) **Courage the Cowardly Dog:** Main character from the cartoon series, depicted with his signature wide-mouthed scream, symbolizing intense emotion.
- (84,81) **Angry Fanged Face:** A monstrous or cartoonish face with sharp teeth (fangs) and an angry expression, representing rage.
- (51,12) **Angry Gnome/Dwarf:** A small fantasy creature (gnome or dwarf) depicted with an angry expression, possibly referencing a meme.
- (76,16) **Penguin-like figures:** A group of small, bird-like characters resembling penguins, showing angry expressions and contributing to the overall theme of rage.
- (20,33) **ANGER text:** Pixel art text spelling out the word "ANGER", directly stating the theme of the image.
- (38,79) **Angry Faces/Pumpkins:** A cluster of round, angry faces, resembling Halloween pumpkins or generic angry cartoon characters.
- (68,42) **Generic Screaming Face:** A pixel art character with a wide-open mouth, appearing to be screaming or yelling, a universal symbol of intense emotion.
- (93,33) **Square-Eyed Angry Face:** A cartoonish face with distinctive square eyes and an angry expression.

Day 230: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Superchain (more info at <https://github.com/isaacbernat/basepaint>)

- (50,55) Ethereum-like Diamond: A large, central geometric shape resembling the Ethereum logo or a generic blockchain
- (90,50) SUPERCHAIN text: Vertical red text spelling out "SUPERCHAIN".
- (15,80) OP Circle/Coin: A prominent red circular object labeled with the letters "OP", likely referencing Optimism.
- (25,30) Captain America-like Character: A figure in a red suit with a shield and dynamic pose, reminiscent of Captain America.
- (55,15) Small OP Robot: A small red robot character with antennae and "OP" on its chest.
- (80,60) Rubik's Cube: A pixelated representation of a Rubik's Cube puzzle.
- (80,85) DNA Double Helix: A swirling red structure depicting a strand of DNA.
- (75,45) Hexagonal Symbol with internal 'A': A hexagon containing a symbol that resembles an 'A' or an upward arrow.
- (85,20) Sphere/Planet: A blue shaded sphere, possibly representing a planet or orb.
- (55,30) Horizontal Pill Shape: A blue oblong shape with horizontal lines, appearing as a futuristic platform or object.
- (25,65) Small Red Object: A small red object with a lighter top, similar in appearance to a mushroom from Super Mario game.
- (20,70) Rectangle Object: A small rectangular block with internal lines, possibly representing a data chip or building block.

Day 231: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 7 Deadly Sins: Gluttony (more info at <https://github.com/isaacbernat/basepaint>)

- (20,30) **Snorlax:** The large sleeping/eating Pokemon, known for its huge appetite.
- (84,30) **Fat Mac:** Mac from It's Always Sunny in Philadelphia "cultivating mass", a popular internet meme depicting extreme eating.
- (78,62) **Luffy:** Monkey D. Luffy from the anime and manga One Piece, known for his enormous appetite and love of meat.
- (25,75) **Giant Burger Monster:** A large, monstrous hamburger with teeth, seemingly devouring something, symbolizing overeating.
- (82,78) **Patrick Star:** Patrick Star from SpongeBob SquarePants, often depicted eating Krabby Patties excessively.
- (48,35) **Grumpy Cat:** A popular internet meme featuring a cat with a distinctive "grumpy" facial expression.
- (68,36) **Happy Cat:** A cat with a cheerful expression, possibly a contrasting figure to Grumpy Cat or a reference like Nyan Cat.
- (35,57) **Pile of Cookies:** A large pile of cookies, representing excessive consumption of sweets.
- (85,93) **Pile of Burgers:** A stack of burgers next to Patrick Star, referencing Krabby Patties.
- (35,15) **Duck Hunt Duck:** The duck from the classic Nintendo game Duck Hunt, perhaps present as a target of gluttony.
- (70,18) **Startled observer:** A small character or person looking surprised or overwhelmed by the scene of gluttony.
- (18,47) **Small yellow creature:** A small, round, yellow character depicted eating. Its specific identity is unclear.
- (40,42) **Hungry blob creature:** A pink blob-like character with arms, also shown eating. Its specific identity is unclear.
- (45,85) **Pig in a Suit:** A pig wearing a suit, possibly representing indulgence, wealth, or greed in the context of gluttony.
- (76,89) **Kirby:** Kirby from the Nintendo video game series, known for his ability to inhale enemies and food.
- (60,11) **Speech bubble:** A speech bubble containing the number "231", likely a reference to the basepaint.xyz canvas number.
- (60,50) **Fish bones:** Skeletal remains of fish, implying they have been eaten as part of the feast.
- (32,88) **Small dark creature:** A small, dark-colored character depicted near the bottom. Its specific identity is unclear.
- (12,95) **NOM text:** Text reading "NOM", an onomatopoeia commonly used in internet culture and comics to represent eating.

Day 232: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 7 Deadly Sins: Greed (more info at <https://github.com/isaacbernat/basepaint>)

- (25,30) **Walter White:** Iconic character from the TV show "Breaking Bad", representing ambition and the pursuit of wealth.
- (80,80) **Character with Money Eyes:** A stylized face with currency covering the eyes and tongue sticking out, a direct visual pun on greed.
- (45,80) **Dog:** The head of a dog, likely a Shiba Inu, referencing the Doge meme and its association with cryptocurrency, specifically Dogecoin.
- (70,45) **Reptilian Creature:** A green, serpentine creature with claws, potentially referencing the game "Slither.io" where players compete for power.
- (15,80) **Mario:** The recognizable face of Mario from the "Super Mario Bros." game series, iconic for collecting coins and power-ups.
- (15,55) **Figure with Rifle:** A silhouetted figure holding a large rifle, symbolizing protection of assets, power, or the aggressive pursuit of wealth.
- (70,65) **Businessman Figure (Right):** A figure in a suit with a stern expression, pointing upwards, representing the corporate world and ambition.
- (45,45) **Businessman Figure (Middle):** A figure in a suit and tie, another representation of the business or financial world.
- (55,20) **Figures with \$ symbol:** Two small stylized figures adorned with dollar signs, one holding a bag, symbolizing wealth and accumulation.
- (20,50) **Money Pile:** A stack or pile of currency, including coins and banknotes, representing accumulated wealth or treasure.
- (75,15) **Eye:** A large eye, potentially representing vigilance, surveillance, or the Eye of Providence, a symbol sometimes associated with greed.
- (50,5) **Text "GREED":** The word "GREED" repeated as a decorative border element at the top, explicitly stating the theme.
- (45,10) **Numbers "10,000":** The number 10,000 displayed, representing a significant value, large sum of money, score, or achievement.
- (90,15) **Stacked Bar Graph:** A small graph showing increasing bars, representing financial growth, business metrics, or progress.
- (85,25) **Distorted Face Yelling:** A stylized face with an open mouth, appearing to yell, which could represent intense emotion or the desperate pursuit of wealth.
- (45,65) **Pig:** A small pig face, commonly symbolizing a piggy bank or the act of saving and hoarding money.
- (70,80) **Grinning/Spiky Hair Character:** A character face with a wide grin and spiky hair, possibly representing someone who has achieved wealth through questionable means.
- (15,95) **Text "Lv 232":** Text indicating "Level 232", a reference from gaming culture representing a very high level achieved.
- (35,30) **Money Symbol (\$):** A dollar sign symbol, representing currency or wealth, scattered throughout the image to reinforce the theme.
- (85,40) **Coin/Token:** A small circular object, appearing as a coin or token, another representation of currency or valuable items.
- (30,60) **Letter 'E' symbol:** A stylized letter 'E' inside a shaped border, the specific reference is unclear but could relate to a game or achievement.
- (95,95) **Hand with Coin:** A small depiction of a hand holding a coin or chip, representing the act of handling, taking, or possessing wealth.

Day 233: Description version 0.3.0 (*gemini-2.5-flash-preview-04-17*)

(X. Y): The Bear Necessities (more info at <https://github.com/isaacbernat/basepaint>)

(25,25) **Baloo:** Prominent bear from The Jungle Book playing a brass instrument (tuba/Sousaphone).

(50,25) **King Louie:** Character from The Jungle Book in a dancing pose.

(75,30) **Fishing Bear:** Large bear fishing with a rod, possibly referencing survival or Bear Grylls.

(25,50) **Mowgli:** Human child protagonist from Disney's The Jungle Book, wearing a green outfit.

(25,90) **Business Bear:** Bear wearing a suit, referencing a common internet meme/trope.

(35,65) **Bear with "233" cup:** Bear holding a cup with the numbers "233", referencing Chinese internet slang/emoticon.

(75,70) **Framed Picture:** A framed picture containing two smaller bears.

(10,40) **Trumpet Bear:** Bear playing a brass instrument (trumpet or horn).

(65,55) **Sitting Bear:** Bear sitting on a chair, appearing relaxed or observing.

(45,60) **Cap Bear:** Bear wearing a green cap.

(75,50) **Fishing Line and Fish:** A fish caught on a line, part of the Fishing Bear scene.

(10,75) **Small Child:** A smaller human child figure, similar in appearance to Mowgli.

(85,90) **Crown Bear:** Bear wearing a small crown.

(70,90) **Beer Bear:** Bear holding a beer stein.

(90,90) **Monocle Bear:** Bear wearing a monocle or round glasses.

(35,55) **Teddy Bear:** Small teddy bear figure located next to Mowgli.

(65,65) **Teddy Bear:** Small teddy bear figure sitting on the lap of the Sitting Bear.

(40,85) **Teddy Bear:** Small teddy bear figure in the bottom center area.

(55,90) **Teddy Bear:** Small teddy bear figure in the bottom right area.

(80,80) **Teddy Bear:** Small teddy bear figure on the ground near the Beer Bear.

(50,45) **Lattice/Grid Background:** A patterned background area resembling a lattice or fence.

Day 234: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Easter Egg Hunt (more info at <https://github.com/isaacbernat/basepaint>)

- (50,35) **Jesus figure:** Depiction resembling "Buddy Christ" from Dogma, pointing left and giving a thumbs-up, with a visible
- (75,55) **Screaming Bunny:** Character strongly resembling a Raving Rabbid from the video game series, with a wide-open, s
- (50,85) **Fox in Suit:** Anthropomorphic fox character resembling Nick Wilde from Disney's Zootopia, wearing a suit and hold
- (85,20) **Happy bunny face:** A large, prominent bunny head with a smile.
- (20,55) **Bunny holding smaller bunny:** A bunny carrying or interacting with a smaller bunny.
- (65,35) **Bunny with glasses:** A bunny wearing distinct rectangular glasses.
- (45,40) **Bunny with heart details:** A bunny with heart-shaped elements, potentially heart eyes or a decorative collar.
- (95,40) **Egg with face:** An Easter egg decorated with a simple smiling face, possibly referencing meme faces.
- (65,10) **Church building:** A small church with a cross on a hill in the background, representing the religious aspect of Easter.
- (55,65) **Large decorated egg:** A sizable Easter egg with a pattern, located near the bottom center.
- (65,50) **Bunny head:** A smaller bunny head visible near the screaming bunny.
- (10,90) **Creature face:** A small face peaking from the bottom left corner, appearance suggests a non-human creature.
- (35,85) **Bunny with basket:** A bunny figure holding or standing near an Easter basket.
- (80,95) **Small bunny:** A small bunny figure towards the bottom right.

Day 235: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Vampires! (more info at <https://github.com/isaacbernat/basepaint>)

- (50,25) **Count Dracula (Classic):** A portrayal resembling Bela Lugosi's iconic movie vampire.
- (30,50) **Vampire Mouth Meme:** A popular internet meme image of bright red lips with fangs dripping blood.
- (20,62) **Graf Orlok:** The distinctive, rat-like vampire from the silent film "Nosferatu".
- (80,62) **Deacon (WWDITS):** Mark Proksch's character from the TV series "What We Do in the Shadows", a young, rebellious vampire.
- (90,80) **Nadja (WWDITS):** Natasia Demetriou's character from the TV series "What We Do in the Shadows", a passionate, over-the-top vampire.
- (20,84) **Viago (WWDITS):** Taika Waititi's character from the TV series "What We Do in the Shadows", a polite, effete vampire.
- (55,84) **Count von Count (Sesame Street):** The friendly, counting vampire muppet from "Sesame Street".
- (75,84) **Vladislav (WWDITS):** Jemaine Clement's character from "What We Do in the Shadows", a cynical, ancient vampire.
- (20,30) **David (The Lost Boys):** Kiefer Sutherland's character from the movie "The Lost Boys", a leader of a gang of biker vampires.
- (80,30) **Marceline the Vampire Queen:** A main character from the animated series "Adventure Time", depicted with white hair and a mischievous grin.
- (65,40) **Petyr (WWDITS):** The ancient, bald vampire from "What We Do in the Shadows" who lives in the basement.
- (40,60) **Bloody Mouth:** A depiction of a human or vampire mouth covered in blood, possibly referencing a specific character.
- (68,40) **Ghoul Creature:** A small, grotesque creature resembling the Ghouls from "What We Do in the Shadows".
- (15,45) **Tombstone "RIP 235":** A tombstone with the text "RIP 235", likely a reference specific to the Basepaint project or community.
- (15,60) **Cat Vampire:** A cat depicted with vampire fangs and red eyes.
- (45,85) **Guillermo de la Cruz (WWDITS):** Harvey Guillén's character from "What We Do in the Shadows", a familiar and loyal vampire.
- (95,95) **Nadja's Familiar/Doll (WWDITS):** Nadja's possessed doll from "What We Do in the Shadows", depicted as a small, doll-like figure.
- (25,75) **Child Vampire:** A small figure of a child with fangs.
- (85,75) **Child Vampire:** A small figure of a child with fangs.
- (10,90) **Child Vampire:** A small figure of a child with fangs.
- (40,94) **Baby Vampire:** A very small figure of an infant vampire.
- (65,94) **Baby Vampire:** A very small figure of an infant vampire.
- (20,10) **Bats (Left Group):** A cluster of pixel art bats flying in the sky.
- (60,10) **Bats (Right Group):** A cluster of pixel art bats flying in the sky.
- (90,20) **Full Moon:** A large, round full moon in the night sky.
- (15,50) **Cemetery Fence (Left section):** Part of the decorative fence typically surrounding a graveyard.
- (50,50) **Cemetery Fence (Center section):** Part of the decorative fence typically surrounding a graveyard.

Day 236: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): History of Computers (more info at <https://github.com/isaacbernat/basepaint>)

- (30,60) **Bill Gates:** Portrait of the co-founder of Microsoft, a key figure in the personal computer revolution.
- (75,80) **Steve Jobs:** Portrait of the co-founder of Apple, a key figure in personal computing, design, and mobile technology.
- (25,25) **March of Progress / Evolution on Screen:** A visual reference to the "March of Progress" or evolution, displayed on a screen.
- (60,35) **Ada Lovelace / Pioneer Woman:** Portrait of a historical figure in computing, likely Ada Lovelace, considered the first computer programmer.
- (80,30) **Apple II Computer:** A representation of the iconic Apple II personal computer, influential in the early home computing revolution.
- (75,60) **Person with VR Goggles:** A person wearing Virtual Reality goggles, representing modern and future computing interfaces.
- (30,85) **Vintage Desktop PC Setup:** An early personal computer setup including a monitor, keyboard, and mouse.
- (75,48) **Apple Logo:** The classic rainbow-colored Apple logo, symbolizing the company.
- (50,60) **Tower PC Case:** A representation of a standard desktop computer tower case.
- (40,70) **Woman at Computer:** A small figure of a woman working at a computer, representing users or pioneers in computing.
- (60,90) **Tux the Penguin:** The official mascot of the Linux operating system, representing open source software and related technologies.
- (40,90) **Mario Head/Hat:** The head or hat of Mario, the iconic Nintendo video game character, representing gaming culture.
- (90,15) **Floppy Disk:** A symbol representing the floppy disk, a common data storage medium from the late 20th century.
- (75,90) **Game Controller:** A modern video game controller, representing the convergence of gaming and computing.
- (10,60) **Binary Code:** Vertical lines of 0s and 1s, representing the binary language fundamental to computing and a common data format.
- (35,45) **Smaller Monitor (middle-left):** A smaller computer screen showing a cursor, possibly representing user interaction or a specific application window.
- (60,50) **Smaller Monitor (middle-right):** A smaller computer screen displaying colorful blocks or pixels, possibly representing early digital art or graphics.
- (55,75) **Smaller Monitor (bottom-middle):** A smaller computer screen displaying a simple image, possibly an emoji or a basic graphical user interface element.

Day 237: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Beer! (more info at <https://github.com/isaacbernat/basepaint>)

- (70,85) **Boot Beer Glass:** A large beer glass shaped like a boot (Bierstiefel), a German drinking tradition.
- (35,80) **Aang:** A character resembling Aang from Avatar: The Last Airbender, a bald figure in the foreground holding a drink.
- (15,35) **Peter Griffin:** A character resembling Peter Griffin from Family Guy, prominent on the left side, wearing glasses and a white shirt.
- (90,60) **Cheering Patron:** A cartoon-style character on the right, holding a large glass of beer and appearing to cheer.
- (50,55) **Bar Counter:** The main bar counter structure running horizontally across the mid-section of the image.
- (45,25) **Minion:** A character resembling a Minion from the Despicable Me franchise, drinking at the bar.
- (30,25) **Popeye:** A character resembling Popeye the Sailor, with an elongated head and sailor hat, drinking at the bar.
- (10,85) **Deal With It Face:** A face near the bottom left, wearing sunglasses associated with the "Deal With It" internet meme.
- (75,20) **Moose Head:** A mounted moose head trophy on the back wall, common pub decor.
- (85,35) **Shelves with Bottles:** Shelves filled with various bottles (presumably alcohol) on the back wall to the right.
- (15,10) **PUB 237 Sign:** A sign in the top left corner reading "PUB 237", possibly a reference to Room 237 from The Shining.
- (50,15) **Chandelier:** A decorative chandelier hanging from the ceiling.
- (30,60) **Large Nose Patron:** A character with a distinctive large nose and hat, seated near the front on the left.
- (55,50) **Bartender:** A person behind the bar counter serving drinks.
- (45,85) **Face in Foam:** A small, stylized face visible in the foam of a large beer glass, possibly a hidden reference.

Day 238: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Cityscapes: Paris (more info at <https://github.com/isaacbernat/basepaint>)

(60,40) **Eiffel Tower:** Iconic iron lattice tower, a symbol of Paris.

(80,50) **Notre Dame:** Famous gothic cathedral.

(45,55) **Sacré-Cœur Basilica:** Prominent basilica on Montmartre.

(25,85) **Arc de Triomphe:** Monument honoring military victories.

(55,35) **Moulin Rouge:** Historic cabaret and windmill.

(85,60) **Carousel:** Amusement ride, often found in parks or squares.

(15,45) **Mona Lisa:** World-famous portrait painting housed in the Louvre.

(15,75) **Amelie Poulain:** Protagonist of the film 'Amelie', set in Montmartre.

(85,85) **Pepé Le Pew:** Cartoon skunk character from Looney Tunes, associated with France.

(60,10) **French Flag:** The tricolor flag of France.

(20,15) **Sign 'BB 38':** Specific alphanumeric sign, likely related to a pixel art community event or team.

(55,20) **Red Balloon:** Object, possibly referencing the French film 'Le Ballon Rouge'.

(35,35) **White Pigeon:** Bird, common in Paris, also a symbol of peace.

(85,40) **Gargoyles:** Grotesque stone figures, notably found on Notre Dame Cathedral.

(35,50) **Heart:** Symbol of love or romance, fitting the 'City of Love' theme.

(95,85) **Rooster:** Gallic Rooster, an unofficial national symbol of France.

(50,90) **Kissing Couple:** Depicts a romantic scene, reflecting Paris as the 'City of Love'.

Day 239: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Battle of the Memes: Dogs v Cats (more info at <https://github.com/isaacbernath/basepaint>)

- (75,40) **Keyboard Cat:** Large cat playing a keyboard, referencing the iconic Internet meme.
- (50,80) **Grumpy Cat:** Large face of a cat with a perpetually grumpy expression, referencing the iconic Internet meme.
- (25,60) **Buff Doge:** Muscular dog body with a dog head, referencing the Buff Doge vs. Cheems Internet meme template.
- (25,15) **Walter:** Dog wearing a hat, referencing the Walter Internet meme.
- (20,40) **Yelling Doge/Cheems:** Dog with an open mouth appearing to yell or shout, often paired with Buff Doge in the Buff Doge meme.
- (35,25) **Doge (Classic):** Face of a Shiba Inu dog with a specific expression, referencing the classic Doge Internet meme.
- (15,90) **This is Fine Dog:** Dog sitting in a burning room with text "THIS IS FINE", referencing the "This is Fine" Internet meme.
- (90,45) **Nyan Cat Trail:** A rainbow trail pattern, referencing the iconic Nyan Cat Internet meme.
- (85,15) **Wide-eyed Cat:** Cat face with exaggeratedly large and wide eyes, resembling the "Cursed Cat" or similar uncanny valley images.
- (75,65) **Sad/Pleading Cat:** Cat face with a pleading, sad expression, strongly resembling Puss in Boots from the Shrek franchise.
- (75,55) **Small dog with big head:** Small dog resembling a Shiba Inu with a disproportionately large head, potentially referencing the "Big Head Dog" meme.
- (55,35) **Cat face with dot pattern:** Mid-size cat face with a distinctive spotted or pixelated pattern.
- (95,15) **MEOW text:** The word "MEOW" in pixel text.
- (65,55) **Dog sticking tongue out:** Dog face with its tongue sticking out.
- (75,85) **Cat head with striped pattern:** Cat face with a striped pattern.
- (15,80) **Small dog peeking:** Small dog face peeking from the side.
- (55,90) **Small dog head looking up:** Small dog face looking upwards.
- (25,50) **Generic dog face:** Small generic dog face between the two large Doge variants.
- (50,55) **Generic cat face:** Small generic cat face near the center.
- (50,70) **Generic cat face:** Small generic cat face just above Grumpy Cat.
- (40,5) **Generic dog face:** Tiny generic dog face near the top-left.
- (50,5) **Generic cat face:** Tiny generic cat face near the top-center.

Day 240: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Nocturnal Cityscape (more info at <https://github.com/isaacbernat/basepaint>)

(80,20) **Moon:** Large yellow sphere in the sky.

(85,35) **Godzilla:** Large reptilian head appearing over buildings.

(50,48) **Elevated Train Line:** Horizontal infrastructure with lights.

(8,28) **Space Needle:** Distinctive tower structure.

(90,90) **Pepe the Frog:** Meme character figure on a ship.

(55,75) **Building with Eyes:** Building facade with windows forming large eyes.

(75,22) **Airplane:** Plane flying near the moon.

(20,15) **Helicopter:** Helicopter flying over the city.

(85,90) **Ship:** Vessel on the water.

(50,65) **Building with H symbol:** Building with windows forming the letter H.

(35,70) **Building with face pattern:** Building facade with windows resembling a face.

(25,60) **Subway Entrance:** Structure below the elevated train line.

(40,95) **Road with traffic:** Street area with visible vehicle lights.

Day 241: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Persian carpets (more info at <https://github.com/isaacbernat/basepaint>)
- (25,25) Loss figure: Stylized figure resembling the 'Loss' internet meme structure.
- (75,25) Loss figure: Stylized figure resembling the 'Loss' internet meme structure.
- (25,75) Loss figure: Stylized figure resembling the 'Loss' internet meme structure.
- (75,75) Loss figure: Stylized figure resembling the 'Loss' internet meme structure.
- (50,50) Central Medallion: Large central geometric pattern typical of Persian carpets.
- (25,44) Gazelle/Deer figure: Stylized animal figure (gazelle or deer).
- (75,44) Gazelle/Deer figure: Stylized animal figure (gazelle or deer).
- (25,56) Gazelle/Deer figure: Stylized animal figure (gazelle or deer).
- (75,56) Gazelle/Deer figure: Stylized animal figure (gazelle or deer).
- (7,6) Repeating "face/skull" border pattern: Repeated motif in the inner border resembling a simplified face or skull.

Day 242: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Dragon's Lair** (more info at <https://github.com/isaacbernat/basepaint>)

(35,30) **Large Dragon:** A large, classic European-style dragon head and neck dominating the upper area.

(75,40) **Coiled Dragon:** A smaller dragon with a coiled body and head facing right.

(40,50) **Dancing Skeleton:** A skeletal figure striking a pose, likely a reference to the Skeleton Dancing or Mr. Skeltal meme.

(25,75) **Knight:** A human warrior in armor, depicted as a protagonist figure.

(70,80) **Girl:** A small human female figure.

(85,80) **Standing Skeleton:** A skeleton figure standing upright.

(85,40) **Castle:** A small fantasy castle or tower structure.

(35,65) **Skull Pile:** A pile of skulls and crossbones.

(85,65) **Sword:** A sword, possibly stuck in the ground.

(55,75) **"DRINK ME" sign:** A sign with the text "DRINK ME", referencing Alice in Wonderland.

(90,90) **Large Skull:** A large isolated skull in the bottom right.

(95,15) **"24?":** Text reading "24?".

(85,35) **Baby Dragon:** A small dragon or creature sitting on the castle.

(75,55) **Small Skull:** A small isolated skull.

(50,85) **Small Dragon Head:** A small dragon head looking left, similar to the coiled dragon.

(55,85) **Potions/Bottles:** Small bottles or pots near the "DRINK ME" sign.

Day 243: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Junkyard Treasure (more info at <https://github.com/isaacbernat/basepaint>)

- (25,15) **Garfield:** A large depiction of the character Garfield. (TV/Comic reference)
- (55,70) **Sleeping animal:** A large sleeping brown cat or dog.
- (60,45) **Cat face:** A stylized cat face with sharp eyes, possibly based on a meme or character. (Meme/Culture reference)
- (75,40) **Doge:** A character resembling a Shiba Inu, referencing the Doge meme. (Internet Meme)
- (15,40) **Cheems:** A character with a round face and wide smile, resembling the Cheems meme. (Internet Meme)
- (25,55) **Bear:** A bear character, possibly Lotso from Toy Story. (Movie reference)
- (70,55) **Character with glasses:** A character with glasses, possibly referencing a nerd stereotype or specific character. (Culture reference)
- (40,40) **Blob:** A dark, round character with simple eyes, resembling a Blob meme. (Internet Meme)
- (45,60) **Box "UP":** A cardboard box labeled "UP", referencing the Pixar movie "Up". (Movie reference)
- (15,60) **Boombox:** A vintage boombox or radio. (Culture reference)
- (15,85) **Framed picture:** A framed object containing the basepaint.xyz default avatar. (Platform reference)
- (40,90) **Guitar:** An electric guitar. (Culture reference)
- (65,30) **Robot:** A small robot figure. (Culture/Game reference)
- (80,35) **Lock:** A padlock.
- (85,10) **Birds:** Three birds sitting on a structure.
- (50,35) **Megaphone:** A megaphone or speaker.
- (15,30) **Hand:** A hand holding a long object.
- (80,25) **Structure:** A structure resembling a building or fence.
- (90,45) **Trash Can:** An object resembling a trash can or robot.
- (40,70) **Small character:** A small humanoid-like character.
- (70,85) **Small dog:** A small dog character with pointy ears.
- (90,80) **Stylized dog:** A stylized dog or wolf character on the bottom right.

Day 244: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Solar Eclipse 2024 (more info at <https://github.com/isaacbernat/basepaint>)

- (48,20) Solar Eclipse: The main astronomical event depicted, featuring the moon covering the sun.
- (40,45) Mandalorian Helmet/Observatory: A domed structure resembling The Mandalorian's helmet, depicted as an observatory.
- (80,40) Man covering eyes meme: A figure covering their eyes with their hands, a common meme format representing awe or shock.
- (20,85) Patrick Star Meme: A figure resembling Patrick Star from SpongeBob SquarePants screaming upwards, referencing his iconic "Aaaaah!" scream.
- (18,18) Behelit (Berserk): An object resembling the Behelit from the manga and anime series Berserk, known for its eye-like appearance.
- (70,45) Large Eye/Mike Wazowski?: A large stylized eye with radiating lines, potentially referencing Mike Wazowski from Monsters, Inc.
- (60,55) Figure looking through telescope: A person observing the solar eclipse using a telescope.
- (75,80) Woman with Camera: A person holding a camera, presumably to photograph the eclipse.
- (85,65) Guy pointing: A figure pointing upwards towards the solar eclipse.
- (15,50) Crying Wojak: A face resembling the Crying Wojak internet meme, expressing sadness or despair while looking at the eclipse.
- (20,65) Surprised Face: A person with a wide-eyed, surprised expression, reminiscent of the Surprised Pikachu meme format.
- (50,75) Heart Symbol: A small heart shape.
- (90,15) Text/Numbers: Small, difficult-to-read text or numbers in the top right corner.
- (90,25) Crying man face (partial): A partially visible face appearing distressed or crying.
- (5,70) Barcode: A vertical pattern resembling a barcode on the far left side.

Day 245: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Zion National Park (more info at <https://github.com/isaacbernat/basepaint>)

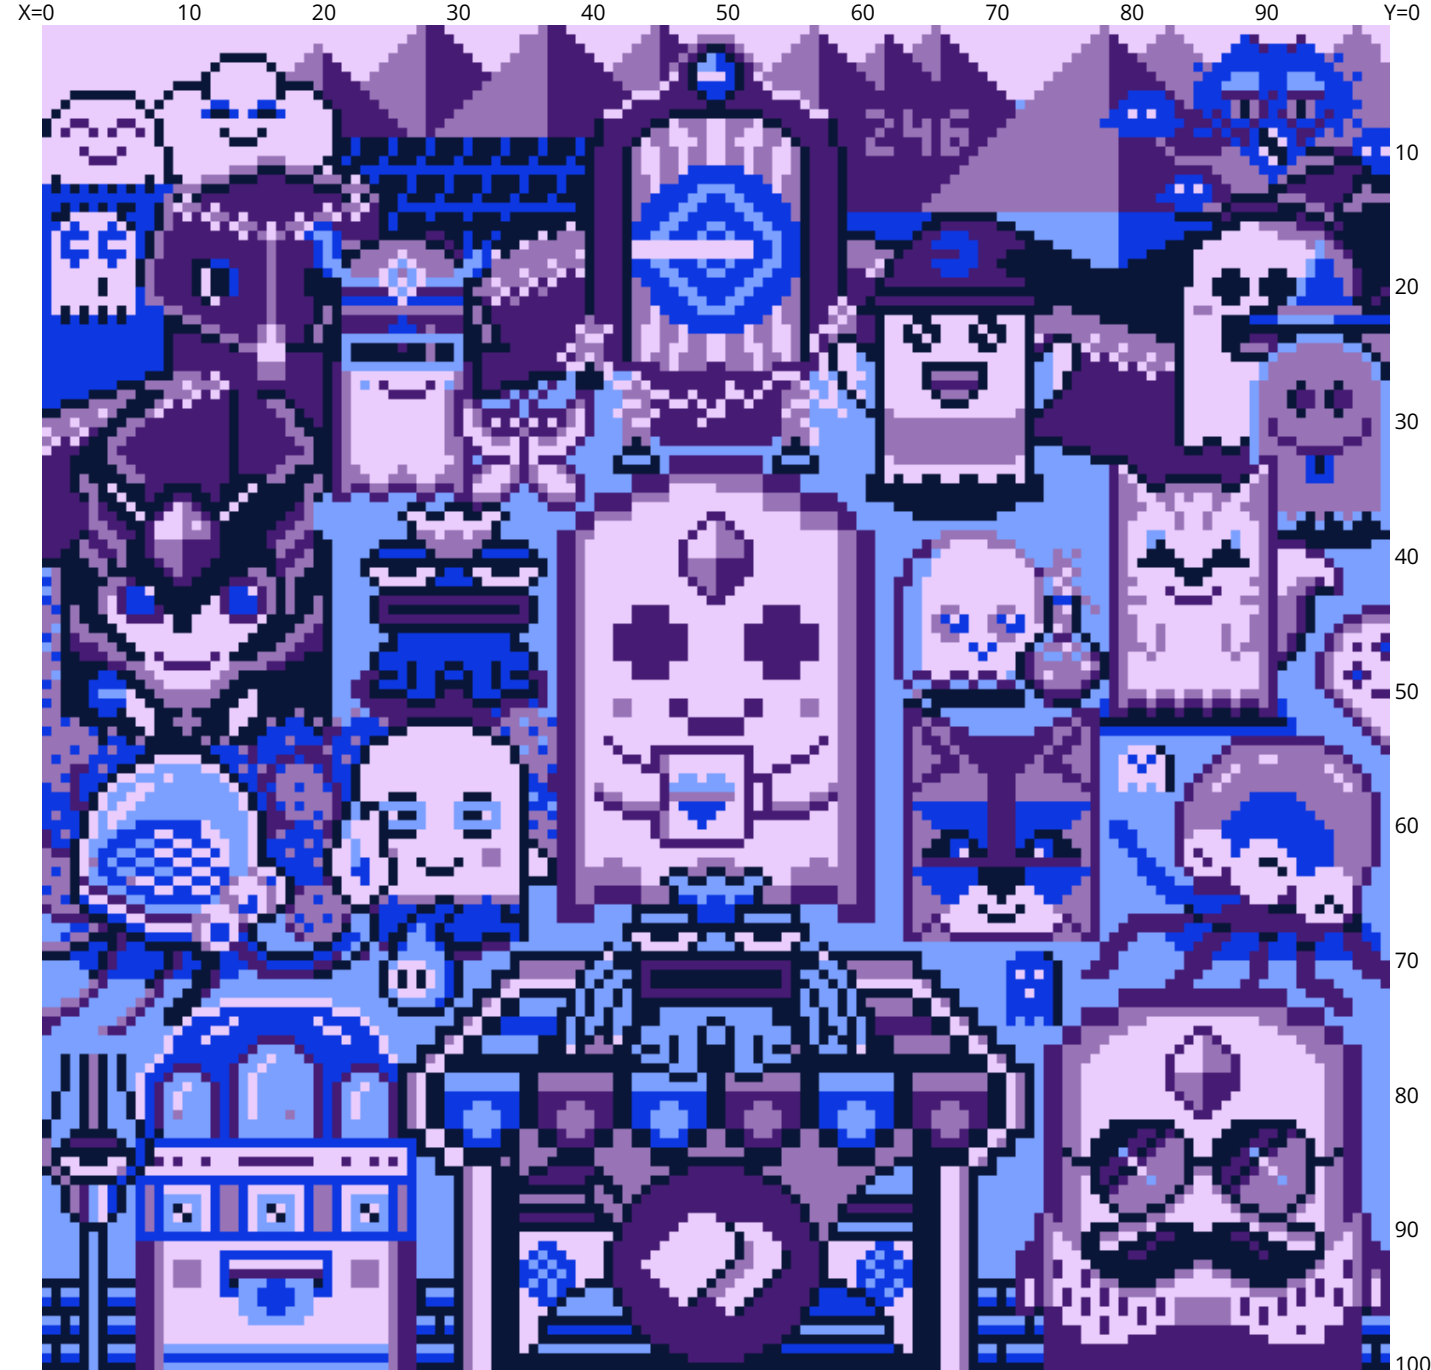

- (68,42) **Deez Nuts Rocks:** A large rock formation resembling a distorted face with two prominent round rocks below, referred to as "Deez Nuts".
- (60,75) **Distorted Face Rock:** A large rock formation or creature resembling a horizontal, distorted face with eyes and a mouth.
- (30,40) **Angled Rock Formation:** A large, angled rock formation or structure on the left side.
- (35,87) **Meme Animal:** A pixel art representation of a cat or fox, possibly referencing the Doge meme or a similar internet meme.
- (87,85) **Gaming Shield:** A grey shield displaying the number "245" and a skull symbol, likely a reference to video game UI elements.
- (25,58) **Swinger:** A human figure swinging from a rope or vine against a rock formation.
- (74,85) **Zion Sign:** A sign or structure with the text "ZION NATL PARK", identifying the location.
- (20,75) **Kneeling Figure:** A human figure kneeling or sitting on the ground.
- (15,20) **Mountain Structure:** A tall, thin structure resembling a building or tower on a mountain peak.
- (86,30) **Mountain Face:** A rock formation or structure on a mountain top, possibly resembling a face.
- (25,15) **Hiker:** A small figure standing on a mountain peak.
- (25,85) **Geometric Symbol:** A small geometric symbol resembling a square with a circle inside.
- (15,80) **Round Object:** A small round object with lines.
- (81,10) **Birds:** Small birds flying in the sky.

Day 246: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): LFGotchi: Aavegotchis on Base! (more info at <https://github.com/isaacbernath/basepaint>)

- (52,83) **Bottom Central Structure:** A large, mechanical structure with glowing blue elements, potentially representing the
- (52,52) **Large Central Aavegotchi Figure:** A prominent, large Aavegotchi-like character with a diamond on its head, holding
- (13,46) **Left Large Aavegotchi Figure:** A dark, imposing Aavegotchi-like character with sharp features and possibly armor.
- (59,16) **Top Center Portal/Gateway:** An arched structure featuring a glowing blue symbol (possibly the Aavegotchi diamo
- (11,85) **Left Bottom Structure:** A pixelated building or structure resembling an arcade machine or storefront with a large
- (89,87) **Bottom Right Mustache Figure:** A white Aavegotchi-like figure with a prominent mustache and circular glasses, gi
- (13,8) **Top Left Clouds:** Two pixelated smiling cloud characters, reminiscent of Nyan Cat or general happy cloud imagery.
- (11,63) **Middle Left Sphere:** A large transparent sphere containing a swirling blue mass, possibly representing liquid, data
- (93,19) **Top Right Figure (Forever Alone Ghost):** A white ghost figure with a shape resembling the head structure of the "
- (79,25) **Top Middle Figure (Hat Ghost):** A white ghost figure wearing a distinctive hat, likely an Aavegotchi trait.
- (84,71) **Middle Right Cat/Fox:** A pixelated character face resembling a cat or fox.
- (93,83) **Middle Right Octopoid:** A creature with a bulbous head and multiple tentacles.
- (72,57) **Middle Right Skull:** A small skull figure with glowing blue eyes, next to a pixelated bottle (possibly a potion).
- (34,61) **Middle Left Bald Head:** A small character figure with a bald head, glasses, and a simplistic smiling face, possibly re
- (50,55) **Pepe Frog:** A pixelated depiction of Pepe the Frog, a widely recognized internet meme.
- (16,24) **Top Left Ghost:** A white ghost figure similar in shape to ghosts from the Pac-Man arcade game.
- (33,24) **Top Middle Left Ghost (Horns):** A purple ghost figure with small horns.
- (94,49) **Middle Right Small Ghost:** A small, simple white ghost figure.
- (79,4) **Top Background "246":** The numbers "246" displayed in the upper background, possibly a score, block number, o
- (95,4) **Top Right Small Ghost Cluster:** A cluster of several small blue ghost-like figures in the far upper right background

Day 247: Description version 0.3.0 (*gemini-2.5-flash-preview-04-17*)

(X, Y): NFT Graveyard (more info at <https://github.com/isaacbernat/basepaint>)

(60,50) **Gravestone ("IMG. NOT FOUND"):** A large tombstone resembling a broken image link placeholder, symbolizing failure.

(35,65) **Gravestone ("FLAGGED"):** A tilted tombstone labeled "FLAGGED" with "247" and a brush or pen symbol, referencing

(80,95) **Timestamp/Counter:** A digital display showing a timestamp or numerical sequence (e.g., "0:0000...000002E80"), p

(58,38) **Gravestone ("HEN")**: A tombstone inscribed with "HEN", referencing the defunct Hic Et Nunc NFT platform.

(30,45) **"This is Fine" Grave Marker:** A grave marker with text referencing the "This is Fine" meme, representing denial or

(80,75) **Distracted Boyfriend Meme Figure (Suit):** A figure resembling the boyfriend from the "Distracted Boyfriend" internet meme, wearing a suit and tie, looking away from the viewer towards the right.

(15,70) **Gravestone ("Fiat RIP"):** A small grave marker reading "Fiat RIP", suggesting the perceived death or failure of trad

(85,55) **Large Skeleton:** A large, seated skeleton, a classic symbol of death and a prominent inhabitant of the graveyard.

(15,30) **Owl:** A large, wise-looking owl perched on a branch, observing the scene.

(78,45) **Frankenstein's Monster:** A figure resembling Frankenstein's Monster, a classic horror character, potentially symbolizing the dangers of unchecked scientific ambition or the consequences of playing God.

(45,40) **Sad Ghost:** A sheet ghost figure depicted with a sad expression, representing a deceased entity or project.

(95,45) **Robot:** A blocky robot figure, potentially representing bots, automated systems, or technological failures within the

(50,75) **Wojak-like Figure (Behind grave):** A figure resembling a Wojak meme character, often used to express emotions,

(90,80) **Wojak-like Figure (Bottom Right):** Another figure resembling a Wojak meme character.

(48,55) **Gravestone (Ship/Boat):** A tombstone featuring a scene with a ship or boat, possibly a specific reference to a project.

(35,35) **Cat:** A pixel art cat figure, a ubiquitous element in internet culture, possibly referencing a specific cat-related meme.

(10,80) **Hand from Grave:** A hand reaching out from the ground, a classic horror trope.

(52,35) **Happy Ghost:** A sheet ghost figure depicted with a happy expression, contrasting

(85,25) **Flying Creature:** A small flying creature, possibly a bat or demonic figure, adding to the spooky atmosphere.

(70,45) **Small Figure (Happy Face):** A small figure with a simple happy face.

(25,50) **Skull:** A standalone skull, a common symbol of death.

(75,25) **Small Graves/Crosses:** Smaller grave markers with cross

(50,15) **Moon:** A large full moon in the background, contributing to the graveyard setting.

(50,30) **Fence:** A fence running horizontally in the background, marking the boundary of the

Day 248: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Abominations (more info at <https://github.com/isaacbernat/basepaint>)

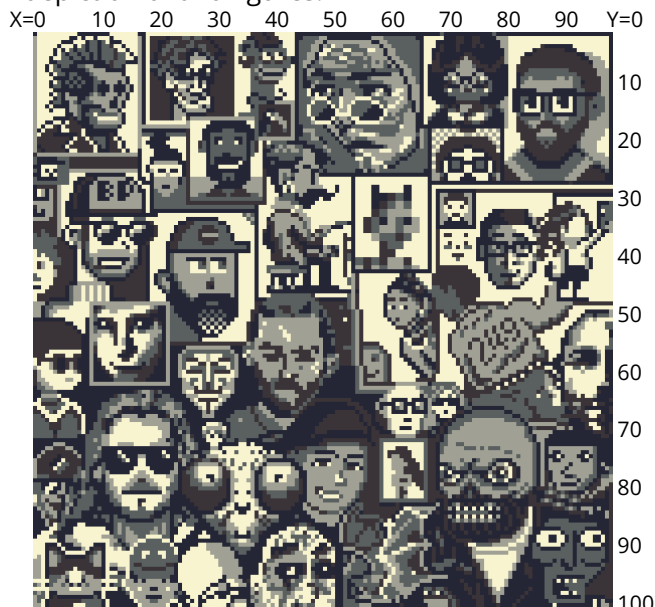

- (75,80) **Freddy Krueger**: Iconic horror villain from "A Nightmare on Elm Street" with fedora and clawed glove.
- (68,45) **Multi-eyed Demon**: Large monster head with multiple eyes, horns, and a wide mouth full of sharp teeth.
- (50,20) **Giant Mouth Monster**: Large head with a wide, horizontal open mouth displaying multiple rows of sharp teeth.
- (30,25) **Standing Monster**: Creature standing on legs or hunched over, with sharp teeth and claws.
- (18,15) **Large Head Monster (Top Left)**: Monster head with a large open mouth filled with sharp teeth.
- (30,55) **Squid Monster**: Tentacled creature with eyes and a mouth, resembling a sea monster or Lovecraftian entity.
- (25,40) **Dog/Fox Creature**: Animal-like figure with spots, pointy ears, and tail, strongly resembling the Doge internet meme.
- (78,30) **Ghostly Figure**: Simple, sheet-like figure representing a ghost or specter.
- (45,88) **Bottom Central Mouth Monster**: Large, toothy maw resembling a pit monster or large opening.
- (85,90) **Bottom Right Teeth Monster**: Head with a large, vertical mouth full of sharp teeth.
- (58,65) **Minion**: Small yellow character with goggles, resembling a Minion from "Despicable Me".
- (30,69) **Spongebob Santa**: Small, square yellow figure wearing a Santa hat, representing Spongebob Squarepants.
- (38,69) **Bottle/Potion**: Item shaped like a bottle or flask containing liquid and bubbles.
- (90,75) **Jagged Mouth Face**: Small face or head with a jagged opening for a mouth.
- (40,80) **Cluster Face/Eyes**: Small, ambiguous element appearing as multiple eyes or a distorted face.
- (15,90) **Bottom Left Face**: Small monster face with a gaping mouth.
- (30,95) **Lower Bottom Face**: Small face or head with visible teeth in the lower section.
- (92,96) **Emoji**: Small, simple circular face with a smile.

Day 249: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Self Portraits** (more info at <https://github.com/isaacbernat/basepaint>)

- (16,83) **The Dude (Jeff Bridges)**: Large portrait with sunglasses and mustache/goatee, referencing the iconic movie character.
- (58,58) **Anonymous Mask**: Medium depiction of a Guy Fawkes mask, a strong symbol associated with Anonymous and internet activism.
- (41,91) **Woman throwing**: Medium depiction of a woman in a pose strongly suggesting the Salt Bae (Nusret Gökçe) internet meme.
- (75,41) **Big Eyed Cat**: Medium cat face with wide, expressive eyes, resembling popular cat memes or characters like Crying Cat.
- (79,96) **Grey Alien**: Small depiction of a classic Grey alien head, a figure found in internet culture and conspiracy memes.
- (33,50) **Guy with Cap and Beard**: Large portrait of a man wearing a baseball cap and a full beard.
- (83,83) **Main Zombie**: Large, detailed zombie or monster face with prominent teeth and beard.
- (66,8) **Big Face**: Medium-large, detailed portrait of an older person with glasses pushed up on their forehead.
- (8,8) **Punk Guy**: Medium portrait of a person with spiky punk rock hair.
- (25,8) **Dark hair guy**: Medium portrait of a man with dark hair and stubble.
- (41,8) **Small guy**: Medium portrait of a man.
- (91,8) **Guy with Glasses and Beard**: Medium portrait of a man with glasses and a beard.
- (8,25) **Girl with dark hair**: Medium portrait of a girl or woman with dark hair.
- (25,25) **Guy with Hat and Sunglasses**: Medium portrait of a person wearing a hat and sunglasses.
- (41,25) **Small person**: Medium full body depiction of a small person standing.
- (58,25) **Cat looking left**: Medium depiction of a cat facing left.
- (75,25) **Pair of heads**: Medium depiction of two heads side by side.
- (91,25) **Two people**: Medium depiction of two people standing or sitting together.
- (8,41) **Guy with Sideburns**: Medium portrait of a man with prominent sideburns.
- (58,41) **Guy playing instrument**: Medium depiction of a person sitting and playing a musical instrument, possibly a keyboard.
- (91,41) **Head with glasses**: Medium depiction of a head with glasses.
- (8,58) **Person with short hair**: Medium portrait of a person with short hair.
- (75,58) **Guy with Mustache R4**: Medium portrait of a man with a mustache.
- (91,58) **Round eyes R4**: Medium depiction of a face with large, round eyes.
- (41,75) **Guy with Mustache R5**: Medium portrait of a man with a mustache.
- (58,75) **Stylized eyes/Face**: Medium stylized depiction of a face, emphasizing the eyes.
- (75,75) **Smiling guy with hat**: Medium portrait of a man wearing a hat and smiling.
- (91,75) **Person with glasses R5**: Medium portrait of a person with glasses.
- (8,91) **Cat R6**: Medium depiction of a cat.
- (25,91) **Two figures R6**: Medium depiction of two figures.
- (58,91) **Face R6a**: Medium depiction of a face.
- (75,91) **Zombie R6**: Medium depiction of a zombie face.
- (91,91) **Face R6b**: Medium depiction of a face.
- (62,96) **N letter**: Small depiction of the letter 'N'.
- (4,96) **Two small figures**: Small depiction of two figures.
- (12,96) **Two small figures**: Small depiction of two figures.
- (20,96) **Woman**: Small portrait of a woman.
- (29,96) **Smiling face**: Small depiction of a smiling face.
- (37,96) **Two small figures**: Small depiction of two figures.
- (45,96) **Smiling face**: Small depiction of a smiling face.
- (54,96) **Zombie**: Small depiction of a zombie face.
- (70,96) **Zombie**: Small depiction of a zombie face.
- (87,96) **Small Face**: Small depiction of a face.
- (95,96) **Two small figures**: Small depiction of two figures.

Day 250: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Cheese Factory (more info at <https://github.com/isaacbernat/basepaint>)

(45,45) **Large Cheese Wedge:** Main subject of the factory, a large slice of swiss cheese with holes, centrally located.

(20,55) **Pig Character:** Anthropomorphic pig character on the left, holding a large tool, possibly involved in cheese production.

(80,55) **Cow Character:** Anthropomorphic cow character on the right, holding a knife and a slice of cheese, with a crazed expression.

(50,75) **Character with Large Hat:** A character wearing a wide-brimmed hat and overalls, possibly a farmer or gardener, located in the center.

(10,10) **Chicken/Bird:** A small chicken or bird character in the top left corner.

(25,85) **Mouse:** A small mouse character located bottom left, commonly associated with cheese.

(35,85) **Waluigi Figure:** A pixel art figure strongly resembling Waluigi from the Mario game series.

(85,85) **Dog/Fox Character:** An anthropomorphic canid character (dog or fox) in the bottom right with glasses and a cape.

(15,20) **Truck:** A small delivery truck, possibly transporting cheese, in the top left corner.

(90,20) **Smiley Face:** A simple yellow smiley face emote in a top right window.

(70,45) **Text "SOY":** The word "SOY" rendered in pixel art, likely a reference to the "Soyjak" internet meme.

(15,70) **Pot/Vat:** A large pot or vat on the left side, possibly for cheese making.

(70,70) **Microwave:** A microwave oven with food inside, located center-right.

(20,40) **Cheese Piece:** A small piece of swiss cheese with holes, located left-center.

(70,55) **Potted Plant:** A small potted plant located center-right.

(90,60) **Cheese Piece:** A piece of swiss cheese with holes, located right-center, near the cow.

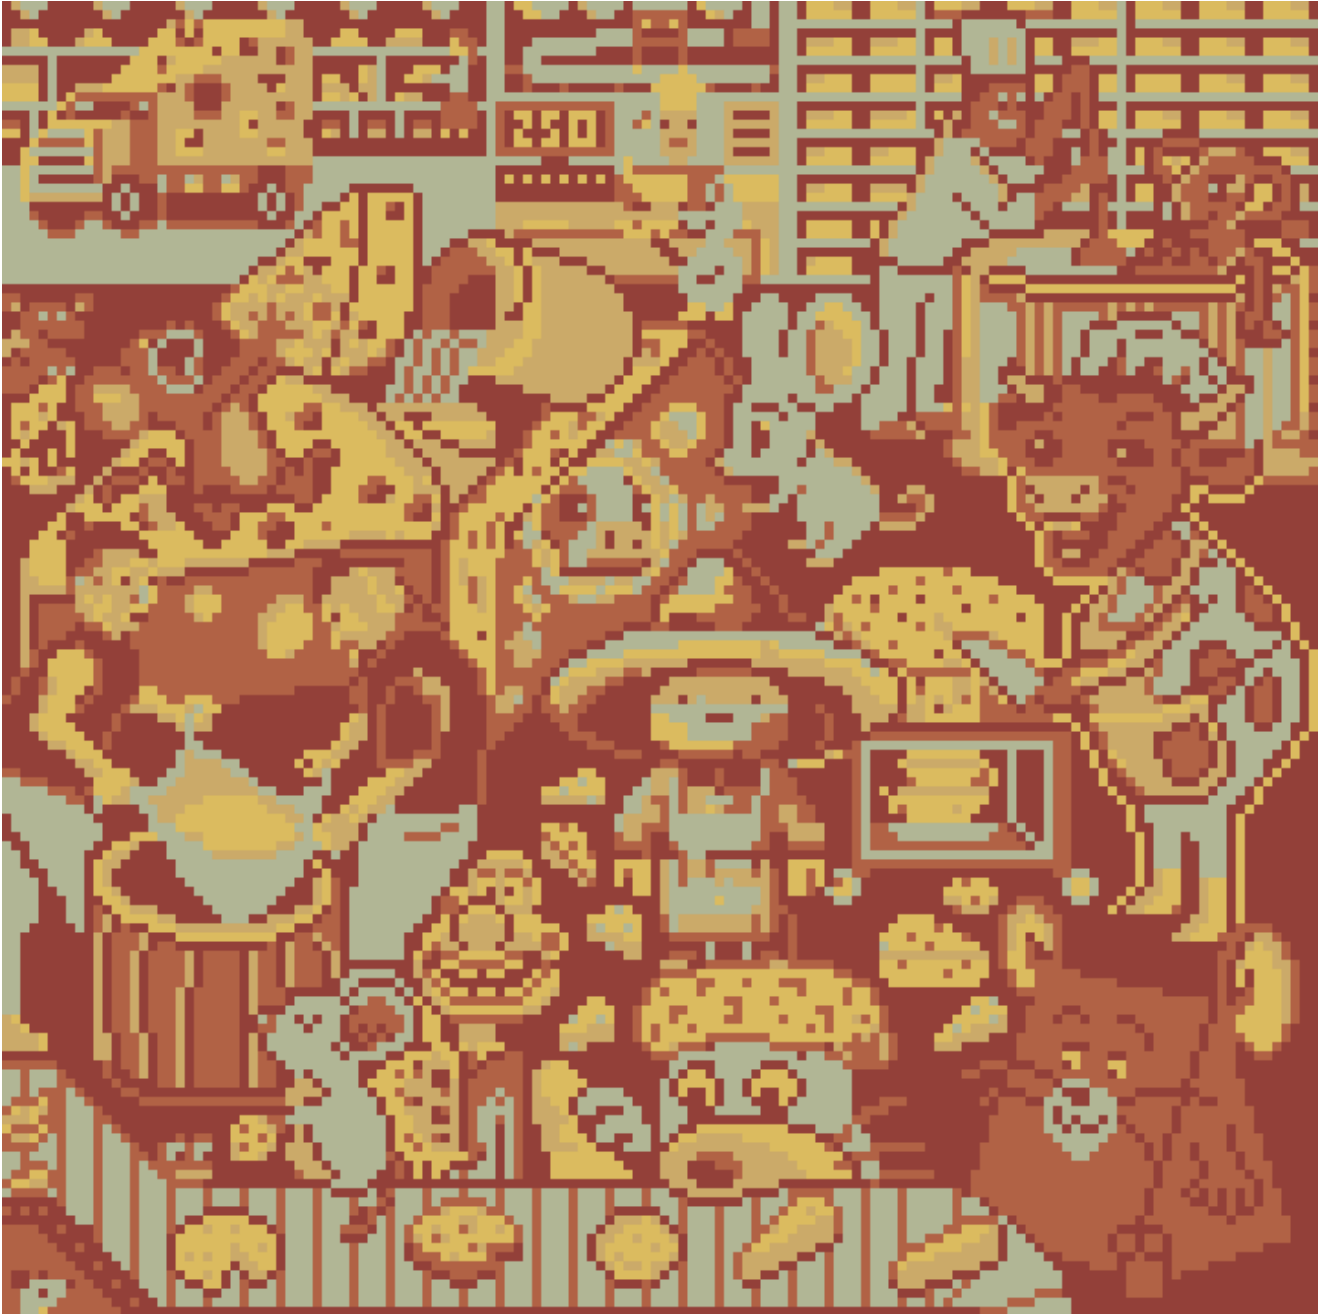

(50,85) **Cheese Piece:** A piece of swiss cheese with holes, located bottom-center.

(30,95) **Burgers/Buns:** A group of round bread items, likely burgers or buns, on the bottom counter.

(70,95) **Carrots:** A group of orange carrot shapes on the bottom counter.

(50,20) **Background Building/Factory:** Structural elements in the background, suggesting a building or factory setting.

(50,97) **Counter/Table:** The counter or table surface along the bottom edge where items are placed.

Day 251: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Abstract Art** (more info at <https://github.com/isaacbernat/basepaint>)
- (27,35) **Wojak-like character**: Stylized figure singing or shouting into a hand, a prominent internet meme format.
- (16,47) **Large ear**: Detailed ear shape, likely belonging to the main Wojak-like figure.
- (23,55) **Multi-eyed face**: Face with multiple (three) eyes below the main figure, often representing confusion or distress, r
- (20,70) **Abstract face**: Stylized face or mask on the left side.
- (31,86) **Tribal figure**: Stylized human figure resembling ancient or tribal art.
- (63,16) **Buildings/Houses**: Cluster of geometric shapes resembling houses or buildings in the top area.
- (86,20) **Serpentine shape**: Winding shape resembling a snake or the letter S in the top right.
- (90,31) **Rectangular frame**: Rectangular border containing abstract colored blocks, resembling a picture or window.
- (66,66) **Diamond pattern**: Large abstract diamond or rhombus pattern.
- (74,82) **Green creature head**: Stylized green creature head with sharp teeth and large eyes, resembling a monster or dinosaur.
- (90,70) **Vertical lines/columns**: Pattern of distinct vertical bars in the bottom right area.
- (94,94) **Small abstract symbols/text ("BB")**: Small abstract mark or initials "BB" in the bottom right corner.

Day 252: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Wood Shop** (more info at <https://github.com/isaacbernat/basepaint>)

- (55,35) **Groot:** Character from Guardians of the Galaxy.
- (35,55) **Mustached Craftsman:** Wood shop owner holding a saw.
- (20,30) **Gimli:** Dwarf character from Lord of the Rings, carving.
- (30,15) **Link:** Character from The Legend of Zelda, carving.
- (58,25) **Tall Worker:** Figure operating a bandsaw.
- (15,55) **Chewbacca:** Wookiee character from Star Wars, carving.
- (55,45) **Pinocchio:** Character from Pinocchio, holding a chisel.
- (10,50) **Yoda:** Character from Star Wars, sitting.
- (35,40) **Workbench:** Work surface with sawdust pile.
- (35,12) **Drill Press:** Workshop machinery.
- (58,18) **Bandsaw:** Workshop machinery.
- (60,58) **Small Worker:** Figure carrying wood.
- (30,5) **Shelves:** Workshop shelves with tools and supplies.
- (25,58) **Saw:** Hand saw.
- (60,50) **Chisel:** Hand tool.

Day 253: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Murder Mystery Cafe (more info at <https://github.com/isaacbernat/basepaint>)

- (51,66) **Body outline and blood splatter:** Central evidence of the murder, showing the outline of a body and surrounding blood.
- (25,74) **Big Smoke character:** A large figure with a bird-like head wearing a suit, holding a gun, referencing the character Big Smoke from Grand Theft Auto.
- (66,78) **Chef Mario character:** A character resembling Mario from the Super Mario game series, wearing a chef's hat with a flame on top.
- (89,51) **Gentleman with Pipe:** A distinguished-looking man in a suit, smoking a pipe, representing a classic sophisticated detective.
- (35,80) **Detectives at Table 1:** Two figures seated at a table, wearing fedoras and trench coats, representing classic detective characters.
- (93,80) **Detectives at Table 2:** Two figures seated at a table, also in detective-like attire, appearing to discuss or examine evidence.
- (50,55) **Cafe Counter:** The main service counter area of the cafe.
- (74,47) **Food Display:** Items like cakes or pastries displayed on the cafe counter.
- (50,27) **Shelves:** Shelves behind the counter holding various items.
- (55,6) **Light Fixtures:** Lamps or lights hanging from the ceiling.
- (9,16) **Cafe Facade Detail:** Pixel art representing external details or window views of the cafe.
- (55,78) **Crime Scene Tape:** Red and white lines on the floor indicating a secured crime scene.
- (39,70) **Number '2' Marker:** A numerical marker '2' visible near the first table of detectives, potentially marking evidence.
- (55,80) **Cat:** A small cat sitting on a chair.
- (62,80) **Potted Plant:** A large decorative plant.
- (25,94) **Drinks on Table:** A bottle and glass on a table.
- (100,94) **Papers on Table:** Documents or papers on a table.

Day 254: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Zen Garden (more info at <https://github.com/isaacbernat/basepaint>)

- (39,35) **Big Floppa Head:** A large, detached head of a caracal, resembling the 'Big Floppa' internet meme, prominent in the
- (75,51) **Doge:** A pixelated Shiba Inu standing on its hind legs, characteristic of the 'Doge' internet meme, located on the right
- (20,67) **"Wow look, nothing" guy:** A small, bald figure sitting and pointing at empty hands, referencing the 'Wow look, not
- (35,55) **Elephant:** An elephant sitting upright with its trunk raised, an unusual but prominent feature in a Zen garden, located
- (51,67) **Gardener/Monk:** A figure in traditional attire raking the sand patterns in the Zen garden, central to the garden's a
- (30,67) **Well:** A traditional Japanese well with a stone basin and wooden post, a notable feature in the garden landscape.
- (31,16) **Building (left):** A multi-story Japanese-style building with a tiled roof, part of the background architecture on the left
- (71,24) **Building (right):** A large Japanese-style building with a detailed roof and facade, part of the background architecture
- (67,63) **Bonsai Tree:** A carefully shaped small tree, a classic element of a Zen garden, positioned on the right side.
- (16,31) **Meditating figure:** A figure sitting in a meditative pose, contributing to the serene Zen garden theme, located in the
- (47,31) **Meditating figure:** A figure sitting in a meditative pose, contributing to the serene Zen garden theme, located in the
- (83,47) **Meditating figure:** A figure sitting in a meditative pose, contributing to the serene Zen garden theme, located in the
- (83,75) **Bottom Right Cat:** A small cat or possibly a cub of a larger feline, sitting near rocks on the bottom right.
- (67,35) **Stone Lantern:** A traditional Japanese stone lantern (tōrō), part of the garden decor, located in the upper-right section
- (91,67) **Stone Lantern:** A traditional Japanese stone lantern (tōrō), part of the garden decor, located in the lower-right section
- (20,24) **Top Left Cat:** A simple pixelated cat face peeking out from near the left building.
- (22,63) **Small figure:** A small, indistinct figure standing and pointing, located near the well and the 'nothing' guy.

Day 255: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): The Bitcoin Halving (more info at <https://github.com/isaacbernat/basepaint>)

- (50,65) **Central Bitcoin Halving Emblem:** A large pixel art representation of the Bitcoin symbol (B with lines) integrated with the number 255, representing the halving event.
- (15,60) **Businessman Giving Thumbs Up:** A pixel art figure resembling a businessman in a suit giving a thumbs-up, referencing the "Stonks" meme.
- (85,60) **Large Miner (Mario-like):** A pixel art character styled like Mario from Nintendo games, wearing a mining helmet and holding a pickaxe.
- (55,40) **Figure with Flag:** A figure standing triumphantly atop the central Bitcoin emblem, holding a flag, representing victory or achievement.
- (20,85) **Ape with Bitcoin Chain:** A pixel art monkey wearing a large chain with a Bitcoin pendant, referencing the "Apeing" meme.
- (80,40) **Bitcoin Hourglass:** An hourglass object where the sand forms a Bitcoin symbol, representing the passage of time and scarcity.
- (35,35) **Shaking Hands:** Two pixel art figures, one in a suit and one in a hard hat, shaking hands, symbolizing partnership or agreement.
- (10,40) **Stonks Face:** A pixel art depiction of the face from the "Stonks" meme, used to represent financial gains or ironic commentary on market volatility.
- (10,15) **Bitcoin 8-ball:** A pixel art 8-ball pool ball with a Bitcoin symbol inside the '8', representing asking for market predictions.
- (10,25) **Coin/Stack:** A pixel art representation of a stack of coins or layered objects, possibly representing accumulated wealth or mining output.
- (85,55) **Surprised Face:** A pixel art face displaying a surprised or shocked expression, potentially reacting to sudden market movements.
- (90,55) **Boombox:** A pixel art depiction of a boombox, possibly referencing pumping up the volume related to price action or hype.
- (85,85) **Smaller Miner:** A smaller pixel art figure in a mining helmet with a pickaxe, reinforcing the theme of Bitcoin mining.
- (25,5) **Numbers 84000000:** Pixel art numbers "84000000", likely referencing a significant Bitcoin block height or other network metric.
- (80,5) **Numbers 255000sat/vb:** Pixel art text "255000sat/vb", representing a Bitcoin transaction fee rate in satoshis per virtual byte.
- (75,15) **Graph/Bars:** A small pixel art bar graph, representing market data, price charts, or network statistics.
- (10,30) **Up arrow:** A pixel art arrow pointing upwards, symbolizing price increase or positive movement.
- (90,30) **Up arrow:** A pixel art arrow pointing upwards, symbolizing price increase or positive movement.
- (15,35) **Up arrow:** A pixel art arrow pointing upwards, symbolizing price increase or positive movement.
- (95,35) **Up arrow:** A pixel art arrow pointing upwards, symbolizing price increase or positive movement.
- (10,50) **Up arrow:** A pixel art arrow pointing upwards, symbolizing price increase or positive movement.
- (40,95) **BTD text:** Pixel art text "BTD", a common cryptocurrency community acronym for "Buy The Dip".
- (55,95) **B_B text:** Pixel art text "B_B", the meaning is unclear in this context, possibly a stylistic element or inside joke.
- (75,95) **BITCOIN text:** Pixel art text labeling the subject of the image as "BITCOIN".
- (88,95) **Small Meme Face (Wojak?):** A small pixel art face resembling a Wojak or "Feels Guy" meme variant, used to express sentiment.
- (95,95) **Small Meme Face (Pepe?):** A small pixel art face resembling Pepe the Frog or a simplified version, a widely recognized meme.

Day 256: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 7 Wonders of the World: Petra (more info at <https://github.com/isaacbernat/basepaint>)

- (66,35) **The Treasury (Al-Khazneh):** The iconic facade of Al-Khazneh (The Treasury) at Petra, the main subject of the artwork.
- (84,78) **Indiana Jones:** A figure resembling Indiana Jones wearing his signature fedora, referencing the movie "Indiana Jones and the Temple of Doom".
- (41,78) **Mohamed Henedy (Meme):** A figure resembling Egyptian comedian Mohamed Henedy, a popular meme figure, wearing a white turban and a red and white striped shirt.
- (70,92) **Spongebob Squarepants:** Spongebob Squarepants, the popular cartoon character and widely used meme icon, depicted in the bottom right corner.
- (59,86) **Camel (left):** A camel standing in the foreground, commonly associated with the setting of Petra.
- (82,86) **Camel (right):** Another camel standing in the foreground, commonly associated with the setting of Petra.
- (16,70) **Tourist Figure (left):** A figure wearing a wide-brimmed hat, likely representing a tourist visiting the site.
- (34,70) **Standing Figure (left-center):** A standing figure in the left-center foreground, possibly another tourist or local.
- (23,8) **Coordinates:** Text displaying the geographical coordinates of Petra (30.3221° N / 35.4517° E).

Day 257: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Winemaking (more info at <https://github.com/isaacbernat/basepaint>)

(50,65) **Man stomping grapes:** Central figure crushing grapes in a barrel.

(20,85) **Kermit the Frog:** Muppet character pouring liquid from a carafe.

(85,70) **Woman with afro:** Figure with large afro hairstyle, holding a wine glass.

(35,85) **Pepe the Frog:** Internet meme character wearing a shirt with "I W".

(85,50) **Plague Doctor:** Character with a long bird-like beak mask.

(35,60) **Grapemonster (Left):** Large cluster of grapes with eyes and a mouth.

(65,70) **Grapemonster (Right):** Large cluster of grapes with eyes and a mouth.

(60,30) **Wine Tasting Group:** Group of people sitting at a table, tasting wine.

(20,50) **Bottle and Glass:** Wine bottle and glass on a surface.

(15,10) **Banner "257":** Banner with the number "257".

(15,65) **Figure with arm raised:** Human figure with one arm raised, interacting with the scene.

(80,40) **Small white figure:** Small human figure in a white outfit.

(50,20) **Vineyard landscape:** Background depicting hills, trees, and buildings.

Day 258: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Steampunk Café (more info at <https://github.com/isaacbernat/basepaint>)

- (60,45) **Bar Counter:** The main counter area of the cafe, featuring drinks and patrons, central to the scene.
- (30,70) **Steampunk Goggles Character:** A prominent character in the foreground with goggles and a top hat, embodying
- (80,70) **Bearded Steampunk Character:** A prominent character with a beard and top hat, holding a drink at the bar.
- (50,75) **Mad Hatter-like Character:** A character with distinctive large eyes and a top hat, resembling the Mad Hatter.
- (30,40) **Dining Table:** A table with a curved base in the cafe's dining area.
- (45,55) **Spherical Object with Text:** A large, round object with pixelated text (possibly "LIMOR" or "LIQUOR") and gear det
- (90,55) **Automaton Skull Head:** A mechanical or robotic skull, serving as decoration or part of the cafe's equipment, fitting
- (65,40) **Barista/Bartender:** A character standing behind the bar, appearing to serve patrons.
- (20,40) **Character Sitting Left:** A patron sitting at the dining table.
- (30,35) **Character Sitting Opposite Left:** A patron sitting opposite another at the dining table.
- (80,20) **Climbing Character:** A small, agile figure climbing the upper structure, possibly a gremlin or imp, an unusual deta
- (80,10) **"CAFE OPEN" Sign:** A visible sign indicating the cafe is currently open.
- (60,35) **Shelves behind Bar:** Shelves located behind the bar counter, holding various items like bottles and glasses.
- (10,85) **Large Cup:** A noticeable cup or mug on the counter in the bottom left corner.
- (40,90) **Cup Center:** A cup or mug on the counter in the lower central area.
- (80,90) **Cup Right:** A cup or mug on the counter in the lower right area.
- (10,20) **Hanging Lamp Left:** A lamp providing illumination, hanging from the ceiling on the left side.
- (50,15) **Hanging Lamp Center:** A lamp hanging from the ceiling above or near the bar area.
- (12,10) **Windows:** Architectural detail in the background on the left side, showing window panes.

Day 259: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

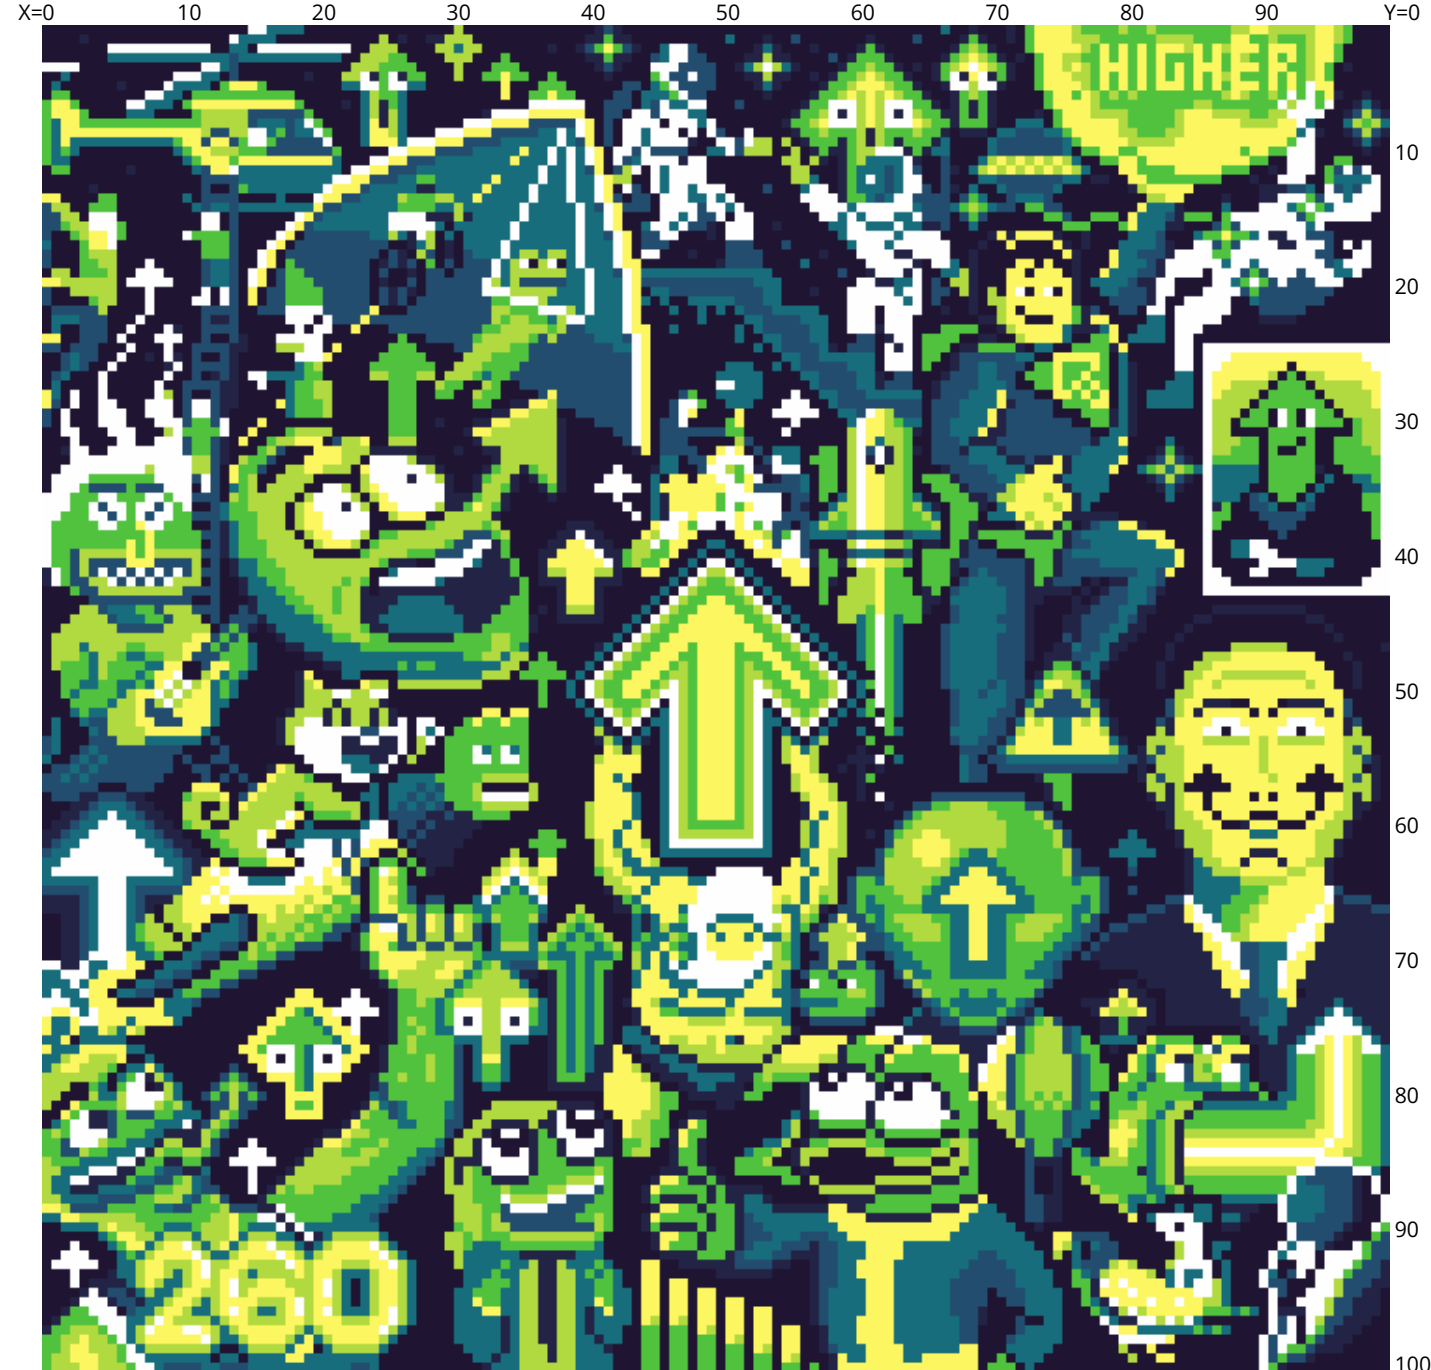

(X, Y): Glacier National Park (more info at <https://github.com/isaacbernat/basepaint>)

- (51,16) **Mountains:** Majestic pixel art mountains representing the park landscape.
- (63,48) **River/Lake:** A pixel art river and lake winding through the landscape.
- (63,32) **Forest/Trees:** Pixel art trees representing the park's forest areas.
- (51,81) **Wolf:** A large pixel art wolf.
- (75,68) **Park Ranger:** A pixel art figure of a park ranger wearing a hat and uniform.
- (70,75) **Doge:** A pixel art representation of the Doge meme (Shiba Inu).
- (92,35) **Eagle:** A pixel art bald eagle perched on the right side.
- (38,65) **Cabins/Tents:** Several pixel art cabins or tents, suggesting a campground or park facilities.
- (24,95) **Sign:** A pixel art sign reading "GLACIER NAT PK", indicating the park location.
- (94,83) **Nyan Cat:** Pixel art representation of the Nyan Cat meme.
- (76,81) **Pepe the Frog:** Pixel art representation of the Pepe the Frog meme.
- (6,90) **Small figure with '259':** A small pixel art figure with the number '259', possibly a park visitor or user ID.
- (70,90) **Small cat:** A small pixel art cat figure.
- (86,90) **Small cat:** Another small pixel art cat figure.

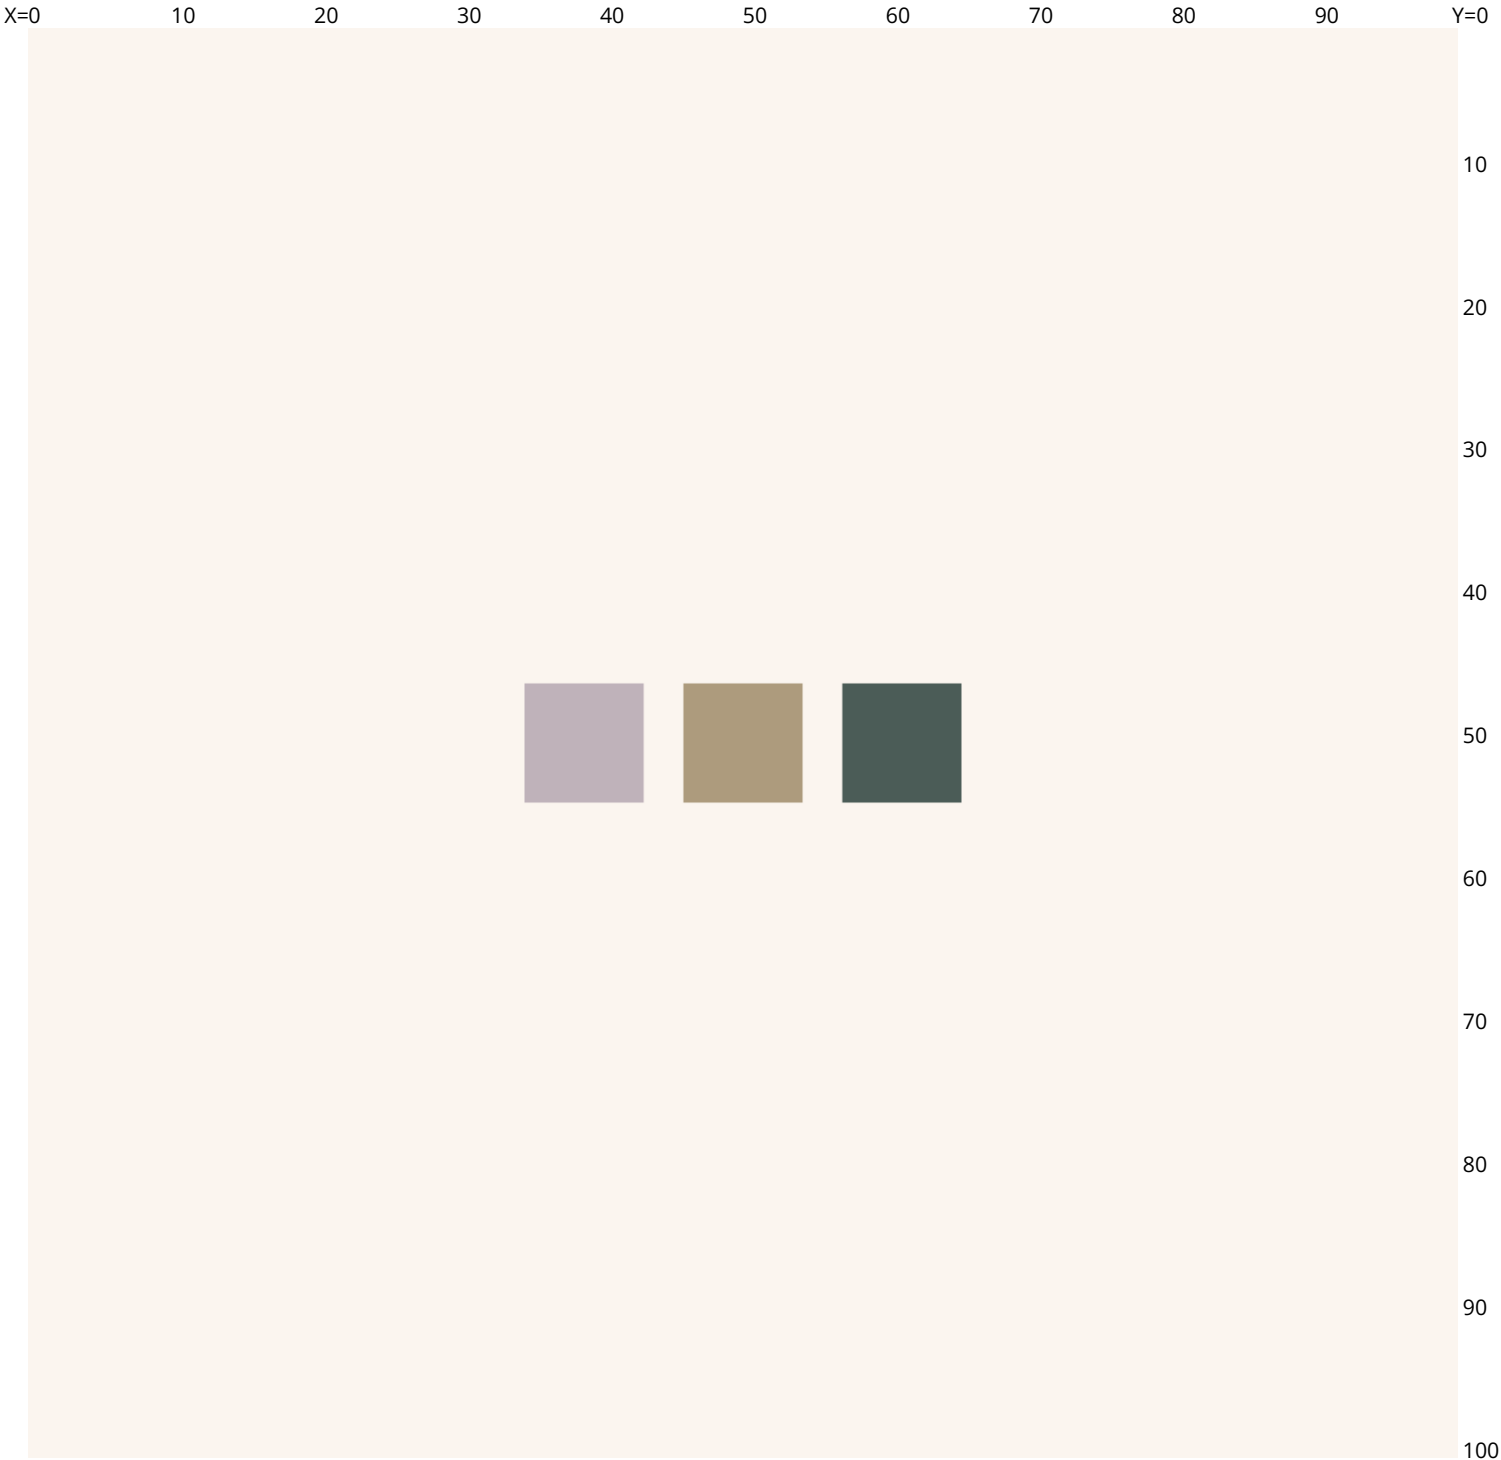

Day 260: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Higher, Together** (more info at <https://github.com/isaacbernat/basepaint>)
- (50,55) **Large Up Arrow:** Symbolizing upward progress, market rise, or the goal of "going higher".
 - (50,65) **Figure Lifting Arrow:** Represents collective effort or strength working towards the "higher" goal.
 - (25,40) **Screaming Green Head:** Likely a "Groyper" meme variant, expressing intense emotion like excitement or frustration.
 - (75,45) **Superman:** Reference to the comic book character, symbolizing flying high, strength, or a heroic effort towards ascension.
 - (10,40) **Rick Sanchez Playing Guitar:** Reference to the character from the "Rick and Morty" TV show, a popular figure in meme culture.
 - (35,85) **Pepe with Thumbs Up:** A variant of the Pepe the Frog internet meme, indicating approval, success, or positive sentiment.
 - (60,85) **Pepe in Suit:** A variant of the Pepe the Frog internet meme, potentially representing a sophisticated or business-oriented version of the meme.
 - (80,90) **Wojak/Feels Guy Derivative:** Resembles the Wojak or NPC meme archetype, used to represent various emotional states.
 - (15,10) **Helicopter:** A vehicle symbolizing ascent and upward movement.
 - (30,15) **Road Leading Upwards:** Represents a path or journey towards a higher destination or goal.
 - (60,10) **Planet or Moon:** Reference to the "to the moon" meme, signifying a target of extreme value increase in crypto assets.
 - (55,20) **Astronaut:** Associated with space travel and the "to the moon" meme destination.
 - (70,60) **Rocket Ship:** A vehicle for space travel, strongly linked to the crypto meme "to the moon".
 - (90,25) **Framed Cone Head:** Likely a reference to the "Cone Heads" community associated with Reddit Avatars and the Crypto Twitter space.
 - (85,5) **"HIGHER" Text:** Part of the title, explicitly stating the theme of upward movement or aspiration.
 - (20,60) **Shiba Inu:** The dog breed central to the Dogecoin cryptocurrency and the popular "Doge" meme ("wow", "such up").
 - (10,90) **"260":** A specific number, possibly representing a price point, community milestone, or inside joke reference.
 - (75,70) **Caution Sign:** A symbol indicating potential warning or volatility on the path upwards.
 - (90,60) **Zim:** Reference to the character Invader Zim from the TV show, a quirky alien, potentially representing uniqueness or rebellion.
 - (85,80) **Figure with Duck:** A specific figure holding a duck, likely representing a community member's avatar or an inside joke.

Day 261: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Minimalism (more info at <https://github.com/isaacbernat/basepaint>)
(44,50) Light Purple Square: Represents a color from a limited palette in a minimalist composition.
(50,50) Beige Square: Represents a color from a limited palette in a minimalist composition.
(56,50) Dark Green Square: Represents a color from a limited palette in a minimalist composition.

Day 262: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Dollhouse** (more info at <https://github.com/isaacbernat/basepaint>)

(30,30) **Giant Baby Head:** A large smiling baby head with a red bow, looking down at the dollhouse, representing a child p

(70,30) **Giant Face:** A large face looking down, possibly a parent or another giant character.

(55,15) **Giant Fox:** A large pixelated fox character behind the dollhouse roof, possibly a stuffed animal or cartoon reference

(85,20) **Giant Teddy Bear:** A large pixelated teddy bear character behind the dollhouse roof, possibly a stuffed animal.

(20,85) **Kenny:** A figure wearing a hooded parka in the bottom left area, resembling Kenny McCormick from the animated

(90,85) **Troll Face / Goblin Figure:** A figure with a wide grin in the bottom right area, possibly a reference to the 'Troll Face

(95,70) **Fire:** Flames rising in the bottom right corner, potentially representing chaos or a 'This is Fine' meme reference.

(75,45) **Bed with Figure:** A bed with a person (doll or child) sleeping or lying in it in the top right room.

(35,45) **Crib:** A crib or bassinet in the nursery room on the top left floor.

(55,45) **Couch:** A couch or sofa in the living area on the top middle floor.

(35,65) **Table:** A table in the kitchen or dining area on the middle left floor.

(55,65) **Desk:** A desk in the office or study room on the middle middle floor.

(75,65) **Bathtub:** A bathtub or shower in the bathroom on the middle right floor.

(10,65) **Stack of Drawers:** A tall stack of drawers or cabinetry on the left side of the dollhouse structure.

(55,60) **"Bliss" Landscape Picture:** A picture on the wall in the middle middle room resembling the default "Bliss" landscap

(58,68) **Retro Computer:** A retro-style computer monitor on the desk in the middle middle room.

(35,60) **Pepe Face Picture:** A simplified pixel art face on the wall in the middle left room resembling the 'Pepe the Frog' int

(75,38) **Chandelier:** A light fixture resembling a chandelier in the top right room.

(48,90) **Alphabet Block 'A':** A toy block with the letter 'A' on it in the bottom middle area.

(55,90) **Toy Car:** A small pixelated toy car in the bottom middle area.

(95,95) **Gift Box:** A pixelated gift box in the bottom right corner.

(15,90) **Figure/Doll:** A small figure or doll in the bottom left area near Kenny.

(50,95) **Figure/Doll:** A small figure or doll sitting down in the bottom middle area.

(70,95) **Figure/Doll:** A small figure or doll in the bottom right area.

(80,80) **Figure/Doll:** A small figure or doll in the bottom right area.

(85,95) **Figure/Doll:** A small figure or doll in the bottom right area.

(55,40) **Three Dots Picture:** A small picture on the wall depicted as three horizontal dots in the top middle room.

(85,45) **Window:** A window in the bedroom on the top right floor.

(65,48) **Lamp:** A lamp in the living area on the top middle floor.

(40,70) **Counter/Sink:** A kitchen counter or sink area in the middle left room.

(65,65) **Bookshelves:** Bookshelves on the wall in the middle middle room.

(80,68) **Toilet:** A toilet in the bathroom on the middle right floor.

(70,68) **Sink:** A sink in the bathroom on the middle right floor.

(40,48) **Shelves:** Shelves on the wall in the nursery on the top left floor.

(30,68) **Chair:** A chair at the table in the middle left room.

(50,68) **Chair:** A chair at the desk in the middle middle room.

Day 263: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): The Afterlife (more info at <https://github.com/isaacbernat/basepaint>)

- (30,75) **Jesus Christ:** Traditional depiction of Jesus holding a cup.
- (75,30) **Heavenly King/Deity:** Figure wearing a crown, holding an orb, possibly representing God or a high deity.
- (50,50) **Pixel Heart:** Large, prominent heart symbol.
- (40,40) **Grim Reaper:** Hooded figure representing Death.
- (50,15) **Evangelion Unit 01 Head:** The distinctive head of the mecha Unit 01 from Neon Genesis Evangelion.
- (40,85) **Sad Keanu:** Silhouette referencing the "Sad Keanu" internet meme.
- (85,85) **Upright Cat Character:** A standing cat figure, possibly from a game or meme.
- (30,55) **Crying Character:** A character with a round face who is crying, similar to the Crying Wojak or NPC memes.
- (25,55) **Angel:** A figure with wings, representing an angel.
- (10,15) **Skull:** A pixel art skull.
- (50,70) **Walking Silhouette:** A dark silhouette of a person walking.
- (70,20) **Figure in Frame:** A small figure or portrait within a square frame.
- (15,30) **Ascending Figure:** A small figure climbing stairs.
- (70,90) **Standing Silhouette:** A dark silhouette of a person standing.
- (20,10) **Figure with Hands Up:** A small figure with arms raised.
- (90,50) **Waving Character:** A small pixel character who appears to be waving.
- (80,60) **Figure with Glasses:** A small character sprite wearing glasses, possibly from an old video game.
- (80,95) **Small Creature:** A small, indistinct creature.
- (95,10) **Small Face:** A small pixel art face.

Day 264: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Sunflower City (more info at <https://github.com/isaacbernat/basepaint>)

(50,75) **Sunflower with Face:** A large pixel art sunflower with a smiling face, a central figure in the city scene.

(88,78) **SEED BANK:** A pixel art building structure clearly labeled with the text "SEED BANK".

(60,15) **Numbers 34:** The pixel art numbers "34" displayed on the mountain range in the background.

(80,20) **Face Mountain:** A pixel art mountain peak depicted with a distinct face on its side.

(90,30) **Character with Beanie:** A small pixel art character figure with a yellow body and a dark beanie hat.

(30,60) **Building with Cross:** A pixel art building marked with a pixelated cross symbol, likely representing a hospital or church.

(75,45) **Building with Face-like Windows:** A pixel art building with distinct window patterns that resemble a face or an upper body.

(65,65) **Highway:** A diagonal pixel art structure representing a raised highway or bridge.

(15,60) **Large Sunflower:** A large pixel art sunflower plant with detailed petals, integrated into the city landscape on the left.

(75,90) **Large Sunflower:** A large pixel art sunflower plant with detailed petals, integrated into the city landscape on the bottom right.

(65,60) **Car:** A small pixel art representation of a vehicle on the highway.

Day 265: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Ancient Cave Paintings (more info at <https://github.com/isaacbernat/basepaint>)

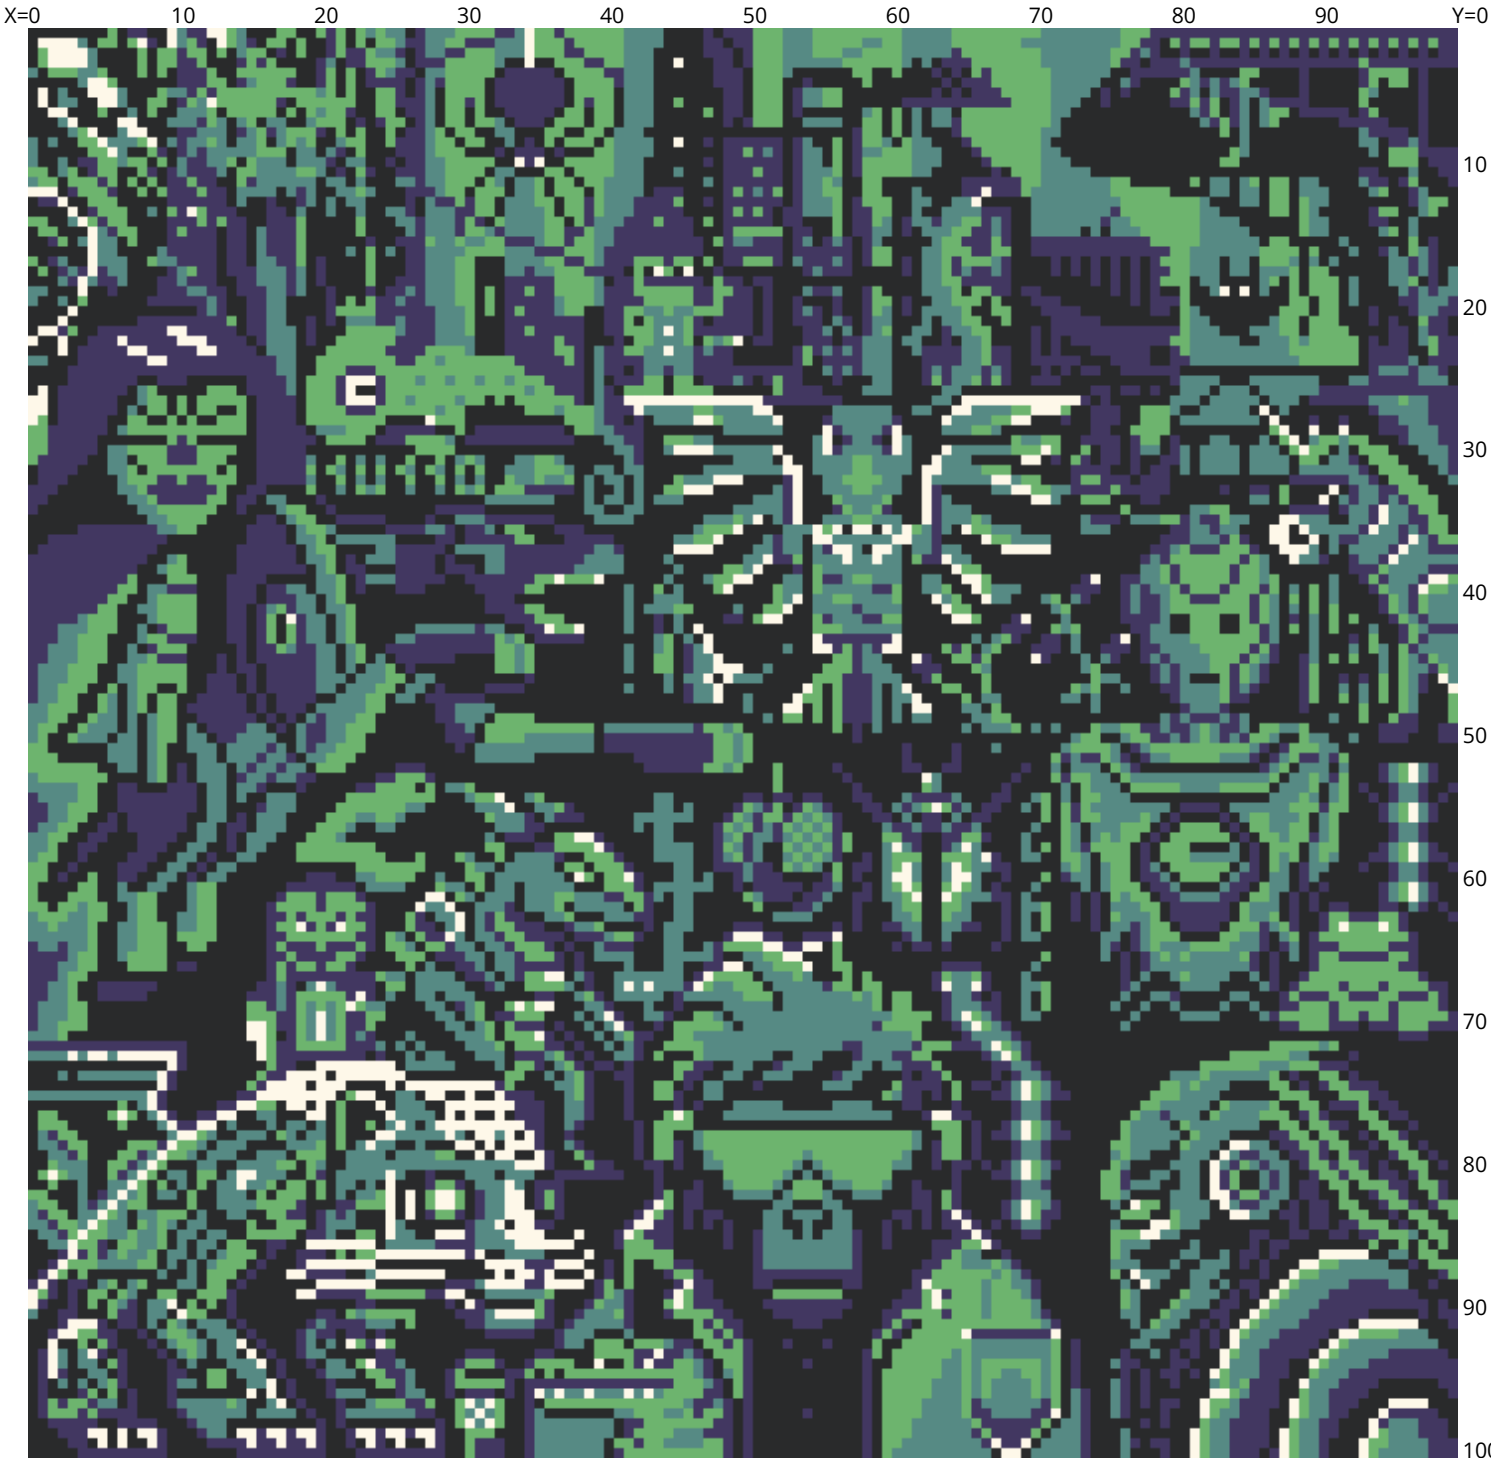

- (55,30) Mammoth: Large hairy beast, central figure drawn on the cave wall.
- (15,80) Large Caveman: Muscular human figure with markings, a prominent member of the tribe.
- (80,15) Sanic: Speedy blur figure, a strange creature drawn in motion, referencing the Sonic the Hedgehog meme.
- (90,25) Pepe the Frog: Distinct frog-like face with wide eyes, referencing the internet meme.
- (25,45) Crying Wojak: Figure with head bowed in despair, referencing the Feels Guy meme.
- (30,55) Konami Code: Sequence of directional arrows and symbols, an ancient script or game culture reference.
- (30,65) Monke: Ape-like figure, perhaps a spirit or creature, referencing the internet meme.
- (85,80) Spongebob Meme: Sitting figure in a pose of distress, referencing a Spongebob or Patrick meme.
- (15,15) Hands: Multiple handprints pressed onto the cave surface.
- (60,15) Group of figures: Humans gathered in a ritual or communal scene.
- (40,40) Hunting figure: Human figure with a spear raised, engaging in the hunt.
- (70,45) Deer: Four-legged animal depicted in profile, likely a deer or antelope.
- (45,50) Snake: Large wavy serpent-like creature winding across the wall.
- (15,55) Deer: Four-legged animal, likely a deer or antelope.
- (75,58) Bear: Large mammal standing on four legs, possibly a cave bear.
- (50,75) Standing figure: Human figure standing upright.
- (65,85) Sitting figure: Human figure in a seated position.
- (85,5) Minecraft Blocks: Stacked blocky shapes, potentially referencing the game.

Day 266: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

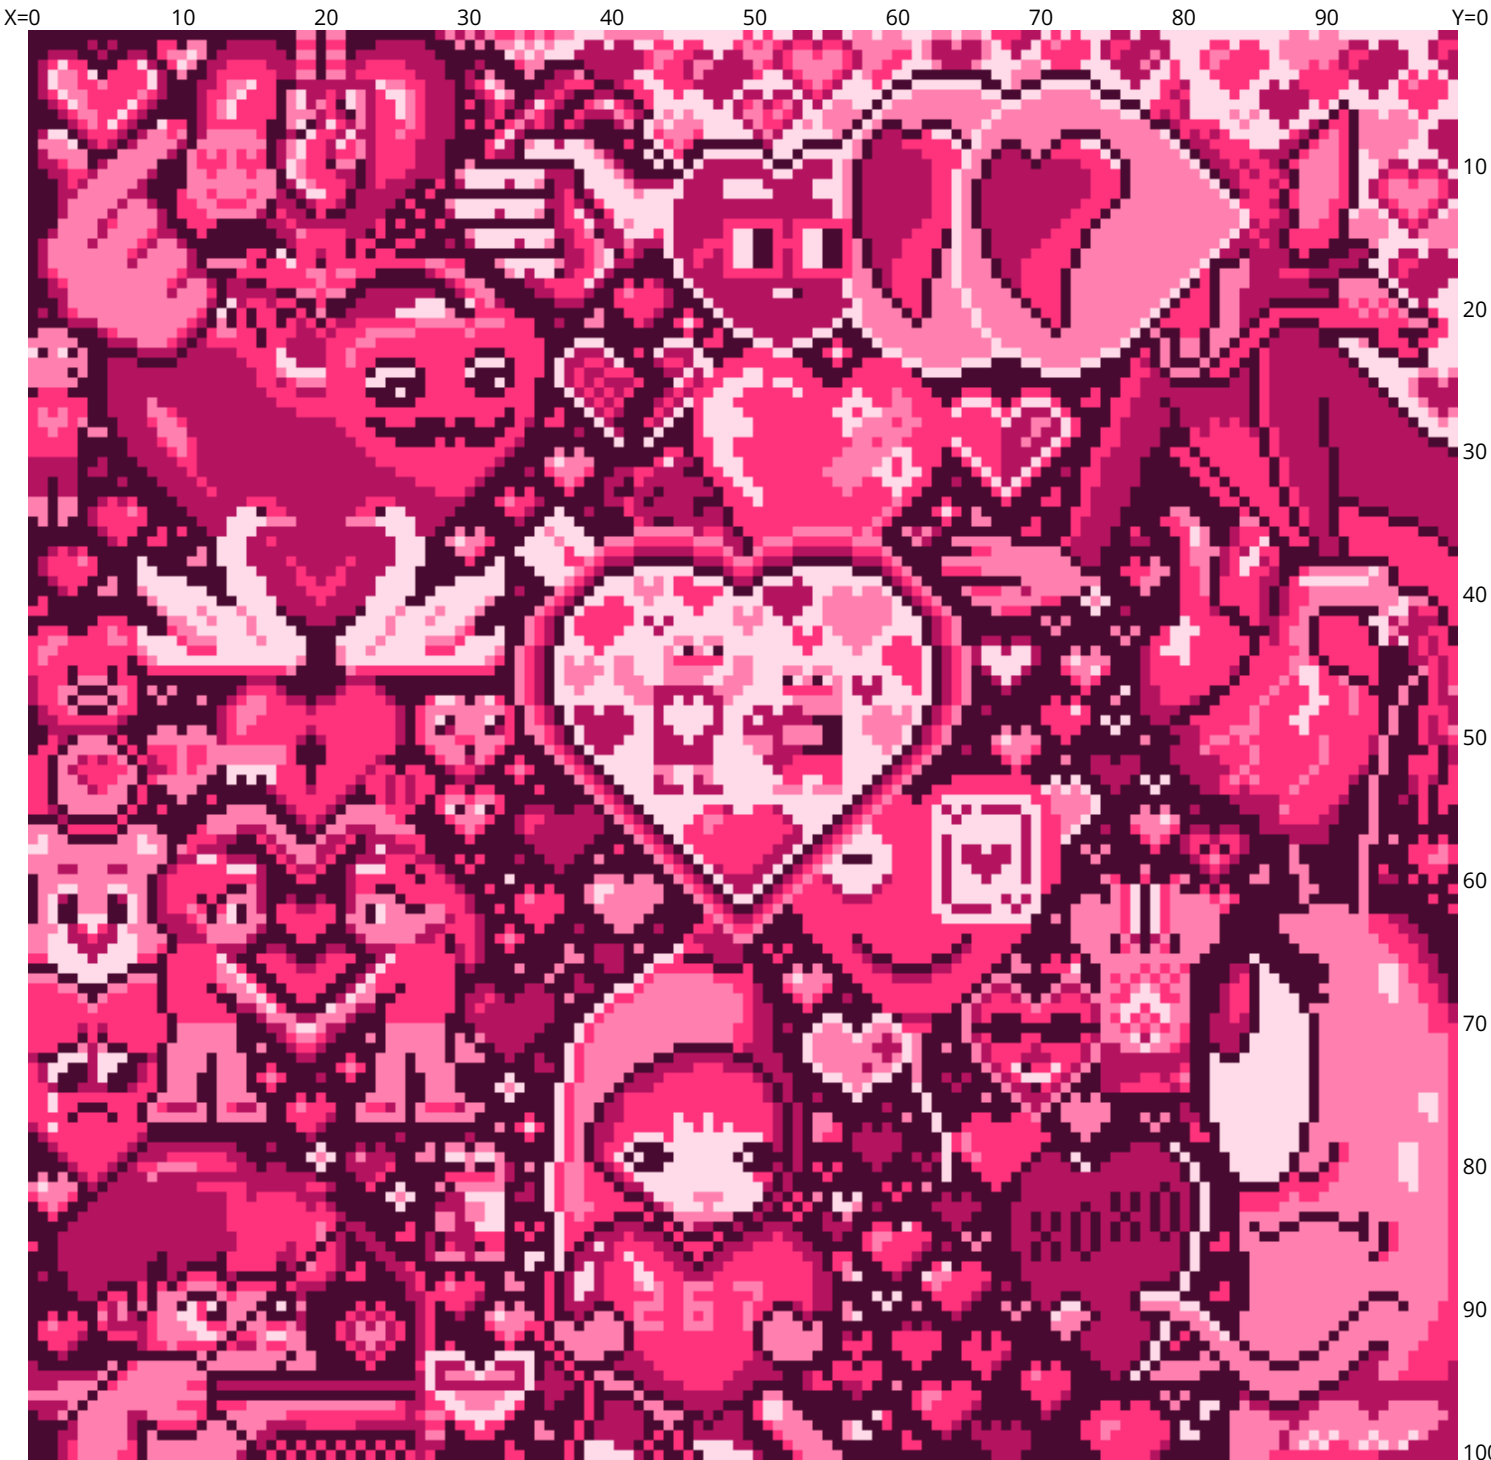

(X, Y): **Cyber Jungle** (more info at <https://github.com/isaacbernat/basepaint>)

- (50,35) **Cyber Griffin**: A large, winged cybernetic creature integrated into the jungle canopy.
- (82,50) **Iron Man-like Armor**: A large, armored human figure resembling Marvel's Iron Man suit standing amongst the foliage.
- (18,55) **Witch/Sorceress**: A large figure on the left with a pointed hat and cape, part of the jungle scene. (Fantasy/Cultural)
- (85,82) **Stonks Ape / Bored Ape**: A large ape figure wearing sunglasses, strongly resembling the Stonks meme character.
- (18,85) **Pepe the Frog**: A seated figure at the bottom-left, clearly representing the Pepe the Frog internet meme. (Internet)
- (42,78) **Cyber Dragon/Beast**: A muscular creature with large teeth located in the lower middle-left section.
- (58,80) **Scarab Beetle / 2669**: A small beetle creature resembling an Egyptian scarab, with the numbers '2669' floating above it.
- (25,40) **Keyhole**: A small, distinct keyhole shape integrated into the upper left foliage. (Symbolic element)
- (35,60) **Orb/Coin**: A small, circular object near the Witch's hand. (Possible symbolic element or token reference)
- (70,87) **Small robot/figure**: A very small robotic or humanoid figure near the Ape's arm.
- (45,90) **Coins/Tokens**: A small stack of circular objects, possibly coins, tokens, or poker chips, in the lower middle section.

Day 267: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Hearts (more info at <https://github.com/isaacbernat/basepaint>)
- (50,47) **Large heart with pig couple:** The largest heart in the center, containing two pixel art pigs holding hands, representing love.
 - (86,75) **Heart figure offering heart:** A large, stylized character with a heart-shaped body offering a smaller heart labeled "267".
 - (50,80) **Anime girl with heart:** An anime-style girl holding a large heart with the number "267" on it, potentially a user identifier.
 - (25,70) **Large heart with dancing couple:** A large heart shape containing two pixel art figures dancing or holding hands, representing joy.
 - (15,20) **Finger heart gesture:** A large hand making the "finger heart" gesture, a popular symbol of love in K-Pop and Korean culture.
 - (80,20) **Stylized character head:** A large pixel art head or character face with prominent features that suggest eyes or a mouth.
 - (55,25) **Heart couple figures:** Two pixel art figures facing each other with hearts between or around them, representing a couple.
 - (85,95) **Heart with 3000:** A pixel art heart shape containing the number "3000", referencing the popular meme "I love you 3000".
 - (30,40) **Monster heart character:** A pixel art character shaped like a heart with eyes and a mouth, resembling a cute monster.
 - (30,55) **Two swans forming heart:** Two white swans facing each other with their necks creating a heart shape, a classic symbol of love.
 - (70,55) **Square heart icon:** A pixel art square containing a heart, resembling a social media "like" or "favorite" icon or a checkbox.
 - (15,65) **Teddy bear with heart:** A small pixel art teddy bear clutching a heart, a common symbol of affection.
 - (70,65) **Monster head:** A small, distinct pixel art head with sharp teeth and potentially heart-shaped eyes, resembling a cute monster.
 - (10,5) **Small character head:** A small pixel art head or symbol in the top-left corner, distinct from the background pattern.
 - (15,90) **Bottom left couple:** Two small pixel art figures in the bottom left, possibly a couple or dancing figures.

Day 268: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 1970s (more info at <https://github.com/isaacbernat/basepaint>)

- (71,46) **70s cool guy:** A large figure with an afro, wearing a jacket, representing a 70s cool guy or Blaxploitation character.
- (55,20) **VW Bus:** An iconic Volkswagen Type 2 Microbus, symbolizing 1970s counterculture.
- (15,18) **Running figure:** A blocky figure in a dynamic running or action pose, reminiscent of early video game sprites or simple animation.
- (85,15) **Group of figures:** Several figures standing together, potentially representing a band, cast, or choir from the era.
- (85,40) **Digital Clock 2:** 68: A digital display showing "2:68", likely a meme referencing a glitch or impossible time.
- (30,40) **Action figure:** A figure with long hair holding an object (possibly a weapon), in an action stance, typical of 70s action figures.
- (18,45) **Character with Hat:** A figure wearing a distinctive wide-brimmed hat, suggesting an adventurer, detective, or spy.
- (55,55) **Character with Helmet:** A figure wearing a large, round helmet, possibly a diver or astronaut, referencing 70s sci-fi.
- (40,35) **Arcade Machine:** A classic arcade game cabinet, representing the rise of arcade gaming in the 1970s.
- (65,35) **Arcade Machine:** Another arcade game cabinet, emphasizing the theme.
- (10,90) **Cookie Monster:** A recognizable character from the children's television show Sesame Street, popular in the 70s.
- (90,30) **Yellow Smiley Face:** A cultural icon of the 1970s, representing happiness or optimism.
- (80,80) **Group of action characters:** Several characters clustered together in dynamic or fighting poses.
- (15,75) **Anime-style character:** A figure with distinct features and hairstyle, possibly referencing 70s anime or manga.
- (50,65) **Small blue running figure:** A small, simplified figure running, possibly a game sprite or meme figure.
- (35,70) **Character figure:** An individual character with dark hair, possibly from a show or representing a person.
- (25,60) **Blue figure with arms up:** A simplified blue figure with arms raised, possibly dancing or cheering.
- (75,60) **Two blue figures with arms raised:** Two simplified figures with arms raised, similar to the single figure, suggesting celebration.
- (65,75) **Character with large glasses:** An individual character wearing distinctive large, round glasses.
- (50,85) **Console or device:** A simplified electronic device, possibly a home game console or radio from the 70s.
- (25,90) **Character with scarf/bandana:** A figure wearing a scarf or bandana around their neck or head.
- (80,85) **Number 18:** The number "18" visible on the shirt of one of the characters in the bottom-right group, possibly a spoiler reference.
- (90,90) **Character with round glasses:** Another figure with distinctive large, round glasses.
- (50,5) **Buildings:** Architectural structures representing a city skyline.
- (10,50) **Grid Pattern:** A background texture or graphical element resembling a grid or screen.

Day 269: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Absinthe: Chase the Green Fairy (more info at <https://github.com/isaacbernat/basepaint>)

- (50,30) Green Fairy / Main Figure: A large, dynamic figure in the upper central area representing the mythical "Green Fairy".
- (25,35) Grotesque Figure: A prominent figure in the upper left quadrant with large, unsettling eyes and sharp features, possibly a demon or a distorted face.
- (75,20) Charles Baudelaire Portrait: A profile bust or portrait in the upper right corner strongly resembling Charles Baudelaire.
- (50,72) Title Text: The text "ABSINTHE: CHASE THE GREEN FAIRY" spelled out across the lower middle part of the image, serving as the central title.
- (75,75) Figure Pouring Absinthe: A figure depicted in the lower right quadrant holding a bottle and pouring liquid into a glass.
- (70,85) Absinthe Ritual Table: A table located in the lower right quadrant set up for the traditional absinthe drinking ritual, featuring a bottle, glass, and spoon.
- (50,50) Prominent Yellow Swirl: A bright yellow swirling line that cuts across the image, adding visual dynamism and possibly representing the "fairy" or the spirit of absinthe.
- (85,90) Skull: A skull depicted in the lower right corner, a classic symbol often associated with death, toxicity, or the darker aspects of the theme.
- (75,80) Absinthe Carafe/Fountain: A vessel placed on the table used to slowly drip water onto the absinthe during the ritual.
- (68,70) Absinthe Bottle: A distinctive bottle held by the figure pouring absinthe.
- (65,82) Absinthe Glass: A glass (or multiple glasses) on the table, ready to be filled with absinthe.
- (70,82) Absinthe Spoon: A spoon resting on the table or glass, traditionally used to hold sugar above the absinthe during the ritual.

Day 270: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Leather Goods** (more info at <https://github.com/isaacbernat/basepaint>)

- (15,15) **Window:** Part of the workshop structure, providing light.
- (25,15) **Suitcase/briefcase:** A finished leather product displayed on a shelf.
- (35,15) **Diagonal pattern graphic:** An abstract graphic element on the wall, possibly a logo or art.
- (55,15) **Tall tool stand:** A stand holding various crafting tools.
- (85,15) **Leather jacket on rack:** A finished leather garment displayed.
- (95,15) **Boots on rack:** Finished leather footwear displayed.
- (85,20) **BASE label on shelves:** Text indicating the origin platform, basepaint.xyz.
- (65,40) **Workshop cat:** A small animal present in the crafting environment.
- (20,45) **Worker at sewing machine:** An artisan using a sewing machine for leatherwork.
- (25,45) **Sewing machine:** A mechanical tool used for sewing leather.
- (70,45) **Two workers crafting material:** Artisans actively working on a large piece of leather or hide.
- (20,65) **Stack of shelves/storage:** Units for storing materials, tools, or finished goods.
- (70,65) **Large leather material:** A substantial hide or textile, the primary material being processed in the workshop.
- (85,65) **Worker at anvil/stand:** An artisan using tools at a work station, possibly for shaping or metalwork components.
- (85,65) **Anvil/stand:** A heavy-duty work station with a metal block (anvil?) and stand.
- (55,80) **Fantasy shoulder pads and chest plate:** Pieces of protective leather armor with ornate details, referencing fantasy.
- (60,90) **Horned fantasy helmet:** A distinctive leather helmet with horns, referencing fantasy or game designs.
- (85,90) **Second fantasy helmet/mask:** Another unique piece of leather headwear, potentially a mask or helmet from fantasy.

Day 271: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Watercolor** (more info at <https://github.com/isaacbernat/basepaint>)

(50,10) **Mountains:** The prominent mountain range forming the background.

(55,35) **Village:** A cluster of houses and buildings nestled among trees.

(85,40) **Large Hand:** Resembles the hand of God from Michelangelo's Creation of Adam.

(50,47) **Lake:** A body of water reflecting the landscape and structures.

(20,60) **T-Rex:** A large Tyrannosaurus Rex figure, possibly a reference to Dinosaur Comics.

(65,75) **Bob Ross:** A figure resembling Bob Ross painting a landscape on an easel.

(60,30) **Arched Building:** A distinct building with arches located within the background village.

(15,40) **Sailboat:** A boat with a sail on the lake.

(45,80) **Among Us Crewmate:** A small character resembling a crewmate from the game Among Us near the painter.

(90,80) **Sign '273':** A sign or board displaying the number '273'.

(30,90) **Mario:** A figure resembling the video game character Mario.

(15,95) **Among Us Crewmate:** A small character resembling a crewmate from the game Among Us among other small objects.

Day 272: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Necromancer** (more info at <https://github.com/isaacbernath/basepaint>)

(76,39) **Skeletor**: Prominent skeletal figure in hood holding a staff, referencing the Masters of the Universe villain.

(27,74) **He-Man's Arm**: Muscular arm holding a staff or sword piece, referencing the Masters of the Universe hero, oppon

(50,33) **Necromancer Figure**: Central skeletal figure wearing a wide-brimmed hat, likely the titular necromancer.

(23,30) **Large Skull**: A large, detailed skull facing left.

(40,70) **Dancing Skeleton**: A small skeleton figure with arms raised, referencing the "Spooky Scary Skeletons" or dancing s

(85,20) **Moth near Lamp**: A large moth-like creature hovering near a glowing circle, referencing the Moth and Lamp inter

(75,58) **Hooded Figure**: A skeletal figure wearing a hood, resembling a Grim Reaper or other death personification.

(65,45) **Glowing Eye**: A single large, glowing eye, a common spooky trope, possibly referencing Sauron's eye from Lord of

(45,48) **Creepy Laugh Face**: A face with a wide, unsettling smile, referencing the Creepy Laugh internet meme.

(14,76) **Distressed Dude**: A face with a look of discomfort or distress, often used in reaction internet memes.

(50,50) **Pentagram**: A five-pointed star symbol, often associated with occult practices like necromancy.

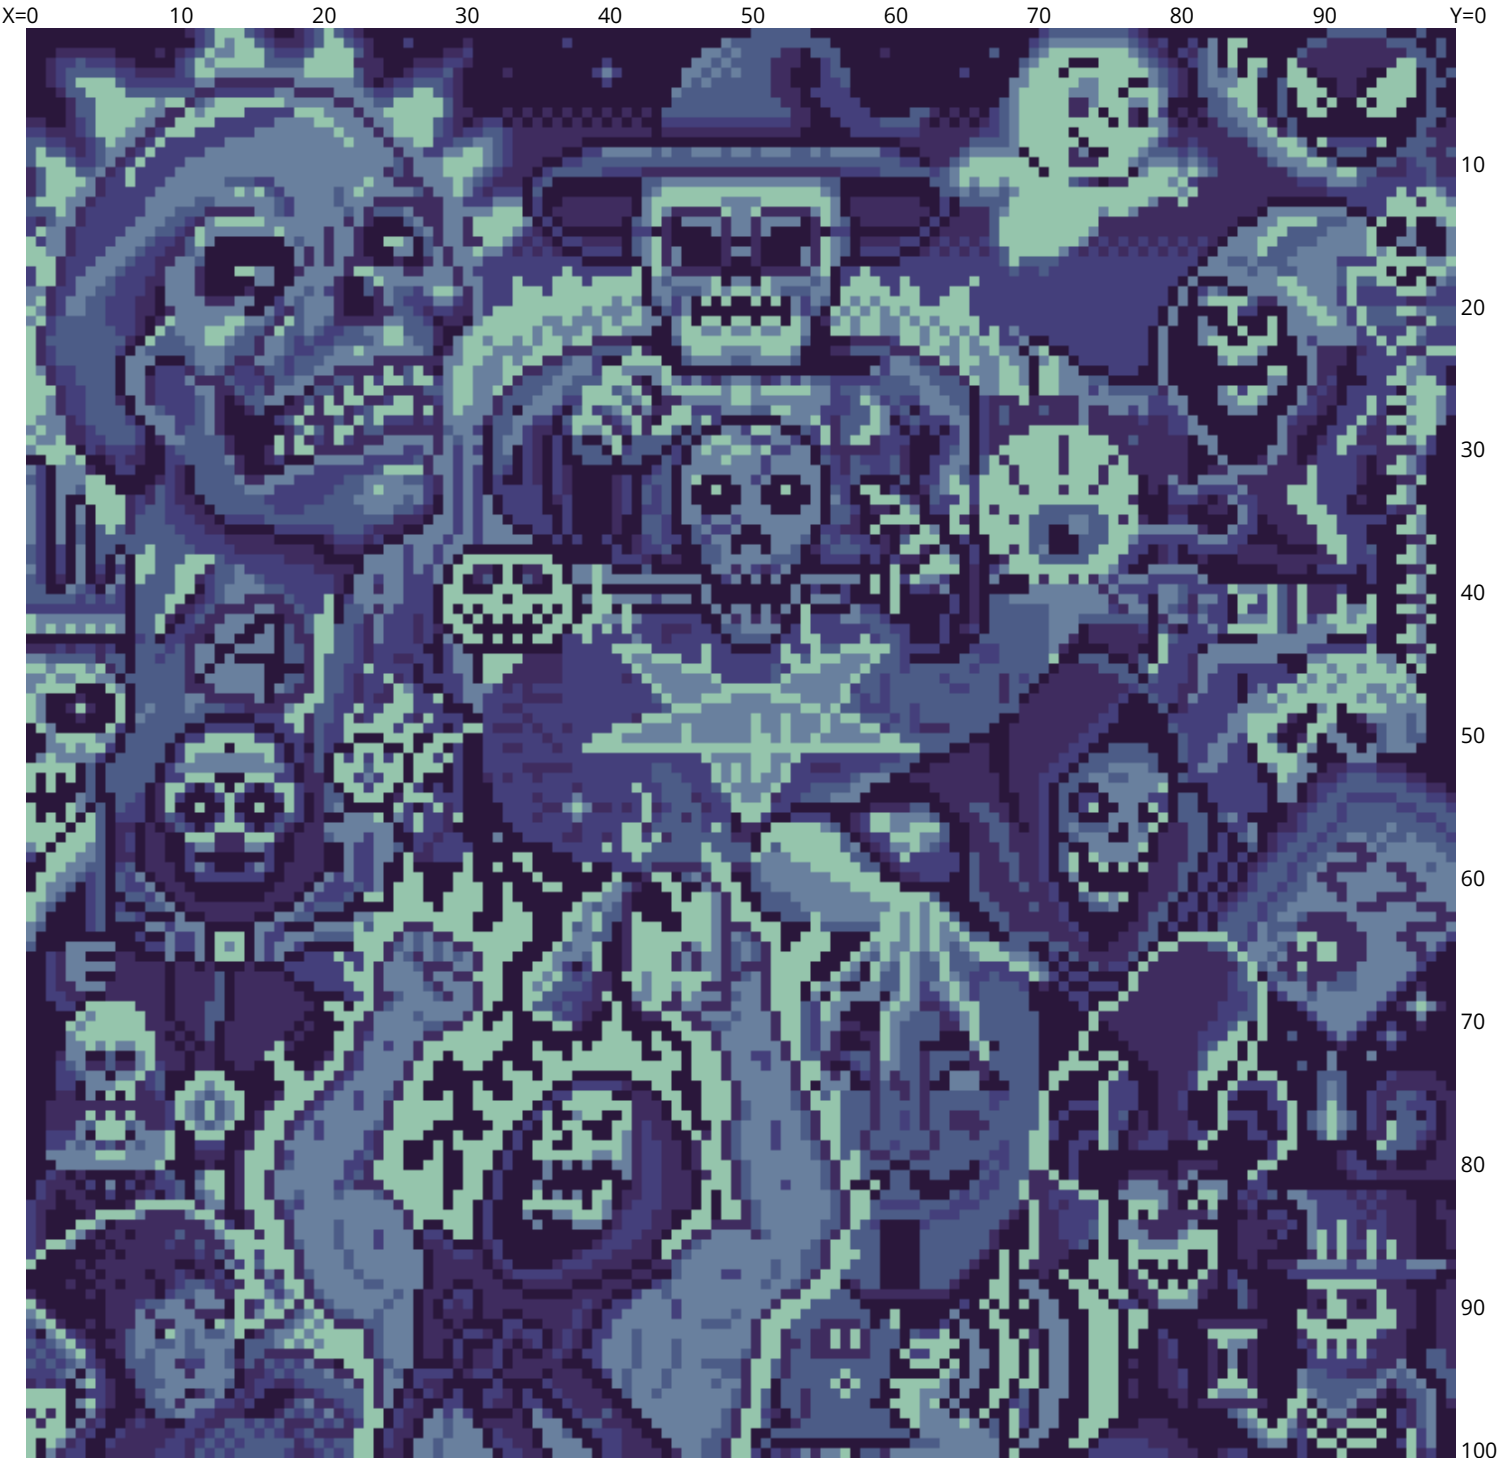

(10,55) **"E" Meme**: The blocky letter "E", a known internet meme derived from Markiplier's Lordquaad E meme.

(90,10) **Ghost**: A simple sheet ghost shape, a common spooky element.

(85,85) **Small Skull**: A smaller, distinct skull in the lower right corner.

(20,50) **Small Skull**: A smaller, distinct skull on the left side below the large skull.

(50,5) **Background Stars**: Small star shapes in the dark background sky.

Day 273: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Pottery Class (more info at <https://github.com/isaacbernat/basepaint>)

- (25,45) **Large Ogre Figure:** A large, muscular figure resembling Shrek from the movie and internet meme, standing near a
- (15,70) **Person Kneeling by Kiln:** A figure kneeling near the opening of a large brick kiln or furnace, possibly loading or un
- (70,55) **Person at Pottery Wheel:** A figure sitting at a pottery wheel, actively shaping a piece of clay.
- (35,75) **Person Holding Pot:** A figure sitting down, holding a completed or in-progress pottery piece in their hands.
- (75,75) **Person Sitting with Pot:** A figure sitting at a table, working on a pot.
- (15,75) **Kiln/Furnace:** A large brick structure used for firing pottery, located in the bottom left corner.
- (50,15) **Totoro Poster:** A poster on the wall depicting a character resembling Totoro from the Studio Ghibli anime film My
- (65,50) **Counter/Table:** The main work surface area where figures are doing pottery and objects are placed.
- (90,55) **White Cat:** A small white cat sitting on the counter on the far right side.
- (15,10) **Numbered Pots:** Four large pots or vases displayed on the top left shelf, uniquely numbered '1', '2', '3', and '7'. The
- (40,30) **Middle Left Shelf:** A shelf section displaying various busts and other objects.
- (75,30) **Middle Right Shelf:** A shelf section displaying busts, a mask-like object, and small heads.
- (20,10) **Top Left Shelf:** The shelf area holding the large numbered pots.
- (75,10) **Top Right Shelf:** The shelf area filled with numerous small bottles or jars, resembling alchemy supplies.
- (70,35) **Small Heads on Shelf:** A row of small, simplified heads displayed on the middle right shelf. Their distinct shapes s
- (35,35) **Large Bust:** A classical-style bust displayed on the middle left shelf.
- (55,35) **Mask Object:** A stylized mask or face displayed on the middle right shelf below the Totoro poster.
- (65,35) **Another Bust:** A smaller bust displayed on the middle right shelf.
- (70,70) **Pot on Counter:** A small pot or vessel placed on the counter near the person working at the pottery wheel.
- (85,80) **Finished Pot:** A distinct pottery piece sitting on the table next to the figure on the bottom right.
- (45,75) **Pot next to Person:** A pot placed near the figure holding a pottery piece in the bottom center.
- (80,10) **Bottles/Jars:** Numerous small containers on the top right shelf, appearing like ingredients or potions.

Day 274: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 90s Aesthetic (more info at <https://github.com/isaacbernat/basepaint>)

(30,55) **TV with exercise figures:** A CRT television displaying a workout or dance program, common in 90s television.

(30,80) **Girl with controller:** An anime-style girl holding a game controller, representing 90s gaming culture.

(65,40) **Person in flannel playing guitar:** A figure reminiscent of grunge musicians like Kurt Cobain, playing an acoustic guitar.

(50,75) **Monitor/Computer screen with interface:** An old computer monitor displaying a graphical user interface, representing early desktop computing.

(85,80) **Person in Knicks sweater:** A person wearing a New York Knicks basketball team sweater, popular 90s sports apparel.

(15,15) **Boombox:** A portable stereo system, a staple of 90s music listening.

(45,15) **Anime girl face:** A distinct face in anime style, indicating the growing popularity of anime in the 90s.

(85,15) **CD Player/Discman:** A portable compact disc player, replacing cassette players in the 90s.

(95,15) **Person's face with hat:** A small face wearing a beanie or hat.

(55,20) **Figure sitting on computer:** A person sitting on a large desktop computer tower, symbolizing interaction with early personal computing.

(85,25) **Old Cell Phone:** A large, bulky mobile phone from the early days of mobile communication.

(20,30) **Screaming face:** A pixelated face expressing distress or screaming, potentially referencing "The Scream" or early internet meme culture.

(70,30) **VHS tape:** A videocassette tape, the primary format for watching movies at home in the 90s.

(35,35) **Hand with mouse:** A hand holding or using an old-fashioned computer mouse.

(40,35) **Keyboard:** An old-style computer keyboard.

(35,38) **Heart shapes:** Small pixelated heart symbols.

(35,45) **Can drinks:** Two stylized beverage cans, representing 90s soda or energy drinks.

(45,45) **Folder icon / Desktop elements:** Icons and windows from a classic operating system interface, like Windows 95 or Mac OS 9.

(70,45) **Graph/Chart:** A simple pixelated graph or chart.

(85,50) **Tamagotchi:** A popular handheld digital pet toy from the late 90s.

(60,60) **Pager:** A small device used for receiving text messages, common before widespread cell phones.

(40,65) **Dog/Wolf character:** A cartoon or furry-style animal character.

(25,10) **Floppy Disks:** 3.5-inch floppy disks, a common storage medium.

(95,12) **Glasses:** A small detail showing glasses, possibly round glasses.

(75,15) **Skull icon:** A small skull graphic, possibly related to computer graphics or alternative aesthetics.

(80,15) **Smiley face:** A classic yellow smiley face.

(55,30) **Cassette tape:** An audio cassette tape, still used in the early 90s.

(95,90) **Hand holding device:** A hand holding a small device, possibly a pager or phone.

(50,95) **Person's face (bottom middle):** A very small, almost hidden face.

Day 275: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Sidewalk Chalk (more info at <https://github.com/isaacbernat/basepaint>)

(50,50) **Central Mandala/Drawing:** Large, symmetrical abstract drawing in the center, the main focus of the chalk art.

(20,35) **Group of figures on the left:** Several people engaged in drawing activities, representing collaboration.

(80,68) **Figures drawing on the right:** A pair of figures, one with a heart shirt, drawing together.

(90,95) **Pepe the Frog figures:** Multiple small figures resembling the popular internet meme Pepe the Frog.

(45,10) **Top Buildings/Structures:** Depicting buildings in the background or upper area.

(15,75) **Bottom Left Buildings/Structures:** Depicting buildings in the bottom left area.

(70,90) **Cat:** A simple pixel art representation of a cat.

(25,80) **Rainbow:** An arc-shaped rainbow.

(50,35) **Robot face:** A simple, square-shaped face resembling a robot.

(15,90) **Text "BASE":** The identifying text "BASE" for the project.

(90,45) **Shark fin:** A fin shape resembling a shark fin.

(45,20) **Fruit/Vegetable shape:** A long, curved shape resembling a banana or cucumber.

(70,15) **Hand gesture:** A simple hand representation, possibly showing a peace sign.

(60,60) **Heart:** A heart symbol.

(80,85) **Text "2.7":** The numbers and period "2.7".

(55,55) **Text "HI":** The word "HI".

(65,55) **Text "LOVE":** The word "LOVE".

Day 276: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Spoderman & His Bootleg Friends (more info at <https://github.com/isaacbernat/basepaint>)

- (30,55) **Spoderman**: A large figure representing a distorted, meme version of Spider-Man, originating from MS Paint drawings.
- (75,65) **Bootleg Snorlax**: A large figure resembling Snorlax from Pokémon, depicted in a bootleg style wearing a shirt with a skull.
- (55,90) **Bootleg Mickey Mouse**: A simplified and distorted version of Mickey Mouse. Cultural icon/TV reference.
- (16,16) **Rick Sanchez**: Character from the animated series Rick and Morty, often featured in memes. TV/Meme reference.
- (50,20) **Homer Simpson**: Iconic character from The Simpsons animated series, wearing a hat. TV reference.
- (80,20) **Bakugo**: Katsuki Bakugo from the anime and manga series My Hero Academia. Anime/Manga reference.
- (15,75) **Gopnik Spongebob**: Spongebob Squarepants figure in a gopnik style pose and attire. Meme combining TV and culture.
- (25,15) **Monokuma**: The main antagonist bear character from the visual novel game series Danganronpa. Game/Anime reference.
- (70,15) **Creeper**: Iconic exploding enemy creature from the video game Minecraft. Game reference.
- (50,40) **Pikachu (bootleg)**: A simplified, possibly off-model version of Pikachu from Pokémon. Game/Anime reference.
- (90,40) **Blue Monster (Sulley-like)**: Character resembling Sulley from Pixar's Monsters, Inc. Movie reference.
- (45,45) **Kirby**: Protagonist from Nintendo's Kirby video game series. Game reference.
- (65,55) **Among Us Crewmate (Red)**: A red crewmate character from the game Among Us, a popular meme subject. Game reference.
- (85,70) **White Blockhead**: A simplistic white figure with minimal facial features, possibly a generic character or meme placeholder.
- (25,85) **Ninja Turtle**: A member of the Teenage Mutant Ninja Turtles, likely Donatello or Michelangelo based on color and pose.
- (85,85) **Iron Man mask**: The distinctive mask of Iron Man from Marvel Comics/Movies. Comic/Movie reference.
- (60,95) **Venom**: Character from Marvel Comics, depicted as a dark figure with a large tongue. Comic/Movie reference.
- (90,15) **Anime Face (simplified)**: A very simplified face with large eyes, typical of anime/manga style. Not clearly identifiable.
- (85,30) **Red figure with horns**: A small red creature with horns and possibly a tail. Resembles common depictions of imps or devils.
- (45,35) **Spider symbol**: A small black symbol representing a spider, widely recognized as the logo or symbol associated with Spider-Man.
- (45,50) **Skull with brain exposed**: A small, somewhat macabre element depicting a skull with the brain visible. Could be a reference to a meme or game.

Day 277: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): 1980s (more info at <https://github.com/isaacbernat/basepaint>)

- (12,12) **Elite logo:** Logo resembling the Elite video game title.
- (35,15) **Small cyclist:** Small figure riding a bicycle.
- (70,25) **Ship:** Large passenger ship on the water.
- (30,38) **Happy Woman:** Woman looking upwards with a happy expression and a heart symbol.
- (80,35) **Beetlejuice Skull:** Skull face with top hat and hair, likely representing Beetlejuice.
- (20,55) **Mr. T:** Man with mohawk, beard, and striped shirt, likely Mr. T.
- (45,55) **Yelling Man:** Person with open mouth, appearing to yell or sing.
- (65,55) **Calculator/Pager:** 80s portable electronic device.
- (35,60) **Small dancing figures:** Group of small dancing figures.
- (75,65) **DeLorean car:** Iconic time-travel car, likely the DeLorean from Back to the Future.
- (32,70) **Small Figure:** Small pink humanoid figure on a block.
- (25,85) **Surprised Man:** Man with surprised expression and raised hands.
- (45,85) **Marty McFly:** Young person in patterned shirt, likely Marty McFly from Back to the Future.
- (75,85) **Breakdancer/Musician:** Person with sunglasses and headphones, associated with boombox/music.
- (88,90) **Small Person with briefcase/box:** Small person holding a box or briefcase.
- (95,90) **Small person giving thumb up:** Small person giving a thumbs-up gesture.

Day 278: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Futuristic Fashion Show (more info at <https://github.com/isaacbernat/basepaint>)

- (50,55) **Central structure with "OOPS":** Large stage centerpiece featuring circular elements and the text "OOPS", a common internet meme.
- (25,35) **Figure with pigtails and visor:** A model or character with distinctive pigtails and a futuristic visor, strongly resembling a well-known character.
- (70,80) **Figure in futuristic suit/helmet:** A person wearing a full futuristic helmet and suit, highly reminiscent of the character Iron Man.
- (40,40) **Distressed figure:** A figure with a look of shock or distress, appearing like a reaction meme character, possibly a well-known internet personality.
- (65,45) **Figure with heart-shaped top:** A fashion model on the stage wearing a distinctive top with a heart cutout.
- (85,45) **Partially visible figure:** A figure on the far right with an expression of shock or cringe, potentially another reaction meme character.
- (20,65) **Figure with large headpiece/microphone:** A figure wearing or holding a large, elaborate futuristic device, possibly a microphone or headpiece.
- (40,85) **Masked/Sharp-featured face:** A face with angular or sharp features, possibly a mask or stylized depiction, adding to the futuristic aesthetic.
- (90,85) **Figure with bandana:** A person in the audience or on the sidelines wearing a bandana, observing the show.
- (50,25) **Central stage fixture:** A large circular and geometric structure hanging above the stage, likely futuristic lighting or a stage prop.
- (55,75) **Display with '278':** A digital screen or panel displaying the numbers '278', a detail of the stage technology.
- (30,85) **Small figure:** A small, less detailed figure in the bottom left area, likely part of the crowd or background.
- (50,10) **Background skyline/stars:** The top background area depicting a minimal futuristic cityscape or starry sky.

Day 279: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Laser Tag** (more info at <https://github.com/isaacbernat/basepaint>)
- (20,20) **Daft Punk Helmet:** Representing Daft Punk, a cultural icon, in a distinctive helmet.
- (80,25) **Hatsune Miku:** Representing the popular VOCALOID and anime character.
- (25,40) **Armored Figure Pointing:** A large figure in armor pointing, potentially referencing a sci-fi trope or a meme format.
- (25,50) **T-Rex/Dinosaur:** A large dinosaur creature, potentially referencing the "Surprised Pikachu" meme template format.
- (45,55) **Rifleman:** A player or character holding a laser rifle, participating in the laser tag battle.
- (80,55) **Heavy Gunner:** A player or character wielding a larger laser weapon.
- (70,80) **Reacting Player:** A player figure behind cover with a surprised or screaming expression, likely referencing a meme.
- (65,15) **BASE building:** Refers to the basepaint.xyz platform where the image was created.
- (75,45) **Boba Tea:** A cup of Boba Tea, a popular drink often associated with internet culture and aesthetics.
- (55,35) **Small Robot:** A small, robot-like figure near the BASE building.
- (35,70) **Small Rodent:** A very small figure resembling a mouse or rat.

Day 280: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

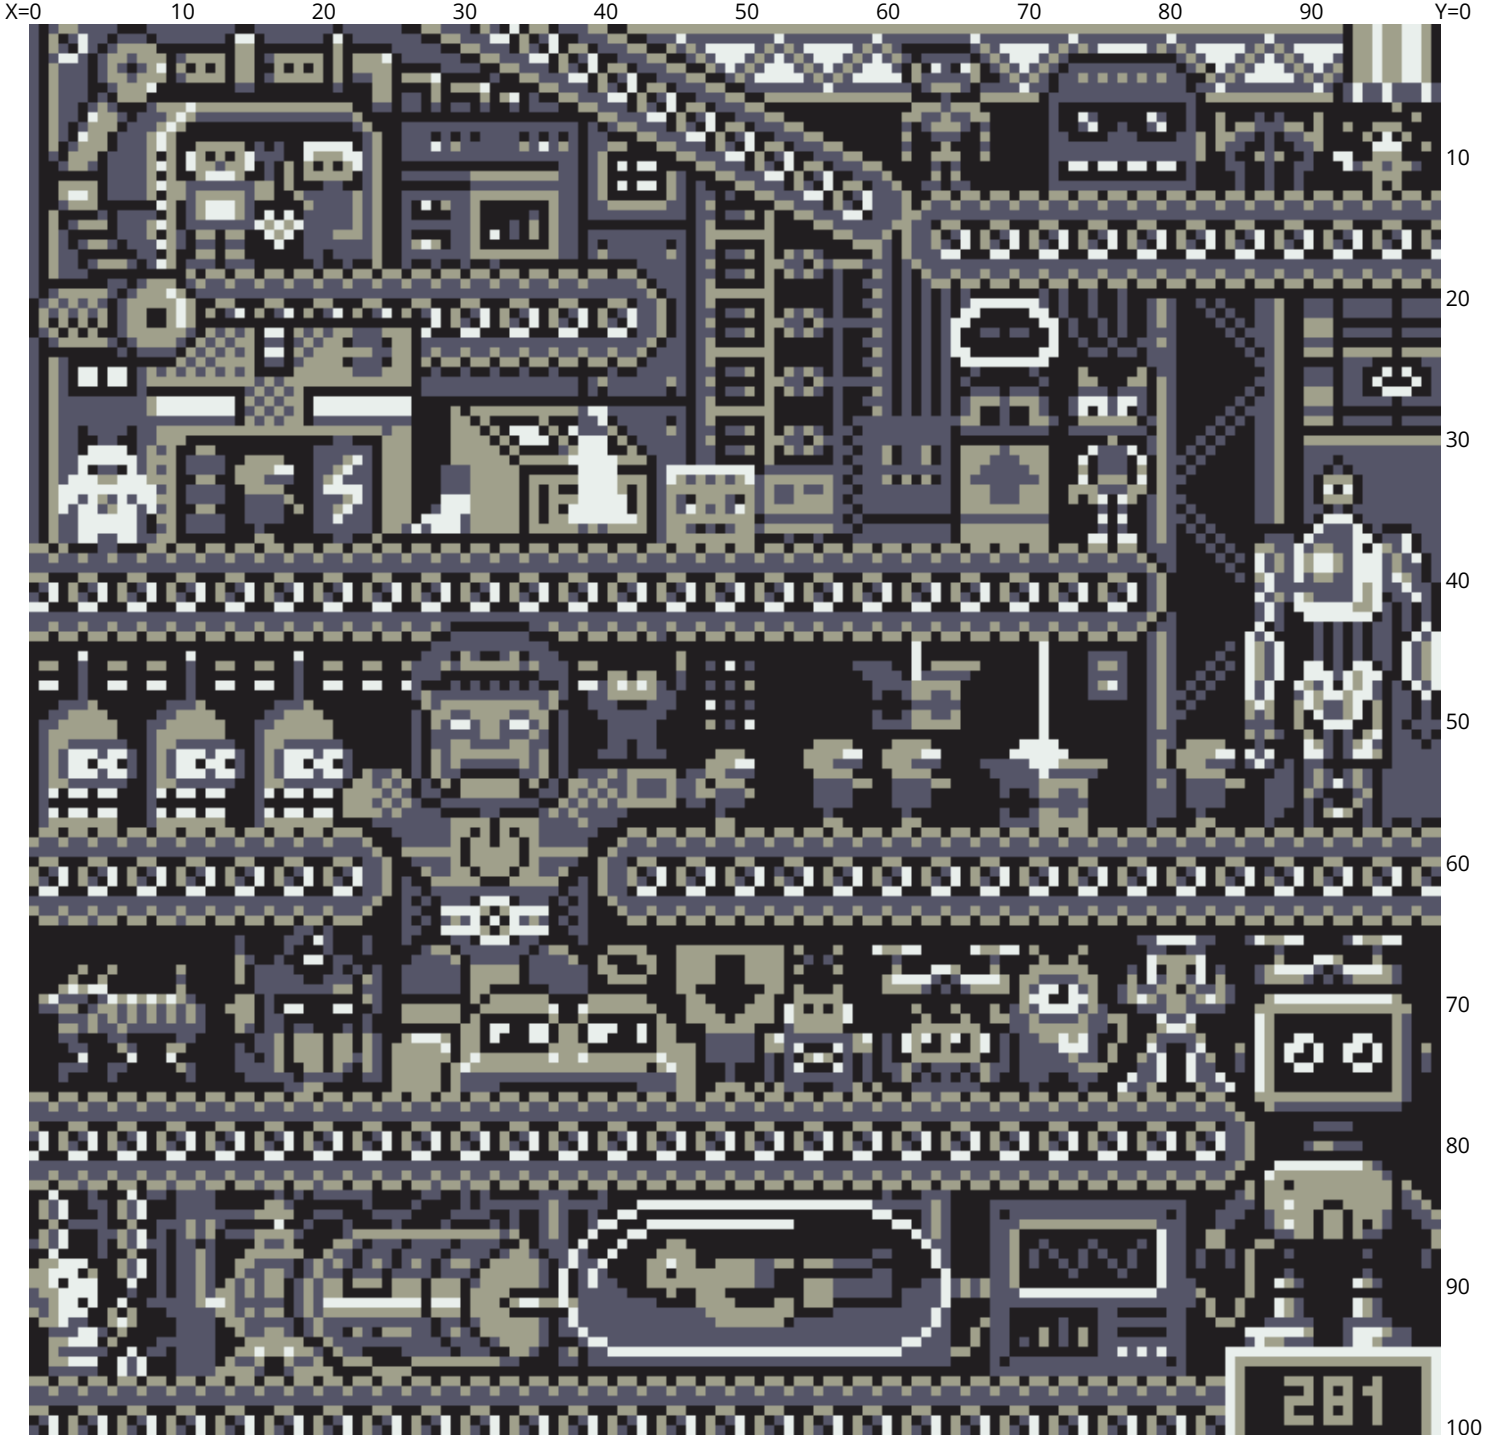

- (X, Y): Heatwave (more info at <https://github.com/isaacbernat/basepaint>)
- (34,76) The Scream meme face: A pixel art rendition of the famous 'The Scream' painting, used as a meme for shock or distress.
- (62,76) Sweating Jordan Peele meme: A pixel art depiction of the sweating man meme, commonly used to represent embarrassment or discomfort.
- (36,14) Grinning Sun: A large, characterful sun with a wide grin and teeth, possibly referencing similar sun characters from anime or video games.
- (20,55) Melting figure: A large figure seemingly distorted or melting from the extreme temperature.
- (16,70) Ahogao face/mouth: A large mouth with tongue sticking out, an expression from internet culture/anime often associated with drowning or extreme heat.
- (66,47) 280°C sign: A clear sign indicating an extremely high temperature, reinforcing the heatwave theme.
- (81,55) People reacting to heat: A group of figures showing distress from the heat, including a prominent larger figure in the foreground.
- (39,58) People splashing at hydrant: Figures cooling off in water spraying from a fire hydrant, a common way to deal with heat.
- (55,23) Cityscape: A background depicting buildings in a city, setting the urban location for the heatwave.
- (16,27) Pyramids: A background element depicting pyramids, possibly referencing a hot desert climate or a specific meme.
- (86,92) Cute girl with thermometer: A small, cute-style character standing next to a thermometer showing a high temperature.
- (67,90) Cute Cat: A small, cute-style cat character looking distressed by the heat.
- (45,92) Cute Dog: A small, cute-style dog character, likely panting from the heat.
- (14,92) Cute Person: A small, cute-style person character reacting to the heat.
- (25,92) Small pet: A very small character, possibly a pet animal, next to the cute person.
- (28,58) Fire hydrant: A detail showing the source of water used by people to cool down.
- (95,92) Thermometer: A detail showing a thermometer next to a character, indicating the high temperature.

Day 281: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Robot Factory (more info at <https://github.com/isaacbernat/basepaint>)

- (49,43) **Robot Assembly Body:** A large structure resembling the torso of a robot, positioned centrally on a lower conveyor.
- (74,47) **Giant Robot:** A tall, complete robot figure standing on the right side, possibly a finished product or supervisor.
- (31,68) **Oval Monitor (OwO):** A large screen displaying the 'OwO' internet meme face, located near the bottom center.
- (31,55) **Gear Mechanism:** A complex arrangement of gears and machinery parts powering the factory, located above the
- (12,8) **Gear:** A visible cogwheel element contributing to the upper left machinery.
- (8,19) **Stormtrooper Helmet:** The distinctive helmet of a Star Wars Stormtrooper, sitting on an upper shelf.
- (19,19) **Reddit Snoo:** The alien mascot of Reddit, placed on an upper shelf.
- (59,19) **Cat-eared Robot Head (Nyan Cat?):** A robot head with cat ears, possibly referencing Nyan Cat, on an upper shelf.
- (66,19) **Control Panel:** A monitor or control panel displaying bar graphs, located on an upper wall.
- (27,35) **Among Us Crewmate:** A small figure resembling a Crewmate from the game Among Us, moving on a conveyor be
- (35,35) **Kirby:** The pink spherical character from Nintendo games, moving on a conveyor belt.
- (43,35) **Pac-Man Ghost:** A figure resembling a ghost from the Pac-Man game, moving on a conveyor belt.
- (55,35) **Small Ghost (Boo?):** A small white ghost figure, possibly referencing Boo from Mario games, moving on a conveyo
- (27,55) **Minion:** A small yellow figure resembling a Minion from Despicable Me, moving on a conveyor belt.
- (55,55) **WALL-E:** The robot protagonist from the movie WALL-E, moving on a conveyor belt.
- (70,66) **Robot Status Monitor:** A screen displaying data or status information for nearby robots.
- (90,66) **"00" Display Robot:** A small robot with a digital face displaying "00".
- (94,94) **"281" Display:** A digital display showing the number "281" in the bottom right corner.

Day 282: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Cows (more info at <https://github.com/isaacbernat/basepaint>)

(50,45) **Happy/Meme Cow:** Large central figure with a wide smile, representing a common anthropomorphic cow meme.

(18,75) **Calf with Flowers:** A cute calf with a detailed smiling face, wearing a flower necklace or bib.

(35,40) **Cow with Bandana:** A cow figure positioned next to the main cow, wearing a bandana or headscarf.

(20,30) **Cow with Lightsaber:** A cow holding a lightsaber, referencing the Star Wars franchise.

(75,35) **Minecraft-style Cow:** A blocky, pixelated cow resembling the design from the game Minecraft.

(70,45) **Cow Head:** A distinct, prominent cow head figure located to the right of the central cow.

(25,60) **Cow with Glasses:** A cow figure distinguished by wearing spectacles.

(70,75) **Sleeping Cow:** A cow lying down on the ground.

(10,10) **UFO:** A classic flying saucer spacecraft in the top-left corner, referencing aliens and science fiction.

(65,35) **Small White Cow:** A small, simply designed white cow standing on the horizontal beam of the barn structure.

(85,80) **Toby Fox-like Figure:** A small, white dog-like figure resembling depictions of game developer Toby Fox, often associated with Undertale.

(90,80) **Sign with text:** A small sign positioned next to the Toby Fox-like figure, containing text that is difficult to fully decipher.

Day 283: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Plants** (more info at <https://github.com/isaacbernat/basepaint>)

(25,15) **Angry Pepe Bird**: A creature resembling a bird or owl with the angry expression associated with Pepe the Frog or C

(20,45) **Sunflower**: A sunflower character, specifically the one from the Plants vs. Zombies game series.

(80,80) **Piranha Plant**: A carnivorous plant character with a large mouth and sharp teeth, from the Super Mario Bros. gam

(70,20) **Large Bird/Parrot**: A detailed depiction of a large bird, possibly a parrot or macaw, perched amongst the plants.

(90,10) **Hanging Lantern**: A small lantern hanging from vines or branches in the background.

(40,45) **Ghost/Spirit**: A white, translucent creature with a simple face, possibly a generic ghost or a reference to a specific

(15,65) **Arms Crossed Anime Girl**: A young girl with short hair and a determined or slightly annoyed expression, depicted

(70,65) **Surprised Anime Girl**: A young woman with messy hair and a surprised or shocked expression, depicted in an ani

(35,30) **Hanging Hearts**: Small heart shapes hanging from vines or strings.

(75,50) **Bee/Wasp**: A small flying insect with stripes, likely a bee or wasp.

(40,60) **Sad Pot**: A small plant pot with a simple, sad face.

(10,95) **Object with "283"**: A small rectangular object with the number "283" visible on it. Its specific reference is unclear.

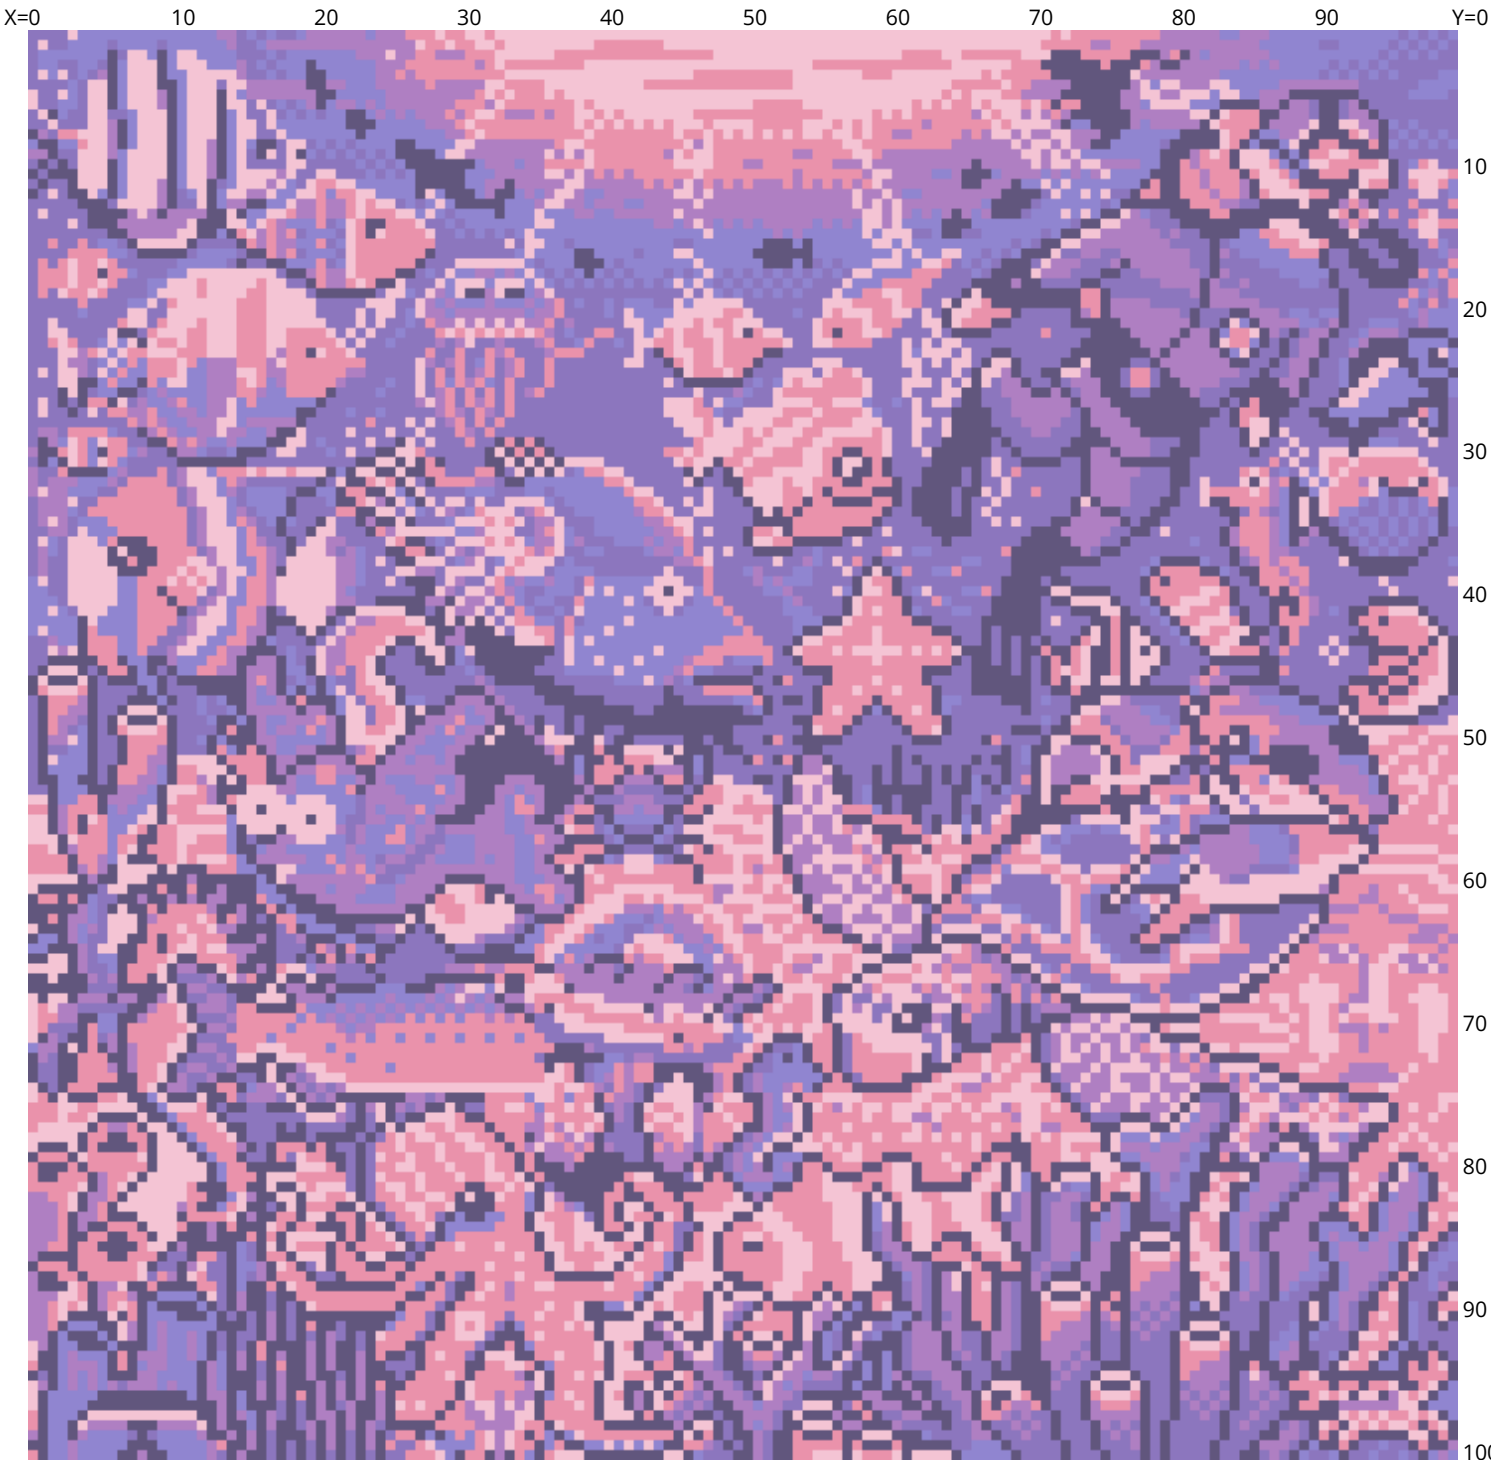

(30,95) **Creature head in pot (ears)**: A small creature's head with prominent ears emerging from a plant pot, possibly a ch

(90,95) **Smug Pot**: A small plant pot with a simple, smug or happy face.

Day 284: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Great Barrier Reef** (more info at <https://github.com/isaacbernat/basepaint>)
- (70,55) **Large Sea Turtle:** Large marine reptile, possibly referencing Crush/Squirt from Finding Nemo (film).
- (15,20) **School of vertical fish:** Group of fish swimming vertically.
- (30,37) **Banded fish:** Fish with pink/purple stripes.
- (32,55) **Octopus/Squid:** Cephalopod with visible tentacles.
- (72,85) **Large Lobster/Crab:** Big crustacean on the seabed.
- (80,47) **Starfish:** Five-armed echinoderm.
- (5,87) **Pineapple house:** Structure shaped like a pineapple, referencing Spongebob Squarepants' home (TV show, source).
- (15,35) **Fish:** A fish with a rounded shape.
- (85,25) **Fish:** A small-medium fish.
- (60,40) **Fish:** A small-medium fish near the turtle's head.
- (75,65) **Fish:** A small-medium fish below the starfish.
- (15,70) **Fish:** A small-medium fish near the bottom left.

Day 285: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Post-Apocalyptic Death Race (more info at <https://github.com/isaacbernat/basepaint>)

- (25,75) Large Truck (Checkered): A prominent, heavily modified truck with a checkered pattern resembling a taxi or race
- (75,75) Tracked Vehicle: A large vehicle on treads, similar to a tank or construction vehicle, heavily armored.
- (75,45) Armored Vehicle: A large, robust armored vehicle or military truck, likely a participant in the race.
- (25,45) Truck with Structure: A large truck possibly equipped with a weapon, crane, or unique structure on its bed.
- (75,25) Fire Truck: A vehicle resembling a fire truck, heavily modified for combat or the race.
- (10,65) Pumpkin Head Character: A character with a distinct pumpkin head mask, potentially a reference to Halloween th
- (30,65) Screen with Face: A monitor or screen displaying a simple face or symbol, possibly referencing retro game graphi
- (55,55) Buggy: A smaller, faster-looking vehicle, likely agile for racing.
- (20,15) Helicopter: An aircraft in the sky, possibly providing support or observation.
- (70,15) Background Skyline: The ruined skyline of a city in the background, setting the post-apocalyptic scene.
- (50,95) Foreground Ground/Road: The surface of the race area, likely rough ground or a destroyed road.
- (40,30) Small Car: A smaller, less prominent vehicle, possibly debris or a minor participant.
- (45,70) Stack of Tires: A round object that appears to be a stack of tires or a large wheel near the screen element.

Day 286: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Elves vs Goblins** (more info at <https://github.com/isaacbernath/basepaint>)

- (50,50) **ELVES VS GOBLINS Text:** The main title of the pixel art piece.
- (20,25) **Large Female Figure:** A prominent figure, likely a high elf, with long flowing blonde hair, possibly an archetype like Galadriel.
- (80,25) **Large Female Face:** A large face of a powerful-looking female, possibly an elf, with wild hair, representing a fantasy archetype.
- (75,60) **Large Goblin/Orc Face:** A large, snarling face typical of a fantasy goblin or orc, representing the Goblin side.
- (30,80) **Blocky Creature:** A large creature rendered in a blocky style, highly reminiscent of Minecraft, possibly representing a dragon or giant.
- (70,80) **Female Face:** A significant female face with striking features and a jewel on the forehead, characteristic of fantasy archetypes.
- (90,85) **Male Face:** A stern-faced male figure, possibly a human hero. The expression and context in a fantasy setting could suggest a warrior or leader.
- (20,65) **Figure with Staff/Sword:** A figure holding a weapon, likely an elf warrior or mage, representing the Elf side.
- (25,55) **Smaller Goblin/Orc Face:** A medium-sized, stylized face of a goblin or orc.
- (10,85) **Small Female Elf Face:** A smaller face, likely an elf, possibly a rogue or archer archetype.
- (50,10) **Peering Eyes/Faces Group:** A cluster of small eyes and faces peering down from the top, suggesting numerous small creatures or spirits.
- (10,70) **Mushroom:** A small mushroom, a common decorative element in fantasy settings.
- (40,65) **Pointy Hat Figure:** A smaller figure wearing a characteristic pointy hat, suggesting a wizard, gnome, or other fantasy creature.

Day 287: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Tree Fort (more info at <https://github.com/isaacbernat/basepaint>)

- (85,75) **Pepe the Frog:** A small figure with the distinctive face shape of the Pepe the Frog internet meme.
- (80,85) **Square-headed Figure:** A figure with a blocky, square head, likely a reference to Minecraft characters or golems.
- (70,70) **Bear-like Figure:** A small creature with rounded ears and a simple face, potentially referencing characters from Five Nights at Freddy's.
- (75,40) **Figure with Telescope/Weapon:** A prominent figure standing on a high platform, holding a long object resembling a telescope or a rifle.
- (30,55) **Figure with Sword:** A character standing on a large circular platform, holding a sword raised above its head in a dynamic pose.
- (15,50) **Horned Figure:** A distinct figure with visible horns, appearing demonic or devilish.
- (60,35) **Figure Operating Device:** A figure hunched over and interacting with a device or scope on a high platform.
- (25,85) **Blocky Standing Figure:** A figure with a noticeable blocky form, standing near the bottom left.
- (35,60) **Circular Platform:** A large, round structural element forming a significant part of the tree fort.
- (65,70) **Dog-like Figure:** A small four-legged animal figure resembling a dog.
- (20,65) **Sitting Figure:** A figure sitting with a slumped posture below a staircase.
- (40,90) **Hooded Figure:** A small figure with a visible hood covering its head.
- (90,10) **Abstract Figure:** A small, indistinctly shaped figure located in the top right corner.
- (25,30) **Figure with Hat:** A small character wearing a hat, positioned on a high platform.
- (70,60) **Figure with Raised Arms:** A figure standing near a building-like structure with its arms appearing raised.
- (90,50) **Figure on Platform:** A small standing figure located on a narrow platform on the right edge.
- (10,85) **Figure on Left Edge:** A figure partially visible along the far left edge of the image.
- (70,90) **Figure with Head Object:** A small figure with an object or distinct shape on its head.
- (80,95) **Small Figure:** A very small figure located near the bottom right corner.

Day 288: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): Sculpture (more info at <https://github.com/isaacbernat/basepaint>)
- (18,45) **Figure with Staff:** Large classical sculpture of a muscular, bearded figure holding a staff, possibly Zeus or Hercules.
- (48,45) **Figure with Drapery:** Classical sculpture of a draped figure, possibly seated or reclining.
- (77,45) **Large Classical Head:** Prominent bust of a head in classical style, resembling a Roman or Greek philosopher or emperor.
- (35,55) **Anatomy Figure:** Sculpture or depiction of an écorché (flayed) figure, showing musculature and rib cage, common in anatomical studies.
- (18,75) **Distressed Head Bust:** Bust of a head on a pedestal with a surprised or distressed expression, strongly resembling a classical head.
- (45,80) **Urinal:** Object resembling Marcel Duchamp's "Fountain," a famous readymade sculpture and key piece in Dadaist art.
- (75,20) **Crossed Objects:** Two crossed shapes, possibly stylized bones or swords, a symbol often associated with danger or conflict.
- (32,25) **Alien Head:** Small representation of the classic "grey" alien head, a common pop culture image and meme subject.
- (88,25) **Small Moai:** Small sculpture of an Easter Island Moai head, a pop culture image and internet meme ("").
- (60,35) **Bearded Head Bust:** Smaller bust of a bearded head in classical or academic style.
- (35,70) **Head with Pillars:** Bust or head sculpture placed behind a small set of pillars.
- (10,20) **Circular Object/Mask:** A small, abstract circular shape on a stick, possibly a stylized mask or symbol from the top left.
- (82,20) **Blocky Symbol:** A small, abstract blocky symbol or miniature object in the top right border area.
- (92,50) **Abstract Vertical Structure:** A vertical arrangement of pixels on the right edge, resembling scaffolding or abstract architecture.
- (65,75) **Cube:** A simple three-dimensional cube shape.
- (15,88) **"288":** The number "288" inscribed on the pedestal of the distressed head bust.
- (55,88) **Small Standing Figure:** A tiny, simple statue-like figure at the bottom.

Day 289: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

- (X, Y): **Solar Storm** (more info at <https://github.com/isaacbernat/basepaint>)
- (45,80) **Giorgio A. Tsoukalos Face**: The face of Giorgio A. Tsoukalos, known from the 'Ancient Aliens' meme, looking upwards.
- (30,25) **The Sun**: A large, stylized sun or star representing the solar storm, dominating the upper left sky.
- (25,45) **Display Screen**: A large digital display screen showing information related to the solar storm.
- (80,78) **Cityscape**: A cityscape depicting buildings on Earth being impacted by the event.
- (45,48) **Figure by Screen**: A small figure, possibly a scientist or technician, standing next to and interacting with the display.
- (85,20) **Satellite**: A satellite or space probe shown in the upper right area, likely affected by the storm.
- (70,58) **Falling Figure**: A pixelated figure appears to be falling or flying amidst chaos in the middle right area.
- (15,45) **King Bob-omb Icon**: An icon on the display screen resembling King Bob-omb from Super Mario 64, adapted with a solar theme.
- (30,43) **Numerical Display**: A numerical reading showing '289' on the display screen.
- (30,48) **Waveform Graph**: A waveform or graph display on the screen, indicating data readings.
- (80,95) **Destruction Effects**: Energy or destruction effects, such as flames or impacts, around the base of the cityscape.

Day 290: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): In Memory of Kabosu (more info at <https://github.com/isaacbernard/basepaint>)

- (50,17) **Heavenly Gate with Doge:** Pixel art depiction of a classical temple or gate with a Shiba Inu figure inside, possibly representing the afterlife.
- (50,60) **Main Kabosu Doge face:** The large, central pixel art portrait of Kabosu the Shiba Inu, the face of the Doge meme.
- (15,25) **"THE BEST GIRL FLY HIGH KABOSU" text block:** Pixel art text arranged vertically, serving as a memorial tribute to Kabosu.
- (50,95) **"KABOSU ALL DOGS GO TO HEAVEN" text:** Pixel art text at the bottom, referencing the movie title and paying tribute to Kabosu.
- (50,22) **Halo over Gate Doge:** A simple pixel art circle/oval above the dog in the gate, symbolizing a halo.
- (50,45) **Halo over main Kabosu:** A simple pixel art circle/oval above the main Doge face, symbolizing a halo.
- (20,55) **Large Doge face (left):** A large pixel art Shiba Inu face with an open mouth, likely representing another Doge meme.
- (80,55) **Large Doge face (right):** A large pixel art Shiba Inu face looking left, another representation of the Doge meme style.
- (15,5) **Medium Doge face (top left, looking left):** A medium-sized pixel art Shiba Inu figure in the top left corner.
- (25,5) **Medium Doge face (top left, looking right):** A medium-sized pixel art Shiba Inu figure next to the top-left one.
- (75,5) **Medium Doge face (top right, smiling):** A medium-sized pixel art Shiba Inu figure in the top right area.
- (85,5) **Medium Doge face (top right, waving?):** A medium-sized pixel art Shiba Inu figure next to the top-right smiling one.
- (20,15) **Medium Doge face (top left, below others):** A medium-sized pixel art Shiba Inu figure below the top-left group.
- (65,30) **Small Doge face (right middle, below 14):** A smaller pixel art Shiba Inu face.
- (75,30) **Medium Doge face (right middle, looking left):** A medium-sized pixel art Shiba Inu face on the right side.
- (15,40) **Small Doge face (left middle):** A smaller pixel art Shiba Inu face on the left side.
- (80,65) **Angel Wings (on Doge at 85,70):** Stylized pixel art blue wings on the back of a Doge figure, symbolizing an angel.
- (85,70) **Medium Doge face (right middle lower):** A medium-sized pixel art Shiba Inu figure depicted with angel wings.
- (15,75) **Medium Doge face (left middle lower):** A medium-sized pixel art Shiba Inu figure on the lower left side.
- (5,80) **Small Doge face (bottom left):** A smaller pixel art Shiba Inu figure in the bottom left corner.
- (80,80) **Rose (bottom right):** A stylized pixel art representation of a blue rose.
- (15,85) **Roses cluster (bottom left):** A cluster of stylized pixel art blue roses in the bottom left corner.
- (85,85) **Small Doge face (bottom right):** A smaller pixel art Shiba Inu face in the bottom right corner.
- (95,95) **Basepaint Logo and Number "290":** The pixel art logo (circle with dot) and the image number from the basepaint project.

Day 291: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Happy ETH ETF Day** (more info at <https://github.com/isaacbernat/basepaint>)

(50,65) **Anonymous Mask:** Large face with Guy Fawkes mask, a symbol of Anonymous and a meme.

(22,87) **Wojak:** Face resembling the 'Feels Guy' meme.

(77,87) **Pepe the Frog:** Face resembling the Pepe the Frog meme.

(47,32) **Ethereum logo:** Diamond shape resembling the ETH logo, relevant to ETH ETF Day.

(76,48) **Bored Ape:** Character resembling a Bored Ape Yacht Club NFT.

(85,92) **Disaster Girl:** Smiling girl in front of chaos, resembling the meme.

(71,68) **Evil Kermit:** Kermit the Frog wearing a Sith hood, a meme format.

(63,48) **Super Mario:** Character resembling Super Mario, a classic game reference.

(65,22) **Large Rocket ship:** A common symbol in crypto for price increases ("to the moon").

(49,50) **Illuminati Eye:** Triangle with an eye inside, a symbol associated with conspiracy theories and memes.

(73,35) **Surprised Pikachu:** Character with wide eyes, resembling the Surprised Pikachu meme.

(59,69) **Wide-mouth character:** Character with large open mouth and teeth, possibly a Wojak variant meme face.

(25,48) **Cap Guy:** Person wearing a cap with eyes closed, possibly a meme face or archetype.

(46,41) **ULTRA SOON text:** Text reading "ULTRA SOON", common crypto/tech hype slang.

(82,17) **HOOL text:** Text reading "HOOL", likely "HODL", common crypto slang.

(18,23) **ETH demon:** Smiling demon character wearing an "ETH" shirt, possibly a crypto mascot or reference.

(30,9) **UR GAYT text:** Text reading "UR GAYT", online slang or trolling reference.

(45,28) **PogChamp-like character:** Small character with large eyes and mouth, resembling the PogChamp emote/meme.

(82,29) **HOOL sign holder:** Person holding the "HOOL" sign.

(19,67) **Framed headshot:** Framed portrait of a person's head, reference unclear.

(66,81) **Wizard/Cult Leader:** Character with a tall hat, reference unclear.

(56,86) **Skeleton:** Small figure resembling a skeleton, a common symbol in memes/culture.

(93,7) **Space Invaders:** Small alien characters, a classic game reference.

(74,7) **Small Rocket ship:** Another rocket symbol.

(6,8) **Text "29: ":** Text reading "29:", possibly a score or countdown.

(17,36) **Up arrow:** Upward pointing arrow symbol, indicating price increase.

(88,50) **Up arrow:** Upward pointing arrow symbol.

(37,95) **Up arrow:** Upward pointing arrow symbol.

(89,77) **Cross:** Cross symbol.

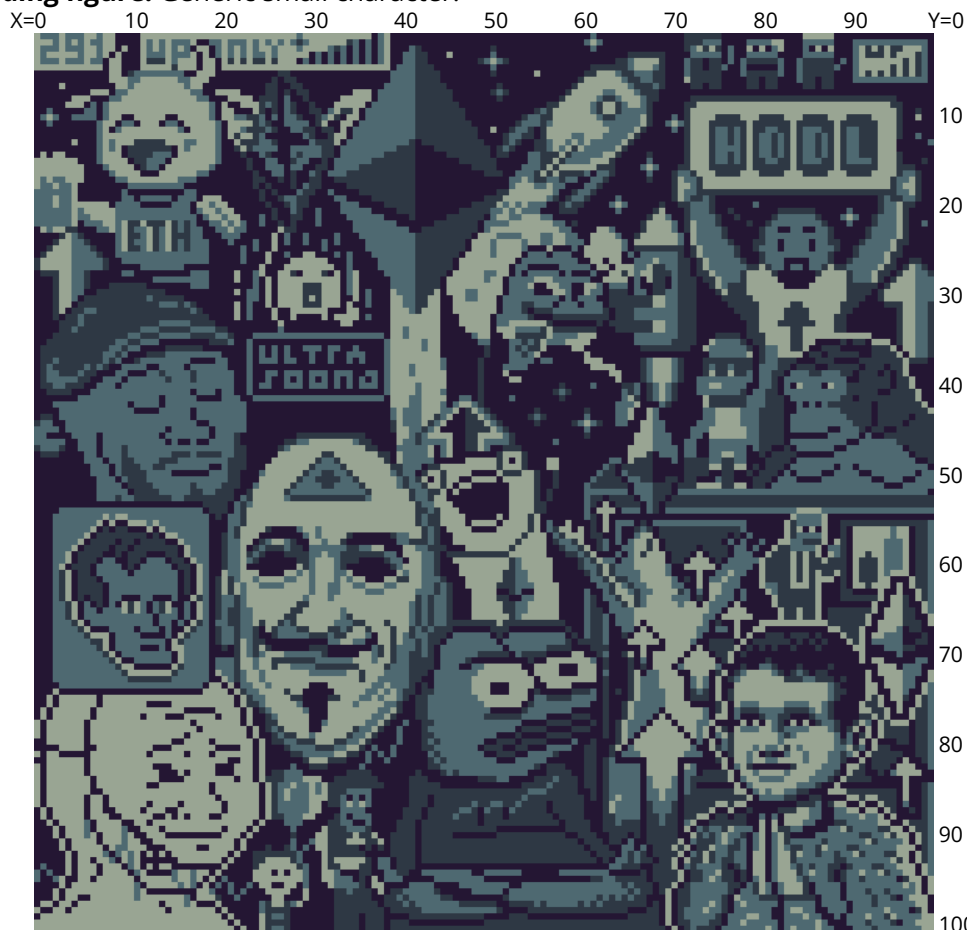

(73,80) **Cross:** Cross symbol.

(83,62) **Cross:** Cross symbol.

(39,89) **Small dancing figure:** Small character, reference unclear.

(60,97) **Small sign holder:** Small character holding a sign, reference unclear.

(97,96) **Small standing figure:** Generic small character.

Day 292: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Food Truck Fiesta** (more info at <https://github.com/isaacbernat/basepaint>)

(75,65) **BASEBURGERS Food Truck**: Large food truck featuring the project name.

(50,40) **TACOS Food Truck**: Large blue food truck serving tacos.

(50,15) **Large Burger Bun**: Giant burger bun topping the Tacos food truck.

(10,60) **Left Food Stall**: Striped food stall on the left side.

(35,90) **PIZZA Food Truck**: Smaller food truck serving pizza.

(25,85) **Orange Mushroom**: Orange mushroom figure, likely a Super Mario game reference.

(85,82) **Long Dachshund**: Long-bodied dog, likely an Internet meme reference (Long Dog).

(75,60) **Chef at BASEBURGERS Truck**: Chef character visible serving food inside the BASEBURGERS truck.

(25,70) **Bench**: Blue public bench on the left side.

(25,70) **People on Bench**: Group of people sitting or standing around the bench.

(45,75) **Number "292"**: The number 292 displayed on a sign, a potential internet culture reference.

(12,90) **Character with orange head and blue suit**: Character with a distinctive orange head and blue body/suit.

(70,65) **Person buying from BASEBURGERS**: Person standing in front of the BASEBURGERS truck as a customer.

(80,70) **Character with orange head and brown body**: Character with a distinctive orange head and brown body.

(90,90) **Hot Dog Cart/Stall**: Stall serving hot dogs in the bottom right corner.

(45,55) **Cupcakes near Tacos truck**: Group of small pastry items, possibly cupcakes, near the Tacos truck.

(50,40) **Taco on Tacos counter**: Taco item visible on the counter inside the Tacos truck.

(75,60) **Objects on BASEBURGERS counter**: Food and drink items (burger, cups, bottles) visible on the counter inside the

(65,70) **Fire Hydrant**: Red fire hydrant near the BASEBURGERS truck.

(80,70) **Garbage Can**: Garbage can near the BASEBURGERS truck.

(90,70) **Traffic Cone**: Orange traffic cone on the far right.

(50,38) **Characters inside Tacos Truck**: People visible inside the windows of the Tacos truck.

(50,90) **Character right of PIZZA truck**: Person standing near the PIZZA food truck.

(78,85) **Small character near Dachshund**: Small person character standing near the Long Dachshund.

(50,2) **Buildings in background**: Silhouetted buildings visible at the top of the image.

(50,5) **Bunting/Flags**: Decorative flags strung across the top of the scene.

Day 293: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Sci-Fi (more info at <https://github.com/isaacbernat/basepaint>)

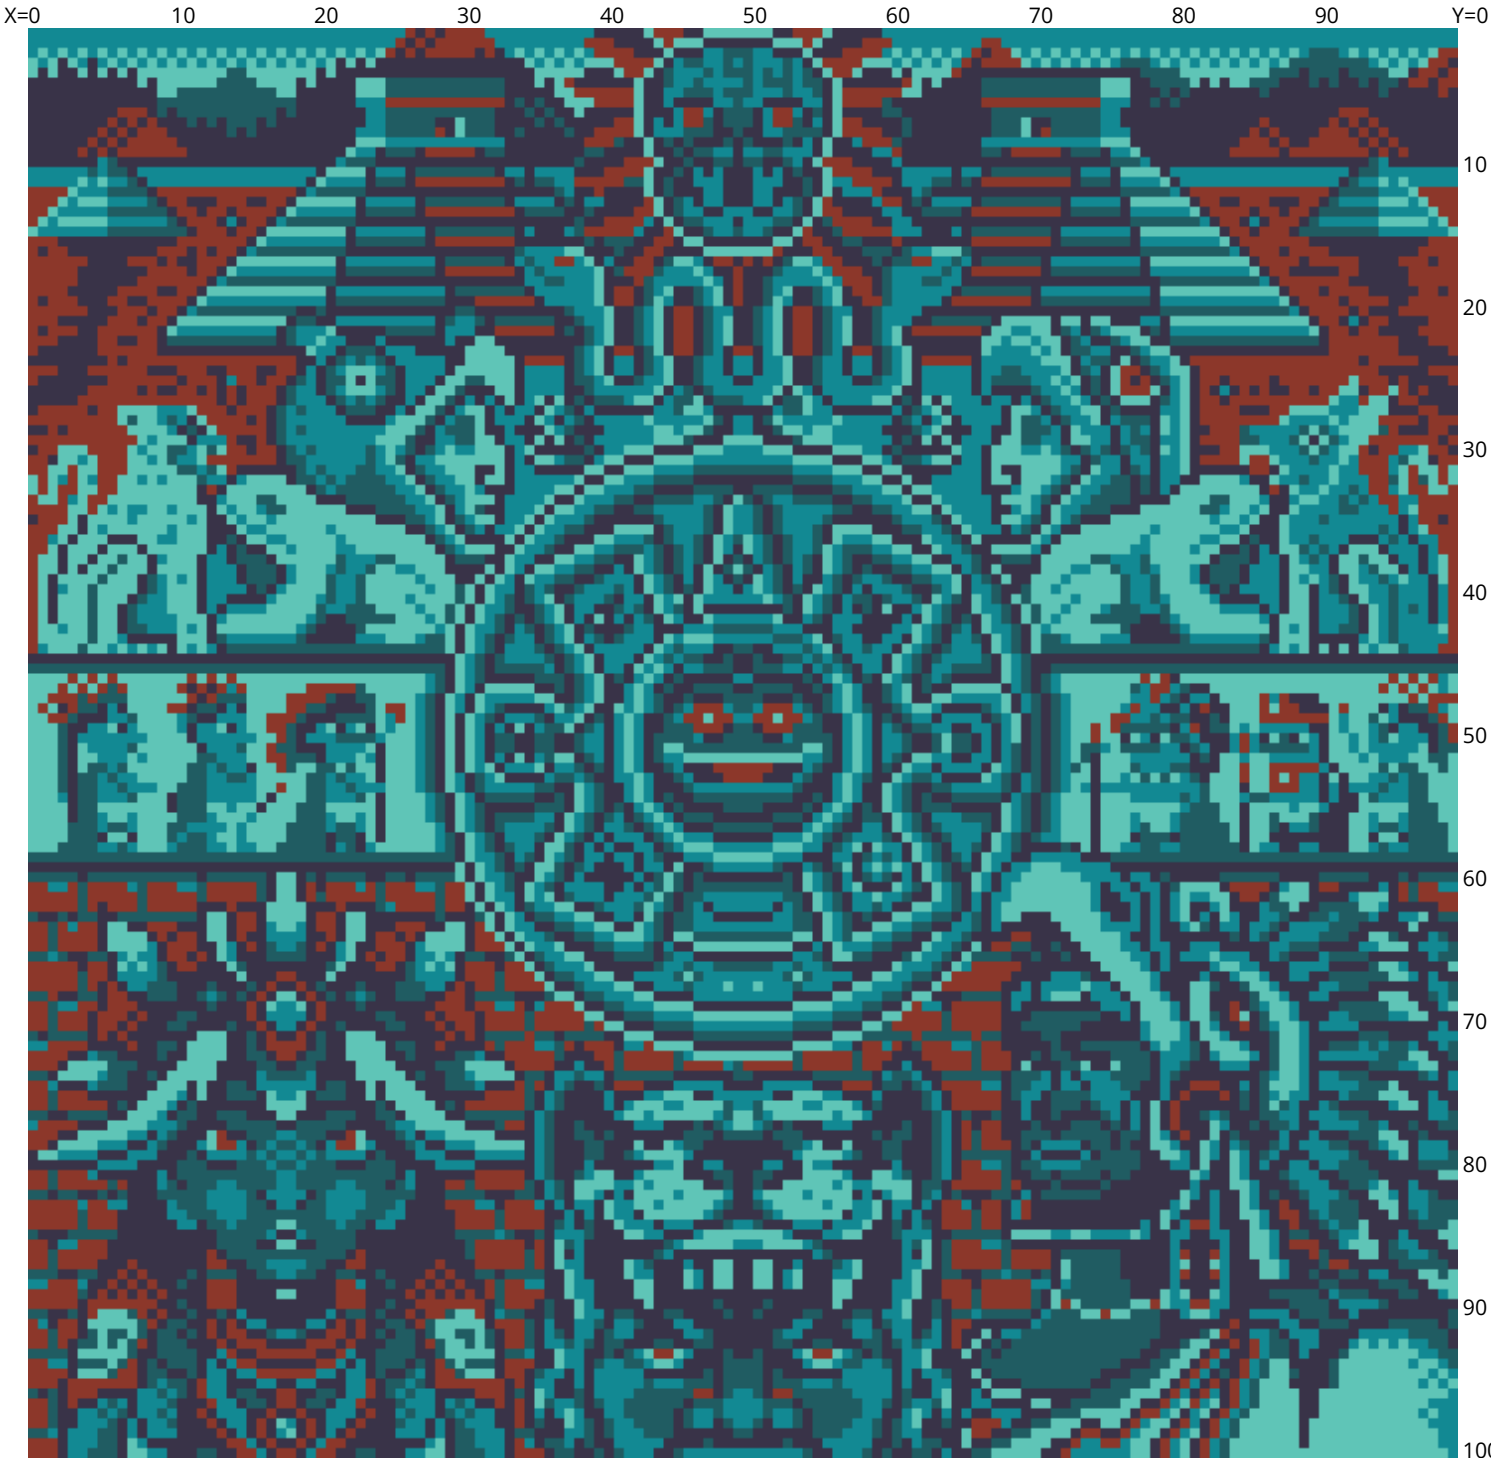

- (50,52) **BASE PAINT text:** The title of the artwork or episode.
- (50,15) **Grey Alien Head:** A classic depiction of a Grey alien, common in UFO lore and sci-fi.
- (30,37) **HAL 9000:** The sentient computer antagonist from the movie 2001: A Space Odyssey, labeled "HAL".
- (17,37) **Rick Sanchez (Head):** A depiction of Rick Sanchez from the animated series Rick and Morty.
- (70,37) **Rick Sanchez (Pointing):** A full-body depiction of Rick Sanchez from Rick and Morty in a typical pose.
- (12,47) **Xenomorph:** The iconic extraterrestrial creature from the Alien film franchise.
- (85,45) **MIB Agent:** A character wearing a black suit, likely referencing the agents from the Men in Black film series.
- (75,55) **Morty Smith:** A depiction of Morty Smith from Rick and Morty, often accompanying Rick.
- (86,80) **Samus Aran:** The protagonist from the Metroid video game series in her power suit.
- (50,65) **EPISODE CCXCIII text:** Additional text providing context, possibly an episode number (293 in Roman numerals).
- (17,72) **Cthulhu-like Creature:** A tentacled monster resembling H.P. Lovecraft's Cthulhu or similar cosmic horror/sci-fi beings.
- (70,80) **Terminator Skull:** The metallic endoskeleton skull of a Terminator robot from the Terminator film franchise.
- (20,10) **BASEPAI text:** Part of the basepaint.xyz logo/title in the top left.
- (80,10) **NT.XYZ text:** Part of the basepaint.xyz logo/title in the top right.
- (35,70) **Sci-Fi Eye:** A large, single eye, a common motif in sci-fi representing surveillance, AI, or abstract concepts.
- (25,71) **Small Sci-Fi Figure:** A small, indistinct humanoid or robotic figure.

Day 294: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Aztec Empire (more info at <https://github.com/isaacbernat/basepaint>)

- (50,50) **Aztec Sun Stone with meme face:** The central circular Aztec Calendar Stone featuring a face resembling Apu Apu.
- (25,78) **Aztec Warrior/Deity:** A large figure in the style of Aztec art, possibly a warrior or deity, depicted on the bottom left.
- (75,78) **Jaguar Mask/Deity:** A large figure in the style of Aztec art, likely a person wearing a jaguar mask or representing a deity.
- (35,35) **Quetzalcoatl Head (Left):** The stylized head of Quetzalcoatl, the feathered serpent deity from Aztec mythology, depicted on the left side.
- (65,35) **Quetzalcoatl Head (Right):** The stylized head of Quetzalcoatl, the feathered serpent deity, depicted on the right side.
- (50,12) **Top Deity/Skull Head:** A stylized head or mask at the top center, possibly representing a deity associated with death.
- (75,15) **Aztec Pyramid:** A stepped pyramid, typical of Mesoamerican architecture, depicted in the upper right background.
- (25,60) **Middle Band Figures (Left):** A group of smaller stylized human figures depicted in the horizontal band on the left.
- (35,55) **Middle Band Frog/Toad (Left):** A stylized depiction of a frog or toad within the horizontal band on the left, animal.
- (65,55) **Middle Band Creature (Right):** Another stylized creature in the horizontal band on the right, possibly a frog or similar animal.
- (75,60) **Middle Band Figures (Right):** Another group of smaller stylized human figures depicted in the horizontal band on the right.

Day 295: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Cowabunga, Dude! (more info at <https://github.com/isaacbernat/basepaint>)

(80,50) **The Great Wave off Kanagawa style:** Large, stylized wave resembling the famous Japanese print by Hokusai.

(75,70) **Teenage Mutant Ninja Turtle:** Prominent character from TMNT franchise, holding nunchucks.

(25,80) **Cookie Monster:** Large, iconic character from Sesame Street.

(85,15) **Flying Cat Figure:** Resembles Nyan Cat, a popular internet meme of a cat with a pop-tart body flying through space.

(60,20) **Cheshire Cat Head:** Head of the Cheshire Cat from Alice in Wonderland, often used as a meme.

(25,45) **Droid Character:** A humanoid robot, possibly resembling C-3PO from Star Wars.

(10,50) **Wall-E:** Robot character from the Pixar movie Wall-E.

(45,50) **Spongebob-like Character:** A character with a large square-ish head and prominent eyes, resembling Spongebob.

(55,55) **Cyclops:** Character from Marvel comics (X-Men), identified by the visor/goggles.

(55,85) **Horse-like Character:** A character resembling a horse or similar animal, possibly Bojack Horseman.

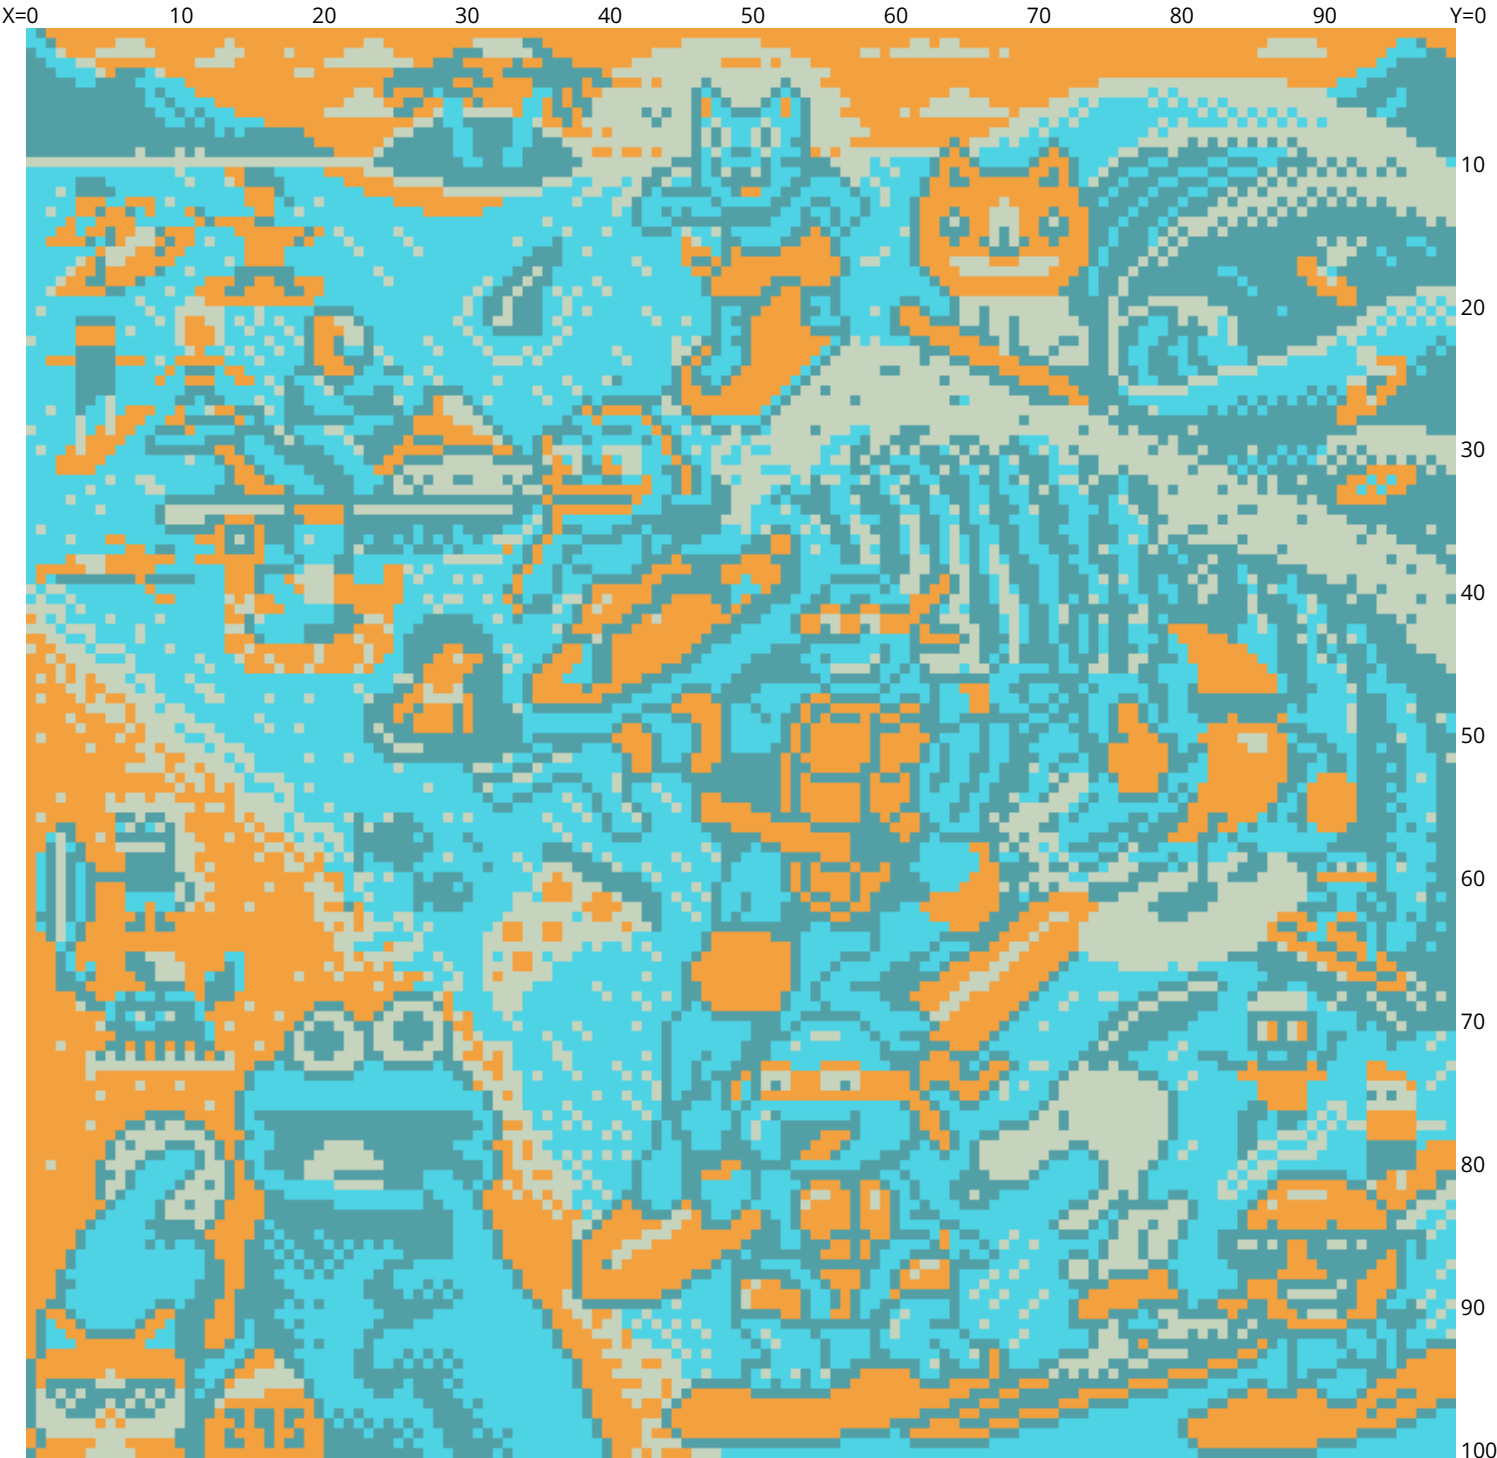

(65,65) **Pizza Slice:** A slice of pizza, often associated with TMNT.

(15,75) **Pigeon:** A small bird next to Cookie Monster.

(15,90) **Small Creature:** A small character next to Cookie Monster.

(85,90) **Masked/Goggled Head:** A head wearing goggles or a mask, situated in the bottom right.

(30,95) **"213" Sign:** A small sign or object displaying the number "213".

Day 296: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): Hieroglyphs (more info at <https://github.com/isaacbernat/basepaint>)

- (25,60) **Among Us Crewmate:** A pixel art representation of a crewmate from the game Among Us.
- (35,60) **Among Us Crewmate:** A pixel art representation of a crewmate from the game Among Us.
- (25,10) **Sphinx:** A mythical creature with the body of a lion and the head of a human, classic Egyptian iconography.
- (75,10) **Pyramid:** A large, iconic triangular structure, representative of Ancient Egypt.
- (55,40) **Pyramid:** A large, iconic triangular structure, representative of Ancient Egypt.
- (65,40) **Pyramid:** A large, iconic triangular structure, representative of Ancient Egypt.
- (55,70) **Cartouche:** An oval enclosing a group of hieroglyphs, typically representing a royal name or significant text block.
- (10,20) **Eye of Horus/Ra:** An ancient Egyptian symbol of protection, royal power, and good health.
- (25,20) **Figure resembling Minecraft Steve:** A blocky figure with a distinct haircut, resembling Steve from the game Mine
- (35,20) **Figure resembling creature:** A small figure next to the potential Minecraft Steve, resembling a generic creature.
- (45,20) **Ankh:** An ancient Egyptian hieroglyphic symbol representing life.
- (65,20) **Anubis/Jackal-headed figure:** A representation of Anubis or a jackal-headed deity from Egyptian mythology.
- (10,30) **Ouroboros/Snake:** A circular symbol depicting a snake eating its own tail, representing infinity or cyclicity.
- (30,30) **Elephant:** A representation of an elephant.
- (50,30) **Ankh:** An ancient Egyptian hieroglyphic symbol representing life.
- (20,40) **Figure:** A simple human-like figure.
- (30,40) **Figure:** A simple human-like figure.
- (40,40) **Figure:** A simple human-like figure.
- (75,40) **Camel:** A representation of a camel, commonly associated with desert landscapes like Egypt.
- (85,40) **Person riding Camel:** A figure possibly riding or standing next to a camel.
- (10,50) **Ankh:** An ancient Egyptian hieroglyphic symbol representing life.
- (20,50) **Skeleton/Skull:** A symbol of death or mortality. Could be a general cultural reference or tie into "spooky" memes.
- (30,50) **Cat:** A representation of a cat, possibly referencing the goddess Bastet or the reverence for cats in ancient Egypt.
- (40,50) **Sunburst/Star:** A radiating symbol, possibly representing the sun or a star.
- (50,50) **Figure with tall hat:** A character figure wearing a distinctive tall or pointed hat, potentially referencing a specific c
- (60,50) **Eye of Horus/Ra:** An ancient Egyptian symbol of protection, royal power, and good health.
- (80,50) **Anubis/Jackal-headed figure:** A representation of Anubis or a jackal-headed deity from Egyptian mythology.
- (50,60) **Hieroglyphic text block:** A group of various smaller hieroglyphic symbols forming a text block.
- (60,60) **Ankh:** An ancient Egyptian hieroglyphic symbol representing life.
- (70,60) **Figure with square head:** A character figure with a square head, potentially referencing a specific character from
- (80,60) **Boat/Structure:** A representation of a boat or a structure.
- (10,70) **Owl:** A representation of an owl hieroglyph.

Day 297: Description version 0.3.0 (gemini-2.5-flash-preview-04-17)

(X, Y): **Summer Garden** (more info at <https://github.com/isaacbernat/basepaint>)

(20,85) **Anime Girl with Headphones**: A girl with large headphones and flowers in her hair, smiling.

(50,80) **Figure on Bench**: A person seated on a park bench.

(85,80) **Figure with Big Hat**: A person wearing a large, wide-brimmed hat.

(18,30) **Gazebo**: A round, domed gazebo structure with columns.

(30,55) **Bridge**: A small bridge crossing a gap in the path.

(70,65) **Ballerina Dog**: A dog standing on its hind legs wearing a tutu.

(70,78) **Rubik's Cube**: A square object resembling a Rubik's Cube on the ground.

(62,52) **Among Us Crewmate**: A small figure resembling a crewmate from the game Among Us.

(48,54) **Mii Character**: A small figure with a large head and small body, resembling a Nintendo Mii character.

(85,95) **Standing Duck**: A large white duck standing upright, resembling the Untitled Goose Game goose.

(15,65) **Dog in Cart**: A floppy-eared dog riding in a small cart or wagon.

(80,60) **Bird Feeder**: A bird feeder stand with a roof.

(85,55) **Large Bird on Feeder**: A large bird perched on the bird feeder.

(58,75) **Cat**: A cat or feline creature lying down near the bench.

(50,30) **Figure with Glasses**: A person wearing glasses and a hat or distinct hair.

(85,25) **Figure with Cane**: A person with a hat, holding a cane.

(45,45) **White Duck**: A white duck walking on the path.

(55,60) **Spinning Top**: An object resembling a spinning top or Beyblade.

(45,70) **Bunny**: A rabbit or bunny sitting on the grass.

(70,15) **Barn/Shed**: A small barn or shed structure in the background.

(60,45) **Small Figure with Balloon**: A small person holding a balloon.

(35,48) **Small Duckling**: A small duckling near the white duck.

(38,40) **Small Bird (path)**: A small bird standing on the path.

(82,50) **Small Bird (near feeder)**: A small bird near the bird feeder.

(75,90) **Small Bird (ground)**: A small bird on the ground near the bottom right.

(35,20) **Small Figure (top left)**: A small person figure.

(40,25) **Small Figure 2 (top left)**: Another small person figure.
